TITLE

Budget Resolution Recognizing Additional Revenue From Duke Energy Foundation Grant for Emergency Preparedness Initiatives

BRIEF OVERVIEW

Emergency Management applied for a grant through Duke Energy in order to bring emergency preparedness initiatives to low-income communities. The #HernandoPrepares public education campaign will focus on four key messages:

- Make a Plan
- Build a Kit
- Stay Informed
- Get Involved

This grant will also fund the second HERricane Summer Camp for 20 young women, ages 13-17 to learn about emergency management as a career, the importance of preparedness, how to perform Cardiopulmonary Resuscitation (CPR), how to extinguish small fires, and how to build a disaster supply kit. This camp will be a five-day summer camp.

FINANCIAL IMPACT

Increase the General Fund Revenue 0011-02401-3669904 PRT Grant-Duke Energy by $14,000 and increase expense items in various accounts (as noted on attached budget resolution) to accomplish goals noted.

LEGAL NOTE

Pursuant to Chapter 125, Florida Statutes, the Board has the authority to take the recommended action.

RECOMMENDATION

It is recommended that the Board approve and authorize the Chairman's signature on the attached budget resolution recognizing the award from the Duke Energy Foundation.
