**RE: Permit Extension Request**  
**Project Name: Winding Oaks Construction**  
**Permit Number: 1447602**

Dear Alaina,

Per the May 13, 2022, letter from the Hernando County Planning Department approving the project for construction attached hereto, construction of the project is to start and be completed by May 13, 2023, and November 13, 2023, respectively.

Since the time of the above approval, due to the delay caused by financial market changes, we are requesting a six-month time extension to start the Winding Oaks project.

If you have any questions, please feel free to contact me at the number listed below.

Sincerely,

**Coastal Engineering Associates, Inc.**
