November 28, 2023

Congressman Gus Bilirakis
8731 Citizens Drive
Suite 135
New Port Richey, FL 34654

Dear Congressman Bilirakis:

Hernando County has received numerous complaints about the process that Open Infra is using for installing Fiber Optic / Broadband cable in the right of way of our residential roadways. They are installing obnoxiously loud pedestals containing equipment and some sort of fan in front of our citizens' houses. The fan sounds like a leaf blower on full power, cycling on/off all day and night. This company is not taking in account the needs of the neighborhood in which the installation is occurring.

Hernando County respectfully request assistance from your office as Hernando County is not allowed to regulate Fiber Optic / Broadband.

Sincerely,

A handwritten signature in blue ink, appearing to read "Elizabeth Narverud", with a large, stylized flourish at the end.

Elizabeth Narverud, Chairman
Hernando County Board of County Commissioners
