TECHNICAL EVALUATION FOR BID AWARD

ITB# 25-C01119/JG

Hernando County Detention Center Bravo Roof Replacement

This document has been developed to facilitate your evaluation. Your evaluation should be limited to the attached. Purchasing will ensure that all documents required by the solicitation are contained for evaluation. This documentation will be included with the bid submitted for evaluation. Bids that are determined non-responsive by the Purchasing Division will not be submitted to you for evaluation. Please note that you should focus your attention on the areas contained within this document. Your evaluation will be a major consideration as to the responsiveness and/or responsibility of a bidder.

A. Is the amount of the bid reasonable and realistic for the services to be performed or the item or equipment to be purchased? Yes

If the bid is considered reasonable/realistic, provide justification for your conclusion. Bid came in way under budget; there were concerns that being a detention facility there would be additional cost added tp project. Was not the case

If you consider the bid to be unreasonable and/or unrealistic, please explain in detail.

B. Was an independent County estimate developed prior to soliciting for the procurement? No

If affirmative, submit this estimate with your evaluation in the same format as the bid schedule and describe the extent the estimate was used in the analysis of the bid.

C. Do the resources (manpower, equipment, supplies, etc.) proposed by the bidder meet the minimum requirements, if any, established by the solicitation? Yes

If minimums were not identified in the solicitation, you may request information on proposed resources from the bidder **through Purchasing**.

When specific types and quantities of equipment are required to meet minimum standards, the bidder may address this requirement by providing purchasing with a pro-forma invoice with confirmation from a bank or lending institution to the effect that they are prepared to finance the lease or purchase of equipment necessary to perform the services if the bidder is awarded the contract.

D. Does the bidder have a satisfactory record of performance? Yes

At a minimum, the bidder's record on previous county contracts must be considered and an attempt must be made to contact all references. The reference form attached is to be used for your documentation of your reference check. If references cannot be contacted, the Department shall contact Purchasing for additional references. Purchasing shall request from the bidder in writing of this fact and inform that the reference must contact the project person within two business days or it will negatively impact the evaluation the bid.

E. Provide your overall recommendation on the Recommendation for Award Form. Facilities recommend awarding project to allied roofing

Note: At no time will the user/project person/bid evaluator discuss responsiveness, responsibility or withdrawal from the bidding process with any bidder. Moreover, it is strictly prohibited for any County representative involved in the bidding process to attempt to negotiate bids, influence or otherwise impact the business decisions of a bidder.
