Ms. Veda Ramirez,

The City of Brooksville received a letter from County Administrator Jeff Rogers dated August 11, 2023, inviting the city of Brooksville to participate in the Hernando County Community Block Grant Program year 2024 – 2026.

The City of Brooksville has decided not to participate in the urban county program. Please accept this as formal notification that the City of Brooksville intends to opt out of the Hernando County Community urban county program. To comply with federal requirements, we are sending notification to both the county and to HUD.

Brooksville currently has a CDBG in process and would like the option of seeking additional CDBG grant offerings for the city as deemed appropriate for specific needs.

Thank you for your attention in this matter.

Sincerely,

Ron Snowberger, City Manager
City of Brooksville
