I am writing this email to voice my concern about the rezoning of parcel key #s: 153078,1411369,153103,1411378,153112. This change to current zoning will have a negative impact on our current single family neighborhood. Rezoning that could include apartments and multiple units of housing would cause infrastructure issues to an area that already struggles with electric and water. Please retain the current zoning. Thank you
