We purchased this 31.97 acre property as agricultural, our plan is to rezone it to agricultural residential and develop the property into 10 equal 3 acres parcels. Our design plan is to have one road running down the center into a cul de sac, a beautiful gate at the front, and an HOA that will require large homes only with an architectural committee that will ensure the houses are all within the same style.

As the developer we will be keeping one of the properties as our personal home.
