7.6. COMMUNICATION

There shall be no communication between the Vendor/Contractor, their employees or subcontractors and County employees and elected officials (hereafter referred to as "County Representative"), except through the Procurement Department. **Any attempt to communicate with any County representative outside the Procurement Department will be considered a violation of the Purchasing Policy and may result in the rejection of your bid.**

The County alone will determine whether or not this renewal option will be exercised based on its convenience and its best interest. The County will notify the Vendor/Contractor, in writing, no later than thirty (30) days prior to expiration of its decision to exercise this Contract renewal option and/or options. Any request by the Vendor/Contractor for consideration of a price adjustment must be submitted in writing to the County at the time of County notice of its decision to exercise Contract renewal (this provision), and the Vendor/Contractor must provide written evidence based on increased costs to the Vendor/Contractor. Documentation of these increases must be furnished to the County upon request. Any price adjustment (increase or decrease) approved by the County shall impose upon the Vendor/Contractor the requirement to advise and extend to the County price reductions when costs similarly decrease.
- D. Either party may cancel this Contract, in whole or in part, by giving ninety (90) days prior notice in writing. However, the Vendor/Contractor shall not be authorized to exercise this cancellation option during the first one-hundred eighty (180) days of the Contract. - C. The Bidder hereby certifies that this bid is made without prior understanding, agreement, or connection with any corporation, firm, or person submitting a bid for the same materials,

supplies, services, or equipment and is in all respects fair and without collusion or fraud.

Further, the Bidder hereby agrees to abide by all terms and conditions of this bid and certifies that the person executing the Bid Form is authorized to sign this bid for the Bidder.

- D. The Bidder warrants that the prices of the items set forth herein do not exceed those charged by the Bidder under a contract with the State of Florida or any of its agencies.
- E. **Bidder must submit the solicitation document in its entirety, including the Solicitation-Offer-Award cover sheet, Bid Specifications, Bid Form, and all required forms/certifications. Failure to submit these forms may render its bid as non-responsive.**

- A. This bid shall be awarded to a responsive, responsible bidder, qualified by experience to provide the work specified. The Bidder will submit the following information with their bid:
 - 1. These references must be for work performed within the past three (3) years.
 - 2. List of equipment and facilities available to do work.
 - 3. List of personnel, by name and title, contemplated to perform the work.
- B. **Failure to submit this information may be cause for rejection of your bid.**

8.4. BID EVALUATION AND AWARD:

Bid evaluation will be based on price, conformance with specifications and the Bidder's ability and resources to perform the contract in accordance with the terms and conditions required. Bidders must submit all data necessary to evaluate and determine the quality of the item(s) and/or services they are bidding. A Vendor/Contractor shall not be qualified to bid when investigation by the Chief Procurement Officer of that Vendor/Contractor is either delinquent on a previously awarded contract or in litigation with Hernando County on a previously awarded contract.

8.5. BID EVALUATION AND AWARD (continued) "All-or-None"

- A. Award shall be made on an "All-or-None Total Offer" basis to the lowest, responsive, and responsible Bidder. However, the County reserves the sole right to reject any and all bids in accordance with the Hernando County Procurement Ordinance. Failure to provide a price for all areas upon the Bid Form may deem the Bidder's response/submission as non-responsive.

8.6. BID EVALUATION AND AWARD (continued)

- A. If two (2) or more fully responsive, responsible bids are received for the same total amount or unit price, quality and service being equal, the County reserves the right to award the contract

to the Bidder whose place of business is located within the boundaries of Hernando County, Florida. Should tie bids, as described above, be received from either two (2) or more Hernando County Bidders or from non-local Bidders when no Hernando County Bidder has submitted a tie bid, then the Board of County Commissioners shall award the contract to one (1) Vendor/Contractor by drawing lots in a public meeting.

- B. The County shall be the sole judge as to the relative merits of the bids received.
- C. If a separate written contract is not required by the County; a written letter of award, mailed or otherwise furnished to the successful Bidder, shall result in a binding contract without further action by either party.
- D. Discounts for payments within less than twenty (20) days will not be considered in evaluation of bids, however, offered discounts will be taken for less than twenty (20) days if payment is made within the discount period.

8.7. HOURS:

Work hours will be determined by each department location, Monday through Friday, except County holidays. The County may, on certain occasions, approve work outside of these times. Such exception(s) must be approved in writing by the County at least one (1) day in advance. Services will not be permitted when operations would cause a traffic or safety hazard.

8.8. WARRANTIES:

The Bidder agrees that the supplies and services furnished under this award shall be covered by the most favorable commercial warranties the Bidder gives to any customer for comparable quantities of such supplies or services and that the rights and remedies provided herein are in addition to and do not limit any rights afforded to the County by any other provision of this award.

8.9. DELIVERY AND ACCEPTANCE:

- A. The County will order services by issuance of a Hernando County numbered purchase order (PO). Each purchase order will specify the scope of work, location and date(s) for service required.
- B. Receipt of services/supplies shall not constitute acceptance. Final acceptance and authorization of payment shall be given only after thorough inspection indicates that the services/supplies delivered meet bid specifications and conditions. Should the services/supplies differ in any respect from the specifications, payment will be withheld until such time as the Vendor/Contractor takes necessary corrective action. If the proposed corrective action is not acceptable to the County, final acceptance of the services may be refused, in which case the services shall remain the property of the Vendor/Contractor and the County shall not be liable for payment for any portion thereof.
- C. Unless otherwise specified, services shall be performed as described in these contract documents.

- D. Vendor/Contractor(s) shall not commence work prior to the County's receipt and acceptance of the certification of insurance, and any other required documents/certificates as specified by these contract documents.

8.10. REJECTION OF BID:

The County reserves the sole right to reject any and all bid submissions. Bids which are incomplete, unbalanced, conditional, obscure or which contain additions not required, or irregularities of any kind, or which do not comply with every aspect of this solicitation, may be rejected at the option of the County. A Vendor/Contractor shall not be qualified to bid when an investigation by the Chief Procurement Officer finds the Vendor/Contractor delinquent on a previously awarded contract or in litigation with a Hernando County previously awarded contract.

8.11. MINOR INFORMALITIES AND IRREGULARITIES:

Hernando County has the right to waive minor defects or variations of a bid from the exact requirements of the specifications that do not affect price, quality, quantity, delivery, or performance time of the services being procured. If insufficient information is submitted by a Bidder with the bid for Hernando County to properly evaluate the bid, Hernando County has the sole right to require such additional information as it may deem necessary after the time set for receipt of bids, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured. The Board of County Commissioners reserves the sole right to reject any or all bids in whole or in part; to award by any item, group(s) of items or in the aggregate whichever is most advantageous to the County.

8.12. NON-EXCLUSIVE CONTRACT:

Award of a contract resulting from this bid imposes no obligation on the County to utilize the Vendor/Contractor for all work of this type, which may develop during the contract period. This is not an exclusive contract. The County specifically reserves the right to contract with another company for similar work if it deems such action to be in the County's best interest.

8.13. NON-PERFORMANCE:

Time is of the essence in this Contract and failure to deliver the services specified within the time period required shall be considered a default.

- A. In case of default, the County may procure the services from other sources and hold the Vendor/Contractor responsible for all costs occasioned thereby and may immediately cancel the contract. The Chief Procurement Officer reserves the sole right to impose and debar Vendor/Contractors, as a direct result of Vendor/Contractor default and termination for a period of twelve (12) months to twenty-four (24) months depending upon the severity of the default resulting in contract termination. The Vendor/Contractor and its sureties (if any) shall be liable for any damage to the County resulting from the Vendor/Contractor's default of the contract. This liability includes any increased costs incurred by the County in completing contract performance.

8.14. ASSIGNMENT:

The successful Bidder is required to perform this contract and may not assign, transfer, convey, sublet, or otherwise dispose of any award or any or all of its rights, title, or interest therein, or the resulting contractual agreement in whole or in part without prior written authorization given at the sole discretion of Hernando County.

8.15. PUBLIC ENTITY CRIMES:

These licenses and permits shall be readily available for review by the Chief Procurement Officer or their designee.

8.17. LAWS, REGULATIONS, PERMITS AND TAXES:

Vendor/Contractor shall procure and pay for all permits and inspections required for any of the work performed hereunder and shall furnish any bonds, security or deposits required to permit performance of the work. The cumulative total of change orders and/or modifications/amendments to this contract under \$35,000.00 (cap) will be approved by the Chief Procurement Officer or its designee. (Current Edition) and applicable rules of the Department of Revenue).

8.20. MANUFACTURERS' NAME AND APPROVED EQUIVALENTS:

Manufacturers' names, trade names, brand names, information and/or catalog number listed in a specification are for informational purposes only and are not intended to limit competition. Said listing is for the purpose of item identification and to establish standards for quality, style and features. Bids on equivalent items will be considered unless items are noted as no substitutes. The Bidder may offer any brand for which they are an authorized representative, which meets or exceeds the specifications for any item(s). If bids are based on equivalent products, indicate on the Bid Form the manufacturers' name and catalog number.  2. The right to cancel this Contract as to any or all of the work yet to be performed;
 3. The right to specific performance, an injunction or any other appropriate equitable remedy; and
 4. The right to money damages.

- B. **Rights and Remedies of Contractor** Inasmuch as the Contractor can be adequately compensated by money damages for any breach of this Contract, which may be committed by Hernando County, the Contractor expressly agrees that no default, act or omission of Hernando County shall constitute a material breach of this Contract, entitling Contractor to cancel or rescind the Contract (unless Hernando County directs Contractor to do so) or to suspend or abandon performance.
- C. **Remedies** Substantial failure of the Contractor to complete the Project in accordance with the terms of this Agreement will be a default of this Agreement. In the event of a default, Hernando County will have all remedies in law and equity, including the right to specific performance, without further assistance, and the rights to termination or suspension as provided herein. The Contractor recognizes that in the event of a breach of this Agreement by the Contractor before Hernando County takes action contemplated herein, Hernando County will provide the Contractor with sixty (60) days written notice that Hernando County considers that such a breach has occurred and will provide the Contractor a reasonable period of time to respond and to take necessary corrective action.

10.17.RIGHTS AND REMEDIES

The duties and obligations imposed by the Contract documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by Hernando County or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

10.18.FEDERAL CHANGES

Contractor shall at all times comply with all applicable FTA and FEMA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement between Purchaser, FTA and FEMA, as they may be amended or promulgated from time to time during the term of this contract. A. CLARIFICATIONS

1. Question: The county calls out a Level I Service in the Scope of Work but does not mention what the Scope of Work is for a Level II. Please advise!

Answer: Please refer to the specifications section 11.4.(A) 9 thru 13.

2. Question: The county has asked that all Air Filters be changed out yearly. Air Filters should be changed as necessary and invoice separately. Please advise!

Answer: Yes, I agree air filters should be on an as needed basis, quoted separately and approved before replacement.

3. Question: Level 2 pricing is showing as 2 visits per year, along with the same units receiving level 1 pricing. Does this mean that the level 2 units are getting 3 services per year? Please clarify. (Lines 96 through 131)

Answer: All Generators listed in Exhibit E "Misc Generators", will receive (1) Level I service and (1) Level II service per year, a total of (2) visits per year. Level I service includes the Level II service, see specification section 11.4(A) 1 thru 13.
