

Hernando County Sheriff's Office

Proposed
Annual Budget
Fiscal Year 2024 - 2025

Hernando County Sheriff's Office

May 31, 2024

Honorable Chair Elizabeth Narverud and Board Members
Hernando County Board of County Commissioners
20 North Main Street, Room 460
Brooksville, FL 34601

Dear Chair and Commissioners:

Enclosed you will find my budget request for Fiscal Year 2024-2025, submitted in compliance with Florida Statute 30.49. These proposed expenditures are reasonable and necessary for the proper and efficient operation of the office for the next fiscal year.

I would like to begin by thanking the Board of County Commissioners (BOCC) and the County Administrator for your collaboration and support over the past year. Together, we continue to face new issues and opportunities. Our shared commitment to effective communication and cooperation is instrumental in serving the needs of our citizens.

As our county experiences continued growth in both residential and commercial sectors, it is imperative that public safety services evolve accordingly. This requires keeping up with the many residential and commercial development projects and the associated projected population growth. Our county continues to experience an **inflation rate of more than 3%** and a **growth rate of approximately 12%** this year. As the county plans for the development of the community and growing the commercial and industrial opportunities, this growth necessitates a proportional enhancement of public safety services.

In light of current and future growth, my proposed budget includes those funds necessary to ensure we have adequate law enforcement, court security, detention, and corresponding support services in place to maintain a safe county for our current and future residents. We ensure we have enough staff to handle expected workloads, with backup plans for different days and times, using on-call help when needed during non-peak hours.

Along with growth also comes increased demands related to providing around-the-clock law enforcement, detention, and dispatching services. This budget includes several mandated financial impacts to consider. For the second year in a row, inflation has driven costs up across all areas of the budget, from supplies and gas prices to personnel costs. It is important to note that, contrary to what some might believe, the vast majority of a sheriff's proposed budget is *directly* related to personnel costs.

Maintaining a full-service law enforcement, detention, and court services agency, one that fulfills our statutory obligations and meets the needs of our citizens, now and in the future, therefore, is challenging during the best of times. We continue to feel significant pressure from regional public employers that are competing to both attract and retain employees, especially ones that can meet the extremely high standards a law enforcement agency demands of its applicants. Many regional employers, for example, are offering higher salaries and substantial hiring bonuses.

In response to these and other pressures, we must continue to work together and must focus on necessary increases in personnel expenditures. Since the Sheriff's Office mission relies on people rather than projects, our effectiveness depends on our ability to continue **attracting and retaining** the best personnel. My staff, toward that end, constantly conducts in-depth research to ensure we remain both equitable and competitive when compared to our regional competitors.

It is noteworthy that according to Florida Tax Watch, Hernando County ranks as the 27th largest county in the state, yet it currently stands at 56th in public safety expenditures.

Our budgetary approach to addressing personnel needs and responding to the growth in Hernando County is strategic and forward-thinking. The Academy Program has played a significant role in helping us fill deputy vacancies, while still maintaining our very high standards. Working together, HCSO and Simpson Tech have offered both full-time and part-time academies this past year. These efforts enable my office to recruit locally and meet the staffing needs of the community. Given the growth of the county, providing such long-term and cost-effective solutions requires an initial and ongoing investment in this worthwhile program. That is the reason I must request that the driving pad and shooting range be a top-priority this year, *since these two projects are at least two to three years behind schedule.*

Consistent with county operations, the Sheriff's Office must manage mandated costs. As you are probably aware, operational and administrative costs are rising exponentially in many cases. It is important to note that mandated increases in personnel costs alone will require an additional obligation of **\$3.7 million**, accounting for a **4.73%** budget increase from last fiscal year before including needed staffing requests. While such increases are notable, they are unavoidable for a large public safety agency.

Furthermore, the collaborative efforts of our Information Technology department on several county-wide projects such as the much-needed radio system upgrade, the CAD project, and Next Generation 911 implementation demonstrate a commitment to staying at the forefront of technological support for law enforcement. As cybersecurity becomes increasingly critical, we must also protect against attacks. Accordingly, additional funds have been added to the budget to facilitate enhancing our network security. These initiatives not only improve operational efficiency but also enhance the agency's ability to adapt to emerging challenges and meet the evolving needs of the community.

My commitment to fiscal responsibility remains steadfast, entailing a thorough internal budget planning process that accurately identifies our agency's prioritized needs and leverages alternate funding sources whenever possible. Our process involves middle managers up to the level of the Colonel who work to prioritize needs prior to being presented to me. Documentation supporting the original requested needs of the agency resulted in an **increase to our budget of 29%**. However, we had to make some difficult decisions resulting in a **\$13 million reduction** of the initial proposed budget. We take this approach seriously, always striving to present only the most pressing needs and optimal solutions to the BOCC with a goal to stay well below the historical and projected revenue growth.

Toward that end, we believe that County financial growth can be measured by looking at the three current and main general fund revenue sources: Ad Valorem Tax, State Revenue Sharing, and the current Local ½ Cent Sales Tax. These sources illustrate the financial growth in the county's general fund budgets. Over the past five years, Hernando County has seen a cumulative increase of 73% in these three revenue streams, averaging 15% per year. In comparison, the Sheriff's Office has

experienced a cumulative increase in budget requests of 39% over the same period, averaging 8% per year. Had the Sheriff’s Office budget requests grown at the same rate as the county’s actual revenue collection, its budget would be more than \$19.5 million higher than it is today.

	FY2020	FY2021	FY2022	FY2023	FY2024 - Actuals not yet available
Actual Revenue Received	18.4%	9.1%	15.0%	18.6%	12.0%
Sheriff’s Budget	5.1%	4.7%	7.3%	10.1%	12.0%
Sheriff’s Budget requested BELOW Growth	13.3%	4.5%	7.7%	8.5%	0.0%

In conclusion, our ongoing partnership is crucial for addressing the current economic challenges and ensuring that the Sheriff’s Office remains well-equipped to fulfill its mission of protecting and serving the community. Just like fire and emergency medical services, law enforcement, detention, and dispatch services are vital and must be funded at a level that is better than reasonable when compared to similar-sized counties.

I would be glad to provide more detailed information regarding the mandates, cost increases, and workload analyses affecting this year’s budget proposal. ***I welcome and strongly encourage your questions and constructive discussion.*** Please feel free to call my assistant and set up a meeting time that is convenient for you over the next month. I stand ready to work together with you through the budgeting process in the furtherance of our mutual responsibilities to the citizens of Hernando County.

I thank you in advance for your support.

Sincerely,

Al Nienhuis
 Sheriff

Law Enforcement

Law Enforcement is a statutory responsibility of the Sheriff. The Law Enforcement budget funds functions like Patrol, Specialty Units, Investigations, Civil and Warrants, School Safety, and Animal Enforcement. It also includes support functions such as Forensics, Crime Analysis, Property & Evidence, Professional Standards, administrative functions and countywide dispatch services.

Revenues are collected from various contracts and a few miscellaneous sources. The revenues earned by the Sheriff's Office help reduce the amount of budget monies needed from taxpayers.

Hernando County Sheriff's Office Budget

Proposed Fiscal Year 2024 - 2025

Detention

By statute, the Hernando County jail is the responsibility of the Board of County Commissioners but the Sheriff currently manages the jail and its programs. The Detention budget includes the costs of operating and managing the Hernando County Detention Center. The functions include Booking, Classification, Housing, in-house Medical Services, Maintenance, Transportation, and Administration. Revenues include a work squad contract with the County for inmate labor.

Several revenue sources help reduce the budget impact on taxpayers. These include the collection of reimbursements for inmate medical services, garnishment of inmate social security benefits during incarceration, and charging processing fees and subsistence fees to those able to pay.

Inmate Revenue Fund
FY2024 - 2025**

The Inmate Revenue Fund is generated through the extra effort of the Sheriff and his staff in housing inmates from federal and other county jurisdictions. This not only makes good use of any available beds the jail has, but allows the Sheriff's Office to fund those positions that make the program possible and pay for most repair and maintenance without any costs to local taxpayers. The expenditures listed in the below budget are paid for from this program.

The available fund balance as of May 2024 is approximately \$6 million

Hernando County Sheriff's Office
800 MHz Fund
FY2024 - 2025

This budget derives its resources from lease payments for space leased on the tower sites, fees assessed to each radio user department for maintenance contract costs, and a \$12.50 fee included in each fine paid for a traffic citation. The 800 MHz system is maintained to provide radio communications for all public safety and County radio users.
