HERNANDO COUNTY, FLORIDA**

RESOLUTION 2025 -066

WHEREAS, Parkinson's disease is a chronic, progressive, neurological disease and is the second most common neurodegenerative disease in the United States; and

WHEREAS, Parkinson's disease is estimated to affect approximately one million people in the United States and the prevalence will rise to 1.2 million by the year 2030; and

WHEREAS, 90,000 new people are diagnosed each year in the United States with Parkinson's disease. The symptoms of Parkinson's disease vary from person to person, and these symptoms include tremors, slowness of movement, difficulty with balance, swallowing and chewing, and cognitive impairment and dementia; and

WHEREAS, Parkinson's disease is the 14th leading cause of death in the United States according to the Centers for Disease Control and Prevention. Research suggests the cause of Parkinson's disease is a combination of genetic and environmental factors, but the exact cause and progression of the disease is still unknown and there is no cure or drug to slow or halt the progression of the disease; and

WHEREAS, increased research, education, and community support services such as those provided by the Parkinson's Foundation and other organizations are needed to find more effective treatments and to provide access to quality care to those living with disease today; and

WHEREAS, research suggests the cause of Parkinson's disease is a combination of genetic and environmental factors, but the exact cause and progression of the disease is still unknown; and

WHEREAS, there is no objective test or biomarker for Parkinson's disease, and there is no cure or drug to slow or halt the progression of the disease; and

WHEREAS, the symptoms of Parkinson's disease vary from person to person and can include tremors; slowness of movement and rigidity; difficulty with balance, swallowing, chewing, and speaking; cognitive impairment and dementia; mood disorders; and a variety of other non-motor symptoms; and

WHEREAS, volunteers, researchers, caregivers, and medical professionals are working to improve the quality of life of persons living with Parkinson's disease and their families; and

WHEREAS, increased research, education, and community support services such as those provided by the Parkinson's Foundation and other organizations are needed to find more effective treatments and to provide access to quality care to those living with the disease today.

NOW, THEREFORE, BE IT RESOLVED BY THE HERNANDO COUNTY BOARD OF COUNTY COMMISSIONERS AS FOLLOWS:

SECTION 1. The Board of County Commissioners hereby proclaim April 2025 as **PARKINSON'S AWARENESS MONTH** in Hernando County.

SECTION 2. The Board of County Commissioners hereby urges all citizens to participate in activities and events which support the fight against Parkinson's disease and to support efforts which aid and assist individuals and families living with Parkinson's disease.

ADOPTED in Regular Session this 8th day of April 2025, A.D.
