Dear Betsy,

We are preparing the agenda materials for the upcoming Planning and Zoning Commission meeting and need a formal request to postpone agenda items H-25-39 and H-25-40.

Please provide an email requesting that these items be postponed. This email will be included in the agenda packet to allow the Commission to take action on the postponement.

I need to post the agenda today.

Thank you for your assistance. Please let us know if you have any questions.

Sincerely,
