SECTION 2. AUTHORITY FOR THIS RESOLUTION. This Resolution is adopted pursuant to the provisions of the Act. The County has ascertained and hereby determined that adoption of this Resolution is necessary to carry out the powers, purposes and duties expressly provided in the Act, that each and every matter and thing as to which

provision is made herein is necessary in order to carry out and effectuate the purposes of the County in accordance with the Act and to carry out and effectuate the plan and purpose of the Act, and that the powers of the County herein exercised are in each case exercised in accordance with the provisions of the Act and in furtherance of the purposes of the County.

SECTION 3. RESOLUTION TO CONSTITUTE CONTRACT. In consideration of the purchase and acceptance of the Series 2025 Note by the Noteholder, the provisions of this Resolution shall be a part of the contract of the County with the Noteholder and shall be deemed to be and shall constitute a contract between the County and the Noteholder. The provisions, covenants and agreements in this Resolution set forth to be performed by or on behalf of the County shall be for the benefit, protection and security of the Noteholder.

SECTION 4. FINDINGS. It is hereby ascertained, determined and declared that:

(A) It is in the best interest of the County to undertake and implement the Project in order to improve and maintain the health, safety and welfare of the residents of the County.

(B) The County has determined that the most efficient and cost-effective method of financing a portion of the costs of the Project is through a term loan.

(C) The County's Financial Advisor solicited proposals from various financial institutions to provide a term loan to finance a portion of the costs of the Project.

(D) The Noteholder submitted its proposal (the "Proposal") to provide the County with a term loan to finance a portion of the costs of the Project, which Proposal was the most favorable proposal received by the County and is attached hereto as Exhibit B.

(E) The Series 2025 Note shall evidence such term loan and shall be repaid solely from the Non-Ad Valorem Revenues in the manner and to the extent set forth herein and in the Loan Agreement and the ad valorem taxing power of the County will never be necessary or authorized to pay said amounts.

(F) Due to the potential volatility of the market for municipal obligations such as the Series 2025 Note and the complexity of the transactions relating to the Series 2025 Note and the competitive nature of the solicitation process utilized in obtaining proposals for the financing of the Project, it is in the best interest of the County to issue the Series 2025 Note by a negotiated sale to the Noteholder, allowing the County to sell and issue the Series 2025 Note at the most advantageous time, rather than at a specified advertised date,

thereby permitting the County to obtain the best possible price, terms and interest rate for the Series 2025 Note.

SECTION 5. AUTHORIZATION OF THE PROJECT AND THE FINANCING. The Project is hereby authorized and the financing of a portion of the costs thereof with proceeds of the Series 2025 Note is also hereby authorized and approved.

SECTION 6. ACCEPTANCE OF PROPOSAL. The County hereby accepts the Proposal of the Noteholder to provide the County with a term loan to finance a portion of the costs of the Project, a copy of which Proposal is attached hereto as Exhibit B. The County Administrator is hereby authorized to execute and deliver any documents required to formally accept such Proposal and the terms thereof. All actions taken by officers of the County or their designees and the Financial Advisor with respect to such Proposal prior to the date hereof are hereby authorized and ratified. To the extent of any conflict between the provisions of this Resolution or the Loan Agreement and the Proposal, the provisions of this Resolution and the Loan Agreement shall prevail.

SECTION 7. APPROVAL OF FORM OF LOAN AGREEMENT AND SERIES 2025 NOTE. The County hereby approves a term loan from the Noteholder in the principal amount of not to exceed \$6,000,000. The terms and provisions of the Loan Agreement in substantially the form attached hereto as Exhibit C are hereby approved, with such changes, insertions and additions as the Chairman may approve. The County hereby authorizes the Chairman to execute and deliver, and the Clerk to attest and affix the County seal to, the Loan Agreement substantially in the form attached hereto as Exhibit C, with such changes, insertions and additions as the Chairman may approve, his execution thereof being conclusive evidence of such approval. In order to evidence the loan under the Loan Agreement, it is necessary to provide for the execution of the Series 2025 Note. The Chairman and the Clerk are authorized to execute and deliver the Series 2025 Note substantially in the form attached to the Loan Agreement as Exhibit B to the Loan Agreement with such changes, insertion and additions as they may approve, their execution thereof being evidence of such approval. The Series 2025 Note shall have a final maturity of May 1, 2035. The interest rate on the Series 2025 Note shall be a fixed interest rate determined in accordance with the provisions of the Proposal, which interest rate shall equal 3.53% per annum. The Chairman shall determine, with the advice of the Financial Advisor, the prepayment provisions for the Series 2025 Note, the principal amount of the Series 2025 Note and the principal repayment schedule for the Series 2025 Note and all of such terms and the other terms of the Series 2025 Note shall be set forth in the Loan Agreement and the Series 2025 Note.

SECTION 8. LIMITED OBLIGATION. The obligation of the County to repay the Series 2025 Note is a limited and special obligation payable from Non-Ad Valorem Revenues solely in the manner and to the extent set forth in the Loan Agreement and shall not be deemed a pledge of the faith and credit or taxing power of the County and such obligation shall not create a lien on any property whatsoever of or in the County. The

Non-Ad Valorem Revenues shall consist of legally available Non-Ad Valorem Revenues budgeted and appropriated by the Board to pay debt service on the Series 2025 Note, all in the manner and to the extent described in the Loan Agreement.

SECTION 9. GENERAL AUTHORIZATION. The Chairman, the County Administrator, the Clerk, the Finance Director and the County Attorney are authorized to execute and deliver such documents, instruments and contracts, whether or not expressly contemplated hereby; and the County Attorney and other employees or agents of the County are hereby authorized and directed to do all acts and things required hereby or thereby as may be necessary for the full, punctual and complete performance of all the terms, covenants, provisions and agreements herein and therein contained, or as otherwise may be necessary or desirable to effectuate the purpose and intent of this Resolution.

SECTION 10. REPEAL OF INCONSISTENT DOCUMENTS. All ordinances, resolutions or parts thereof in conflict herewith are hereby superseded and repealed to the extent of such conflict.

[Remainder of page intentionally left blank]

SECTION 11. EFFECTIVE DATE. This Resolution shall become effective immediately upon its adoption.
