Project Description (including Justification):

<p>This project involves the location of a west side transfer facility for the bus riders to transfer from routes. It replaces the transfer facility previously located at the Beall's on Cortez (SR50). The Transit System needs to have a transfer facility that is safe, secure, and efficient for its riders to transfer on the major spine of the system. This project has been identified in the County's adopted Transit Development Plan.</p>
