Hi Brittany,

We are excited to be able to provide you a grant in total of \$12,500. We know it is less than what you received last year but we hope it will still be helpful in your program reaching its goals.

We look forward to meeting the young ladies this summer!

Please let me know if you have any questions.

Sincerely,

Subject: Duke Energy Grant Application Timeline

Good morning Staci,

We are starting to plan for next year's HERricane Camp, and I was looking for some clarification on the application for the Duke Energy Grant. When we applied, it stated that the grant is annual; but what I'm curious about is when we are able to apply again. Is it per calendar year, or from the date that we turned our application in the previous year?

Thank you,
