AGENDA ITEM

TITLE

School Concurrency Proportionate Share Mitigation Agreement With The School Board of Hernando County, Florida, and GTC, LLLP, a Florida Limited Liability Limited Partnership, for Rolling Rock Townhomes

BRIEF OVERVIEW

GTC, LLLP submitted an application for a Conditional Plat for Rolling Rock Townhomes (Application No. 1498214) for 76 townhome units to be constructed on Parcel Key No. 01747024. The conditional plat was reviewed by various County agencies and found to be consistent with County standards.

During the School Board of Hernando County, Florida, review of the School Concurrency application, it was found that, based on the adopted Level of Service Standards, adequate school capacity for four (4) high school students projected to be generated by the development is not available within the school Concurrency Service Area(s) in which the Proposed Development is located nor within any contiguous school Concurrency Service Area(s). Additionally, adequate school capacity was found not to be in place or under actual construction within three (3) years after the Local Government's approval of the Proposed Development.

Hernando County, the School Board of Hernando County, and GTC, LLLP must enter into the attached School Concurrency Proportionate Share Agreement to provide mitigation options to satisfy the deficit in available school capacity and allow the Certificate of Concurrency to be issued for the subject development.

FINANCIAL IMPACT

There is no financial impact for the subject agreement.

LEGAL NOTE

The Board may consider the associated agreement in accordance with Chapter 125, Florida Statutes.

RECOMMENDATION

It is recommended that the Board approve and authorize the Chairman's signature on the Proportionate Share Mitigation Agreement.

**SCHOOL CONCURRENCY PROPORTIONATE SHARE MITIGATION
AGREEMENT**

ROLLING ROCK TOWNHOMES

THIS SCHOOL CONCURRENCY PROPORTIONATE SHARE MITIGATION AGREEMENT (“Agreement”), is made by and among **HERNANDO COUNTY**, a political subdivision of the State of Florida, whose address is 20 North Main St., Brooksville, Florida 34601; hereinafter referred to as **“Local Government”**; **THE SCHOOL BOARD OF HERNANDO COUNTY, FLORIDA**, a body corporate of the State of Florida, hereinafter referred to as the **“School Board”**, whose address is 919 North Broad St., Brooksville, FL 34601; and **GTC, LLLP, a Florida limited liability limited partnership**, hereinafter referred to as the **“Applicant”** whose address is 6915 SR 54, New Port Richey, Florida, 34653; and

WHEREAS, the **Applicant** is **THE FEE SIMPLE OWNER** of an **approximately 6.91 acre** parcel of real property located in Hernando County and generally located at on Rolling Rock Drive near the 12200 block of Cortez Boulevard (**“Project Site”**), the complete legal description for which is attached hereto as EXHIBIT “A.” The Project Site is illustrated with a map appearing in EXHIBIT “B”; and

WHEREAS the **Applicant** has applied for **CONDITIONAL PLAT** approval from the **Local Government** pursuant to **Application No. 1498214** and to allow **seventy-six (76)** new single family dwelling units to be constructed on the Project Site (**“Proposed Development”**); and

WHEREAS, the **Local Government** has determined the Proposed Development is consistent with the future land use designation of its Comprehensive Plan and pertinent portions of the Comprehensive Plan; and

WHEREAS, the **Local Government** and School Board utilize data and methodologies contained in Florida Statutes, Department of Education, and the Hernando County Educational Facilities Impact Fee, as periodically updated; and

WHEREAS, the **Local Government** and the **School Board** have adopted and implemented a public school concurrency management system to assure the future availability of public school facilities to serve new development consistent with level of service standards, as defined in the

Interlocal Agreement (“Standards” or “Level of Service” or “Level of Service Standards”) and consistent with the terms of the current Interlocal Agreement for Public School Facility Planning between the School Board and the Local Governments, as may be amended from time to time (the “Interlocal Agreement”) and the Local Government’s public school facilities element, and capital improvement elements of the respective comprehensive plans; and

WHEREAS, at the adopted Level of Service Standards, adequate school capacity for **four (4) high school** students projected to be generated by the development is not available within the school Concurrency Service Area(s) (“Concurrency Service Area(s)”)shall have the meaning as set forth in the Interlocal Agreement) in which the Proposed Development is located nor within any contiguous school Concurrency Service Area(s); and adequate school capacity will not be in place or under actual construction within three (3) years after the Local Government’s approval of the Proposed Development; and

WHEREAS, authorizing these new residential dwelling units without the mitigation provided for in this Agreement would result in a failure of the Level of Service Standard for public school facilities in one or more applicable school Concurrency Service Area(s); and

WHEREAS, the parties agree that public school concurrency shall be satisfied by the **Applicant’s** execution of this legally binding Agreement and payment of a mitigation amount proportionate to the demand for public school facilities to be created by these new residential dwelling units (“**Proportionate Share Mitigation**”); and

WHEREAS, it is the policy of the State of Florida that public educational facilities and services needed to support new residential development shall be available concurrently with the impact of such new residential development; and

WHEREAS, an appropriate mitigation option necessary to satisfy public school concurrency is payment of a Proportionate Share Mitigation for the Proposed Development, as more specifically described herein; and

WHEREAS, the **Local Government** has authority to issue a Certificate of Concurrency (“COC”) for the Proposed Development contingent upon the payment of Proportionate Share Mitigation being guaranteed in an enforceable development agreement; and

WHEREAS, the **Applicant** is eligible for Educational Facilities Impact Fee credits for the payment of the Proportionate Share Mitigation for the Proposed Development in such amounts as are authorized by Hernando County Ordinance 2024-10, § IV (Ex. A).

NOW, THEREFORE, in consideration of the foregoing described Proportionate Share Mitigation, the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

1. **INCORPORATION OF RECITALS:** The foregoing recitals are true and correct and are hereby incorporated into this Agreement by reference as if fully set forth herein.

2. **PARTIES:** The **Local Government**, the **School Board** and the **Applicant** shall be collectively referred to as the “parties.”
3. **LEGALLY BINDING COMMITMENT:** This Agreement constitutes a legally binding commitment by the **Applicant** to provide Proportionate Share Mitigation for the deficiency of school capacity needed for the number and type of new residential dwelling units on the Project Site for the Proposed Development sought to be approved by the **Local Government**.
4. **DESCRIPTION OF DEVELOPMENT USES:** The Proposed Development shall be developed to include a maximum of **SEVENTY SIX SINGLE FAMILY DWELLING UNITS**. Construction of the dwelling units within the Proposed Development is anticipated to begin in the year **2025** and is anticipated to be complete in the year **2027**.
5. **PROPORTIONATE SHARE MITIGATION:**
 - a. The **parties** agree the formula to calculate the total amount of the Proportionate Share Mitigation shall be: $p = (s - a) \times (c + (c \times f))$, where
 - i. p = Proportionate Share Mitigation Amount, and
 - ii. s = Students (by school type) that will be generated by the Proposed Development (by housing type), and
 - iii. a = Available FISH capacity (by school type) or **zero** if no capacity is available, and
 - iv. c = Total Facility Cost per Student Station for **four (4) high school high school level**, as published in the Educational Facilities Impact Fee Update Study adopted by the School Board and in effect at the time when the Proportionate Share Mitigation is accepted plus authorized ancillary facility costs per student, and
 - v. f = Student Station Cost Adjustment Factor (indexed to 2022=100) for the year in which the Proportionate Share Mitigation is accepted, as published by the Florida Legislative Office of Economic and Demographic Research (EDR).
 - b. The **parties** agree that the payment of a Proportionate Share Mitigation in the total amount of **ONE HUNDRED SEVENTY-EIGHT THOUSAND EIGHT HUNDRED SEVENTY-THREE AND 00/100 DOLLARS (\$178,873)** for the Proposed Development, is proportionate to the demand for public school facilities to be created by the actual development of the property and based on existing and actual school capacity deficit as determined pursuant to the Amended and Restated Interlocal Agreement.
6. **SCHOOL CONCURRENCY ANALYSIS:** Upon the final execution of this Agreement, the Superintendent shall provide the **Local Government** with a *Finding of Available School Capacity*, encumbering capacity for **6 Elementary, 3 Middle, and 4 high school** students for the Proposed Development.

7. **TIMING:** The execution of this Agreement shall be a condition of the Conditional Plat approval, Site Plan approval, or its functional equivalent. The payment of the Proportionate Share Mitigation in full shall occur at the time of, and shall be a condition of the final plat approval, or its functional equivalent for the Proposed Development, but in no event later than the issuance of the first building permit. This payment shall be made directly to the **School Board**.
8. **EDUCATIONAL FACILITIES IMPACT FEE CREDIT:**
- a. In accordance with Section 163.3180(6)(h)(2)(b) and 163.31801(5)(a), Florida Statutes, as consideration for the payment of the Proportionate Share Mitigation as described in Section 5 above, the **Parties** agree that the **School Board** shall provide the **Applicant** a credit on a dollar-for-dollar credit basis at fair market value, in the amount of ONE HUNDRED SEVENTY-EIGHT THOUSAND EIGHT HUNDRED SEVENTY-THREE AND 00/100 DOLLARS (\$178,873) toward Educational Facilities impact fees (“Impact Fee Credits”) in the form of the Hernando County Educational Facilities Impact Fee Voucher attached hereto as Exhibit “C” (the “Voucher”). The number of units set forth in the Voucher will be based upon the rate of Impact Fees at the time of the Proportionate Share Mitigation payment and shall be rounded down to the nearest unit. In no event will the dollar amount of the Proportionate Share Mitigation exceed the dollar amount of the Impact Fees due for the Proposed Development.
 - i. As an example, the Educational Impact Fee as of July 1, 2025, is \$6,135.00 per single family home. Assuming the payment is in the amount of \$350,000.00, it would result in a voucher for 57.04 single family home units, which would be rounded down to 57 units and the actual payment would be \$349,695. If the impact fee rate is increased after the issuance of the Voucher, the Voucher would nevertheless be valued at 57 single family residential units. The same calculation method would apply to other housing types, such as multi-family.
 - b. **Applicant** may assign the Voucher, in whole or in part, pursuant to Section 163.31801(10). To accomplish said transaction, the School Board shall, within thirty (30) days of receipt of a written request from the Applicant, reassign the Voucher in whole or in part, to any other development or parcel within the school district. Should, at any time, the total number of units set forth in the Proposed Development exceed the number of units set forth in Voucher(s) issued, the **Applicant** shall pay the then current impact fee amount for each unit above the total amount of units in the issued vouchers. The **Applicant** shall provide the Voucher(s) to the **Local Government** at the time of impact fee payment.
9. **SCHOOL CAPACITY IMPROVEMENT:** The **School Board** agrees to apply the Proportionate Share Mitigation contributed by the **Applicant** toward a school capacity improvement identified in its 5-year Educational Facilities Work Program and if no project has been identified, the **School Board** shall set aside the funds, and not spend same until an improvement has been identified which satisfies the demands created by the Development Proposal in accordance with this Agreement.

10. **IMPACT FEES.** The payment of Educational Facilities impact fees shall be the responsibility of the **Applicant** for each dwelling unit constructed on the Property and shall be due at the time of building permit issuance. The **Applicant's** payment of Educational Facilities impact fees shall be collected, transmitted, and reported in conformance with and according to the Educational Facilities Impact Fee Ordinance, and as set forth on EXHIBIT "D" attached hereto and incorporated herein by reference.
11. **TERMINATION.** This Agreement shall terminate, and **Applicant** shall forfeit any administrative fees paid, as well as any capacity encumbered or reserved under the following circumstances, unless the **School Board** agrees to an extension of this Agreement, if one of the following occurs:
- Upon final approval of the conditional plat, the developer shall have two (2) years to be granted construction plan approval. In no case shall the conditional plat be valid for more than five (5) years from the original date of approval; or
 - Applicant** fails to fully pay the Proportionate Share Mitigation Payment when due hereunder and such breach remains uncured for a period of thirty (30) days; or
 - The **Applicant** fails to obtain at least one building permit for a unit other than a model home within three (3) years of recording of the plat or, if a plat is not required, within three (3) years of final approval of the site plan, or its equivalent. In such case, unless for good cause shown by the **Applicant**, this Agreement shall be terminated and, other than capacity associated with a payment of Proportionate Share Mitigation, any encumbered or reserved school capacity shall be returned to its applicable capacity bank.
 - The **Applicant** shall not be entitled to a refund of any portion of the Proportionate Share Mitigation paid under this Agreement prior to termination.
12. **NO GUARANTEE OF LAND USE/ZONING:** Nothing in the Agreement shall require the **Local Government** to approve any land use amendment or rezoning application associated with the Project Site.
13. **EFFECTIVE DATE:** This Agreement shall become effective immediately upon the occurrence of all the following:
- Signatory execution by the **Applicant**
 - Adoption and approval of this Agreement by the **Local Government**;
 - Adoption and approval of this Agreement by the **School Board**;
 - The recordation of a fully executed original of this Agreement in the official records of Hernando County, Florida, at the expense of **Applicant**; and
 - The expiration of any and all appeal periods for any challenge to the approval of this Agreement.
14. **TERM:** This Agreement shall automatically terminate and expire upon the first occurrence of any of the following:
- The full performance by all parties hereto of each and every one of their respective obligations arising under the terms of this Agreement.
 - The execution of a written agreement by all **parties**, or their successors in interest, providing for the cancellation and termination of this Agreement.

- c. The expiration or termination of either the COC or permitted authorization of related horizontal or vertical construction.
 - d. Ten (10) years from the Effective Date.
15. **DEFAULT:** If any party to this Agreement materially defaults under the terms hereof, then the **Local Government or School Board** shall give the defaulting party thirty (30) days' notice and a right to cure such breach. Should the **Applicant** of the property described herein fail to timely cure a default in meeting their obligations set forth herein, the COC, issued based upon payment and/or performance hereunder, this Agreement shall be voided and the **Applicant** and the property described herein shall lose their right to school concurrency under this Agreement and their right to any Educational Facilities Impact Fee credits under this Agreement. Further, in the case of such default, any development upon that property site dependent upon such COC shall cease and no further permits shall be issued by the Local Government, until and unless the agreement is reinstated or the default is cured or capacity becomes available and a new COC is issued. Should the **Local Government** or the **School Board** fail to timely cure a default in meeting their obligations set forth herein, **Applicant** may seek any and all remedies available to it by law.
16. **VENUE; CHOICE OF LAW:** Any controversies or legal issues arising out of this Agreement, and any action involving the enforcement or interpretation of any rights hereunder, shall be submitted to the jurisdiction of the Circuit Court of Hernando County, Florida, and shall be governed by the laws of the State of Florida.
17. **RELEASE.** Upon the performance of all obligations of all Parties hereto, the School Board and the Local Government shall release the Applicant from this Agreement, and the Applicant shall release the School Board and the Local Government from all future claims, costs or liabilities arising out of the provision of Proportionate Share Mitigation in accordance with this Agreement. These releases shall be recorded at the Applicant's expense in the Official Records of Hernando County, Florida, evidencing such performance.
18. **CAPTIONS AND PARAGRAPH HEADINGS:** Captions and paragraph headings contained in this Agreement are for convenience and reference only. They in no way define, describe, extend or limit the scope or intent of this Agreement.
19. **NO WAIVER:** No waiver of any provision of this Agreement shall be effective unless it is in writing and signed by the party against whom it is asserted. Any such written waiver shall only be applicable to the specific instance to which it relates and shall not be deemed to be a continuing or future waiver.
20. **EXHIBITS:** All Exhibits attached hereto contain additional terms of this Agreement and are incorporated herein by reference.
21. **FURTHER ASSURANCES:** The parties hereby agree to execute, acknowledge and deliver and cause to be done, executed, acknowledged and delivered all further assurances

and to perform such acts as shall reasonably be requested of them in order to carry out this Agreement.

22. **AMENDMENTS:** No modification, amendment, or alteration in the terms or conditions contained herein shall be effective, unless contained in a written document prepared with the same or similar formality as this Agreement and executed by all the parties to this Agreement.
23. **ASSIGNMENT:** This Agreement runs with the land. The **Applicant** may assign its rights, obligations and responsibilities under this Agreement to a third-party purchaser of all or any part of fee simple title to the Property. Any such assignment shall be in writing and shall require the prior acknowledgement of all of the parties. At the election of the **School Board**, such acknowledgement may be conditioned upon the written agreement of the assignee to comply with conditions and procedures to aid in the monitoring and enforcement of the assignee's performance of the Proportionate Share Mitigation under this Agreement. The assignor under such assignment shall furnish the parties with a copy of the written assignment within ten (10) days of the date of execution of same.
24. **NO THIRD-PARTY BENEFICIARIES:** This Agreement is made for the sole benefit and protection of the parties, their successors and assigns, and no other persons shall have any right of action hereunder.
25. **COUNTERPARTS:** This Agreement may be executed in three (3) counterparts, each of which may be deemed to be an original.
26. **RECORDING OF THIS AGREEMENT:** The **Applicant** shall record this Agreement, at its expense in the Hernando County Public Records. The Applicant shall provide a copy to the **Local Government** and the **School Board**.
27. **MERGER CLAUSE:** This Agreement sets forth the entire agreement among the parties, and it supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, among the parties.
28. **SEVERABILITY:** If any provision of this Agreement is declared invalid or unenforceable by a court of competent jurisdiction, the invalid or unenforceable provision will be stricken from the Agreement, and the balance of this Agreement will remain in full force and effect as long as doing so would not affect the overall purpose or intent of the Agreement.
29. **STATUTORY COMPLIANCE:** This Agreement satisfies the requirements for a binding Proportionate Share Mitigation Agreement in Section 163.3180(6)(h), Florida Statutes (2024), as amended from time to time.
30. **NOTICES:** Whenever any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for who it is intended at the place last specified, delivered via overnight mail signature required

(FEDEX), or via electronic mail with delivery receipt provided. The place for giving of notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. EDUCATIONAL FACILITIES IMPACT FEE

1. **Impact Fees Established.** The County has adopted the Hernando County Educational Facilities Impact Fee Ordinance (the “Impact Fee Ordinance”), codified at Chapter 23, Article III, of the Hernando County Code, to assure that new development which creates a need for educational facilities bears a proportionate share of the cost of capital expenditures necessary to provide the educational facilities necessitated by such development (“Impact Fee”). The Impact Fee amount is established pursuant to the Impact Fee Ordinance and is due and payable upon the issuance of a building permit by the respective Local Governments except as otherwise provided in the Impact Fee Ordinance.
2. **Collection of Impact Fees.** Each Local Government shall collect the Impact Fee for each building permit resulting in a new impact generated by ordinance or resolution. The ultimate calculation of the Impact Fee amount shall be based on the timing of the submittal of a complete building permit application, with the Impact Fee payable at the time of building permit issuance. The permitting Local Government shall be solely responsible for determining the amount of any Impact Fee due at the time of building permit issuance.
3. **Administrative Costs.** In accordance with the Florida Impact Fee Act, it is agreed by the Parties that the Local Governments may retain the actual costs incurred in collecting the Impact Fees. Each Local Government is responsible for providing for accounting and reporting of impact fee collections and expenditures and account for the revenues and expenditures of such impact fee in a separate accounting fund and providing same to the School Board on an annual basis.
4. **Remittance of Impact Fees.** The Local Governments shall remit the collected Impact Fees minus the administrative fee, as described above, to the School Board pursuant to Hernando County Code of Ordinance, Chapter 23, Article III, Section 23-71. as prescribed by Ordinance or Resolution. Remittance may be through wire transfer to the School Board, through check payable to the Hernando County School Board, or through other method mutually agreed to between the Local Government as payor and the School Board as payee.
5. **Reporting.** Each Local Government shall, in addition to the monthly transfer of the Impact Fees, remit to the School Board a report accounting for the total Impact Fees collected for the month and the administrative fees retained by the Local Government. The reports shall specify the dates the fees were paid, Parcel Identification Number, Impact Fee paid per parcel, total Impact Fee paid including allocations, applicant’s name, property description, use code, and the financial payment history (including date of payment to the School Board and check number). Should no Impact Fees be

collected for the month, the Local Government shall report to the School Board that no Impact Fees are to be remitted because no Impact Fees were collected by the Local Government.

Notice of Special Exception Use Permit Actions Taken by Planning and Zoning Commission on August 11, 2025

BRIEF OVERVIEW

Attached is a memorandum from Development Services Planning Director Omar DePablo regarding Special Exception Use Permit actions taken by the Planning and Zoning Commission (P&Z) on August 11, 2025. On that date, the P&Z voted for the following special exceptions:

- Voted to approve a special exception use permit for a place of public assembly, namely a venue for special events, as petitioned by Old Florida Forever, LLC, Joseph Conrad (SE2506).
- Voted to approve a special exception use permit for outdoor storage, as petitioned by Cynthia Tarapani, Tarapani Planning Strategies (SE2508).
- Voted to approve a special exception use permit for an assisted living facility, as petitioned by Chinwendu Calis Nnagbo (SE2509).
- Voted 3-1 to deny a special exception use permit for two (2) additional commercial vehicles, as petitioned by Joseph and Sonja Regan (SE2510).

According to Appendix A, Zoning, Article V, Section 8(l) of the Hernando Code of Ordinances, the Board, by a majority of vote, may decide to review any special exception decision rendered by the P&Z. If at least a majority of the governing body do not vote to review the P&Z decision within thirty (30) days, the P&Z decision shall be deemed final and subject to only to review by the circuit court.

MEMORANDUM

TO: Honorable Chairman and Members of the Board of County Commissioners

VIA: Jeffry Rogers, County Administrator
County Administrator's Office

FROM: Cesar Omar DePablo, Development Services Director
Planning and Zoning Department

**SUBJECT: Special Exception Actions by the Planning and Zoning Commission
on August 11, 2025**

For the Board's information, on August 11, 2025, the Planning and Zoning Commission (P&Z) held a duly advertised public hearing to consider an advertised request for a Special Exception(s). Attached to this memorandum are the staff reports and actions of the P&Z on the special exception requests presented at that scheduled public hearing.

A notification letter was sent on Wednesday, August 13, 2025, to inform the petitioners of the P&Z actions. According to Appendix A, Zoning, Article V, Section 8(1) of the Hernando County Code of Ordinances, the Board of County Commissioners (BOCC), by a majority vote, may decide to review any special exception decision rendered by the P&Z. If at least a majority (three (3) members) of the governing body do not vote to review the P&Z decision within thirty (30) days, which would be Wednesday, September 10, 2025, the P&Z decision shall be deemed final and subject only to review by the circuit court. The review of the decision by the BOCC shall be at a public hearing held within sixty (60) days of the P&Z decision. The board has the authority to continue, on its own motion, to a later date a final decision on any special exception matter pending before it for review.

The review of decision by the BOCC would occur on the regular BOCC hearing date of Tuesday, October 7, 2025. "Public notice" for this hearing shall mean publication of notice of the time, place and purpose of such hearing one (1) time in a newspaper of general circulation in the county, such publication to be at least five (5) days prior to such hearing, and such notice shall be posted in a conspicuous place or places around such lots, parcels, or tracts of land as may be involved in the hearing. Affidavit proof of the required publication and posting of the notice shall be presented at the hearing.

The Board may affirm, modify, or reverse the decision of the P&Z at the hearing.

REQUEST: Special Exception Permit for a Place of Public Assembly; namely, a venue for Special Events

GENERAL LOCATION: South side of Lake Lindsay Road, approximately 3000' east of Ponce de Leon Boulevard

PARCEL KEY NUMBER: 334427

APPLICANT'S REQUEST:

On September 18, 2018, the Planning and Zoning Commission converted the petitioner's request for a Special Exception to a Conditional Use permit. On December 14, 2020, the Planning and Zoning Commission converted the petitioner's request for a Conditional Use permit to a Special Exception Use permit on the subject property to allow the petitioner to hold special events on the site.

The petitioner is requesting the following additions to the previously approved Special Use Permit

1. An increase from five (5) to ten (10) multiple-day events annually.
2. Three (3) Day events per week (Primarily in Summer months)
3. Three (3) Day overnight parking for out-of-town guests.
4. Allowance for recreational vehicles (RV) electric and water hookups for vendors

SITE CHARACTERISTICS:

Site Size: 23 acres

Surrounding Zoning;

Land Uses:	North: Combined Planned Development Project
	South: Agricultural; Commercial; Light Industrial
	East: Planned Development Project; Agricultural
	West: Agricultural; Single-Family Residential

Current Zoning: AG/Agricultural

Future Land Use Map Designation: Rural/Conservation

UTILITIES REVIEW:

Hernando County Utilities Department (HCUD) does not currently supply water or wastewater service to this parcel. Water and wastewater service are not available to this parcel. HCUD has no objection to the requested special exemption to allow community activities take place on the parcel (weddings, music events, etc.), subject to Health Department approval of any upgrades that may be required for the existing onsite sewage treatment and disposal system.

ENGINEERING REVIEW:

The County Engineer has reviewed the petitioner's request and has no comments.

LAND USE REVIEW:

Places of Public Assembly are included as special exceptions in all approved zoning districts, Appendix A, Article V, Section 8, subsection C(1)(f) of the Hernando County Code of Ordinances.

Setbacks for property zoned AG/Agricultural are:

- Front: 25'
- Side: 10'
- Rear: 20'

A special exception use permit is an additional use which may be granted by the Planning and Zoning Commission (P&Z) in accordance with the Land Development Regulations (LDR). As part of the review, the Planning and Zoning Commission (P&Z) must determine that the tract of land is suitable for the type of special exception use proposed by virtue of its location, shape, topography, and nature of surrounding development. The Planning and Zoning Commission (P&Z) has the ability to assign reasonable conditions to the approval.

The special exception use permit is a land use determination only. All applicable development rules would have to be met if the permit is approved. Furthermore, special exception use permits shall be in compliance with the minimum Special Exception Use General Standards, Appendix A, Article V, Section 8(B) of the Hernando County Code.

If the special exception use is not established within a period of not more than two (2) years from the approval date, then the special exception use permit shall be null and void.

Comments: Staff have reviewed the petitioner's request to increase the number of events per year to ten (10), to allow overnight guest parking for multi-day events, and to allow the installation of electric and water hookups for recreational vehicles (RVs) on the site. Staff found that these requests are reasonable and will not adversely affect the surrounding community.

FINDINGS OF FACT:

The request to add to the Special Exception Permit namely, a venue for Special Events. The requested use is a permitted special exception use.

1. The proposed use is consistent with the County's adopted Comprehensive Plan and compatible with the surrounding area.
2. The requested use does not adversely affect public interest.

NOTICE OF APPLICANT RESPONSIBILITY:

The special exception process is a land use determination and does not constitute a permit for either construction on, or use of, the property, or a Certificate of Concurrence. Prior to use of, or construction on, the property, the petitioner must receive approval from the appropriate County department(s) for the proposed use.

The granting of this land use determination does not protect the owner from civil liability for recorded deed restrictions which may exceed any county land use ordinances. Homeowners associations or architectural review committees require submission of plans for review and approval. The applicant for this land use request should contact the local association or the Public Records for all restrictions applicable to this property.

STAFF RECOMMENDATIONS:

It is recommended that the Planning and Zoning commission (P&Z) approve the petitioner's request for a Special Exception Use Permit for a Place of Public Assembly; namely, a venue for Special Events with the following performance conditions:

1. The petitioner must obtain all permits from Hernando County and other applicable agencies and meet all applicable land development regulations, for either construction or use of the property, and complete all applicable development review processes.
2. Up to twelve (12) recreational vehicles (RV's) shall be allowed to park on site solely for the multiple-day events, arriving after 12:00 P.M. the day prior to the event and leaving prior to 12:00 P.M. the day after the event ends. Recreational vehicle (RV) hookups shall be allowed for vendors to utilize during events.
3. No increase in impervious area and no fill within the floodplain shall occur without permitting and any required mitigation/compensation.
4. Full cut-off fixtures shall be used so that all light is retained on-site and spillage onto neighboring residential uses is avoided.
5. Up to twenty-six (26) one day events may be held per calendar year from dawn to 10:00 PM. The events shall occur every other week.
6. Multiple day events shall be limited to ten (10) per year and shall not exceed three (3) days in length.

7. Recreational vehicles (RVs) shall be located no closer than one hundred (100) feet from any wetland on the property.
8. The petitioner shall provide a revised plan in compliance with all of the performance conditions within thirty (30) calendar days of the Planning and Zoning Commission (P&Z) approval. Failure to submit the revised plan will result in no further development permits being issued.
9. All events shall have an ending time no later than 10:00 PM
10. The Hernando County Sheriff's Office or Florida Highway Patrol shall be utilized for traffic control during all multi-day events.

PLANNING AND ZONING COMMISSION ACTION:

On August 11, 2025, the Planning and Zoning Commission voted 4-0 to approve the petitioner's request for a Special Exception Use Permit for a Place of Public Assembly; namely, a venue for Special Events with the following unmodified performance conditions:

1. The petitioner must obtain all permits from Hernando County and other applicable agencies and meet all applicable land development regulations, for either construction or use of the property, and complete all applicable development review processes.
2. Up to twelve (12) recreational vehicles (RV's) shall be allowed to park on site solely for the multiple-day events, arriving after 12:00 P.M. the day prior to the event and leaving prior to 12:00 P.M. the day after the event ends. Recreational vehicle (RV) hookups shall be allowed for vendors to utilize during events.
3. No increase in impervious area and no fill within the floodplain shall occur without permitting and any required mitigation/compensation.
4. Full cut-off fixtures shall be used so that all light is retained on-site and spillage onto neighboring residential uses is avoided.
5. Up to twenty-six (26) one day events may be held per calendar year from dawn to 10:00 PM. The events shall occur every other week.
6. Multiple day events shall be limited to ten (10) per year and shall not exceed three (3) days in length.
7. Recreational vehicles (RVs) shall be located no closer than one hundred (100) feet from any wetland on the property.
8. The petitioner shall provide a revised plan in compliance with all of the performance conditions within thirty (30) calendar days of the Planning and Zoning Commission (P&Z) approval. Failure to submit the revised plan will result in no further development permits being issued.

9. All events shall have an ending time no later than 10:00 PM
10. The Hernando County Sheriff's Office or Florida Highway Patrol shall be utilized for traffic control during all multi-day events.

HEARINGS:	Planning & Zoning Commission: August 11, 2025
APPLICANT:	Cyndi Tarapani, Tarapani Planning Strategies
FILE NUMBER:	SE-25-08
REQUEST:	Special Exception Use Permit for Outdoor Storage
GENERAL LOCATION:	The north side of County Line Road, at the east side of its intersection with the Suncoast Parkway
PARCEL KEY NUMBER:	1796319, 904560, 1796328

APPLICANT'S REQUEST

The petitioner is requesting a Special Exception Use Permit to allow the outdoor storage and display of trailers and equipment in conjunction with a Tractor Supply Company retail use. The subject property is located within the Suncoast Landing Phase 1 subdivision, which was approved in 2020 as a mixed-use development under File H-21-12. A subsequent amendment (File H2049) authorized 15.23 acres for General Commercial uses (up to 125,000 square feet) and 34.84 acres designated for one hundred twenty-five (125) single-family residential units.

The proposed outdoor display area is located along the western boundary of the commercial portion of the site, adjacent to the Suncoast Parkway right-of-way. This location was specifically chosen to minimize both visual and functional impacts on the remaining commercial parcels within Suncoast Landing.

Access to the site and the Tractor Supply store is provided exclusively via an internal frontage road along the northern boundary of the development; no direct access is available from County Line Road.

The development exceeds the minimum parking requirements for the Tractor Supply use. Furthermore, the parking spaces currently utilized for trailer and equipment display are not included in the required parking calculation and do not result in a parking deficiency.

 South: Right of Way: Pasco County
 East: PDP(GC)/Planned Development Project (General Commercial)
 West: Suncoast Parkway

Current Zoning: PDP(GC)/Planned Development Project (General Commercial)

Future Land Use

Map Designation: Commercial

UTILITIES REVIEW:

The Hernando County Utilities Department (HCUD) does not currently provide water or wastewater service to the subject parcels; however, service is available. HCUD has no objection to the requested Special Exception Use Permit to allow outdoor display of trailers, provided the site connects to central water and wastewater systems at the time of site development.

ENGINEERING REVIEW:

The subject site is located on the north side of County Line Road, at the east side of its intersection with the Suncoast Parkway. The Hernando County Engineer has reviewed the petitioner's request and provided the following comments:

- Outdoor storage is acceptable.
- Construction drawings will be required and must comply with current County standards.
- The project is covered under Southwest Florida Water Management District (SWFWMD) Environmental Resource Permit No. 44704.001.

LAND USE REVIEW:

The subject property was approved by Hernando County in 2020 as a mixed-use development, permitting 15.23 acres for up to 125,000 square feet of General Commercial uses and 34.84 acres for one hundred twenty-five (125) single-family residential units.

In accordance with County Land Development Regulations (LDRs), if the developer fails to obtain a building permit for the vertical construction of the principal or primary structure within two (2) years of the approval date, or if the Special Exception Use is not established within this timeframe, the Special Exception Use Permit shall be considered null and void.

Minimum Building Setbacks:

- Commercial Frontage Road: 25' (Deviation from 35')
- County Line Road: 75' (Deviation from 125')
- Trillium Boulevard: 20' (Deviation from 35')
- Entrance Boulevard: 35'
- Sides: 20'

Screening:

In accordance with Hernando County Land Development Regulations (LDRs), outdoor display must be around the perimeter of outdoor display by a wall, fence, or other approved enclosure. The screening must meet a minimum opacity standard of eighty percent (80%), be located behind the building line, and have a height between five (5) feet and eight (8) feet.

Comments: The petitioner has not indicated any screening provisions for the subject property. If the request is approved, the petitioner shall be required to comply with all conditions outlined in rezoning file H-20-12 and its amendment H-20-49.

Buffers:

A buffer with a minimum landscaped separation of five (5) feet shall be provided. The nonresidential use on the lot must be permanently screened around the area of outdoor display by a wall, fence, and/or other approved enclosure. The screening shall have a height of at least five (5) feet, not exceeding eight (8) feet, or be comprised of an evergreen hedge that is at least five (5) feet tall at the time of planting.

Comments: The petitioner has not provided any buffer provisions for the subject property. If approved, the petitioner shall be required to comply with all conditions outlined in rezoning file H-20-12 and its amendment H-20-49.

Lighting:

Hernando County Land Development Regulations (LDRs) require lighting that enhances the project's visual impact on the community by appropriately addressing lighting intensity and glare. Commercial buildings and developments shall be designed to provide safe, convenient, and efficient lighting for both pedestrians and vehicles.

Comments: The petitioner has not provided any lighting provisions for the subject property. If approved, the petitioner shall be required to install full cutoff fixtures and ensure that all lighting is contained on-site, preventing any light spillage onto adjacent residential properties.

COMPREHENSIVE PLAN REVIEW:

The subject property is designated commercial on the adopted Future Land Use Map. It is situated within a designated commercial node and aligns with the goals and policies of the Comprehensive Plan.

FINDINGS OF FACT:

1. A Special Exception Use Permit for Outdoor Storage is appropriate due to its consistency with the Comprehensive Plan and compatibility with surrounding uses, subject to appropriate performance conditions.
2. The proposed project shall be subject to a commercial review prior to development.

NOTICE OF APPLICANT RESPONSIBILITY

The rezoning process is a land use determination and does not constitute a permit for either construction on, or use of, the property, or a Certificate of Concurrence. Prior to use of, or construction on, the property, the petitioner must receive approval from the appropriate County department(s) for the proposed use.

The granting of this land use determination does not protect the owner from civil liability for recorded deed restrictions which may exceed any county land use ordinances. Homeowner associations or architectural review committees require submission of plans for review and approval. The applicant for this land use request should contact the local association or the Public Records for all restrictions applicable to this property.

STAFF RECOMMENDATION:

It is recommended that the Planning and Zoning Commission approve the petitioner's request for a Special Exception Use Permit to allow the outdoor storage and display of trailers and equipment, subject to the following performance conditions:

1. The petitioner shall obtain all necessary permits from Hernando County and other applicable regulatory agencies, comply with all applicable land development regulations for construction or use of the property, and complete all required development review processes.
2. All conditions established under File H-20-12 and H-20-49 shall remain in full effect and continue to apply to the subject property.
3. The proposed project shall be subject to a commercial review.
4. The petitioner shall connect to the central water and wastewater systems at the time of site development.

5. All construction drawings shall comply with current Hernando County standards and specifications.
6. Building Setbacks shall be in conformance with the approved master plan (file numbers H-20-12 and H-20-49).
7. The site shall be developed in accordance with the site plan provided by the applicant and attached to this application.
8. If the petitioner fails to obtain a building permit for the vertical construction of the principal or primary building within two (2) years from the approval date, or if the special exception use is not established during this period, the special exception use permit shall be null and void.

PLANNING AND ZONING COMMISSION ACTION:

On August 11, 2025, the Planning and Zoning Commission voted 4-0 to approve the petitioner's request for a Special Exception Use Permit to allow the outdoor storage and display of trailers and equipment, subject to the following unmodified performance conditions:

1. The petitioner shall obtain all necessary permits from Hernando County and other applicable regulatory agencies, comply with all applicable land development regulations for construction or use of the property, and complete all required development review processes.
2. All conditions established under File H-20-12 and H-20-49 shall remain in full effect and continue to apply to the subject property.
3. The proposed project shall be subject to a commercial review.
4. The petitioner shall connect to the central water and wastewater systems at the time of site development.
5. All construction drawings shall comply with current Hernando County standards and specifications.
6. Building Setbacks shall be in conformance with the approved master plan (file numbers H-20-12 and H-20-49).
7. The site shall be developed in accordance with the site plan provided by the applicant and attached to this application.
8. If the petitioner fails to obtain a building permit for the vertical construction of the principal or primary building within two (2) years from the approval date, or if the special exception use is not established during this period, the special exception use permit shall be null and void.

FILE NUMBER: SE-25-09

PURPOSE: Special Exception Use Permit for an Assisted Living Facility

GENERAL LOCATION: South side of Lagoon Road, approximately 580 feet from Skylark Road and 277 feet from Pinehurst Drive.

PARCEL KEY NUMBER: 233553

APPLICANT'S REQUEST:

The petitioner is requesting a Special Exception Use Permit to expand an Assisted Living Facility. The site currently has six (6) residents and is proposing to increase the number of allowable residents to fourteen (14). The Facility is proposing to have two (2) qualified employees per shift twenty-four (24) hours a day including both day and evening shifts. Visiting hours will be every day from 9:00am-9:00pm allowing family members to visit while also preserving quiet hours for residents. Parking requirements are based on a ratio of 0.3 spaces per bed in addition to one (1) ADA-accessible parking space.

SITE CHARACTERISTICS:

Site Size: 7.5 acres

South: PDP(SF): Single Family
East: AG: Single Family
West: PDP(SF): Single Family

Current Zoning: PDP(SF)/Planned Development Project (Single Family)

Future Land Use
Map Designation: Residential

Flood Zone: X

UTILITIES REVIEW:

Hernando County Utilities Department (HCUD) currently provides water service to this parcel. Wastewater service is not available to this parcel. HCUD has no objection the requested special exemption to increase the number of allowable residents at the Assisted Living Facility (ALF) from the current 6 residents to a total of ten (10) residents, subject to Health Department approval of any required upgrades to the existing onsite sewage treatment and disposal system.

ENGINEERING REVIEW:

The subject site is located on the South side of Lagoon Road. Approximately five-hundred eight (580) feet from Skylark Road and two-hundred seventy-seven (277) feet from Pinehurst Drive. The County Engineer has reviewed the petitioners request and has the following comments:

- On-Street Parking is not permitted by ordinance. All parking must be contained on site.

LAND USE REVIEW:

The subject property is in the Spring Hill Unit 3 Subdivision and is designated Planned Development Project/Single Family. The surrounding properties have been developed as Single Family.

In accordance with County Land Development Regulations (LDR), if a developer fails to obtain a building permit for the vertical construction of the principal or primary building within a period of not more than two (2) years from the approval date or the special exception use is not established during this period, then the special exception use permit shall be null and void.

EXISTING BUILDING SETBACKS:

- Front: 25'
- Side: 10'
- Rear: 20'

PARKING:

The minimum Land Development Regulations (LDRs) would require 0.3 parking spaces per bed, based on maximum occupancy. The Land Development Regulations (LDRs) indicate that an Assisted Living Facility may have up to fifty (50) percent of the required parking spaces (including aisles) surfaced with grass, lawn, or other materials as designated in the County parking lot standards; however, if parking demand is such that said grass, lawn or other material is caused to be damaged or destroyed to the extent that said grass or lawn ceases to grow, or the other material otherwise causes a nuisance to the neighborhood, then paving may be required by the Zoning Administrator.

Comments: Parking requirements are calculated for an Assisted Living Facility at a rate of 0.3 spaces per bed with a maximum of fourteen (14) beds. This special exception will require four (4) parking spaces, including one (1) ADA-accessible parking space.

LIGHTING:

The petitioner has not indicated any provisions for lighting of the subject property. If approved, the petitioner must provide full cutoff fixtures to retain all light on-site and prevent any light spillage onto neighboring residential uses.

BUFFERS:

A five (5) foot natural vegetated buffer enhanced to eighty (80) percent opacity shall be constructed along the boundary of the property adjacent to existing residential lots.

COMPREHENSIVE PLAN REVIEW:

The subject property is located within the Residential Future Land Use classification on the adopted Future Land Use map. The Hernando County 2040 Comprehensive Growth Strategy Plan provides the principles for guiding land development activities in the County and describes the related programs and strategies that provide the overall guidance for implementing the Plan.

Residential Category of the adopted Comprehensive Plan states:

Objective 1.04B The Residential Category allows primarily single family, duplex, resort and multi-family housing and associated ancillary uses such as recreational and institutional. Office and certain commercial uses may be allowed subject to the locational criteria and performance standards of this Plan. Residential density shall not exceed 22 dwelling units per gross acre.

Strategy 1.04B(1) Commercial and institutional uses within the Residential Category are generally associated with medium and high-density residential development and may include neighborhood commercial, office professional, recreational, schools, and hospitals. Minor public facilities that do not unduly disturb the peaceful enjoyment of residential use may also be allowed.

Comments: An Assisted Living Facility (ALF) is permitted in all zoning districts as a special exception use.

FINDINGS OF FACT:

1. A Special Exception Use Permit for an Assisted Living Facility is appropriate based on consistency with the Comprehensive Plan and compatibility with the surrounding areas and subject to appropriate performance conditions.
2. The proposed project shall require a commercial review for any upgrades to the building necessary based on the increased resident count.

NOTICE OF APPLICANT RESPONSIBILITY:

The special exception process is a land use determination and does not constitute a permit for either construction on, or use of, the property, or a Certificate of Concurrency. Prior to use of, or construction on, the property, the petitioner must receive approval from the appropriate County department(s) for the proposed use.

The granting of this land use determination does not protect the owner from civil liability for recorded deed restrictions which may exceed any county land use ordinances. Homeowners' associations or architectural review committees require submission of plans for review and approval. The applicant for this land use request should contact the local association or the Public Records for all restrictions applicable to this property.

STAFF RECOMMENDATIONS:

It is recommended that the Planning and Zoning Commission approve the petitioner's request for a Special Exception Use Permit for an Assisted Living Facility (ALF), with the following performance conditions:

1. The petitioner shall obtain all permits from Hernando County and other applicable regulatory agencies and meet all applicable land development regulations, for either construction or use of the property, and complete all applicable development review processes.
2. The proposed project shall require a commercial review.
3. A five (5) foot natural vegetated buffer enhanced to eighty (80) percent opacity shall be constructed along the boundary of the property adjacent to existing residential lots.
4. Minimum Building Setbacks:

 - Side: 10'
 - Side: 15'
 - Rear: 20'
5. Parking requirements are calculated for an Assisted Living Facility at a rate of 0.3 spaces per bed with a maximum of fourteen (14) beds this will require four (4) parking spaces including one (1) ADA-accessible parking space.
6. The Petitioner shall be required to have up to fifty (50) percent of the required parking spaces (including aisles) surfaced with grass, lawn or other materials as designated in the County parking lot standards; however, if parking demand is such that said grass, lawn or other material is caused to be damaged or destroyed to the extent that said grass or lawn ceases to grow, or the other material otherwise causes a nuisance to the neighborhood, then paving may be required by the Zoning Administrator.
7. Health Department approval of any required upgrades to the existing onsite sewage treatment and disposal system
8. The petitioner shall provide full cutoff fixtures, to retain all light on-site and prevent any light spillage onto neighboring residential uses.
9. The site shall be developed in accordance with the site plan as provided by the applicant and attached to this application.
10. The petitioner shall coordinate with the Hernando County Development Services Department, Building Division, for any upgrades to the building necessitated by the increased resident count.
11. If the petitioner fails to obtain a building permit for the vertical construction of the principal or primary building within a period of not more than two (2) years

from the approval date or the special exception use is not established during this period, then the special exception use permit shall be null and void.

PLANNING AND ZONING COMMISSION ACTION:

On August 11, 2025, the Planning and Zoning Commission voted 4-0 to approve the petitioner's request for a Special Exception Use Permit for an Assisted Living Facility (ALF), with the following unmodified performance conditions:

Future Land Use Map Designation: Rural

UTILITIES REVIEW:

Hernando County Utilities Department does not currently supply water or wastewater service to this parcel. Water service is unavailable to this parcel. There is a 16" sewer force main that runs behind the parcel. HCUD has no objection to the special exemption to allow the parking of three (3) commercial vehicles on parcel.

ENGINEERING REVIEW:

The County Engineer has reviewed the petitioner's request and has the following comments:

- The driveway apron will need to be paved from the edge of the travel-way on Sunshine Grove Road to the Property Line. A Right of Way use permit is required to improve driveway apron up to current county standards.

LAND USE REVIEW:**Commercial Vehicle Requirements:**

One (1) commercial vehicle, operated by the legal resident(s) of the parcel, is allowed to be parked on an agriculturally zoned parcel, provided the property is a minimum of two and a half (2½) acres in size. A special exception use permit may be applied for pursuant to Appendix A, Article V, Section 8 for the additional parking of commercial vehicles and/or equipment.

Comments: The petitioner is currently allowed one vehicle on the subject site; however, as they are seeking to park three vehicles, a special exception is required. If approved, vehicles must be placed in accordance with the Hernando County Land Development Regulations.

General Special Exception Requirements:

A Special Exception Use Permit is an additional use that may be granted by the Planning and Zoning Commission (P&Z) in accordance with the Land Development Regulations (LDRs). As part of the review process, the Planning and Zoning Commission (P&Z) must determine that the tract of land is suitable for the proposed Special Exception Use based on its location, shape, topography, and the nature of surrounding development. The Planning and Zoning Commission (P&Z) also has the authority to assign reasonable conditions to the approval.

The Special Exception Use Permit is a land use determination only. If the permit is approved, all applicable development standards must still be met. Additionally, Special Exception Use Permits must comply with the minimum Special Exception Use General Standards as outlined in Appendix A, Article V, Section 8(B) of the Hernando County Code.

COMPREHENSIVE PLAN REVIEW:

The subject property is located within the Rural land use classification on the adopted Future Land Use Map. The area is characterized by rural residential uses.

Objective 1.04C: The Rural Category allows agriculture, agricultural commercial, Agri-industrial, recreation, agritourism and residential land uses of a rural character. Certain neighborhood commercial uses may be allowed subject to locational criteria and performance standards. Residential density is 0.1 dwelling units per gross acre (1 unit per ten gross acres) except where otherwise indicated by the strategies listed herein and incorporated into the land development regulations.

Comments: The addition of two (2) vehicles would not negatively impact on the rural nature of this parcel.

NOTICE OF APPLICANT RESPONSIBILITY:

The special exception process is a land use determination and does not constitute a permit for either construction on, or use of, the property, or a Certificate of Concurrence. Prior to use of, or construction on, the property, the petitioner must receive approval from the appropriate County department(s) for the proposed use.

The granting of this land use determination does not protect the owner from civil liability for recorded deed restrictions which may exceed any county land use ordinances. Homeowners' associations or architectural review committees require submission of plans for review and approval. The applicant for this land use request should contact the local association or the Public Records for all restrictions applicable to this property.

The applicant, property owner, or developer is responsible for ensuring the performance conditions established herein are provided to all contractors performing work for this project. All applications submitted for development activity on this project are expected to comply with the performance conditions established herein.

STAFF RECOMMENDATIONS:

It is recommended that the Planning and Zoning Commission approve the petitioner's request for a Special Exception Use Permit for the Parking of two (2) additional Commercial Vehicles with the following performance conditions:

1. The petitioner must obtain all permits from Hernando County and other applicable agencies and meet all applicable land development regulations, for either construction or use of the property, and complete all applicable development review processes.
2. The driveway apron will need to be paved from the edge of the travel-way on Sunshine Grove Road to the Property Line. A right of way use permit is required to improve the driveway apron up to current county standards.
3. The subject site shall be limited to the parking of two (2) additional commercial vehicles.
4. Any future expansion or changes related to the uses shall require an amendment to the Special Exception Use Permit.

PLANNING AND ZONING COMMISSION ACTION:

On August 11, 2025, the Planning and Zoning Commission voted 3-1 to deny the petitioner's request for a Special Exception Use Permit for the Parking of two (2) additional Commercial Vehicles.

TITLE

Petition Submitted by Joseph Indimine, Jr. and Nicole I. Indimine to Vacate Utility and Drainage Easements Located in Woodland Waters

BRIEF OVERVIEW

Joseph and Nicole Indimine have submitted a petition to vacate the two (2) internal utility and drainage easements within Lots 66, and 67, Phase 6 in Woodland Waters Subdivision, as recorded in Plat Book 40, Page 1, inclusive of the Public Records of Hernando County, Florida. The vacation is sought in order to construct a single-family home within the easement areas. All affected utilities and County departments have indicated no objection to the request.

FINANCIAL IMPACT

There is no financial impact associated with the recommended action.

LEGAL NOTE

The Board has the authority to approve the petition to vacate easements pursuant to County Policy No 19-07 and Chapter 177, Florida Statutes.

RECOMMENDATION

It is recommended that the Board take public comment on the request, approve the vacation of the easements, and authorize the Chairman's signature on the related resolution, after which it will be recorded in the Public Records of Hernando County, Florida.

TITLE

Petition Submitted by Legendary Construction & Remodeling, Inc., to Vacate Utility and Drainage Easements Located in Spring Hill

BRIEF OVERVIEW

Sean Schrader on behalf of Legendary Construction & Remodeling, Inc., has submitted a petition to vacate the utility and drainage easements within Lot 9, Block 146, Unit 3, in Spring Hill Subdivision, as recorded in Plat Book 7, Pages 80-86, inclusive of the Public Records of Hernando County, Florida. The vacation is sought in order to construct duplex(s) within the easement areas. All affected utilities and County departments have indicated no objection to the request.

FINANCIAL IMPACT

There is no financial impact associated with the recommended action.

LEGAL NOTE

The Board has the authority to approve the petition to vacate easements pursuant to County Policy No 19-07 and Chapter 177, Florida Statutes.

RECOMMENDATION

It is recommended that the Board take public comment on the request, approve the vacation of the easements, and authorize the Chairman's signature on the related resolution, after which it will be recorded in the Public Records of Hernando County, Florida.

RESOLUTION NO. 2025 - _____

WHEREAS, Legendary Construction & Remodeling, Inc., has petitioned the Hernando County Board of County Commissioners to vacate, abandon, renounce and disclaim any right of the County and public in and to the hereinafter described drainage and utility easements:

BEGINNING AT THE NE CORNER OF LOT 9, BLOCK 146, SPRING HILL UNIT 3, PER PLAT THEREOF AS RECORDED IN PLAT BOOK 7, PAGES 80-86 INCLUSIVE OF THE PUBLIC RECORDS OF HERNANDO COUNTY, FLORIDA, THENCE S00°11'38"W, A DISTANCE OF 6.00 FEET; THENCE N89°48'22"W, A DISTANCE OF 115.00 FEET; THENCE N00°11'38"E, A DISTANCE OF 6.00 FEET; THENCE S89°48'22"E, A DISTANCE OF 115.00 FEET TO THE POINT OF BEGINNING. CONTAINING 690.00 SQUARE FEET.

BEGINNING AT THE SE CORNER OF LOT 9, BLOCK 146, SPRING HILL, UNIT 3 AS PER PLAT THEREOF AS RECORDED IN PLAT BOOK 7, PAGES 80-86 INCLUSIVE OF THE PUBLIC RECORDS OF HERNANDO COUNTY, FLORIDA, THENCE N89°48'22"W, A DISTANCE OF 115.00 FEET; THENCE N00°11'38"E, A DISTANCE OF 6.00 FEET; THENCE S89°48'22"E, A DISTANCE OF 115.00 FEET; THENCE S00°11'38"E, A DISTANCE OF 6.00 FEET TO THE POINT OF BEGINNING. CONTAINING 690.00 SQUARE FEET.

WHEREAS, the Petitioner has shown that it has complied with the provisions and requirements in accordance with Hernando County Board of County Commissioners' Policy No. 19-07; and

WHEREAS, it appears that the Clerk of the Circuit Court has advertised a notice of proceeding to vacate, abandon, discontinue, renounce and disclaim any right of the County and public in and to the above-described easements pursuant to Section 177.101, *Florida Statutes*, as made and provided prior to the date set forth for hearing as to the vacating, abandoning, and discontinuing of said easements; and

WHEREAS, the above-described easements are not situated within the incorporated city limits of any municipality within Hernando County, Florida, and the vacation of the above-described easements will not affect the ownership or right of convenient access of persons owning other parts of the subdivision.

NOW, THEREFORE, BE IT RESOLVED BY THE HERNANDO COUNTY BOARD OF COUNTY COMMISSIONERS AS FOLLOWS:

SECTION 1. The above-described easements are hereby vacated, abandoned, discontinued and closed, and the Board of County Commissioners of Hernando County, Florida hereby renounces any right of the County and the public in and to the land embraced in and constituting said easements;

SECTION 2. This Resolution makes no determination of the underlying fee interests of the vacation areas as to title or any reversionary interests.

TITLE

Petition Submitted by Lisa A. Tejera Along With Maylen Tejera and Evelyn Justine Purvis, as Joint Tenants With Right of Survivorship to Vacate Utility and Drainage Easements Located in Ridge Manor Estates

BRIEF OVERVIEW

Lisa Tejera along with Maylen Tejera and Evelyn Justine Purvis, as Joint Tenants with Right of Survivorship, have submitted a petition to vacate the two (2) internal utility and drainage easements within Lots 14 and 15, Block 51, Unit 2, in Ridge Manor Estates Unit No. 2, as recorded in Plat Book 10, Pages 2 thorough 27 of the Public Records of Hernando County, Florida (34193 Carpenter Circle, Key No. 856158). The vacation is sought in order to allow for the sale of the existing single-family home that was placed within the easement areas. All affected utilities and County departments have indicated no objection to the request.

FINANCIAL IMPACT

There is no financial impact associated with the recommended action.

LEGAL NOTE

The Board has the authority to approve the petition to vacate easements pursuant to F.S. 177.101 and County Policy No 19-07.

RECOMMENDATION

It is recommended that the Board take public comment on the request, approve the vacation of the easements, and authorize the Chairman's signature on the related resolution, after which it will be recorded in the Public Records of Hernando County, Florida.

RE: PETITION TO VACATE EASEMENT
KEY NUMBER OF AREA TO BE VACATED: 00856158 & 00856149

To whom it may concern,

Please be advised that this firm represents Mrs. Lisa Tejera, (hereinafter my "Client"), owner of the following parcels in Hernando County, Florida:

PARCEL ID: R36 122 21 0870 0510 0150 & R36 122 21 0870 0510 0140.

My Client respectfully requests the vacation of the utility/drainage easement located on the above referenced parcels, which has been in place since the 1960s.

The basis for this request is as follows:

1. **Non-Use of Easement:** The easement in question has never been utilized for any public or private utility, drainage, or access purposes since its creation over Sixty (60) years ago.
2. **No Plans for Future Use:** My Client has been verbally advised by appropriate representatives of Hernando County that there are no existing or future plans to use this easement.
3. **No Impact to Public Interest:** Vacating the easement will not interfere with any existing infrastructure or adversely affect the provision of public services. Its removal will not impair access or connectivity, nor compromise utility access for surrounding properties.
4. **Property Enhancement:** The vacation of this unused easement will remove unnecessary encumbrances, allowing for improved use of the property and supporting its

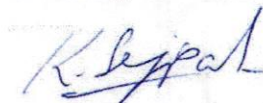

continued maintenance and potential development consistent with local zoning and land use regulations.

In support of this request please find attached the following:

- a) The completed application, sworn to by my Client;
- b) Proof of ownership for each parcel joining in the vacation petition. (Copy of Deed);
- c) An electronically signed current survey;
- d) A list of the names and addresses of all property owners abutting/adjoining the parcels containing the area to be vacated;
- e) A completed Tax Clearance Form, proof of taxes being paid for each parcel containing the area to be vacated or that would receive any of the vacated area;
- f) My Client's notarized letter of authorization, authorizing this firm to act on her behalf;
- g) A copy of recorded plat dedication page (Lots 14 and 15, Block 51, Ridge Manor Estates, Unit No. 2, as recorded in Plat Book 10, Page 18, of the Public Records of Hernando County, Florida) ; and
- h) A check made payable to the Hernando County Building Department in the amount of \$300.00.

For these reasons, my Client respectfully requests that Hernando County approve the vacation of the subject easement.

Sincerely,

RESOLUTION NO. 2025 - _____

WHEREAS, Lisa A. Tejera along with Maylen Tejera and Evelyn Justine Purvis, as Joint Tenants with Right of Survivorship, have petitioned the Hernando County Board of County Commissioners to vacate, abandon, renounce and disclaim any right of the County and public in and to the hereinafter described drainage and utility easements:

LOTS 14 AND 15, BLOCK 51, RIDGE MANOR ESTATES UNIT NO. 2 ACCORDING TO THE PLAT THEREOF AS RECORDED IN PLAT BOOK 10, PAGES 2 THROUGH 27, OF THE PUBLIC RECORDS OF HERNANDO COUNTY, FLORIDA: VACATING THE 7.50 FEET DRAINAGE AND UTILITY EASEMENT ON THE WEST LINE OF LOT 14 BLOCK 51 ACCORDING TO THE PLAT THEREOF AS RECORDED IN PLAT BOOK 10, PAGES, 2 THROUGH 27, OF PUBLIC RECORDS OF HERNANDO COUNTY, FLORIDA AND VACATING THE 7.50 FEET DRAINAGE AND UTILITY EASEMENT ON EAST LINE OF LOT 15 BLOCK 51, ACCORDING TO THE PLAT THEREOF AS RECORDED IN PLAT BOOK PAGES 2 THROUGH 27, OF PUBLIC RECORDS OF HERNANDO COUNTY, FLORIDA.

WHEREAS, the Petitioners have shown that they have complied with the provisions and requirements in accordance with Hernando County Board of County Commissioners' Policy No. 19-07; and

WHEREAS, it appears that the Clerk of the Circuit Court has advertised a notice of proceeding to vacate, abandon, discontinue, renounce and disclaim any right of the County and public in and to the above-described easements pursuant to Section 177.101, *Florida Statutes*, as made and provided prior to the date set forth for hearing as to the vacating, abandoning, and discontinuing of said easements; and

WHEREAS, the above-described easements are not situated within the incorporated city limits of any municipality within Hernando County, Florida, and the vacation of the above-described easements will not affect the ownership or right of convenient access of persons owning other parts of the subdivision.

NOW, THEREFORE, BE IT RESOLVED BY THE HERNANDO COUNTY BOARD OF COUNTY COMMISSIONERS AS FOLLOWS:

SECTION 1. The above-described easements are hereby vacated, abandoned, discontinued and closed, and the Board of County Commissioners of Hernando County, Florida hereby renounces any right of the County and the public in and to the land embraced in and constituting said easements.

SECTION 2. This Resolution makes no determination of the underlying fee interests of the vacation areas as to title or any reversionary interests.

TITLE

Petition Submitted by Maronda Homes, LLC, of Florida to Vacate Utility and Drainage Easements Located in Royal Highlands

BRIEF OVERVIEW

Maronda Homes, LLC of Florida has submitted a petition to vacate the internal 7.5' utility and drainage easements within Lots 12-13, Block 495, in Royal Highlands Subdivision, Unit 7 as recorded in Plat Book 12, Pages 83-110, inclusive of the Public Records of Hernando County, Florida (14473 Duck Hawk Road, Key No. 774022). The vacation is sought in order to construct a single-family home within the easement areas. All affected utilities and County departments have indicated no objection to the request.

FINANCIAL IMPACT

There is no financial impact associated with the recommended action.

LEGAL NOTE

The Board has the authority to act on this matter pursuant to County Policy No 19-07 and Section 177.101, Florida Statutes.

RECOMMENDATION

It is recommended that the Board take public comment on the request, approve the vacation of the easements, and authorize the Chairman's signature on the attached resolution after which it will be recorded in the Public Records of Hernando County, Florida.

9. In your own words, briefly explain why you are applying for the vacation, why you feel that the vacation should be approved, and what use, if any, is planned for the vacated property. (A detailed explanation is to be provided in the separate statement required item #3 on the instructions.)

Our customer wants to build a single family home in the middle of the property they are purchasing. The 2 lots consisting this parcel have been adjoined and the easement in the middle no longer serves a purpose.

The undersigned understands this Application and all other applicable items listed on the Instruction Sheet must be submitted completely and accurately before a hearing can be scheduled. The undersigned further understands that this process may take up to two (2) months to finalize. The County reserves the right to request additional information it may deem necessary in processing this application.

PETITION TO VACATE EASEMENT(S)

The **Petitioner(s) Maronda Homes LLC of Florida** _____
who resides at 3917 W. Riga Blvd, Tampa, FL 33619 _____ and whose
telephone number is 813-671-5340 _____ makes this application to the
Board of County Commissioners to vacate the County's interest in that certain easement,
alley, right-of-way, or plat as described as follows:

Legal description of the subject area to be vacated (or may insert "See Survey"):
See survey.

Petitioner will show that he/she has complied with the provisions and requirements in
accordance with the Board of County Commissioners Policy No. 19-07 and Sections
177.101 and/or 336.10, Florida Statutes.

Petitioner would further show that the above-described property is not situated within the
incorporated city limits of any municipality within Hernando County, Florida, and that
the vacation of said area will not affect the ownership or right of convenient access of
persons in anyway whatsoever.

Petitioner has further indicated that he/she intends to post signs on the subject property
described above giving notice of intent to petition the Board of County Commissioners to
vacate the subject area in accordance with Florida Statutes, and the policies and
procedures of the Board of County Commissioners.

Wherefore, Petitioner prays that the Board of County Commissioners of Hernando
County accept the filing of this petition and set the same for a public hearing which will
be advertised pursuant to the provisions of the Florida Statutes, at which time the Board
may adopt a resolution vacating, abandoning, discontinuing and/or closing the subject
area.

**Notice - This Petition is not deemed filed until receipt of applicable Petition
fees upon notice by County of acceptance of a complete application.**

RESOLUTION NO. 2025 - _____

WHEREAS, Maronda Homes, LLC of Florida has petitioned the Hernando County Board of County Commissioners to vacate, abandon, renounce and disclaim any right of the County and public in and to the hereinafter described drainage and utility easements:

VACATING THE 7.5 FOOT IN WIDTH DRAINAGE & UTLITY EASEMENT THAT LIES PARALLEL WITH THE NORTH BOUNDARY LINE OF LOT 12. BLOCK 495 ROYAL HIGHLANDS UNIT NO. 7. ACCORDING TO THE PLAT THEREOF AS RECORDED IN PLAT BOOK 12, PAGES 83 THROUGH 110, INCLUSIVE OF THE PUBLIC RECORDS OF HERNANDO COUNTY, FLORIDA
AND VACATING THE 7.5 FOOT IN WIDTH DRAINAGE & UTILITY EASEMENT THAT LIES PARALLEL WITH THE SOUTH BOUNDARY LINE OF LOT 13, BLOCK 495, ROYAL HIGHLANDS UNIT NO. 7, ACCORDING TO THE PLAT THEREOF AS RECORDED IN PLAT BOOK 12, PAGES 83 THROUGH 110. INCLUSIVE, OF THE PUBLIC RECORDS OF HERNANDO COUNTY, FLORIDA

WHEREAS, the Petitioner has shown that it has complied with the provisions and requirements in accordance with Hernando County Board of County Commissioners' Policy No. 19-07; and

WHEREAS, it appears that the Clerk of the Circuit Court has advertised a notice of proceeding to vacate, abandon, discontinue, renounce and disclaim any right of the County and public in and to the above-described easements pursuant to Section 177.101, *Florida Statutes*, as made and provided prior to the date set forth for hearing as to the vacating, abandoning, and discontinuing of said easements; and

WHEREAS, the above-described easements are not situated within the incorporated city limits of any municipality within Hernando County, Florida, and the vacation of the above-described easements will not affect the ownership or right of convenient access of persons owning other parts of the subdivision.

NOW, THEREFORE, BE IT RESOLVED BY THE HERNANDO COUNTY BOARD OF COUNTY COMMISSIONERS AS FOLLOWS:

SECTION 1. The above-described easements are hereby vacated, abandoned, discontinued and closed, and the Board of County Commissioners of Hernando County, Florida hereby renounces any right of the County and the public in and to the land embraced in and constituting said easements.

AGENDA ITEM

TITLE

Rezoning Petition Submitted by Casey Cane, Trustee for 6191 Lockhart Road Land Trust for Property Located on Lockhart Road (H2520)

BRIEF OVERVIEW

Request:

Rezoning from AG (Agricultural) to C-2 (Highway Commercial)

General Location:

West side of Lockhart Road, approximately 680' south of Cortez Boulevard

P&Z Action:

On August 11, 2025, the Planning and Zoning Commission voted 4-0 to recommend the Board of County Commissioners deny the petitioner's request for a rezoning from AG (Agricultural) to C-2 (Highway Commercial).

FINANCIAL IMPACT

A matter of policy. There is no financial impact.

LEGAL NOTE

The Board has the authority to make the requested rezoning decision pursuant to Chapters 125 and 163 Florida Statutes. The Applicable Criteria for a Zoning District Amendment are contained in Appendix A (Zoning Code), Article VI. The Zoning District Amendment must be consistent with the Comprehensive Plan.

RECOMMENDATION

It is recommended that the Board adopt and approve the Chairman's signature on the attached resolution either approving or denying the petitioner's request for a rezoning from AG (Agricultural) to C-2 (Highway Commercial).

APPLICATION TO REZONE 6191 LOCKHART RD, BROOKSVILLE FL. FROM RES/AG to C2 COMMERCIAL

Dear Sir/Madam,

Dear Sir/Madam,

The following details are submitted in support of a request to rezone the property located at 6191 Lockhart Road, Brooksville, Florida, from its current Agricultural/Residential designation to C-2 Commercial. This rezoning is sought to enable the development of a future commercial space and in order to market the property as a commercially designated use that will serve the needs of the local community and traveling public by providing a range of retail, service, and other related uses. The rezoning is primarily being pursued as an entitlement of use rather than an initial proposed development. The proposal has been carefully reviewed to comply with Hernando County's Land Development Regulations, The counties comprehensive 10 year plan and to ensure compatibility with surrounding land uses, while minimizing environmental impacts and providing adequate public facilities. Where there is an interest to pursue a specific development, by the current owner or future owner, all uses or construction related plans will be provided at that time. The narrative below addresses the specific requirements outlined by the County for rezoning applications, including the potential proposed uses, site characteristics, environmental considerations, site planning concepts, and anticipated impacts on public infrastructure.

Formal application request:

1. Proposal

a. Proposed Land Uses and Specific Acreage

The applicant seeks to rezone the entire parcel at 6191 Lockhart Road to C-2 Commercial *or portions thereof with direct frontage on Lockhart Rd.* The intent is to accommodate a range of commercial uses permitted in the C-2 district, such as retail, sales, service establishments, and related C2 oriented businesses. The total site area is approximately 5.3 Acres.

b. Proposed Density Level of Residential Uses

No residential uses are proposed as part of this rezoning request. The C-2 district allows a single-family dwelling unit only as an accessory to a principal commercial use, subject to code requirements.

c. Proposed Square Footage of Development and Building Height(s) of Commercial Uses

The applicant proposes up to 100,000 of commercial building space or the max allowable space permitted by Hernando County, with building heights not to exceed 35 ft or the max allowable height permitted by Hernando County.

d. Proposed Deviations from Code

No deviations from the Land Development Regulations (LDRs) are requested at this time. All development will comply with C-2 district standards, including setbacks, buffering, and use restrictions. If future site planning identifies a need for variances, a separate application will be submitted with justifications and references to specific code sections.

2. Site Characteristics

a. Site Size (Acres)

The parcel is approximately 5.3 Acres, as recorded in Hernando County property records. (see attached Survey)

b. Existing Land Uses and Specific Acreage

Currently, the property is zoned Agricultural/Residential and is either vacant or used for low-density residential or agricultural purposes. The entire acreage is proposed for commercial use. If rezoning the entirety of the property is challenged – a mixed use commercial (C2) and residential designation is amenable to the applicant.

c. Known Activities or Uses On-Site

There are no known ongoing commercial activities. Any existing structures or uses will be discontinued or removed prior to commercial development.

3. Environmental Considerations

a. Flood Zone

6191 Lockhart Rd, Brooksville, FL is located in Flood Zone X. Flood Zone X is defined as an area outside the 100-year and 500-year floodplains, indicating minimal risk of flooding. Multiple property listings and environmental risk assessments confirm that this property has a minimal flood risk and is not subject to special flood hazard area requirements.

b. Drainage Features

All future site developments will include engineered drainage plans per county requirements to ensure no adverse off-site impacts.

c. Water Features

No significant water features are known on-site.

d. Habitats

A site audit was performed by an independent environmental and habitat specialist along with a review of available data which indicates there are no protected habitats, wildlife or other protected elements on the parcel.

e. Conditions and Impacts on Natural Features

All future or potential commercial developments will minimize impacts on natural features and comply with all county and state environmental regulations. There are currently none to note.

4. Site Plan Discussion in the Narrative

a. Description of the Concept of the Development Plan

The concept is to create a general oriented commercial space with a potential use for retail, service tenants, storage or providing goods and services to the community and commuters as associated with a C2 zoning designation.

b. Proposed Buffer Sizes and Separation Widths Between Proposed Land Uses

Buffers will be provided in accordance with county code, including a minimum five-foot landscaped buffer and screening between commercial and adjacent residential or agricultural uses upon the execution of construction and development documents and by a future developer/owner.

c. Proposed Setbacks and Minimum Sizes for Individual Lots

Setbacks will comply with C-2 district requirements, including a minimum 35-foot front yard setback unless otherwise specified by the county's functional classification map.

d. Impacts and Improvements to Infrastructure

all future developments will include improvements to access drives, internal circulation, parking, and stormwater management as required by county standards.

e. Proposed Uses Within Pods

All uses will be consistent with the C-2 designation, including retail, storage and service uses as permitted by code.

5. Impacts to Public Facilities

a. Discussion of the Impact on Infrastructure

- **Transportation:** The site fronts Lockhart Road and may require improvements to access and traffic flow, subject to county review.
- **Water/Sewer:** Connection to public utilities will be pursued if available; otherwise, on-site systems will be designed to code.
- **Drainage:** Stormwater management will be addressed as part of future site development.
- **Solid Waste:** Service will be provided by county-approved service providers if any.
- **Parks/Recreation/Public Schools:** No residential uses proposed; minimal impact expected.

b. Improvements Proposed to Infrastructure

Any required improvements to roadways, utilities, or drainage as part of any future development on this parcel will be designed and constructed in accordance with county requirements to ensure adequate public facilities are maintained.

STAFF REPORT

HEARINGS:	Planning & Zoning Commission:	August 11, 2025
	Board of County Commissioners:	September 2, 2025
APPLICANT:	Casey Cane, Trustee for 6191 Lockhart Road Land Trust	
FILE NUMBER:	H-25-20	
REQUEST:	Rezoning from AG (Agricultural) to C-2 (Highway Commercial)	
GENERAL LOCATION:	West side of Lockhart Road, approximately 680 feet south of Cortez Boulevard	
PARCEL KEY NUMBER(S):	386610	

APPLICANT'S REQUEST

This rezoning is being requested to allow for the future development of commercial space and to market the property for commercial use. The intent is to serve the needs of the local community and the traveling public by providing a variety of retail, service, and related uses. The petitioner does not have specific development plans for the parcel at this time.

SITE CHARACTERISTICS

Site Size: 5.3 acres

Surrounding Zoning;

Land Uses:

North: C-1 (General Commercial); vacant

South: AG (Agricultural); existing agricultural-residential development

East: AG (Agricultural); vacant agricultural

West: AG (Agricultural); existing agricultural-residential

Current Zoning: Agricultural

Future Land Use

Map Designation: Residential

ENVIRONMENTAL REVIEW

The petitioner shall comply with all permitting requirements of the Florida Fish and Wildlife Conservation Commission.

UTILITIES REVIEW

The Hernando County Utilities Department (HCUD) does not currently provide water or wastewater service to this parcel. While water service is available, wastewater service is not. HCUD has no objection to the requested zoning change, provided the Florida Department of Health approves an appropriate Onsite Sewage Treatment and Disposal System for the project.

ENGINEERING REVIEW

The County Engineer has reviewed the petitioner's request and provided the following comments:

- A Traffic Access Analysis will be required at the time of development. Any improvements recommended in the analysis will be the responsibility of the developer.
- Driveway connections, parking spaces, and parking lot layout must comply with Hernando County standards.
- Improvements to Lockhart Road, as outlined in the I-75/SR 50 Planned Development District Area Plan (adopted by the BOCC in September 2007), will be required. The project must also meet the Planned Development District surcharge requirements outlined in Scenario #2 of the Plan.
- Lockhart Road is classified as a Collector Roadway; dedication of right-of-way may be required to accommodate future widening.

LAND USE REVIEW

The petitioner has submitted a request to rezone the property to C-2 (Highway Commercial). As this is a Euclidean zoning request, no deviations from the code or specific performance conditions may be applied. The petitioner will be required to develop the site in accordance with the permitted uses and site development standards outlined in the Hernando County Land Development Regulations.

- No building within one hundred (100) feet of any single-family residential district property line shall be more than twenty (20) feet in height.
- All loading bays and loading docks must be a minimum of one hundred (100) feet from any single-family residential district property line. Additionally, all loading bays and loading docks must be screened from view from the public right-of-way or single-family residential district property line. Screening may include landscape plantings, berms, fences or walls.
- Air conditioning and/or other operational equipment must be oriented away from single family residentially zoned property or screened to minimize noise impacts

and reduce visual incompatibility to the single family residentially zoned property. Screening may include landscape plantings, berms, fences or walls.

COMPREHENSIVE PLAN REVIEW

Commercial Mapping Criteria

Mapping Criteria: The Commercial Category includes commercial corridors along U.S. 19 and S.R. 50, as well as designated commercial nodes located at intersections of arterial and/or collector roads. These areas are primarily intended for commercial development and support a wide variety of commercial uses.

Map Interpretation Guidance: Areas considered to have a Commercial Category designation, even if not shown on the Future Land Use Map, include:

- Neighborhood commercial and specialty commercial uses as described in this Plan
- Commercial uses approved as part of mixed-use developments
- Commercial areas designated within planned development districts
- Infill development within existing commercial areas
- Extensions of commercial areas from designated commercial nodes
- Pre-existing areas that are commercially developed and designated

Comments: The subject site is located within the Residential land use classification; however, it is immediately adjacent to an area designated Commercial. The expansion of existing designated commercial nodes and pre-existing commercially developed areas is consistent with the Comprehensive Plan mapping criteria.

I-75/SR-50 Planned Development District

Objective 1.05A: The I-75/SR-50 Planned Development District (I-75/SR-50 PDD) is hereby established for the purpose of implementing planning tools to maximize the potential economic value of the I-75 corridor through coordination of multiple land uses, roadway network configuration, new and upgraded public infrastructure and consistency of design. The PDD shall extend between the County's existing SR-50/I-75 interchange and where Lockhart Road crosses I-75 and from Lockhart Road to the Withlacoochee State Trail.

Strategy 1.05A(1): The I-75/SR-50 Planned Development District mapped area is characterized by a significant potential for future development of multiple land use types. The I-75/SR-50 PDD shall seek to create, to the maximum extent practical, a largely self-contained internally functional concentration of commercial, industrial, and mixed residential land uses supported by public infrastructure. The County intends to encourage and functionally integrate these land uses mainly through advance planning and programming of infrastructure that facilitates orderly development patterns.

Strategy 1.05A(2): Developments within the I-75/SR-50 PDD shall include a master plan utilizing the Planned Development Project (PDP) process for review. The County shall consider the following guidelines and criteria in the review of a PDP and associated master plan: a. Standards for a multi-modal transportation network encompassing access, circulation and connection among and between public and private properties; b. Planning for infrastructure needs to accommodate wastewater, potable water, fire and emergency medical service, recreation and schools; c. Concentration of commercial uses, mixed uses and town-center type development along and/or easily accessed from SR-50, including park and ride opportunities for future inter-county transit; d. Opportunities that include primary industrial uses compatible with the placement of commercial or town center areas in order to enhance employment opportunities; e. Attractive, convenient and safe multi-modal connections to schools, parks and other identified community focal points; f. Attractive, convenient and safe bike and pedestrian connection to the Withlacoochee State Trail; g. Standards to create a "sense of place."

Strategy 1.05A(3): Plans for development approval shall include a frontage road network, alternative access, and easements in accordance with long-range transportation plans of the Hernando/Citrus Metropolitan Planning Organization, and other planning studies/transportation criteria for the I-75/SR-50 PDD.

Strategy 1.05A(4): The County shall coordinate with the plans of the Florida Department of Transportation for SR 50 and I-75 in order to ensure that the transportation network is closely coordinated with land uses in the PDD.

Strategy 1.05A(5): The County shall utilize the I-75/SR-50 Area Plan document dated September 4, 2007, and the I-75/SR-50 Area Circulation Plan Study dated April 2013, both hereby incorporated by reference, as a guide for the consistency of proposals for development, and the overall infrastructure needs and plans in the PDD.

Strategy 1.05A(6): The County shall identify and implement feasible funding mechanisms to accommodate public infrastructure needs for the PDD.

Comments: The subject site is located within the I-75/SR 50 Planned Development District (PDD), which encourages commercial, industrial, and mixed-use residential development. The proposed rezoning to C-2 is consistent with the goals, objectives, and development strategies of the I-75/SR 50 Planned Development District (PDD).

FINDINGS OF FACT

The proposed rezoning from AG (Agricultural) to C-2 (Highway Commercial) is appropriate based on its compatibility with surrounding land uses and its consistency with both the Commercial Category Mapping Criteria and the goals of the I-75/SR 50 Planned Development District (PDD).

NOTICE OF APPLICANT RESPONSIBILITY

The rezoning process is a land use determination and does not constitute a permit for either construction on, or use of, the property, or a Certificate of Concurrency. Prior to use of, or construction on, the property, the petitioner must receive approval from the appropriate County department(s) for the proposed use.

The granting of this land use determination does not protect the owner from civil liability for recorded deed restrictions which may exceed any county land use ordinances. Homeowner associations or architectural review committees require submission of plans for review and approval. The applicant for this land use request should contact the local association or the Public Records for all restrictions applicable to this property.

STAFF RECOMMENDATION

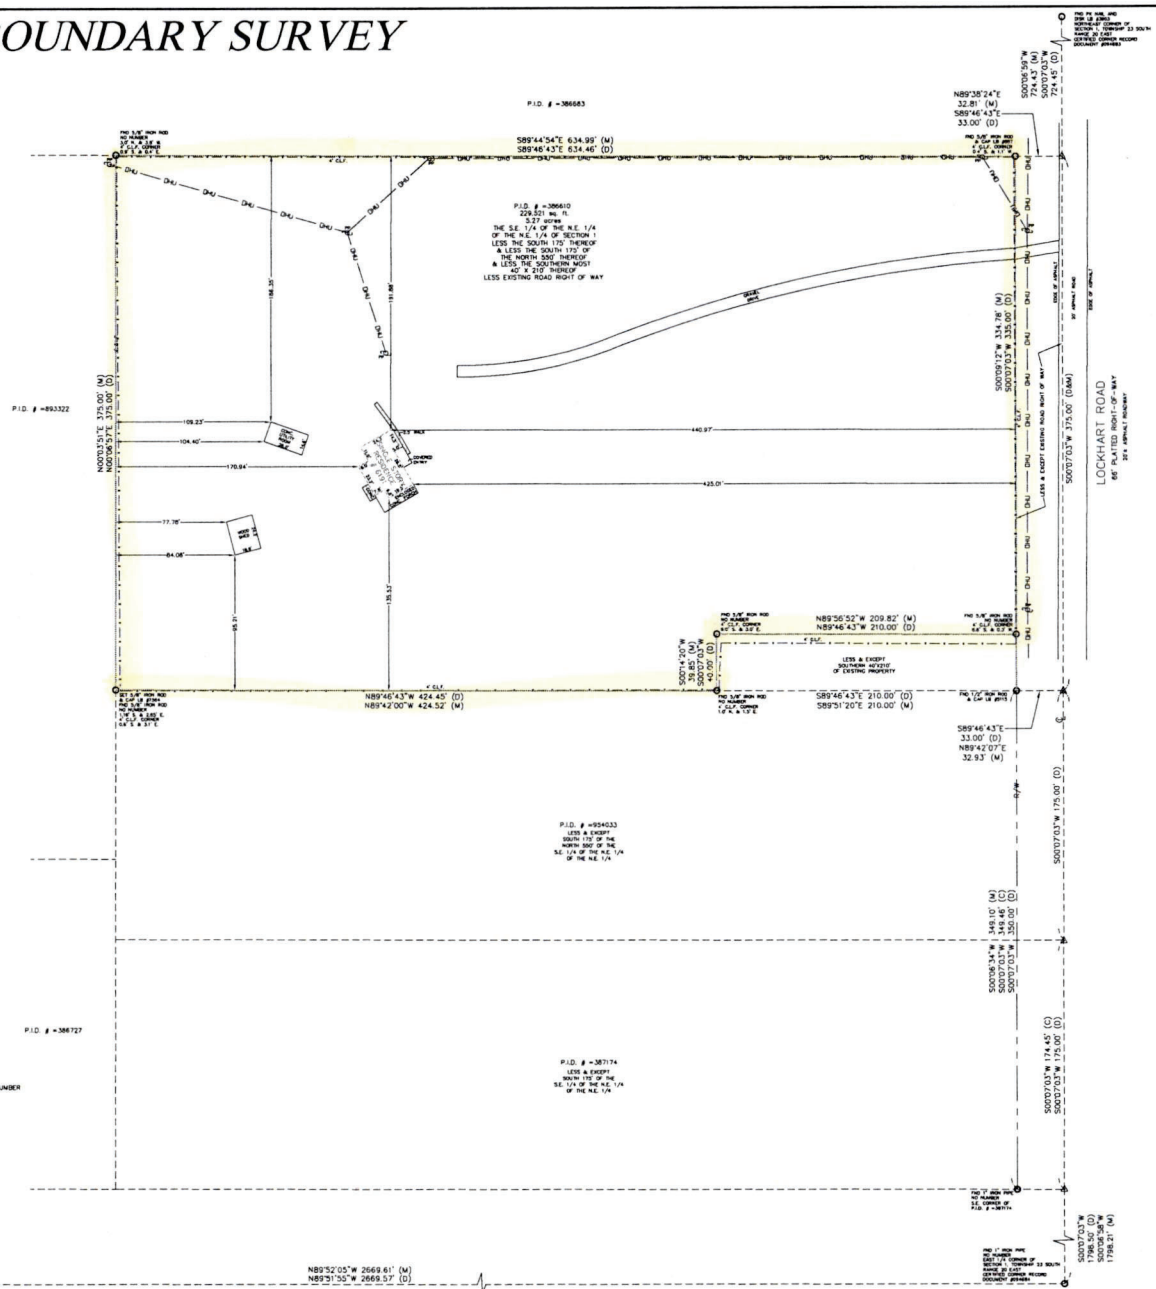

It is recommended that the Planning and Zoning Commission recommend the Board of County Commissioners adopt a resolution approving the petitioner's request for a Rezoning from AG (Agricultural) to C-2 (Highway Commercial) in accordance with the staff report.

PLANNING AND ZONING COMMISSION RECOMMENDATION

On August 11, 2025, the Planning and Zoning Commission voted 4-0 to recommend the Board of County Commissioners deny the petitioner's request for a rezoning from AG (Agricultural) to C-2 (Highway Commercial) in accordance with the staff report.

STAFF REPORT

HEARINGS: Planning & Zoning Commission: July 14, 2025
Board of County Commissioners: September 2, 2025

APPLICANT: John P and JoAnn Shank

FILE NUMBER: H-25-18

REQUEST: Rezoning from PDP(MF)/Planned Development Project (Multifamily) to AR-2 (Agricultural Residential)

GENERAL LOCATION: North side of Jacqueline Road, approximately 325' west of Madison Street

PARCEL KEY NUMBER(S): 1190758

APPLICANT'S REQUEST

In May 2024, the petitioners purchased the subject site. At the time, the property was listed as AR-2 (Agricultural Residential) according to the County public records. The petitioner received a mobile home permit for the subject site and had it installed. Unfortunately, the zoning was listed incorrectly, and the parcel had been rezoned to PDP(MF)/Planned Development Project (Multifamily). This was discovered when the petitioner submitted for a detached garage permit for the parcel in March of 2025.

The petitioner's request is to rezone the subject property back to AR-2 (Agricultural Residential – 2) to bring the mobile home on the site into conformance and to allow the placement of a detached garage. The petitioner had purchased the property and placed the mobile home in good faith and wishes to continue to live on the property. No non-conforming uses will be created through this rezoning application; the mobile home meets setback requirements and the detached garage will be placed in accordance with AR-2 setbacks upon building permit approval.

SITE CHARACTERISTICS

Site Size: 1.25 acres

Surrounding Zoning;

Land Uses: North: PDP(MF); single family residential uses
South: AR2, C1 residential and commercial uses
East: AR2; vacant agricultural-residential
West: AR2, PDP(MF); single-family residential uses

Current Zoning: PDP(MF) Planned Development Project (Multifamily)

Future Land Use

Map Designation: Residential

UTILITIES REVIEW

The Hernando County Utilities Department (HCUD) does not currently supply water or wastewater service to this parcel. Water service is not available. There is an 8" sewer force main that runs along Jacqueline Road. HCUD has no objection to the requested rezoning subject to Health Department approval of an appropriate Onsite Sewage Treatment and Disposal System for the project.

Comments: The petitioner has an existing onsite sewage treatment and disposal system on the site, installed at the time of mobile home permitting.

ENGINEERING REVIEW

The subject site is located on the North side of Jacqueline Road, approximately 325' west of Madison Street. The County Engineer reviewed the petitioner's request and had the following comments:

- No additional driveways will be permitted.
- May need to upgrade existing driveway to current Hernando County Standards. Refer to Hernando County Facility Design Guideline IV-26.

Comments: The petitioner shall be required to coordinate with the Department of Public Works to determine what upgrades are necessary to the existing driveway. Any upgrades shall be the responsibility of the applicant.

LAND USE REVIEW

Minimum AR-2 (Agricultural/Residential) Building Setbacks:

- Front: 50'
- Side: 10'
- Rear: 35'

The AR-2 district is designed to allow the continued development of low-density, single-family housing. The Hernando County Code of Ordinances, Appendix A, Article IV, Section 13 identifies the permitted uses within the AR zoning district as follows:

A. The following regulations apply to agricultural/residential districts as indicated:

(1) Permitted uses:

(a) All agricultural/residential districts:

- i. Aquaculture
- ii. Grazing livestock at the rate of one mature animal and offspring less than one year of age, per acre.
- iii. Poultry and swine for home consumption maintained at least seventy-five (75) feet from adjacent property.
- iv. Horticultural specialty farms, including the cultivation of crops.
- v. Accessory structures related to the principal use of the land.
- vi. Pigeon aviaries with a maximum of 1,500 square feet of area devoted to housing pigeons per acre.

- vii. Sales on the premises of permitted agricultural products produced on the premises: provided that where such products are sold from roadside stands, such stand shall be set back a safe distance from any public street right-of-way and shall provide for automobile access and off-street parking space in such a manner so as to not create an undue traffic hazard on the street on which such roadside stand is located.

(b) Agricultural/residential:

- i. Single-family dwellings
- ii. Mobile homes

COMPREHENSIVE PLAN REVIEW

Property Rights Element

Objective 12.02A: Private property rights will be protected through alternative development techniques, the continuance of non-conformities, procedures for vested rights and other appropriate mechanisms.

Strategy 12.02A(2): Existing legal zonings and related entitlements/property rights that do not conform with the Future Land Use Map Category shall be allowed to continue under this Plan and their entitlements shall not be diminished.

Comments: The petitioner purchased the property in good faith based on county records that were incorrect at the time of property purchase. Once this issue was identified, the petitioner coordinated with the Development Services Department staff to submit a rezoning application to revert the zoning back to the previous AR-2 zoning district. The Comprehensive Plan recognizes vested property rights through the Property Rights Element; as the petitioner is coordinating with the County to rezone the parcel, staff has no objection to the rezoning request.

FINDINGS OF FACT

The rezoning from PDP(MF) Planned Development Project (Multifamily) to AR (Agricultural Residential) is appropriate based on the following findings of fact:

1. The subject site has existing property rights as evidenced by the approved mobile home permit on the site;
2. The petitioner purchased the property in good faith based on County records indicating an incorrect zoning;
3. The request is consistent with the Comprehensive Plan and is compatible with the development patterns along Jacqueline Road.

NOTICE OF APPLICANT RESPONSIBILITY

The rezoning process is a land use determination and does not constitute a permit for either construction on, or use of, the property, or a Certificate of Concurrency. Prior to use of, or construction on, the property, the petitioner must receive approval from the appropriate County department(s) for the proposed use.

The granting of this land use determination does not protect the owner from civil liability for recorded deed restrictions which may exceed any county land use ordinances. Homeowner associations or architectural review committees require submission of plans for review and approval. The applicant for this land use request should contact the local association or the Public Records for all restrictions applicable to this property.

STAFF RECOMMENDATION

It is recommended that the Planning and Zoning Commission recommend the Board of County Commissioners adopt a resolution approving the petitioner's request for a rezoning from PDP(MF)/ Planned Development Project (Multifamily) to AR-2 (Agricultural-Residential 2).

P&Z RECOMMENDATION

RESOLUTION NO. 2025 - _____

WHEREAS, Hernando County has adopted zoning regulations pursuant to Section 125.01(1) and Chapter 163, *Florida Statutes*, which authorize the County to regulate the use of land in the unincorporated areas of Hernando County, Florida, and take action on the request herein; and

WHEREAS, the Hernando County Board of County Commissioners (BOCC) conducted a duly advertised public hearing to consider the requested changes in zoning on the specified parcels in Hernando County, Florida, as more fully described below;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF HERNANDO COUNTY, FLORIDA, AS FOLLOWS:

APPLICANT: John P. Shank and Jo Ann Shank

FILE NUMBER: H-25-18

REQUEST: Rezoning from PDP(MF)/Planned Development Project (Multifamily) to AR-2 (Agricultural Residential)

GENERAL LOCATION: North side of Jacqueline Road, approximately 325' west of Madison Street

PARCEL KEY NUMBERS: 1190758

REQUEST: Rezoning from PDP(MF)/Planned Development Project (Multifamily) to AR-2 (Agricultural Residential) as enumerated in the BOCC Action, which is incorporated herein by reference and made a part hereof. The representations contained in the rezoning application are incorporated herein by reference and made a part hereof and are relied upon by the County to be true and correct. For purposes herein, it is presumed that all notice and advertising requirements have been satisfied.

FINDINGS OF FACT: ALL of the facts and conditions set forth in the County's staff memoranda and presented to the BOCC in connection with the public hearing in this matter are incorporated herein by reference and made a material part of this Resolution as integral to the BOCC's Action. The BOCC finds that the testimony and record supporting APPROVAL of the request to be credible and to constitute competent substantial evidence. In further support thereof, the BOCC makes the following specific findings of fact:

1. The proposed request is consistent with the County's adopted Comprehensive Plan and is compatible with the surrounding land uses.

CONCLUSIONS OF LAW: The BOCC is authorized to act on this matter pursuant to Chapters 125 and 163, *Florida Statutes*. Accordingly, after public hearing and testimony, being fully advised in the record, and based upon competent substantial evidence, the BOCC makes the following specific conclusions of law:

1. The proposed request is consistent with the County's adopted Comprehensive Plan and is compatible with the surrounding land uses.

ACTION:

After notice and public hearing, based upon the record in this matter and ALL of the findings of fact and conclusions of law above, the BOCC hereby APPROVES Rezoning from PDP(MF)/Planned Development Project (Multifamily) to AR-2 (Agricultural Residential) as set forth in the BOCC Action, which is incorporated herein by reference and made a part hereof. Any requests, uses, variances or exceptions that were requested in connection with this rezoning application but not specifically approved herein are hereby deemed DENIED.

STAFF REPORT

HEARINGS: Planning & Zoning Commission: July 14, 2025
Board of County Commissioners: September 2, 2025

APPLICANT: Karen B Levitt TTEE

FILE NUMBER: H-25-17

REQUEST: Rezoning from PDP(OP) Planned Development Project (Office Professional) to R-1A (Residential)

GENERAL LOCATION: Frontage on Lake Lindsey Road at its intersection with Forbes Street

PARCEL KEY NUMBER: 337950

APPLICANT'S REQUEST

The petitioner is requesting to rezone their 1.9-acre parcel PDP(OP) Planned Development Project (Office Professional) to R-1A (Residential). The petitioner was unaware of the zoning when she purchased the home and property as it is surrounded by R-1A. She would like to rezone the property back to the original zoning to install a pool.

SITE CHARACTERISTICS

Site Size: 1.9 acres

Surrounding Zoning & Land Uses: North: PDP(REC) MPR
South: R-1A; Single-family
East: AG; Single-family
West: R-1A; Single-family

Current Zoning: PDP(OP) Planned Development Project (Office Professional)

Future Land Use Map Designation: Agricultural

UTILITIES REVIEW

Hernando County Utilities Department does not currently supply water or wastewater service to this parcel. Water and wastewater services are not available to this parcel. HCUD has no objection to the zoning change from Commercial to Residential to allow the installation of a pool, subject to Health Department approval of any upgrades that may be required for the existing onsite sewage treatment and disposal system.

ENGINEERING REVIEW

The County Engineering Department has reviewed the request and indicated no traffic concerns.

LAND USE REVIEW

Minimum R-1A (Residential) Building Setbacks:

- Front: 25'
- Side: 10'
- Rear: 20'

The R-1A district is designed to allow the continued development of low-density, single-family housing. The Hernando County Code of Ordinances, Appendix A, Article IV, Section 2 identifies the permitted uses within the R 1A zoning district as follows:

The following regulations apply in the residential districts as indicated:

A. R-1A Residential District:

(1) Permitted uses:

- (a) Single-family dwellings.
- (b) Mobile Homes:

Homes of six or fewer residents which meet the definition of a community residential home as defined by State law and which otherwise satisfies the requirements of this zoning code.

Special Exceptions:

- i. Home occupation
- ii. Lodging
- iii. Bed and Breakfast establishments

COMPREHENSIVE PLAN REVIEW

The subject is located within the Residential Land Use designation on the County's adopted Comprehensive Plan. The petitioner's parcel is located on Lake Lindsay Road, rezoning from PDP OP (Office Professional) to R -1A (residential) is acceptable due to the surrounding zoning in the area and the previous zoning of the property.

Future Land Use, Residential Category

Strategy 1.04A (3)

The Residential Category accommodates residential growth clustered in and around urbanized areas and those areas that maximize the efficient use of infrastructure contained in long range facilities plans of the County.

Comments: The parcel is within the Residential land use classification and is surrounded by residential parcels. The proposed rezoning is consistent with the strategies for residential density and the pattern of land development on the surrounding parcels.

FINDINGS OF FACT

A rezoning from PDP(OP) Planned Development Project (Office Professional) to R-1A (Residential) is appropriate based on consistency with the County's adopted Comprehensive Plan and consistency with the surrounding residential uses.

NOTICE OF APPLICANT RESPONSIBILITY

The rezoning process is a land use determination and does not constitute a permit for either construction on, or use of, the property, or a Certificate of Concurrency. Prior to use of, or construction on, the property, the petitioner must receive approval from the appropriate County department(s) for the proposed use.

The granting of this land use determination does not protect the owner from civil liability for recorded deed restrictions which may exceed any county land use ordinances. Homeowner associations or architectural review committees require submission of plans for review and approval. The applicant for this land use request should contact the local association or the Public Records for all restrictions applicable to this property.

STAFF RECOMMENDATION

It is recommended that the Planning and Zoning Commission recommend the Board of County Commissioners adopt a resolution approving the petitioner's request for a rezoning from PDP(OP) Planned Development Project (Office Professional) to R-1A (Residential).

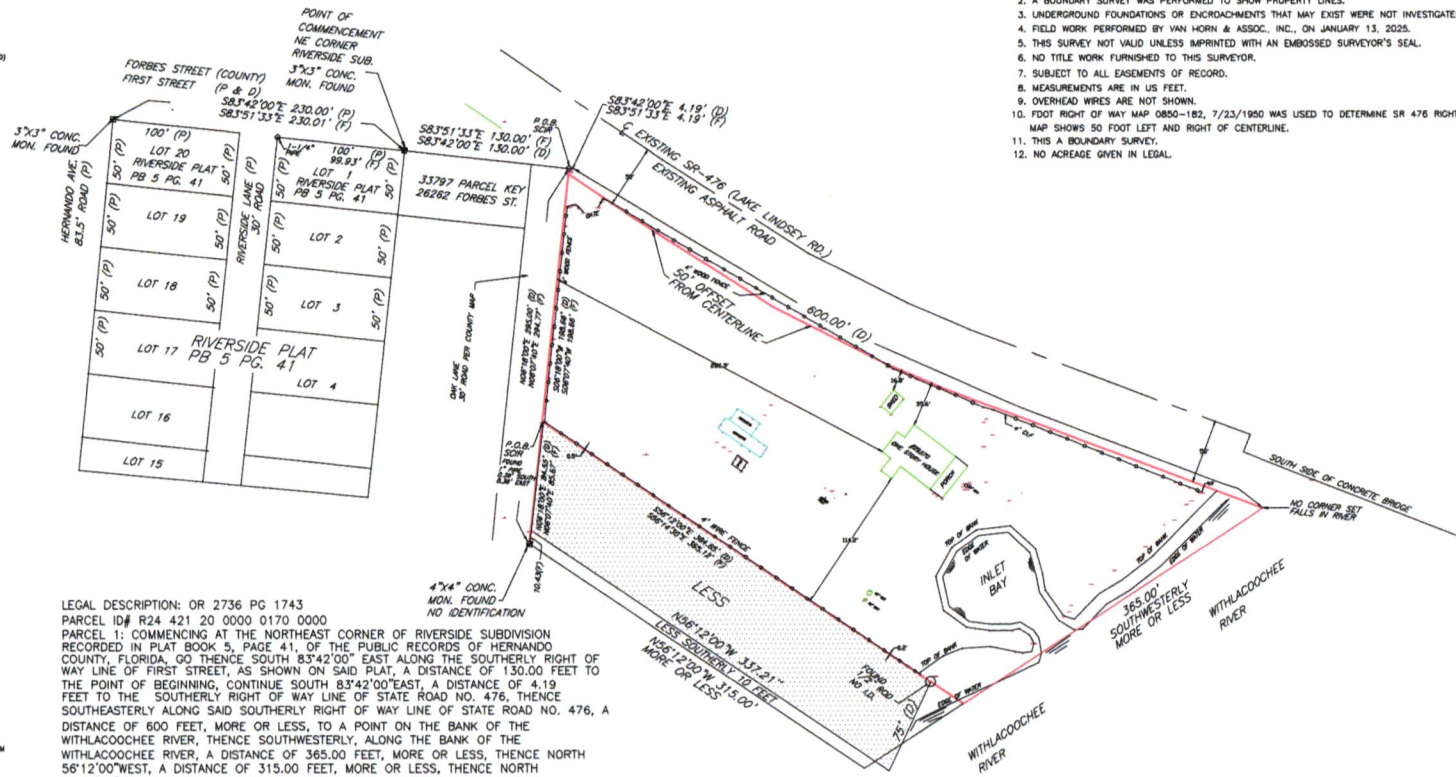

P&Z RECOMMENDATION

On July 14, 2025, the Planning and Zoning Commission voted 5-0 to recommend the Board of County Commissioners adopt a resolution approving the petitioner's request for a rezoning from PDP(OP) Planned Development Project (Office Professional) to R-1A (Residential).

RESOLUTION NO. 2025 - _____

WHEREAS, Hernando County has adopted zoning regulations pursuant to Section 125.01(1) and Chapter 163, *Florida Statutes*, which authorize the County to regulate the use of land in the unincorporated areas of Hernando County, Florida, and take action on the request herein; and

WHEREAS, the Hernando County Board of County Commissioners (BOCC) conducted a duly advertised public hearing to consider the requested changes in zoning on the specified parcels in Hernando County, Florida, as more fully described below;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF HERNANDO COUNTY, FLORIDA, AS FOLLOWS:

APPLICANT: Karen B. Leveritt, as Trustee of the Karen B. Leveritt Family Trust U/A/D March 2, 2010

FILE NUMBER: H-25-17

REQUEST: Rezoning from PDP(OP) Planned Development Project (Office Professional) to R-1A (Residential)

GENERAL LOCATION: Frontage on Lake Lindsey Road at its intersection with Forbes Street

PARCEL KEY NUMBERS: 337950

REQUEST: Rezoning from PDP(OP) Planned Development Project (Office Professional) to R-1A (Residential) as enumerated in the BOCC Action, which is incorporated herein by reference and made a part hereof. The representations contained in the rezoning application are incorporated herein by reference and made a part hereof and are relied upon by the County to be true and correct. For purposes herein, it is presumed that all notice and advertising requirements have been satisfied.

FINDINGS OF FACT: ALL of the facts and conditions set forth in the County's staff memoranda and presented to the BOCC in connection with the public hearing in this matter are incorporated herein by reference and made a material part of this Resolution as integral to the BOCC's Action. The BOCC finds that the testimony and record supporting APPROVAL of the request to be credible and to constitute competent substantial evidence. In further support thereof, the BOCC makes the following specific findings of fact:

1. The proposed request is consistent with the County's adopted Comprehensive Plan and is compatible with the surrounding land uses.

CONCLUSIONS OF LAW: The BOCC is authorized to act on this matter pursuant to Chapters 125 and 163, *Florida Statutes*. Accordingly, after public hearing and testimony, being fully advised in the record, and based upon competent substantial evidence, the BOCC makes the following specific conclusions of law:

1. The proposed request is consistent with the County's adopted Comprehensive Plan and is compatible with the surrounding land uses.

ACTION:

After notice and public hearing, based upon the record in this matter and ALL of the findings of fact and conclusions of law above, the BOCC hereby APPROVES Rezoning from PDP(OP) Planned Development Project (Office Professional) to R-1A (Residential) as set forth in the BOCC Action, which is incorporated herein by reference and made a part hereof. Any requests, uses, variances or exceptions that were requested in connection with this rezoning application but not specifically approved herein are hereby deemed DENIED.

AGENDA ITEM

TITLE

Rezoning Petition Submitted by Greater Tampa Bay Area Council, Inc., Boy Scouts of America to Establish Public Service Facility Overlay District for Electric Utility Operations Center for Withlacoochee River Electric Cooperative (H2514)

BRIEF OVERVIEW

Request:

Establish a Public Service Facility Overlay District (PSFOD) for an electric utility operations center for Withlacoochee River Electric Cooperative

General Location:

South Side of Cortez Boulevard, approximately 1377' west of Hunt Lane (a portion of the Sand Hill Scout Reservation)

P&Z Action:

On July 14, 2025, the Planning and Zoning Commission voted 3-2 to recommend the Board of County Commissioners adopt a resolution approving the petitioner's request to establish a Public Service Facility Overlay District (PSFOD) for an electric utility operations center with modified performance conditions.

FINANCIAL IMPACT

A matter of policy. No financial impact.

LEGAL NOTE

The Board has the authority to make the requested rezoning decision pursuant to Chapters 125 and 163 Florida Statutes. The Applicable Criteria for a Zoning District Amendment are contained in Appendix A, (Zoning Code) Article VI. The applicable Public Service Facility (PSF) Overlay District Standards are contained in Article IV, Section 11. The Zoning District Amendment must be consistent with the Comprehensive Plan.

RECOMMENDATION

It is recommended that the Board adopt and approve the Chairman's signature on the attached resolution approving the petitioner's request to establish a public service facility overlay district for an electric utility operations center with performance conditions.

Zoning Application Narrative
Gulf Ridge Council, Inc. Property
Parcel Key 346708

General

The subject site consists of approximately 52 acres and is located on the south side of Cortez Boulevard (SR 50) opposite Cortez Oaks Subdivision. The property is a portion of Parcel Key 346708 as identified by the Hernando County Property Appraiser. See Figure 1 for the site aerial and property location.

Figure 1-General Location Aerial

Current Zoning and Land Use

The current zoning on the site is AG (Agriculture). Please refer to Figure 2 for the current site zoning.

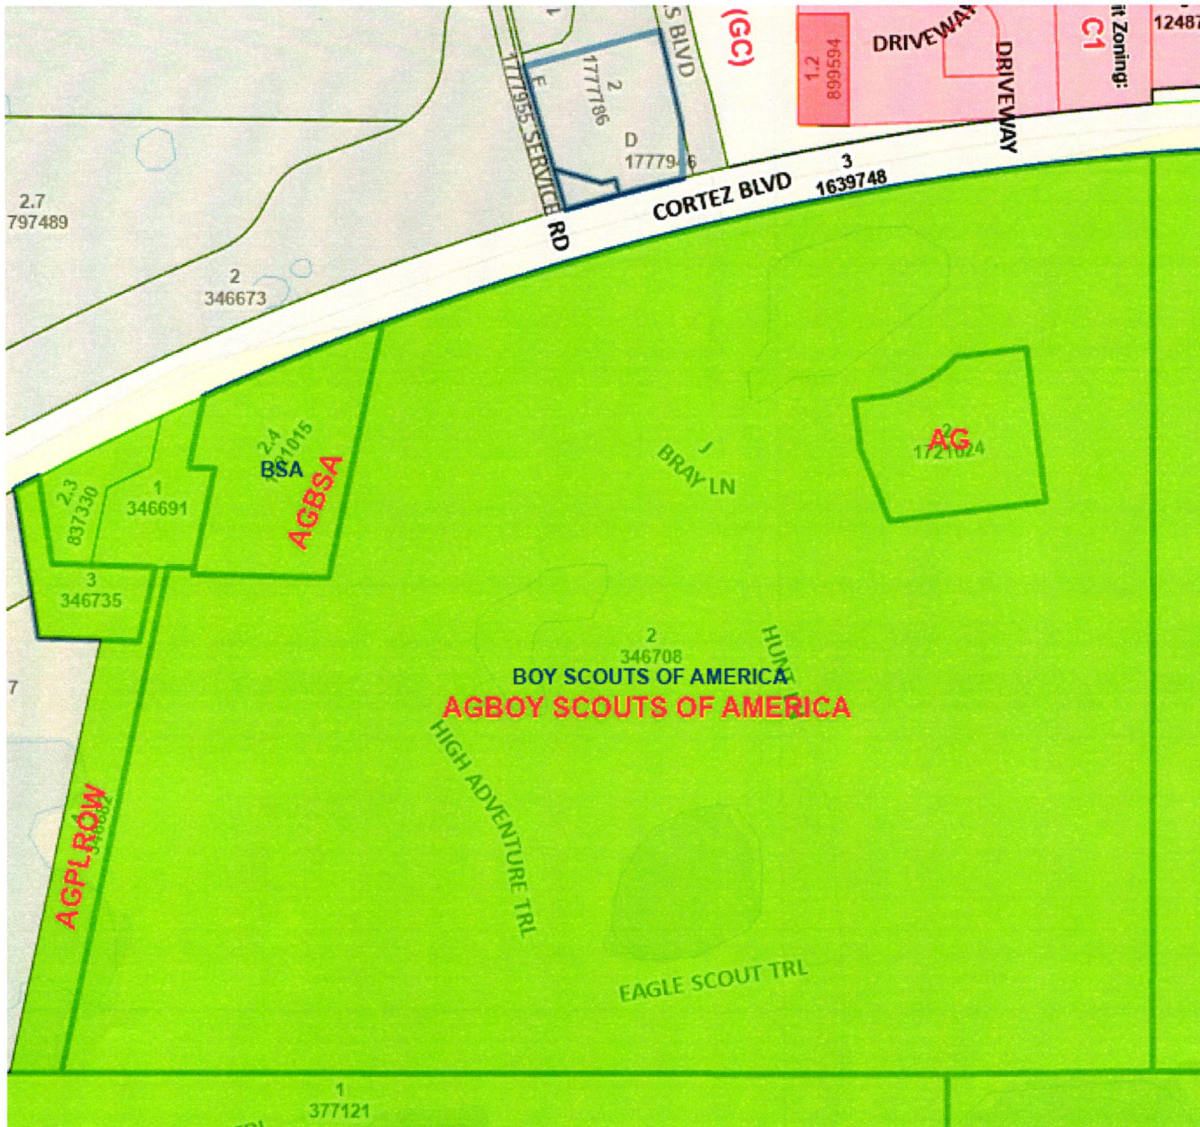

Figure 2-Curent Zoning

The current land use designation on the site is Recreation. Please refer to Figure 3 for the current land use designation on the site.

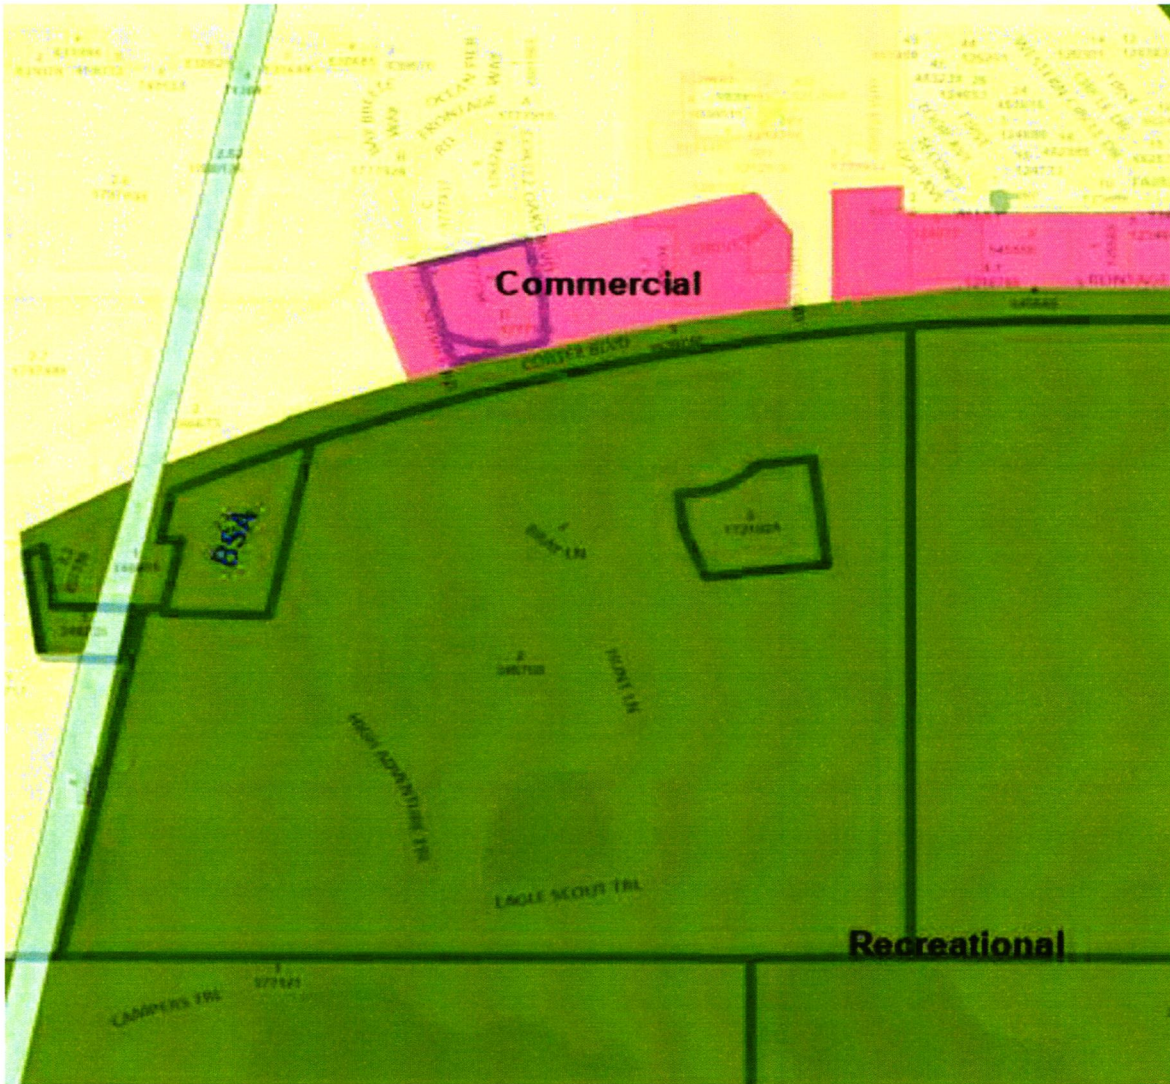

Figure 3-Current Land Use

The surrounding zoning, land use and property use is depicted by the following table.

Direction	Zoning	Future Land Use	Property Use
North	CPDP (Combined Planned Development), Commercial and Office (C-1, CDP/OP, C-3)	Commercial; Residential	Waterford Residential, Congregate Care, medical, Oak Hill Hospital
South	AG (Agriculture)	Recreation	Boy Scout Reservation
East	AG (Agriculture)	Recreation	Boy Scout Reservation
West	PDP/MF (Planned Development/Multi-Family), Public Facility	Public Facility; Residential	Power line right of way, vacant

Request

The request is to change the present zoning from Agriculture (AG) to Public Service Facility Overlay (PSF) to allow a full array of facilities associated with a western county operations center for the Withlacoochee River Electric Cooperative (WREC). The PSF District is designed to allow for, and includes, public service uses and structures consistent with the PSF Approval and may be placed over any underlying zoning district. Uses anticipated on the proposed WREC site will include office, customer service, customer & employee parking, equipment parking, warehouse, a transportation & equipment shop, fuel island and indoor and outdoor storage for equipment and material. A portion of the site will be used as a staging area for emergencies such as hurricanes. Also noted on the proposed master plan is a future substation at the western end of the property, adjacent to the power line easement. While zoning approval for the substation is not required, the proposed site is shown on the master plan for informational purposes.

The property is appropriate for the proposed development in that is located along a major arterial roadway (SR 50), adjacent to a major powerline corridor, has soils conducive for construction and DRAs, has adjacent County sewer and water facilities and will have its primary access at a signalized intersection (SR 50 and Cortez Oaks Blvd.). Direct access to SR 50 from the property is not envisioned and a landscape buffer is proposed along the road frontage. Environmental features along the southern boundary of the site will be

buffered appropriately. There are no adjacent residential developments. The Boy Scout Camp will continue to operate as usual and will share access to the signalized intersection.

Consistency with the Comprehensive Plan

The request is consistent with the following Goals, Objectives and Policies of the Hernando County 2040 Plan.

Future land Use Element

Objective 1.04K: The Public Facilities Category includes major facilities that serve a large portion of the County, the entire County, or that include service areas beyond the County. Examples include landfills, power plants, major or new power easements, and regional potable water and wastewater treatment facilities.

Strategy 1.04K(1): Minor public facilities that do not need to be designated with the Public Facilities Category may be allowed in any Future Land Use Map Category. These include local facilities such as wellfields, sewage collection facilities, water distribution facilities, communication towers, public buildings, schools and other governmental or public service structures and uses.

Strategy 1.04K(2): The Public Service Facility Zoning Overlay District will be used to evaluate and review all proposed public facilities. Conditions and performance standards may be required through the public facility review process which are binding for purposes of issuance of development orders and permits.

Analysis:

The proposed use of the property is for a minor public facility use which is allowed in any Future Land Use Category. Minor public facilities include public service buildings and uses which are not regional in nature and are intended to serve the local community. A private utility (WREC) office, customer service and related logistics facility is consistent with the standard classification of a minor public service facility.

Dimensional Standards and Buffers

Article IV, Section 11.B.1 (PSF Public Service Facility Overlay) of Appendix A requires that no building or use with a PSF Overlay be located within 50 feet of the property line of an adjoining parcel containing a residence or residentially zoned parcel. The proposed site meets this requirement as there are no abutting residential uses or zoning.

Article IV, Section 11.D (PSF Public Service Facility Overlay) of Appendix A requires that the development meet the dimension and area regulations of the underlying zoning district in

addition to the criteria stated above. The site is zoned AG (Agriculture and will meet the required dimensional regulations of that district.

Setbacks

Front: 125 feet (SR 50)

Sides: 35 feet

Rear: 50 feet

Building Height: 45 feet

Buffers and Screening

Areas used for outdoor storage will be permanently screened from adjoining properties by a wall, fence and/or approved enclosure. The approved screening shall have a minimum height of five (5) feet and a maximum height of eight (8) feet, or an evergreen hedge with a minimum height of five (5) feet at planting.

The buffers shall consist of the following:

- A five (5) foot vegetative buffer along SR 50 that meets the requirements of the Community Appearance ordinance for commercial projects which states “A vegetative buffer at least five (5) feet in width shall abut the street right-of-way/pavements for at least half of the street right-of-way frontage. If only installed planting areas are used, the vegetative buffer shall include a hedge of shrubs with a minimum height of eighteen (18) inches at time of planting. Shrubs shall be appropriately spaced according to growth needed of the species for the hedge to attain eighty (80) percent opacity within twelve (12) months of planting.”
- A five (5) foot vegetative buffer around the parking lot/pavement that meets the requirements of the Community Appearance ordinance for commercial projects which states in part “the vegetative buffer shall include plants with a minimum height of eighteen (18) inches at time of planting... and a five-foot-wide landscape strip consisting of one (1) tree that is three-inch minimum caliper every twenty-five (25) linear feet.”
- Perimeter buffers will consist of 10 foot wide buffer consisting of natural vegetation supplemented with landscaping where needed.

Deviations

Article IV, Section 11.D (PSF Public Service Facility Overlay) of Appendix A states in part that "Any reduction of the minimum dimension and area regulations or other development standards ... must be specifically enumerated in the application and would require the approval of a deviation by the board of county commissioners." No deviations are requested in conjunction with this application.

Site Characteristics

Topography

Topography ranges from a high of 30 feet NAVD in the southeastern boundary of the property to 41 feet NAVD. The topography on the site is indicated by Figure 4.

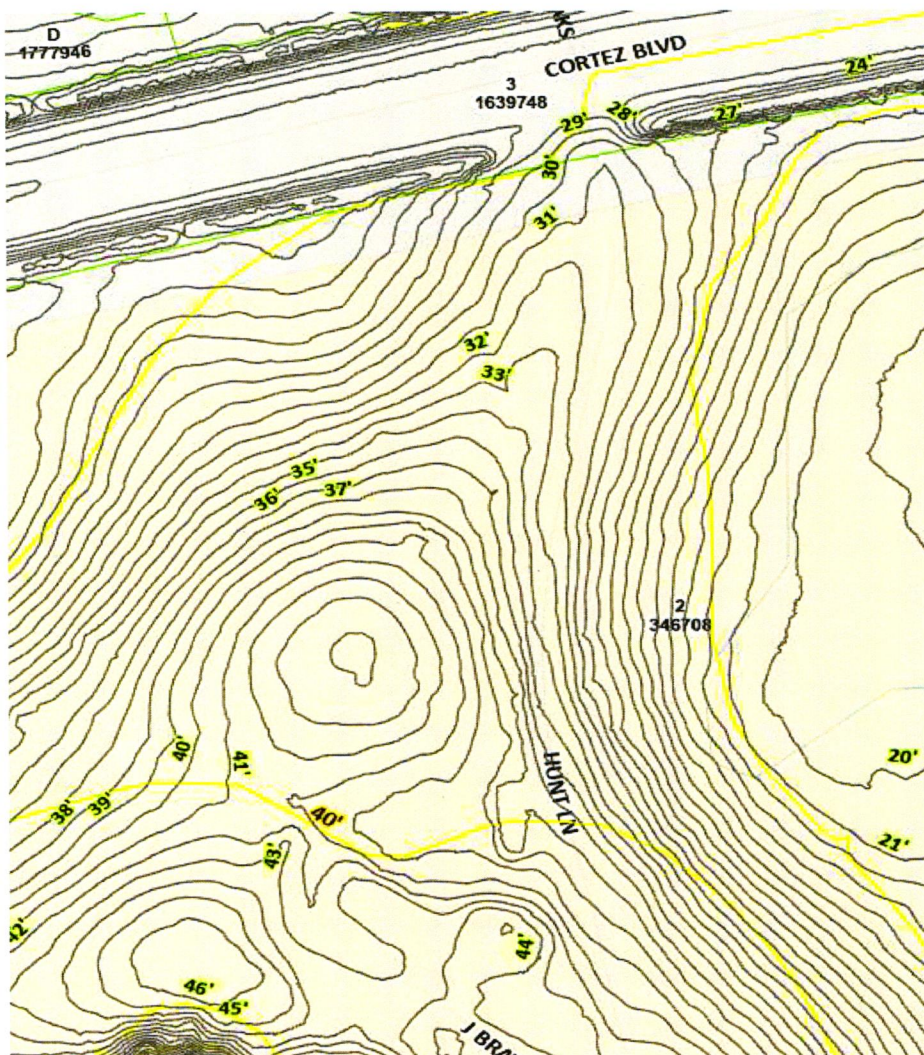

Figure 4-Topography

Floodplain

Portions of the larger parcel key are located in a FEMA Zone AE as indicated by FEMA Panel 12053C0166D. See Figure 5 for the flood zone information.

Figure 5-Floodplain

Soils

The site contains Myakka Fine Sand, Candler Fine Sand and Blichton Loamy Fine Sand soil types. See Figure 6 for the soil types located on the site.

Figure 6-Soil Types

Environmental

A preliminary environmental site visit was conducted on March 3, 2025. The following is a brief summary:

- The subject property is moderately forested with an assemblage of turkey oak, sand live oak, slash pine and long-leaf pine trees.
- The groundcover contains leaf litter, pine straw and various vine species.

- Gopher tortoise burrows were detected; however, their density is low.
- No other state or federally listed species were detected.
- A jurisdictional wetland (karst sink) is located on the southern portion of the site.

All federal, state and local permitting requirements will be complied with.

Adequate Access

The site has access to SR 50, a multilane arterial roadway with an adequate level of service. Access will utilize the existing access to the Boy Scout Reservation (Hunt Lane) which aligns with a traffic signal at Cortez Oaks Boulevard. A transportation and/or access analysis will be provided as required by the County Engineer at the time of site development.

Public Facilities

Water and Sewer: The site will be served by the Hernando County Utilities, which has potable water and sewer facilities in close proximity. The developer will conduct a utility capacity analysis as required at the time of site development.

Solid Waste: The site will be served by Hernando County.

Police and Fire: The site is served by the Hernando County Sheriff's Office for police protection and Hernando for fire/rescue service by Station 12.

Drainage: The site will comply with the requirements of the Southwest Florida Water Management District for stormwater and flood prevention.

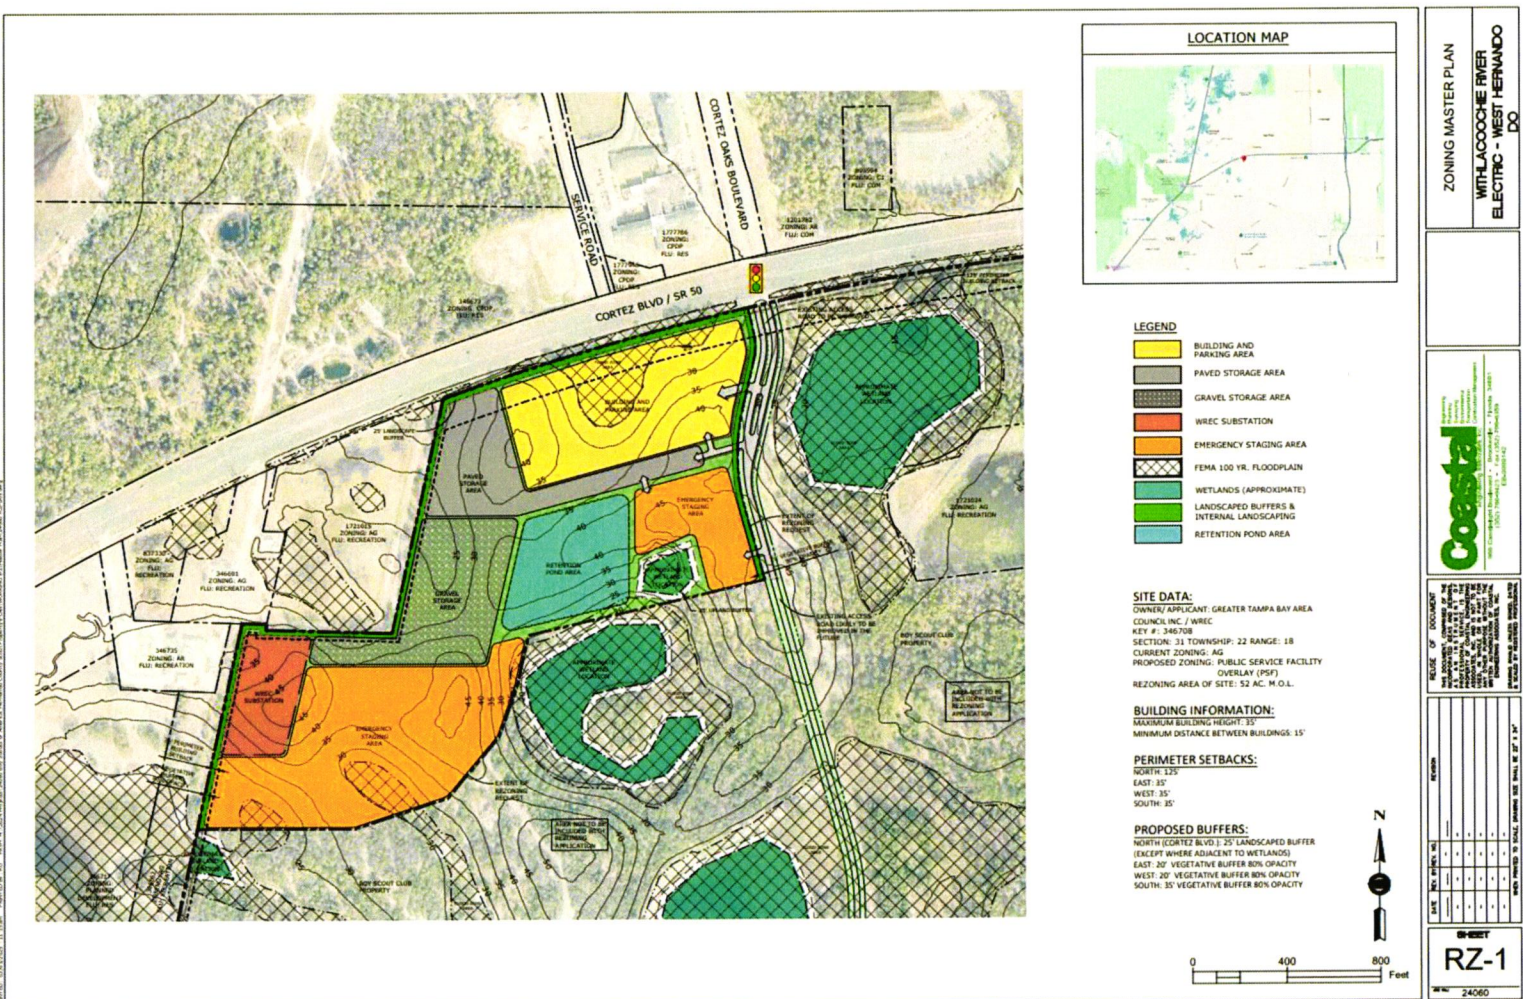

Concurrency

A Certificate of Concurrency will be required at the time development review. The following facilities will be reviewed for adequate capacity:

- Potable Water
- Sanitary Sewer
- Drainage
- Solid Waste Disposal
- Transportation (roadways)

At this time, it is anticipated that adequate capacity will be available to support the project.

REQUEST: Establish a Public Service Facility Overlay District (PSFOD) for an electric utility operations center for Withlacoochee River Electric Cooperative

GENERAL LOCATION: South Side of Cortez Boulevard, approximately 1377' west of Hunt Lane (a portion of the Sand Hill Scout Reservation)

PARCEL KEY NUMBER(S): A 52-acre +/- portion of 346708

PIW DATE: May 12, 2025

APPLICANT'S REQUEST

The petitioner has submitted a request to establish a Public Service Facility Overlay District (PSFOD) for an electric utility operations center, including administrative offices, customer service, customer and employee parking, equipment parking, warehouse, transportation and equipment shop, fuel island, and indoor/outdoor storage for equipment and materials. A portion of the site will be used as a staging area for emergencies, such as hurricanes. The Master Plan also includes a location denoted for a future substation at the western edge of the property, adjacent to the power line easement.

The remainder of the parcel shall remain in the ownership of the Greater Tampa Bay Area Council Inc. Boy Scouts of America and is not included in this application.

SITE CHARACTERISTICS

Site Size: A 52-acre +/- portion of 346708

ENVIRONMENTAL REVIEW

A preliminary environmental site assessment was completed by the petitioner on March 3, 2025. Their findings included the following:

- The subject property is moderately forested with an assemblage of turkey oak, sand, live oak, slash pine and long-leaf pine trees.
- The groundcover contains leaf litter, pine straw and various vine species.
- Gopher tortoise burrows were detected; however, their density is low
- No other state or federally listed species were detected.
- A jurisdictional wetland (karst sink) is located on the southern portion of the site

Comments: At the time of site development, the jurisdictional wetland line shall be set. A 25-foot vegetated buffer shall be placed along the perimeter of the wetland in accordance with all South West Florida Water Management District regulations and shall be shown on all civil site plans for the subject site. The petitioner shall be required to comply with all federal, state, and local environmental regulations.

UTILITIES REVIEW

The Hernando County Utilities Department (HCUD) currently supplies water to this parcel via an existing 8-inch water main crossing under Cortez Boulevard to a fire hydrant onsite. The closest wastewater infrastructure is located within the Cortez Oaks commercial development on the north side of Cortez Boulevard.

HCUD has no objection to the establishment of a Public Service Facility Overlay District, subject to a utility capacity analysis and connection to the central water and wastewater systems as required per ordinance at time of site development.

ENGINEERING REVIEW

The subject site is located on the South Side of Cortez Boulevard, approximately 1377' west of Hunt Lane (a portion of the Sand Hill Scout Reservation). The County Engineer has reviewed the petitioner's request and has the following comments:

- When developed, a Frontage (or reverse) Road will be required along the entire frontage along Cortez Boulevard.
- A Traffic Access Analysis will be required. Any improvements identified will be the responsibility of the developer to install.
- This project lies within the Willow Sink watershed and multiple sub-basins.
- Florida Department of Transportation access management permit required, Florida Department of Transportation drainage permit may be required.

LAND USE REVIEW

Public Service Facility Overlay District is a mechanism to allow governmental uses and structures, as well as public service facility uses and structures in all zoning districts. The Public Service Facility Overlay District is approved by the Board of County Commissioners for a site-specific location and use.

Governmental uses and structures and public service structures are permitted within the Public Service Facility Overlay District which may be approved in all zoning districts after review and approval by the Commission and Governing Body. The procedures for review and approval of the Public Service Facility Overlay District shall be consistent with those for rezoning of any properties within the zoning district.

Permitted Uses

The following uses are permitted within a Public Service Facility Overlay District:

- Any use permitted in the underlying zoning district.
- Governmental uses and structures consistent with the PSF approval.
- Public service uses and structures consistent with the PSF approval.
- Lime Stabilization and Residual Management Treatment Facilities in the C-4 Heavy Highway Commercial District, the I-1 Light Industrial District and the I-2 Heavy Industrial District only.

Comments: The proposed use for the subject site is a not-for-profit utility service, to include administrative offices, customer service, customer and employee parking, equipment parking, warehouse, transportation and equipment shop, fuel island, and indoor/outdoor storage for equipment and materials. These uses are permissible in the Public Service Facility Overlay District (PSFOD).

Special regulations:

The following special regulations apply to all Public Service Facility Overlay Districts

- No building, structure or use within a Public Service Facility Overlay District shall be located closer than fifty (50) feet to the property line of an adjoining parcel containing a residence or the property line of a residentially zoned parcel.
- No odor- or dust-producing substance or use, except in connection with the cultivation of permitted uses, shall be permitted within one hundred (100) feet of a property line if the adjoining property is being used for residential purposes.

Comments: The petitioner is not proposing any building or structure within 50' of a property line of an adjoining parcel containing a residence, or any residentially zoned parcel. Additionally, no odor or dust-producing substance or use is proposed through the creation of this Public Service Facility Overlay District.

Site Development Requirements:

All development must meet, at a minimum, the dimension and area regulations of the underlying zoning district and the standards and criteria in this section. The Board of County Commissioners may increase the minimum dimension and area regulations for the proposed use if it is deemed necessary to protect the health, safety and welfare of the citizens of Hernando County. Any reduction of the minimum dimension and area regulations or other development standards and criteria contained in this section must be specifically enumerated in the application and requires the approval of a deviation by the Board of County Commissioners.

The petitioner has not indicated any deviations from the setbacks or locational requirements for the Public Service Facility Overlay District or underlying Agricultural District.

If approved, the petitioner shall be required to meet the following setbacks and building heights for the Agricultural district:

- Front: 125'
- Side: 35'
- Rear: 50'
- Building Height: 45'

Buffers

The petitioner has proposed the following buffers for the subject site:

- A 5-foot vegetative buffer along S.R. 50 (Cortez Blvd) that meets the requirements of the Community Appearance ordinance for commercial projects.
- A 5-foot vegetative buffer around the parking lot/pavement that meets the requirements of the Community Appearance ordinance for commercial projects.
- All other perimeter buffers will consist of 10-foot-wide buffer consisting of natural vegetation supplemented with landscaping where needed.

Outdoor Storage

The petitioner has proposed the following outdoor storage for equipment and materials. In addition, a portion of the site will be used as a staging area for emergencies, such as hurricanes. Hernando County LDR's require that screening of outdoor storage from adjoining and contiguous properties by a wall, fence or other approved enclosures. Screening shall meet an eighty (80) percent opacity standard. Such screening shall be located behind the building line with a minimum height of 5-feet and maximum of 8-feet.

Lighting

County LDRs require lighting that enhances the visual impact of the project on the community and specifically addresses lighting intensity levels and glare. Commercial buildings and projects shall be designed to provide safe, convenient and efficient lighting for pedestrians and vehicles.

Comments: If this project is approved, the petitioner should be required to provide full cutoff fixtures and retain all light on-site preventing any light spillage onto neighboring properties.

Impact Statement

The petitioner has conducted an impact statement for the subject site. It has identified that the property is moderately forested with an assemblage of turkey oak, sand live oak, slash pine and long-leaf pine trees. The groundcover contains leaf litter, pine straw and various vine species. Gopher tortoise burrows were detected; however, their density is low. No other state or federally listed species were detected. A jurisdictional wetland (karst sink) is located on the southern portion of the site.

Comments: Based on the analysis of the site, the proposed Public Service Facility Overlay District will not create a significant impact for the site or the surrounding parcels. Staff has no objection to the request.

COMPREHENSIVE PLAN REVIEW**Public Facilities Category**

Strategy 1.04K(1): Minor public facilities that do not need to be designated with the Public Facilities Category may be allowed in any Future Land Use Map Category. These include local facilities such as wellfields, sewage collection facilities, water distribution facilities, communication towers, public buildings, schools and other governmental or public service structures and uses.

Comments: The electric substation is considered a minor public facility in accordance with the Comprehensive Plan and may be placed in any future land use classification. The use is consistent with the surrounding land uses and is conditioned to avoid any negative impact to the surrounding community.

Strategy 1.04K(2): The Public Service Facility Zoning Overlay District will be used to evaluate and review all proposed public facilities. Conditions and performance standards may be required through the public facility review process which are binding for purposes of issuance of development orders and permits.

Infrastructure Services

GOAL 1.12: In accordance with the County's growth strategy to provide for directed high-quality infrastructure services and discourage urban sprawl, the provision of adequate facilities shall be ensured for new development through a variety of mechanisms.

Urban Sprawl

GOAL 1.11: In accordance with the County's growth strategy to provide for directed high-quality infrastructure services and discourage urban sprawl, Hernando County will provide mechanisms that prioritize public infrastructure and direct growth towards urbanized and urbanizing areas of the County.

Directed Infrastructure

Objective 1.11A: All County infrastructure planning shall ensure that the existing and future infrastructure needs, especially for roads, wastewater service, and potable water service, are prioritized for urbanized, urbanizing and infill areas of the County, especially in the Residential, Commercial, Industrial and Planned Development District Future Land Use Categories.

Strategy 1.11A(2): The County shall manage infrastructure availability to influence the timing and location of development. Strategy 1.11A(3): Direct infrastructure toward the urbanized area and areas designated under the Plan for new development to prevent urban sprawl.

Comments: The electric substation as proposed by Withlacoochee River Electric Cooperative will ensure that Hernando County has adequate electric infrastructure for its expanding population. The subject site is located immediately across S.R. 50 (Cortez Boulevard) from its existing operation, within the County's existing Urban Service Area. Locating the expanded facility within the urban service boundary will not create urban sprawl and will ensure the continuation of electric service and Withlacoochee River Electric Cooperative's capability to respond to urgent and emergent situations in the community.

FINDINGS OF FACT

The request to establish a Public Service Facility Overlay District for an electric utility operations center is appropriate based on the following:

1. The proposed use is a minor public facility and is allowable within any Comprehensive Plan land use classification.
2. The Public Service Facility Overlay District is the appropriate land use tool for placement of minor public facilities.
3. The petitioner has not requested any deviations to the underlying AG (Agricultural) zoning setback and building height criteria.
4. The proposed use will not adversely impact any adjacent parcels or uses.

NOTICE OF APPLICANT RESPONSIBILITY

The rezoning process is a land use determination and does not constitute a permit for either construction on, or use of, the property, or a Certificate of Concurrency. Prior to use of, or construction on, the property, the petitioner must receive approval from the appropriate County department(s) for the proposed use.

The granting of this land use determination does not protect the owner from civil liability for recorded deed restrictions which may exceed any county land use ordinances. Homeowner associations or architectural review committees require submission of plans for review and approval. The applicant for this land use request should contact the local association or the Public Records for all restrictions applicable to this property.

STAFF RECOMMENDATION

It is recommended that the Planning and Zoning Commission recommend the Board of County Commissioners adopt a resolution approving the petitioner's request to Establish a Public Service Facility Overlay District (PSFOD) for an electric utility operations center with the following performance conditions:

1. The petitioner must obtain all permits from Hernando County as well as other applicable agencies, meeting all applicable land development regulations, for either construction or use of the property, and complete all applicable development review processes.
2. At the time of site development, the jurisdictional wetland line shall be set. A 25-foot vegetated buffer shall be placed along the perimeter of the wetland in accordance with all South West Florida Water Management District regulations and shall be shown on all civil site plans for the subject site.
3. The petitioner shall be required to comply with all federal, state, and local environmental regulations.
4. The petitioner shall be required to submit a utility capacity analysis and connect to the central water and wastewater systems at the time of development.
5. When developed, a Frontage (or reverse) Road will be required along the entire frontage along Cortez Boulevard.
6. A Traffic Access Analysis will be required. Any improvements identified will be the responsibility of the developer to install.
7. The petitioner shall coordinate with the Florida Department of Transportation to determine the applicable access management and drainage permits required for the project.
8. At the time of development, the petitioner shall be required to meet all commercial site development requirements.
9. Minimum Setbacks and Building Height:
 - Front: 125'
 - Side: 35'
 - Rear: 50'
 - Building Height: 45'

10. The following buffers shall be placed within the development:
 - A 5-foot vegetative buffer along S.R. 50 (Cortez Blvd) that meets the requirements of the Community Appearance ordinance for commercial projects.
 - A 5-foot vegetative buffer around the parking lot/pavement that meets the requirements of the Community Appearance ordinance for commercial projects.
 - All other perimeter buffers will consist of 10-foot-wide buffer consisting of natural vegetation supplemented with landscaping where needed.
11. Screening of outdoor storage from adjoining and contiguous properties by a wall, fence or other approved enclosures. Screening shall meet an 80 percent opacity standard. Such screening shall be located behind the building line and shall have a minimum height of 5-feet and maximum of 8-feet.
12. The petitioner shall be required to provide full cutoff fixtures and retain all light on-site preventing any light spillage onto neighboring properties.
13. The petitioner shall provide a master plan in compliance with all the performance conditions within 30 calendar days of Board of County Commissioner's approval. Failure to submit the revised plan will result in no further development permits being issued.

P&Z RECOMMENDATION

On July 14, 2025, the Planning and Zoning Commission voted 3-2 to recommend the Board of County Commissioners adopt a resolution approving the petitioner's request to Establish a Public Service Facility Overlay District (PSFOD) for an electric utility operations center with the following modified performance conditions:

1. The petitioner must obtain all permits from Hernando County as well as other applicable agencies, meeting all applicable land development regulations, for either construction or use of the property, and complete all applicable development review processes.
2. At the time of site development, the jurisdictional wetland line shall be set. A 25-foot vegetated buffer shall be placed along the perimeter of the wetland in accordance with all South West Florida Water Management District regulations and shall be shown on all civil site plans for the subject site.
3. The petitioner shall be required to comply with all federal, state, and local environmental regulations.
4. The petitioner shall be required to submit a utility capacity analysis and connect to the central water and wastewater systems at the time of development.
5. ~~When developed, a Frontage (or reverse) Road will be required along the entire frontage along Cortez Boulevard. The applicant shall coordinate with the County Engineer in the design of the entrance road from SR 50 to ensure that access issues (existing and future) are addressed, including a possible future frontage road to the east and possibly west. Any change of land use from the proposed public facility will require a rezoning application and consideration of cross access or frontage road to the west.~~
6. A Traffic Access Analysis will be required. Any improvements identified will be the responsibility of the developer to install.

7. The petitioner shall coordinate with the Florida Department of Transportation to determine the applicable access management and drainage permits required for the project.
8. At the time of development, the petitioner shall be required to meet all commercial site development requirements.
9. Minimum Setbacks and Building Height:
 - Front: 125'
 - Side: 35'
 - Rear: 50'
 - Building Height: 45'
10. The following buffers shall be placed within the development:
 - A 5-foot vegetative buffer along S.R. 50 (Cortez Blvd) that meets the requirements of the Community Appearance ordinance for commercial projects.
 - A 5-foot vegetative buffer around the parking lot/pavement that meets the requirements of the Community Appearance ordinance for commercial projects.
 - All other perimeter buffers will consist of 10-foot-wide buffer consisting of natural vegetation supplemented with landscaping where needed.
11. ~~Screening of outdoor storage from adjoining and contiguous properties by a wall, fence or other approved enclosures. Screening shall meet an 80 percent opacity standard. Such screening shall be located behind the building line and shall have a minimum height of 5 feet and maximum of 8 feet. Screening of outdoor storage from SR 50 shall be achieved by a combination of a setback (125' from SR 50) and opaque fencing a minimum height of five (5) feet and maximum of eight (8) feet. The required buffer shall be considered adequate screening to the west, south and east of the property.~~
12. The petitioner shall be required to provide full cutoff fixtures and retain all light on-site preventing any light spillage onto neighboring properties.
13. ~~The petitioner shall provide a master plan in compliance with all the performance conditions within 30 calendar days of Board of County Commissioner's approval. Failure to submit the revised plan will result in no further development permits being issued. The petitioner shall provide a master plan in compliance with all the performance conditions within 30 days of receipt of the Board of County commissioner's approval memo. Failure to submit the revised plan will result in no further development permits being issued.~~

Existing Condition 5.

When developed, a Frontage (or reverse) Road will be required along the entire frontage along Cortez Boulevard.

Proposed Condition 5.

The applicant shall coordinate with the County Engineer in the design of the entrance road from SR 50 to ensure that access issues (existing and future) are addressed, including a possible future frontage road to the east. Any change of land use from the proposed public facility will require a rezoning application and consideration of cross access or frontage road to the west.

Existing Condition 11.

Screening of outdoor storage from adjoining and contiguous properties by a wall, fence or other approved enclosures. Screening shall meet an eighty (80) percent opacity standard. Such screening shall be located behind the building line and shall have a minimum height of five (5) feet and maximum of eight (8) feet.

Proposed Condition 11.

Screening of outdoor storage from SR 50 shall be achieved by a combination of a setback (125' from SR 50) and opaque fencing a minimum height of five (5) feet and maximum of eight (8) feet. The required buffer shall be considered adequate screening to the west, south and east of the property.

Existing Condition 13.

The petitioner shall provide a master plan in compliance with all the performance conditions within 30 days of the Board of County Commissioner's approval. Failure to submit the revised plan will result in no further development permits being issued.

Proposed Condition 13.

The petitioner shall provide a master plan in compliance with all the performance conditions within 30 days of receipt of the Board of County Commissioner's approval memo. Failure to submit the revised plan will result in no further development permits being issued.

RESOLUTION NO. 2025 - _____

WHEREAS, Hernando County has adopted zoning regulations pursuant to Section 125.01(1) and Chapter 163, *Florida Statutes*, which authorize the County to regulate the use of land in the unincorporated areas of Hernando County, Florida, and take action on the request herein; and

WHEREAS, the Hernando County Board of County Commissioners (BOCC) conducted a duly advertised public hearing to consider the requested changes in zoning on the specified parcels in Hernando County, Florida, as more fully described below;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF HERNANDO COUNTY, FLORIDA, AS FOLLOWS:

APPLICANT: Greater Tampa Bay Area Council, Inc., Boy Scouts of America

FILE NUMBER: H-25-14

REQUEST: Establish a Public Service Facility Overlay District (PSFOD) for an electric utility operations center for Withlacoochee River Electric Cooperative

GENERAL LOCATION: South Side of Cortez Boulevard, approximately 1377' west of Hunt Lane (a portion of the Sand Hill Scout Reservation)

PARCEL KEY NUMBERS: A 52-acre +/- portion of Parcel Key #346708

REQUEST: Establish a Public Service Facility Overlay District (PSFOD) for an electric utility operations center for Withlacoochee River Electric Cooperative as enumerated in the BOCC Action, which is incorporated herein by reference and made a part hereof. The representations contained in the rezoning application are incorporated herein by reference and made a part hereof and are relied upon by the County to be true and correct. For purposes herein, it is presumed that all notice and advertising requirements have been satisfied.

FINDINGS OF FACT: ALL of the facts and conditions set forth in the County's staff memoranda and presented to the BOCC in connection with the public hearing in this matter are incorporated herein by reference and made a material part of this Resolution as integral to the BOCC's Action. The BOCC finds that the testimony and record supporting APPROVAL of the request to be credible and to constitute competent substantial evidence. In further support thereof, the BOCC makes the following specific findings of fact:

1. The proposed request is consistent with the County's adopted Comprehensive Plan and is compatible with the surrounding land uses.

CONCLUSIONS OF LAW: The BOCC is authorized to act on this matter pursuant to Chapters 125 and 163, *Florida Statutes*. Accordingly, after public hearing and testimony, being fully

advised in the record, and based upon competent substantial evidence, the BOCC makes the following specific conclusions of law:

1. The proposed request is consistent with the County's adopted Comprehensive Plan and is compatible with the surrounding land uses.

ACTION:

After notice and public hearing, based upon the record in this matter and ALL of the findings of fact and conclusions of law above, the BOCC hereby APPROVES Establish a Public Service Facility Overlay District (PSFOD) for an electric utility operations center for Withlacoochee River Electric Cooperative as set forth in the BOCC Action, which is incorporated herein by reference and made a part hereof. Any requests, uses, variances or exceptions that were requested in connection with this rezoning application but not specifically approved herein are hereby deemed DENIED.

AGENDA ITEM

TITLE

Petition Submitted by Kempton Williams on Behalf of Williams Land & Cattle Company for Family Hardship Relief From Subdivision Regulations

BRIEF OVERVIEW

The subject property is on Ayers Road and is currently 228.50 acres. The applicant, Kempton Williams on behalf of Williams Land and Cattle Company, submitted a Class D Subdivision application to create two (2) parcels from the approximate 228.50 acre parcel; one parcel would be approximately 10.0 acres, and the second parcel would be approximately 218.50 acres, more or less.

Section 26-3(e) of the Hernando County Code of Ordinances requires that Class D Subdivisions created in a residential, agricultural-residential, or rural zoning districts shall meet the following:

- Sec. 26-3(e) Class D (2)a. i: Each lot must be created from a parent parcel and each lot must have frontage on an existing county maintained street or private street built and maintained to county standards.

The proposed parcels do not meet the above requirements, and the parcel subdivision was denied. The petitioners seek approval by the Board for family hardship relief from these requirements.

Should the Board determine that a family hardship is warranted, Section 26-3(g) of the Hernando County Code of Ordinances requires compliance with items (1) through (4) listed in the Legal Note below, and the Board should authorize the Chairman's signature upon the attached approval resolution, which will be recorded in the official records. Likewise, if the petition for family hardship is denied, the Board should authorize the Chairman's signature on the attached denial resolution.

FINANCIAL IMPACT

There is no identified financial impact.

LEGAL NOTE

The Board has the authority to take action on the request for relief from the Class D Subdivision regulations due to family hardship in accordance with Chapter 26, Article I, Section 26-3(g) of the Hernando County Code of Ordinances. A petition for such relief may be filed by any person who feels the provisions of the Class D Subdivision regulations, if complied with, would place upon them an undue burden on their ability to transfer land to family members.

The governing body, upon review of the petition, may approve the subdivision provided the

governing body has determined that the provisions of the Class D Subdivision regulations have placed an undue burden on the petitioners' ability to transfer land to family members and:

- 1) All lots proposed to be created under the Board of County Commissioner's approval meet the minimum lot size of the zoning district in which the subdivision is to be located and conforms with the policies of the comprehensive plan.
- 2) All lots have a minimum of a fifteen-foot access/utility easement to provide access to the parcels(s).
- 3) Each deed of conveyance entered into and executed shall contain a legend setting forth in bold type a reference to the subdivision regulations and a statement that the "subject land is contained within a subdivision which has not been formally platted and said county has absolutely no obligation to maintain or improve roads and thoroughfares within the subdivision."
- 4) All lots must be transferred to an immediate family member and must provide for a reverter clause in the deed returning the land to the grantor if the transferred parcel does not remain in the ownership of a family member for a minimum of two (2) years from the date of transfer.

RECOMMENDATION

It is recommended that the Board, as the sole authority, determine whether the provisions of the Class D Subdivision regulations, if complied with, would place an undue burden on the petitioners' ability to transfer land to family members. Should the Board determine that a family hardship is warranted, Section 26-3(g) of the Hernando County Code of Ordinances requires compliance with items (1) through (4) listed above.

It is further recommended that the Board approve and authorize the Chairman's signature on the attached associated resolution.

STAFF REPORT

HEARINGS: Board of County Commissioners: September 2, 2025

APPLICANT: Kempton Williams on behalf of Williams Land & Cattle Company

FILE NUMBER: 1507032

PURPOSE: Class D Subdivision Appeal

GENERAL LOCATION: Lying on Ayres Road.

PARCEL KEY NUMBER: 384783

APPLICANT'S REQUEST:

The petitioner is requesting relief from the strict application standards of the subdivision regulations on the specified parcel(s) in Hernando County, Florida, due to FAMILY HARDSHIP, as more fully described below.

The subject site is a 228.50-acre AG(Agricultural) parcel. The Class D Subdivision for Kempton Williams on behalf of Williams Land & Cattle Company, is to create (2) two parcels Parcel 2.2 - 218.50 acres and Parcel 2.1 - 10.0 acres. It is the petitioner's desire to split the parcel to build his family home on the 10.0-acre parcel. The parcel is located on Ayers Road.

The survey has been reviewed by the Planning Department and found not to be within County standards for a Class D Subdivision according to Sec. 26-3. Class D (2) a. i. "Each lot must be created from a parent parcel". The Department of Public Works has Approved the driveway location.

STAFF RECOMMENDATION:

It is recommended that the Board of County Commissioners approve the Class D subdivision with the following conditions:

- (1) A petition for relief from family hardship may be filed by any person who feels the provisions of this chapter, if complied with, would place upon them an undue burden on their ability to transfer land to family members. The petition shall include all data and other information required by the board of county commissioners including at least the following:
- (2) A map on which is indicated an accurate representation of the proposed subdivision. The map shall clearly indicate the access to be provided and any improvements to be provided in the project. The petition will include the prospective recipient of each tract and his/her relationship to the grantor.

- (3) The governing body, upon review of the petition, may approve the subdivision provided the governing body has determined that the ordinance has placed an undue hardship upon the family and:
- (4) All lots proposed to be created under the board of county commissioner's approval meet the minimum lot size of the zoning district in which the subdivision is to be located and conforms with the policies of the comprehensive plan.
- (5) All lots have a minimum of a fifteen-foot access/utility easement to provide access to the parcel.
- (6) Each deed of conveyance entered into and executed shall contain a legend setting forth in bold type a reference to the subdivision regulations and a statement that "subject land is contained within a subdivision which has not been formally platted and said county has absolutely no obligation to maintain or improve roads and thoroughfares within the subdivision."
- (7) All lots must be transferred to an immediate family member and must provide for a reverter clause in the deed returning the land to the grantor if the transferred parcel does not remain in the ownership of a family member for a minimum of two (2) years from the date of transfer.

RE: Key No. 384783
Section 28, Township 23, Range 19 East
File No: 1507032 - Class D Subdivision

Dear Kempton Williams,

This letter is the formal notice to you of County denial of your request to create a Class D subdivision requesting the creation of two (2) parcels. Your request is denied because the proposed subdivision does not meet Hernando County's Ordinance regarding Class D subdivision, to-wit:

1. **Sec. 26-3(e) Class D (2)i – Each lot must be created from a parent parcel and each lot must have frontage on an existing county maintained street or private street built and maintained to county standards.**

Under Chapter 26 of the Hernando County Ordinance Code, there is a mechanism in the subdivision regulations by which you may appeal this denial to the Board of County Commissioners. Chapter 26-3(f) states:

(f) Petition for relief from hardship. A petition for relief from hardship shall be made by any developer who feels the provisions of this chapter, if complied with, would place upon them an undue burden. The petition shall include all data and other information required by the board of county commissioners including at least the following:

- (1) A complete set of plans and specifications in accordance with which the construction has been or is being accomplished, if such exists, or a general written explanation of the construction effort with a complete description of all provisions the developer is making to assure construction quality.
- (2) A written proposal defining the developer's desired methods of completing the project. The proposal shall indicate specifically which provisions of this chapter the developer wishes to be excepted from.

The governing body, upon review of the petition, may approve the subdivision provided the governing body has determined that the ordinance has placed an undue hardship upon the developer and:

- (1) All lots proposed to be created under the board of county commissioner's approval meet the minimum lot size of the zoning district in which the subdivision is to be located and conforms with the policies of the comprehensive plan.
- (2) All lots have a minimum of a fifteen-foot access/utility easement to provide access to the parcel.
- (3) Each deed of conveyance entered into and executed shall contain a legend setting forth in bold type a reference to the subdivision regulations and a statement that "**subject land is contained within a subdivision which has not been formally platted and said county has absolutely no obligation to maintain or improve roads and thoroughfares within the subdivision.**"

(g) Petition for relief from family hardship. A petition for relief from family hardship may be filed by any person who feels the provisions of this chapter, if complied with, would place upon them an undue burden on their ability to transfer land to family members. The petition shall include all data and other information required by the board of county commissioners including at least the following:

(1) A map on which is indicated an accurate representation of the proposed subdivision. The map shall clearly indicate the access to be provided and any improvements to be provided in the project. The petition will include the prospective recipient of each tract and his/her relationship to the grantor.

The governing body, upon review of the petition, may approve the subdivision provided the governing body has determined that the ordinance has placed an undue hardship upon the family and:

(1) All lots proposed to be created under the board of county commissioner's approval meet the minimum lot size of the zoning district in which the subdivision is to be located and conforms with the policies of the comprehensive plan.

(2) All lots have a minimum of a fifteen-foot access/utility easement to provide access to the parcel.

(3) Each deed of conveyance entered into and executed shall contain a legend setting forth in bold type a reference to the subdivision regulations and a statement that **"subject land is contained within a subdivision which has not been formally platted and said county has absolutely no obligation to maintain or improve roads and thoroughfares within the subdivision."**

(4) **All lots must be transferred to an immediate family member and must provide for a reverter clause in the deed returning the land to the grantor if the transferred parcel does not remain in the ownership of a family member for a minimum of two (2) years from the date of transfer.**

If you appeal the denial to the Board of County Commissioners, please submit the following:

1. A letter requesting to appeal the denial to the Board with the requirement as indicated above; and
2. A filing fee of \$ 100.00.

If an appeal is filed and approved by the Board of County Commissioners, conditions as stated above will be included in the resolution as well as the following:

1. Provide a final original signed/sealed survey including the flood hazard areas delineated and existing structure setback compliance prior to final subdivision approval.
2. Subsequent lot owners should be advised of potential for listed protected species and state/federal permit requirements. Prior to site development of each lot, a gopher tortoise burrow survey by a qualified professional is required to determine presence or absence. If present, follow FWC permitting and regulation requirements.

If I may be of further assistance in this matter, please contact me.

Sincerely,

1. BEARINGS SHOWN HEREON BASED ON THE FLORIDA STATE PLANE COORDINATE SYSTEM, WEST ZONE, NORTH AMERICAN DATUM OF 1983 (NAD 83), 2011 ADJUSTMENT, ESTABLISHING AN ASSUMED BEARING OF S89°56'32"E ALONG THE NORTH LINE OF THE NORTHEAST 1/4 OF SECTION 28-23-19. BEARINGS SHOWN HEREON ARE GRID BEARINGS.

2. DESCRIPTION AS SHOWN HEREON WAS PROVIDED.

3. BASIS FOR SURVEY IS DESCRIPTION, RECORD PLAT, AND MONUMENTATION FOUND IN PLACE.

4. NO UNDERGROUND OR IMPROVEMENTS OR UTILITIES HAVE BEEN LOCATED EXCEPT AS NOTED. THE HORIZONTAL LOCATION OF UNDERGROUND IMPROVEMENTS IS BASED ON THE FLUJES LOCATION PROVIDED BY THE CONTRACTOR. SOFT DIGS TO CONFIRM SOFT LOCATIONS WERE NOT PERFORMED EXCEPT WHERE TOP OF PIPE ELEVATIONS ARE INDICATED.

5. THIS SURVEY IS OF VISIBLE FEATURES ONLY. UNDERGROUND ENCROACHMENTS, IF ANY, WERE NOT LOCATED. GUTTERS, OVERHANGS, WINDOW SILLS, OR UNDERGROUND FOUNDATIONS NOT LOCATED.

6. THE OWNERSHIP OF FENCES, IF ANY EXIST, ON OR NEAR THE PROPERTY LINES IS NOT KNOWN BY THIS SURVEYOR.

7. ADDITIONAL COLLISION REPRODUCTION OF SURVEY DRAWINGS BY OTHER THAN THE SIGNED PARTY OR PARTIES IS PROHIBITED BY LAW WITHOUT WRITTEN CONSENT OF THE SIGNED PARTY OR PARTIES.

8. THIS SURVEY MAP IS VALID ONLY TO THOSE PERSONS OR ENTITIES NAMED HEREON. COASTAL ENGINEERING ASSOCIATES, INC. WILL ASSUME NO RESPONSIBILITY FOR THE UNAUTHORIZED REPRODUCTION AND/OR REDISTRIBUTION OF THIS SURVEY MAP.
9. ELEVATIONS AS SHOWN HEREON ARE BASED ON THE NORTH AMERICAN VERTICAL DATUM OF 1988, UNLESS OTHERWISE NOTED.

10. THIS SURVEY WAS CONDUCTED WITHOUT THE BENEFIT OF A COMPLETE TITLE REPORT OR TITLE ABSTRACT AND THEREFORE MAY NOT NECESSARILY SHOW ALL RIGHT-OF-WAYS, EASEMENTS OR OTHER ENCUMBRANCES OF RECORD.

11. THIS PROPERTY IS SUBJECT TO ANY DEDICATION, LIMITATIONS, RESERVATIONS, RESTRICTIONS, AND/OR EASEMENTS OF RECORD AND NOT OF RECORD.

RESOLUTION NO. 2025 - _____

WHEREAS, Hernando County has adopted subdivision regulations pursuant to Chapters 125, 163 and 177, *Florida Statutes*, which authorize the County to regulate the division of land in the unincorporated areas of Hernando County, Florida, and take action on the request herein; and,

WHEREAS, the Hernando County Board of County Commissioners (BOCC) considered the requested Petition for relief from the strict application of the subdivision regulations on the specified parcel(s) in Hernando County, Florida, due to **FAMILY HARDSHIP**, as more fully described below.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF HERNANDO COUNTY, FLORIDA, AS FOLLOWS:

PETITIONER: Kempton Williams on behalf of Williams Land & Cattle Company

FILE NUMBER: 1507032

PURPOSE: To divide 228.50 acres into two parcels creating Parcel 2.1 (10.0 acres) and Parcel 2.2 (218.50 acres)

GENERAL

LOCATION: A portion of Section 28, Township 23 South, Range 19 East, lying on Ayers Road

PARCEL KEY: 384783

REQUEST: The Petitioner was denied a Class D Subdivision to divide 228.50 acres into two parcels creating Parcel 2.1 (10.0 acres) and Parcel 2.2 (218.50 acres) for failing to meet all the requirements for a Class D Subdivision in Section 26-3(e) of the Hernando County Ordinance Code. Therefore, the Petitioner requests relief from the strict application of the Class D Subdivision regulations in Section 26-3(e) of the Hernando County Ordinance Code due to **FAMILY HARDSHIP**, pursuant to Section 26-3(g) of the Hernando County Ordinance Code.

FINDINGS

OF FACT: ALL of the facts and conditions presented to the BOCC in connection with this matter are incorporated herein by reference and made a material part of this Resolution as integral to the BOCC's Action. The BOCC finds that the testimony and record supporting APPROVAL of the Petitioner's request to be

credible and to constitute competent substantial evidence. In further support thereof, the BOCC makes the following specific findings of fact:

1. The Petition meets the application requirements in Section 26-3(g) of the Hernando County Ordinance Code for relief due to **FAMILY HARDSHIP**.
2. The strict application of the Class D Subdivision regulations in Section 26-3(e) of the Hernando County Ordinance Code would place an undue burden on the Petitioner.
3. All lots proposed to be created meet the minimum lot size of the zoning district in which the subdivision is located and conform with the policies of the comprehensive plan.
4. All proposed lots have a minimum fifteen-foot access/utility easement to provide access to the parcel(s).
5. Petitioner warrants that each deed of conveyance entered into and executed will contain a legend setting forth in bold type a reference to the subdivision regulations and a statement that "subject land is contained within a subdivision which has not been formally platted and said county has absolutely no obligation to maintain or improve roads and thoroughfares within the subdivision."
6. Petitioner warrants that all lots will be transferred to an immediate family member and such transfers will provide for a reverter clause in the deed returning the land to the grantor if the transferred parcel does not remain in the ownership of a family member for a minimum of two (2) years from the date of transfer.

CONCLUSIONS OF LAW:

The BOCC is authorized to act on this matter pursuant to Chapters 125, 163 and 177, *Florida Statutes*. Accordingly, after hearing testimony, being fully advised in the record, and based upon competent substantial evidence, the BOCC makes the following specific conclusions of law:

1. The Petition meets the application requirements in Section 26-3(g) of the Hernando County Ordinance Code for relief due to **FAMILY HARDSHIP**.
2. The strict application of the Class D Subdivision regulations in Section 26-3(e) of the Hernando County Ordinance Code would place an undue burden on the Petitioner.

ACTION:

Based upon the record in this matter and all of the findings of fact and conclusions of law above, the BOCC hereby APPROVES the Petitioner's request for relief from the strict application of the Class D Subdivision regulations in Section 26-3(e) of the Hernando County Ordinance Code due to **FAMILY HARDSHIP**, subject to the following conditions, pursuant to Section 26-3(g) of the Hernando County Ordinance Code:

1. All lots shall meet the minimum lot size of the zoning district in which the subdivision is located and shall conform with the policies of the comprehensive plan.
2. All lots shall have a minimum fifteen-foot access/utility easement to provide access to the parcel(s).
3. Each deed of conveyance entered into and executed shall contain a legend setting forth in bold type a reference to the subdivision regulations and a statement that "subject land is contained within a subdivision which has not been formally platted and said county has absolutely no obligation to maintain or improve roads and thoroughfares within the subdivision."
4. All lots will be transferred to an immediate family member and such transfers will provide for a reverter clause in the deed returning the land to the grantor if the transferred parcel does not remain in the ownership of a family member for a minimum of two (2) years from the date of transfer.

RESOLUTION NO. 2025 - _____

WHEREAS, Hernando County has adopted subdivision regulations pursuant to Chapters 125, 163 and 177, *Florida Statutes*, which authorize the County to regulate the division of land in the unincorporated areas of Hernando County, Florida, and take action on the request herein; and,

WHEREAS, the Hernando County Board of County Commissioners (BOCC) considered the requested Petition for relief from the strict application of the subdivision regulations on the specified parcel(s) in Hernando County, Florida, due to **FAMILY HARDSHIP**, as more fully described below.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF HERNANDO COUNTY, FLORIDA, AS FOLLOWS:

PETITIONER: Kempton Williams on behalf of Williams Land & Cattle Company

FILE NUMBER: 1507032

PURPOSE: To divide 228.50 acres into two parcels creating Parcel 2.1 (10.0 acres) and Parcel 2.2 (218.50 acres)

GENERAL

LOCATION: A portion of Section 28, Township 28 South, Range 19 East, lying on Ayers Road.

PARCEL KEY: 384783

REQUEST: The Petitioner was denied a Class D Subdivision to divide 228.50 acres into two parcels creating Parcel 2.1 (10.0 acres) and Parcel 2.2 (218.50 acres) for failing to meet all the requirements for a Class D Subdivision in Section 26-3(e) of the Hernando County Ordinance Code. Therefore, the Petitioner requests relief from the strict application of the Class D Subdivision regulations in Section 26-3(e) of the Hernando County Ordinance Code due to **FAMILY HARDSHIP**, pursuant to Section 26-3(g) of the Hernando County Ordinance Code.

FINDINGS

OF FACT: ALL of the facts and conditions presented to the BOCC in connection with this matter are incorporated herein by reference and made a material part of this Resolution as integral to the BOCC's Action. The BOCC finds that the testimony and record supporting DENIAL of the Petitioner's request to be credible and to constitute competent substantial evidence. In further support thereof, the BOCC makes the following specific findings of fact:

1. The strict application of the Class D Subdivision regulations in Section 26-3(e) of the Hernando County Ordinance Code would NOT place an undue burden on the Petitioner.

**CONCLUSIONS
OF LAW:**

The BOCC is authorized to act on this matter pursuant to Chapters 125, 163 and 177, *Florida Statutes*. Accordingly, after hearing testimony, being fully advised in the record, and based upon competent substantial evidence, the BOCC makes the following specific conclusions of law:

1. The strict application of the Class D Subdivision regulations in Section 26-3(e) of the Hernando County Ordinance Code would NOT place an undue burden on the Petitioner.

ACTION:

Based upon the record in this matter and ALL of the findings of fact and conclusions of law above, the BOCC hereby DENIES the Petitioner's request for relief from the strict application of the Class D Subdivision regulations in Section 26-3(e) of the Hernando County Ordinance Code due to **FAMILY HARDSHIP**.

ADOPTED IN REGULAR SESSION THE ____ DAY OF _____ 2025.

AGENDA ITEM

TITLE

Documents to Effectuate Consolidation of Fire Rescue and Emergency Services With City of Brooksville

BRIEF OVERVIEW

The City of Brooksville (City) requested a proposal from Hernando County Fire Rescue and Emergency Services (HCFR) under the Board of County Commissioners for consolidation of services with the Brooksville Fire Department (BFD). The attached documents establish that those services within the boundaries of the City of Brooksville will be provided by HCFR beginning 8:00 AM on October 1, 2025.

Interlocal Agreement between the City of Brooksville and Hernando County Regarding Consolidation of Fire Rescue Services

This agreement governs the consolidation of services and the transition of personnel, facilities, equipment and assets. Additional provisions address fire hydrant maintenance and fire inspections. Compensation to Hernando County for FY 2026 will be \$1,478,341.89 payable in 12 equal monthly installments. Beginning FY 2027, the County shall levy and collect fire assessments, using the same calculation methodology, from City property owners in the same manner as applied to property owners in the unincorporated areas of the County.

Interlocal Agreement for Fire Protection and Emergency Medical Services Capital Facility Impact Fee Joint Program Administration

Per the terms of this agreement, a study will be performed in FY 2026 to update and include the City of Brooksville in Hernando County's Fire/EMS Impact Fees.

Interlocal Agreement for Lease of Fire Station

Under the terms of an existing 2008 Interlocal Agreement with the City of Brooksville, HCFR currently shares the use of the City's Fire Rescue Station located at 85 Veterans Avenue. With the consolidation, that cohabitation agreement will be replaced with the attached lease which allows for the termination of the cohabitation agreement as of September 30, 2026. The cost will be \$1.00 for FY 2026, after which time it will be \$12.00 per square foot for a total annual rent of \$145,896.00.

FINANCIAL IMPACT

Once the agreement is signed by both parties, a budget resolution will be brought to the Board for signature.

LEGAL NOTE

The Board has authority to act on this matter pursuant to Chapter 125, Florida Statutes.

RECOMMENDATION

It is recommended that the Board approve and authorize the Chairman's signature on all three

Interlocal Agreements in order for HCFR to provide fire protection and emergency medical services within the City of Brooksville as of October 1, 2025.

INTERLOCAL AGREEMENT

THIS AGREEMENT, made and entered into this 23rd day of September, 2008, by and between THE BOARD OF COUNTY COMMISSIONERS OF HERNANDO COUNTY, FLORIDA ("COUNTY"), and the CITY OF BROOKSVILLE ("CITY").

1. The COUNTY and CITY are authorized to enter into this Agreement pursuant to the provisions of Section 163.01, Florida Statutes, "The Florida Interlocal Cooperation Act of 1969," and pursuant to the provisions of Chapters 125, Florida Statutes.

2. The purpose of this Agreement is to enable the COUNTY and CITY to jointly exercise the powers which each public agency has in order to enable the respective public agencies to make the most efficient use of said powers by enabling them to cooperate with each other on a basis of mutual advantage and thereby to provide services and facilities in a manner that will promote efficiency and economy in the rendering of public services to the citizens of the City and to citizens of Hernando County.

3. The purpose of this Agreement is to enable the COUNTY and CITY to utilize the facilities, resources, systems, or operations of each agency to obtain mutual advantage for each agency.

4. The COUNTY and CITY hereby agree that the following facts form the predicate basis for this Agreement:

a. The parties have established and operate fire rescue departments, protecting the City of Brooksville incorporated area and the surrounding unincorporated areas of Hernando County; and

b. The parties have entered into a formal automatic mutual aid agreement and fully cooperate together in order to maximize the overall fire rescue service delivery to the residents of the City of Brooksville and Hernando County; and

c. The City owns, operates and staffs a fire rescue station located at 85 Veterans Avenue, Brooksville, FL 34601; and

d. The County is responsible to operate and staff a fire rescue station centrally located within Hernando County, able to provide fire service to all

areas surrounding the incorporated area of the City of Brooksville; and

e. The County is responsible for providing advanced life support transport rescue service (ALS ambulance) within Hernando County, including the incorporated area of the City of Brooksville; and

f. The City and the County have determined that the 85 Veterans Avenue fire rescue station is a desirable location from a response perspective and is also the most cost effective location; and

g. The City has agreed to cooperate with the County, by a shared use of the City Fire Rescue Station located at 85 Veterans Avenue, Brooksville, FL.

5. Based on the foregoing, the City and the County agree as follows:

a. PROPERTY DESCRIPTION. The City agrees to grant co-utilization rights to the County, and the County agrees to accept co-utilization rights from the City, within the following described public building:

Brooksville Fire Station
85 Veterans Avenue
Brooksville, Florida 34601

b. TERM OF AGREEMENT. The term of this agreement shall be a period of twenty five (25) years, commencing on October 1, 2008, and ending at 12:00 midnight on September 30, 2033.

c. JOINT USE CONTRIBUTION. As the purpose of this Agreement is for a Joint Use Facility, the City agrees to accept the following as consideration and the County agrees to pay/fund the following expenses and capital improvements at the City's Fire Rescue Station:

1. County shall pay the full actual monthly electric bill for the 85 Veterans Avenue Fire Station.
2. County shall pay the full actual monthly water/sewer bill for 85 Veterans Avenue Fire Station.
3. County shall fund the entire cost of: design, engineering, permitting, construction and construction oversight for a 2,000 +/- square foot addition to the 85 Veterans Avenue Fire Station. Said construction shall include an expanded dormitory, an enlarged dining area and additional bathroom/shower facilities. The facility expansion process shall be initiated by the County no

more than 90 days following the effective date of this Agreement and shall be accomplished as described in e.4. below.

4. All payments due from the County to the City under the terms of this Agreement, shall be paid promptly when due. If any payment is not received by noon on the 30th day following the day on which the payment is due, a late fee shall be due equal to five (5%) percent of the delinquent payment.

d. SECURITY DEPOSIT. No security deposit shall be required.

e. COUNTY'S COVENANTS. County covenants and agrees as follows:

1. To use the premises in a careful and proper manner; to assist in maintaining the building, grounds and parking lot in clean condition; to commit or permit no waste or damages to the premises; to use the premises solely as a fire rescue station; to conduct or permit no act that is a nuisance or may be in violation of any federal, state or local law or ordinance; to surrender the premises on expiration or termination of this Agreement in clean condition and good repair, normal wear and tear excepted, provided, however, that all alterations, additions and improvements permanently attached and made by County, shall become and remain the property of City on the termination of County's co-occupancy of the premises as specified herein.

2. To make no alterations in, or addition or improvements to, or install any signs on, the premises without in each case obtaining the written consent of City, which shall not be unreasonable withheld. If any alterations, additions or improvements in or to the premises become necessary by reason of the special use and occupancy of the premises by the County, then the County agrees that the County will make all such alterations, additions and improvements in or to the premises at its own expense and in compliance with all building codes, ordinances and governmental regulations pertaining to such work, use or occupancy.

3. City shall not be liable for any loss by reason of damage, theft, or otherwise to the property of the County, or County's agents, employees, guests, or visitors.

4. During the fire rescue station expansion project, the County shall obtain written approval of acceptance from the Brooksville City Manager's office for each of the following: preliminary design phase, final design phase, Selection of Contractor and final payment request.

f. CITY'S COVENANTS. City covenants and agrees as follows:

1. To warrant and defend the County's right to co-utilization of the premises during the aforesaid term. Including the co-use of living areas and the use of a minimum of two (2) apparatus bays.
2. To maintain the fire rescue station (including the additional building expansion) in a safe and functional manner during the term of this agreement.

g. **INSURANCE.** Each party shall furnish liability insurance coverage as to the party's activities as well as coverage for personal injury. The limits of liability shall not be less than \$1,000,000 per occurrence for injury or death to any person or persons, and the general aggregate shall not be less than \$2,000,000.

h. **TERMINATION OF AGREEMENT.** Either party may terminate this agreement under the following parameters:

1. This agreement shall terminate at 12:00 midnight on September 30, 2033, unless extended by mutual agreement in writing by both parties.
2. The City may terminate this agreement early for any reason, with a 365 day written notice of intent to the County and a prorated repayment to the County for the actual cost of capital improvements specified within Section 5.c.3. above. The prorated amount of repayment to the County shall be calculated as the actual cost of the capital improvement (including the costs for: design, permitting, construction management and construction) less 1/25th of actual cost of the capital improvements for each year, from the commencement of the agreement until the final date of termination. The capital improvement repayment by the City, to the County shall be due 30 days prior to the final termination of the agreement.
3. The County may terminate this agreement early for any reason, with a 365 day written notice of intent to the City. If the County elects to terminate this agreement prior to September 30, 2033, the City shall be responsible for a prorated repayment to the County for the actual cost of capital improvements specified within Section 5.c.3. The prorated amount of repayment to the County, shall be calculated as the actual cost of the capital improvements (including the costs for: design, permitting, construction management and construction) less 1/20th of actual cost of the capital improvements for each year, from the commencement of the agreement until the final date of termination. The capital improvement repayment by the City, to the

County shall be due 30 days after the final termination of the agreement.

4. Neither party may cancel this agreement prior to the completion and final inspection of the addition referenced in Section 5.c.3.

i. **MODIFICATION OF AGREEMENT.** Both parties reserve the right to modify or replace this agreement without penalty, by mutual written agreement arising from changes in: organizational structure, future emergency services consolidation and/or future service delivery evolutions.

j. **DISPUTE RESOLUTION.** All personnel of the County and City are expected to cooperate to assure the highest level of service and efficiency for the citizens. In the event that there is an operational or procedural conflict between the personnel of the County or City, the dispute shall be resolved by:

1. The dispute shall be resolved at the lowest level of the chain-of-command possible within both party's fire rescue agencies.
2. In the event that an operational conflict cannot be resolved between the City and County Fire Chiefs, the County Administrator and the City Manager shall negotiate a final resolution.

k. **INDEMNIFICATION.** The County and City do not assume any liability for the acts, commissions, or negligence of the other, in the performance of their respective duties under this agreement.

l. **GOOD FAITH.** Each of the parties hereto does herewith agree to take such action and forebear such actions as agreed necessary to carry the meaning and intent of this agreement and all of its terms and conditions.

In witness whereof, the parties hereto have executed this Agreement as of the date first above written.

**INTERLOCAL AGREEMENT BETWEEN HERNANDO COUNTY
AND THE CITY OF BROOKSVILLE FOR FIRE PROTECTION AND EMERGENCY
MEDICAL SERVICES CAPITAL FACILITY
IMPACT FEE JOINT PROGRAM ADMINISTRATION**

This INTERLOCAL AGREEMENT is made and entered into by and between HERNANDO COUNTY, a political subdivision of the State of Florida (the “County”), and CITY OF BROOKSVILLE, a Florida municipal corporation (the “City”).

RECITALS

WHEREAS, the “Florida Interlocal Cooperation Act of 1969,” Fla. Stat. § 163.01, as it may be amended, permits public agencies to enter into agreements to make the most efficient use of their powers by enabling them to cooperate on a basis of mutual advantage and thereby to provide services and facilities in a manner that will accord best with geographic, economic, population and other factors influencing the needs and development of local communities; and,

WHEREAS, the “Community Planning Act,” Fla. Stat. § 163.3161, *et seq.*, generally requires that new developments be served by adequate public facilities; and,

WHEREAS, to achieve that Community Planning Act’s mandate, it is necessary for local governments to finance public facilities with the participation of new developments that add to the need for such facilities; and,

WHEREAS, the “Florida Impact Fee Act,” Fla. Stat. § 163.31801, authorizes local governments to collect impact fees on development activities to fund a proportionate share of the

cost of acquiring the capital assets that are necessary for the provision of fire prevention/suppression and emergency medical services to the extent that the applicable capital assets are reasonably related to and which benefit the new developments; and,

WHEREAS, the County has enacted the “Fire Protection and Emergency Medical Services Capital Facilities Impact Fees Ordinance,” Hernando County Code § 23-41, *et seq.* (the “County Fire/EMS Impact Fee”), in order “to regulate the use and development of land so as to ensure that new development bears a proportionate share of the cost of capital expenditures necessary to provide fire protection and emergency medical services capital facilities in Hernando County as contemplated by the Hernando County Comprehensive Plan”¹; and,

WHEREAS, the City has enacted the Brooksville Impact Fees Ordinance, Brooksville City Code § 50-1, *et seq.*, which imposes an impact fee dedicated to “fire rescue” (the “City Fire Impact Fee”); and,

WHEREAS, the City and the County are contemporaneously entering into a separate interlocal agreement that will provide for the consolidation of their respective fire departments; and,

WHEREAS, in light of the impending consolidation, the City and the County believe that creating a jointly administered impact fee program will be more effective and efficient than continuing to maintain separate programs; and,

WHEREAS, although the City and County do not operate identical impact fee programs at this time, there is an immediate need to formalize an agreement authorizing impact fee fund transfers and reporting between the City and County in certain situations as defined in this Agreement.

¹Hernando County Code § 23-42(b).

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the parties agree as follows:

1. **Recitals.** The recitals stated above constitute material and integral parts of this Agreement and are hereby incorporated herein.

2. **Statutory Authority.** This Agreement is entered into pursuant to the Florida Interlocal Cooperation Act of 1969, Fla. Stat. § 163.01, and pursuant to the home rule powers granted by law to the City and to the County.

3. **Purpose.** The purpose of this Agreement is to establish a coordinated program for the imposition, collection, administration, reporting, and transfer of fire and emergency medical impact fees between the City and County in light of the contemporaneous consolidation of their respective fire departments.

4. **Incorporation of Consolidation Interlocal Agreement by Reference.** The City and the County hereby incorporate their “Interlocal Agreement between the City of Brooksville and Hernando County Regarding Consolidation of Fire Rescue Services” (the “Consolidation Agreement”), as it may be amended, into this Agreement.

5. **Effective Date and Term.** This Agreement shall become effective at 8:00 a.m. on October 1, 2025 (the “Effective Date”) and shall continue in full force and effect so long as the Consolidation Agreement remains in full force and effect.

6. **Financing.** Each party shall bear its own costs and establish its own budget as necessary to carry out its responsibilities under this Agreement.

7. **Definitions.** For the purposes of this Agreement, the following definitions shall apply. Additional definitions set forth in the Florida Interlocal Cooperation Act of 1969, the Community

Planning Act, the “Florida Impact Fee Act,” and the Consolidation Agreement are also applicable to this Agreement. All definitions shall be interpreted in a manner that is consistent with the above-listed authorities.

A. “City” means the City of Brooksville.

B. “City Capital Improvement Program” means the capital improvements element and the schedule of capital improvements, collectively, that the City has adopted as elements of the City Comprehensive Plan as required by Fla. Stat. § 163.3177, as it may be amended.

C. “City Comprehensive Plan” means the “City of Brooksville Comprehensive Plan, April 2017,” as it may be amended from time to time.

D. “City Impact Fee Fund” means the segregated, restricted “fire rescue impact fee account,” as that term is defined by Brooksville City Code § 50-4(a), as it may be amended from time to time.

E. “County” means Hernando County, Florida.

F. “County Capital Improvement Program” means the capital improvements element and the schedule of capital improvements, collectively, that the County has adopted as elements of the County Comprehensive Plan as required by Fla. Stat. § 163.3177, as it may be amended.

G. “County Comprehensive Plan” means the “Hernando County, Florida, 2040 Comprehensive Plan,” as it may be amended from time to time.

H. “County Impact Fee Fund” means the segregated, restricted fund into which the County deposits the County Fire/EMS Impact Fees that it collects.

8. **Initial Continuation of City Impact Fee.** The City shall continue to impose and collect the City Fire Impact Fee pursuant to the Brooksville Impact Fees Ordinance until September 30, 2026. Since the amendment of the Brooksville Impact Fee Ordinance or the City Capital Improvement Plan has the potential to require changes to this Agreement, the City shall not amend either the Ordinance or the Plan, to the extent that they regulate the City Fire Impact Fee, during the time period between the Effective Date and September 30, 2026.

9. **City to Transfer Impact Fees Collected to the County.** During the period between the Effective Date and September 30, 2026, the City shall continue to impose and collect the City Fire Impact Fees, and once collected, transfer such fees to the County. Pursuant to Fla. Stat. § 163.31801(4)(c), the City shall retain administrative charges for its collection of the impact fees; provided, that such fees may not exceed its actual costs. Until the County adopts the Comprehensive Plan Amendment required by § 10 hereinafter, the County's expenditure of the collected City Fire Impact Fees shall be governed by the Brooksville Impact Fee Ordinance and the City Capital Improvement Plan.

10. **Joint Preparation of an Amendment to the County's Comprehensive Plan.** On or before May 1, 2026, the City and the County shall jointly prepare an amendment to the County Capital Improvement Program for the limited purpose of incorporating the need for fire or emergency medical service infrastructure within the City's boundaries.

11. **Preparation of a New, Countywide Impact Fee Study.** On or before May 1, 2026, the County shall obtain and approve a new fee study for the imposition of the County Fire/EMS Impact Fees on a countywide basis.

12. **City Fire Impact Fees to Be Terminated/County Impact Fees to Be Collected.**

Once the County enacts new County Fire/EMS Impact Fees on a countywide basis, the City shall take such actions as are necessary and appropriate to terminate its imposition of the City Fire Impact Fees and impose, instead, the new County Fire/EMS Impact Fees in the City. Thereafter, such Fire Impact Fees will be collected by the City with other impact fees for new development and shall be transmitted to the County. Pursuant to Fla. Stat. § 163.31801(4)(c), the City may retain administrative charges for its collection of the impact fees; provided, that such fees may not exceed its actual costs. In the event that the County fails to adopt new, countywide County Fire/EMS Impact Fees, the parties shall continue operating pursuant to § 8 and § 9 supra.

13. **Balance of City Fire Impact Fees.** With regard to the balance of the City Fire Impact Fees that the City had collected prior to the Effective Date of this Agreement, the City shall retain such funds and shall dispose of same in a manner as determined by the City Council in full compliance with the Brooksville Impact Fee Ordinance and the City Capital Improvement Plan.

14. **Inconsistent Provisions.** To the extent any provision of this Agreement is inconsistent with any prior agreement, no matter the style, this writing shall serve to amend any prior agreements or provisions of prior agreements between the parties that are otherwise rendered inconsistent by the signing or enactment of this agreement.

15. **Modification.** This Agreement may not be modified except by written amendment approved and executed by both parties.

16. **Severability.** If any terms or provisions of this Agreement should be deemed invalid or unenforceable by a court of competent jurisdiction, the remaining provisions, to the maximum degree possible, shall be deemed severable and shall be given full force and effect.

17. **Termination.** The Parties acknowledge that this Agreement shall automatically terminate upon the termination of the Consolidation Agreement. In order to ensure time for adequate budgeting strategies, any termination of this Agreement shall only become effective on the last day of the upcoming fiscal year, not the fiscal year in which notice of termination is served.

18. **Dispute Resolution.** Adjudication of any disputes arising out of the interpretation or enforcement of this Agreement shall occur in a court of competent jurisdiction located in Hernando County, Florida. Prior to seeking judicial resolution, the parties shall attempt to resolve the dispute through the governmental conflict resolution procedures specified in the "Florida Governmental Conflict Resolution Act," Fla. Stat. §§ 164.101-164.1061, as it may be amended. Each party shall bear its own costs for any mediation or litigation, including attorney's fees.

19. **Notices.** All notices required hereunder shall be by hand-delivery or first class mail, return receipt requested. Any notice hereunder shall be addressed to the party intended to receive same at the following addresses:

20. **Preservation of Rights and Immunities.** Nothing in this Agreement shall be construed as waiving or diminishing any constitutional or statutory right or immunity possessed by either party.

21. **No Waiver.** The decision by either party not to seek enforcement of any term or provision of this Agreement shall not be considered a waiver of the right to enforce such term or provision in the future.

22. **Integrated Final Agreement.** This Agreement embodies and includes the final understandings and terms as agreed by the parties and supersedes all previous and contemporaneous understandings and agreements, whether written or oral.

23. **Certified Copy to Be Filed.** A certified copy of this Agreement shall be filed with the Clerk of the Circuit Court of Hernando County, Florida, as required by the Florida Interlocal Cooperation Act of 1969.

24. **Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which taken together, shall constitute one (1) and the same instrument

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed on their behalf by their duly authorized representatives.

**INTERLOCAL AGREEMENT BETWEEN THE CITY OF BROOKSVILLE AND
HERNANDO COUNTY REGARDING CONSOLIDATION OF FIRE RESCUE
SERVICES**

THIS INTERLOCAL AGREEMENT (“Agreement”) is entered into this ____ day of _____, 2025, by and between CITY OF BROOKSVILLE, a municipal corporation organized and existing under the laws of the State of Florida (“City”), and HERNANDO COUNTY, a political subdivision of the State of Florida (“County”), collectively referred to herein as the “Parties.”

WHEREAS, Article VIII, Section 1 of the Florida Constitution and Chapter 163, Part I, Florida Statutes (the “Florida Interlocal Cooperation Act of 1969”) authorize local governmental units to enter into agreements to exercise jointly any power, privilege, or authority which they share in common and which each might exercise separately; and,

WHEREAS, the City presently provides fire protection and related emergency services to property owners and residents within its municipal boundaries through the Brooksville Fire Department and also provides fire protection and related emergency services in Hernando County; and,

WHEREAS, the County provides fire rescue services to properties and residents in the unincorporated areas of the County and in the City of Brooksville through the Hernando County Fire Rescue Department; and,

WHEREAS, the Parties desire to consolidate the City’s fire protection services into the County’s fire rescue system to achieve greater efficiency, reduce duplication of services, enhance service levels, and promote fiscal responsibility; and,

WHEREAS, the Parties intend for this consolidation to be effective October 1, 2025; and,

WHEREAS, the Parties desire to set forth the financial, operational, and transitional terms of such consolidation in this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the Parties agree as follows:

ARTICLE 1. EFFECTIVE DATE AND TERM

1.1 Effective Date: This Agreement shall become effective at 8:00 a.m. on October 1, 2025 (“Effective Date”) and shall continue in full force and effect unless terminated as provided herein.

ARTICLE 2. CONSOLIDATION OF SERVICES

2.1 Transfer of Fire Services: On the Effective Date, the Brooksville Fire Department shall be consolidated into the Hernando County Fire Rescue Department (“County Fire Rescue”), and the County shall provide all fire suppression, fire prevention, rescue, and related emergency services within the municipal boundaries of the City.

2.2 Personnel Transition/Assignment: On the Effective Date, all current City fire department personnel shall be offered positions with County Fire Rescue. The County requires that individuals serving in the classifications of driver-engineer, captain, and district chief also hold a paramedic certification. City personnel presently holding those positions but lacking a paramedic certification shall be employed by the County as firefighter/EMTs and permitted to attend paramedic school and complete such additional training and coursework as the County may require. Upon successful completion of such requirements, those employees shall be eligible to test for promotion to the equivalent position previously held in the City’s Fire Department. The County acknowledges that this arrangement is consistent with the understanding reached with IAFF Local #3760. Personnel shall otherwise retain credit for tenure, years of service, accrued leave, and seniority in accordance with applicable County policies.

2.3 Pension: The pension liability associated with the City’s Fire Pension Plan shall remain the sole responsibility of the City. City personnel hired by the County pursuant to this Agreement shall be eligible to enroll in the Florida Retirement System (“FRS”) and may purchase creditable service therein, subject to the eligibility requirements of FRS. The City shall take all actions necessary to terminate its existing Fire Pension Plan in accordance with Section 175.361, Florida Statutes.

2.4 Uniform Insignia: The County shall not alter its uniforms or insignia to reflect the City. However, in recognition of the City’s history, the name “Brooksville” shall be retained on the fire station and apparatus assigned thereto, and historic recognition shall be maintained within the facility.

ARTICLE 3. FINANCIAL TERMS

3.1 FY 2025–2026 Payment: For Fiscal Year 2025–2026, the City shall pay to the County the sum of \$1,478,341.89, payable in twelve (12) equal monthly installments of \$123,195.16, with the first installment due on October 1, 2025, and subsequent installments due on the first day of each month thereafter. During this period of time, the City shall collect its fire assessments and shall use such assessments received to pay the monthly installments to the County and shall use any remaining fire assessments received to pay other fire related expenses as needed.

3.2 FY 2026–2027 and Beyond: Beginning in Fiscal Year 2026–2027 and for each fiscal year thereafter, no payments shall be due from the City to the County for fire rescue services. The County shall levy and collect Fire Assessments from City property owners in the same manner, using the same calculation methodology, as applied to property owners in unincorporated areas of the County. Upon consolidation of the Brooksville Fire Department into the County Fire Rescue, the City shall enact an ordinance opting the City into the County’s annual fire rescue special assessments and shall amend Brooksville City Code § 34-31(b) to remove the City’s automatic opt-out from the County’s emergency medical service MSTU if its rate exceeds 0.6 mils.

3.3 One-Time Service Contract and Debt Assumption: The City’s obligation shall be limited to the one-time cost described in Section 3.1. Thereafter, the County shall assume all debt, liabilities, and monetary responsibilities associated with providing fire suppression, emergency medical services, and related services within the City.

ARTICLE 4. FACILITIES, EQUIPMENT, AND ASSETS

4.1 Lease of Fire Station: The County shall lease, and not purchase, the existing City Fire Station pursuant to a separate Lease Agreement executed contemporaneously with this Agreement.

4.2 Purchase of Assets: The County’s primary interest is in acquiring the City’s fire engine and brush truck, at values mutually agreed upon or, if necessary, determined by a neutral third-party appraiser. All other assets may be liquidated by either the City or the County, with the proceeds retained by the disposing party. The County will retain, dispose of, or liquidate any assets that remain in the fire station on the effective date unless the City provides a list of assets they intend to remove within 10 days of the effective date.

4.3 Labeling of Apparatus: Fire apparatus and other equipment assigned to and primarily serving the City shall be prominently labeled “CITY OF BROOKSVILLE,” in addition to any County markings.

ARTICLE 5. SERVICE LEVELS, FIRE HYDRANTS AND FIRE INSPECTIONS

5.1 Service Standards: The County shall provide fire rescue services to properties and residents within the City at service levels and response times consistent with applicable National Fire Protection Association (“NFPA”) standards. While the County endeavors to maintain such standards, it retains discretion during periods of high demand to reallocate apparatus in order to ensure the best overall coverage. The County intends to house both an ambulance and an Advanced Life Support (ALS) fire engine at the Brooksville station; however, the County cannot give an absolute guarantee that an ambulance and an Advanced Life Support (ALS) fire engine will always be in the City.

5.2 Fire Hydrant Maintenance: The County shall not assume responsibility for the maintenance, inspection, or repair of fire hydrants located within the City unless separately compensated. At present, Hernando County Fire Rescue performs hydrant maintenance within the unincorporated County and bills Hernando County Utilities for such service. If the County were to assume hydrant maintenance responsibilities within the City, the annual cost would be calculated as the total of the actual itemized cost of 1 hydrant technician, vehicle costs, and operating /supply costs for up to 2000 fire hydrants on the City's water utility system, to be payable annually on October 1st. The County Fire Rescue will follow NFPA 291 (or any future revised NFPA standard) on hydrant flow testing and markings. HCFR will report and yield all service and operational repairs to the City's water utility. The installation of the 2001st fire hydrant on the City's water utility system will automatically initiate the renegotiation of these terms amongst the parties. If the City maintains their own fire hydrants, the City will provide to the County Fire Rescue the flow testing results and the applicable maintenance records annually and in cooperation with any insurance rating inspections.

5.3 Fire Inspections: Beginning on the Effective Date, the County shall assume responsibility for fire inspections within the City. The Parties acknowledge that this responsibility is included in the one-time payment made by the City to the County for Fiscal Year 2025–2026. The City shall provide to the County all inspection records and related data necessary to prevent duplication and ensure that properties remain on their established inspection schedules. Commencing in Fiscal Year 2026–2027, the costs of such inspections shall be funded through the County's Fire Assessment program.

ARTICLE 6. CITY ORDINANCE CHANGES

6.1 Upon consolidation of the Brooksville Fire Department into the County Fire Rescue, the City shall repeal Brooksville City Code Chapter 46, Articles II (Fire Division), III (Fire Code), IV (Mutual Aid), V (Air Curtain Incineration Land Clearing), and VII (Emergency Services Cost Recovery Ordinance) effective as of October 1, 2025. Repealing those conflicting provisions will allow the County's Fire Code to be enforced countywide.

ARTICLE 7. FIRE IMPACT FEES

7.1 The City and the County shall enter into a separate Interlocal Agreement addressing issues relating to Fire Impact Fees going forward.

ARTICLE 8. MISCELLANEOUS PROVISIONS

8.1 Indemnification: To the extent permitted by law, each Party shall be responsible for its own acts or omissions and those of its officers, employees, and agents.

8.2 Amendments: This Agreement may be amended only in writing, duly executed by both Parties.

8.3 Governing Law and Venue: This Agreement shall be governed by and construed in accordance with the laws of the State of Florida. Venue for any dispute shall be in the Circuit Court in and for Hernando County, Florida.

8.5 Entire Agreement: This document, along with any contemporaneously executed Lease Agreement, constitutes the entire agreement between the Parties concerning the subject matter herein.

8.6 Severability: If any provision of this Agreement is found invalid or unenforceable, the remaining provisions shall continue in full force and effect.

8.7 Notices: All notices required hereunder shall be by hand-delivery or first-class mail, return receipt requested. Any notice hereunder shall be addressed to the party intended to receive same at the following addresses:

8.8 Dispute Resolution: Adjudication of any disputes arising out of the interpretation or enforcement of this Agreement shall occur in a court of competent jurisdiction located in Hernando County, Florida. Prior to seeking judicial resolution, the parties shall attempt to resolve the dispute through the governmental conflict resolution procedures specified in the "Florida Governmental Conflict Resolution Act," Fla. Stat. §§ 164.101-164.1061, as it may be amended. Each party shall bear its own costs for any mediation or litigation, including attorney's fees.

8.9 Preservation of Rights and Immunities: Nothing in this Agreement shall be construed as waiving or diminishing any constitutional or statutory right or immunity possessed by either party.

8.10 No Waiver: The decision by either party not to seek enforcement of any term or provision of this Agreement shall not be considered a waiver of the right to enforce such term or provision in the future.

8.11 Certified Copy to Be Filed: A certified copy of this Agreement shall be filed with the Clerk of the Circuit Court of Hernando County, Florida, as required by the Florida Interlocal Cooperation Act of 1969.

8.12 Counterparts: This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which taken together, shall constitute one (1) and the same instrument

**INTERLOCAL AGREEMENT BETWEEN CITY OF BROOKSVILLE
AND HERNANDO COUNTY FOR LEASE OF FIRE STATION FACILITY**

THIS INTERLOCAL AGREEMENT (the “Lease”) is made and entered into this ____ day of _____, 2025, by and between: CITY OF BROOKSVILLE, a Florida municipal corporation (the “Landlord” or the “City”), and HERNANDO COUNTY, a political subdivision of the State of Florida (the “Tenant” or the “County”).

WHEREAS, the City owns the real property and improvements located at 85 Veterans Avenue, Brooksville, Florida 34601(the “Premises”), commonly known as the Brooksville Fire Station; and,

WHEREAS, the County desires to lease the Premises to operate fire rescue services pursuant to that certain Interlocal Agreement Between the City of Brooksville and Hernando County Regarding Consolidation of Fire Rescue Services dated _____, 2025 (the “Consolidation Agreement”); and,

WHEREAS, the Parties wish to resolve all outstanding issues related to the existing City-County Cohabitation Agreement in this Lease; and,

NOW, THEREFORE, in consideration of the mutual covenants contained herein and in the Consolidation Agreement, the Parties agree as follows:

ARTICLE 1. LEASE OF PREMISES

1.1 Leased Premises: The City hereby leases to the County, and the County hereby leases from the City, the Premises described above, together with all buildings, improvements, fixtures, and appurtenances, for the sole purpose of operating fire rescue services.

1.2 Commencement and Term: The term of this Lease shall commence on October 1, 2025 and continue for the duration of the Consolidation Agreement, unless earlier terminated as provided herein. The Lease may be renewed by mutual written agreement.

ARTICLE 2. RENT AND UTILITIES

2.1 FY 2025/2026: Rent shall be \$1.00. The City-County Cohabitation Agreement shall terminate at the end of this fiscal year, with neither party owing any further obligation to the other.

2.2 FY 2026/2027 and Each Subsequent Year: Rent shall be calculated at \$12.00 per square foot for the approximately 7158 sq. ft. of the main station and the approximately 5000 sq. ft. of the four bay warehouse located at the rear of the property, for a total annual rent of \$145,896.00. Square footages are based on Hernando County Property Appraiser records.

2.3 Utilities: The County shall be responsible for all utilities, including but not limited to electricity, water, sewer, telephone, internet, and trash removal.

ARTICLE 3. MAINTENANCE AND REPAIRS

3.1 County Responsibilities: The County shall maintain the Premises in good order and repair, including the interior and routine upkeep.

3.2 City Responsibilities: The City shall be responsible for structural repairs, mechanical systems, and the generator, as well as the building and roof, unless damage is caused by County negligence or willful misconduct.

ARTICLE 4. COHABITATION AGREEMENT RESOLUTION

4.1 Resolution of Outstanding Issues: Execution of this Lease constitutes full and final settlement of all outstanding obligations, disputes, and operational matters under the prior City-County Cohabitation Agreement. Upon execution, that agreement is terminated and superseded.

ARTICLE 5. ALTERATIONS AND IMPROVEMENTS

5.1 Alterations: The County may make non-structural alterations, additions, or improvements to the Premises at its own expense without City consent, provided such changes do not diminish the value of the property. Structural changes require prior written City approval.

5.2 Ownership of Improvements: All improvements shall become the property of the City upon Lease termination, unless otherwise agreed in writing.

ARTICLE 6. INSURANCE AND LIABILITY

6.1 Insurance: The County shall maintain property and liability insurance on the Premises in amounts consistent with other County-owned fire stations. The City shall be named as an additionally named insured as to the policy of insurance covering the Premises.

6.2 Liability: To the extent permitted by law, each Party shall be responsible for its own acts and omissions and those of its officers, employees, and agents.

ARTICLE 7. TERMINATION

7.1 Termination: The Parties acknowledge that this Lease shall automatically terminate upon the termination of the Consolidation Agreement.

7.2 Termination for Cause: Either Party may terminate this Lease for material breach by the other Party after providing written notice and a reasonable opportunity to cure which shall be no less than ninety (90) days.

7.3 Termination Without Cause: This Lease may be terminated without cause by mutual written agreement of the Parties.

7.4 Effect of Termination: Upon termination, the County shall vacate the Premises and return possession to the City in good condition, reasonable wear and tear excepted.

ARTICLE 8. MISCELLANEOUS

8.1 Inconsistent Provisions: To the extent any provision of this Lease is inconsistent with any prior agreement, no matter the style, this writing shall serve to amend any prior agreements or provisions of prior agreements between the parties that are otherwise rendered inconsistent by the signing or enactment of this Lease.

8.2 Modification: This Lease may not be modified except by written amendment approved and executed by both parties.

8.3 Severability: If any terms or provisions of this Lease should be deemed invalid or unenforceable by a court of competent jurisdiction, the remaining provisions, to the maximum degree possible, shall be deemed severable and shall be given full force and effect.

8.4 Dispute Resolution: Adjudication of any disputes arising out of the interpretation or enforcement of this Lease shall occur in a court of competent jurisdiction located in Hernando County, Florida. Prior to seeking judicial resolution, the parties shall attempt to resolve the dispute through the governmental conflict resolution procedures specified in the "Florida Governmental Conflict Resolution Act," Fla. Stat. §§ 164.101-164.1061, as it may be amended. Each party shall bear its own costs for any mediation or litigation, including attorney's fees.

8.5 Notices: All notices required hereunder shall be by hand-delivery or first class mail, return receipt requested. Any notice hereunder shall be addressed to the party intended to receive same at the following addresses:

8.6 Preservation of Rights and Immunities: Nothing in this Lease shall be construed as waiving or diminishing any constitutional or statutory right or immunity possessed by either party.

8.7 No Waiver: The decision by either party not to seek enforcement of any term or provision of this Lease shall not be considered a waiver of the right to enforce such term or provision in the future.

8.8 Integrated Final Agreement: This Lease embodies and includes the final understandings and terms as agreed by the parties and supersedes all previous and contemporaneous understandings and agreements, whether written or oral.

8.9 Certified Copy to Be Filed: A certified copy of this Lease shall be filed with the Clerk of the Circuit Court of Hernando County, Florida, as required by the Florida Interlocal Cooperation Act of 1969.

8.10 Counterparts: This Lease may be executed in any number of counterparts, each of which shall be deemed an original, but all of which taken together, shall constitute one (1) and the same instrument
