Re: Rezoning – 72 Acres on U.S. 19 – Hernando County
Commercial PDP Rezoning – H-22-71

Dear Mr. DePablo:

Please allow this letter to confirm my email request last week to continue the hearing in the above-referenced matter. We need additional time to hear and address concerns of neighbors and to address frontage road connection issues. We have had continuing discussions with the County Engineer and FDOT are hopeful we will have those issues resolved by the May meeting.

If you have any questions or need additional information, please let me know.

Sincerely yours,
