## ZONING AMENDMENT REQUEST

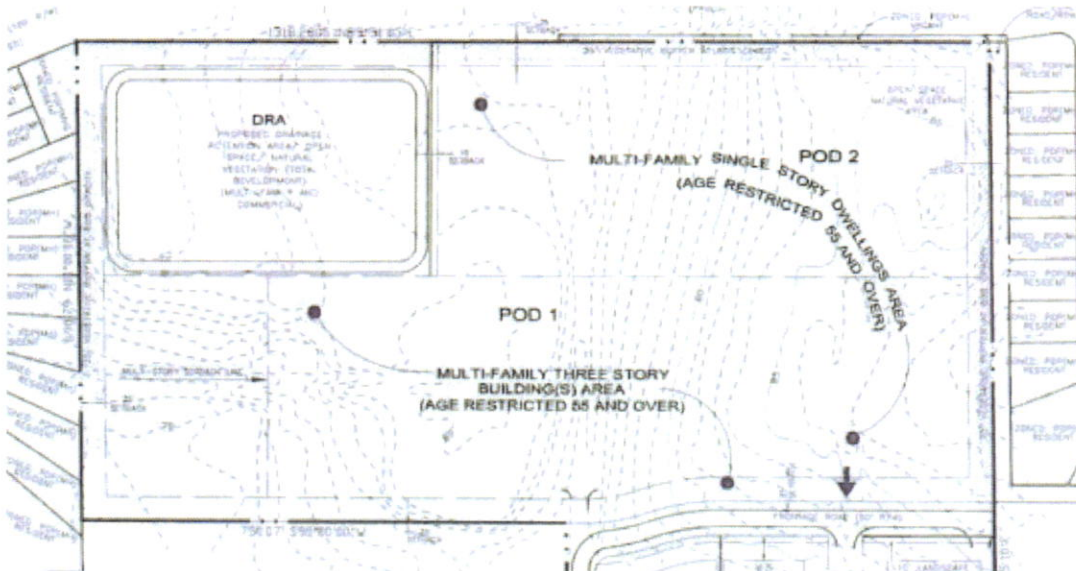

52

PARCEL KEY: 01747024

The 6.9 vacant site is located approximately 500-feet west of Highline Drive and 550' north of Cortez Boulevard, in Hernando County.

The request is to amend the zoning designation from PDP(MF) to PDP(SU) and PDP(CG). The purpose of both designation is to duplicate the proposed land use amendment designation application, which is filed concurrently with this request. The request is for maintaining natural vegetation along the western boundary in line with the existing vegetative buffer to the north and for a one-story mini-warehouse use within a 97,350 square foot building.

The approved PDP(MF) is approved for a 3-story multi family and a 1-story multi family development on the north side where currently the storm water pond is located. Although the performance condition #4 states a 35-foot setback to the west, the Vista Park Record Plat depicts a 300-foot multi family setback from the west for the 3-story structure.

As shown on the site plan on the next page, the 50-foot wide strip has a comprehensive plan designation of RESIDENTIAL and is proposed for PDP(SU) rezoning to allow natural vegetation, NO DEVELOPMENT/IMPROVEMENTS. The intent is to maintain the natural 50' wide landscape buffer as shown in the attached plat as well as continuing that buffer onto the subject site. This buffer is in excess of code requirements and in harmony with existing vegetation to the north. The remainder of the site is proposed for PDP(CG) to allow only one use, a one-story 97,350 square foot mini-warehouse.

The current proposal goal is to mirror the approved development while minimizing compatibility concerns. The PDP(SU) portion is +/- 21,500 square feet (50' X 430') and the remainder of the site is +/- 279,500 square feet for commercial use. At 0.35 FAR, the maximum allowable square footage is 97,825 square feet. The requested 97,350 square feet is below the maximum. The building is located on the east side of the site with the parking area to the west and drive aisles to the south.
