Ok thanks so much for all your time and consideration the past few months. Mrs. Hare you have been a pleasure. Please add this to the hearing agenda please.

I am disabled and they are proposing a very low hourly number. I'm not supposed to be doing much labor at all and I don't think I can perform the hours that I was offered to do. The board and staff already knew I was disabled from the beginning of these hearings.

I think I want to ask the board to just forgive this CRLO total balance at this point. I can't volunteer 8 hours a week I know my body can't handle it.

The only reason I asked for community service hours was to get this lien taken care of so I can restore my civil rights through the clemency board in Tallahassee and I don't have ways to put out of pocket due to being indigent. I keep getting denied the right to restore my civil rights due to this CRLO balance. I have been denied 3x now from the Clemency Board because of this lien order which they say is not part of my case but it is if it wasn't I would have been granted clemency.

I have not been arrested or been in any kind of trouble since 2012. (That's 12 Years of no arrests) I paid the county, the victim, and the state off in full. I try to help others in the community by volunteering my time and being productive in county events one being Operation backpack. I'm a Third Degree Knight in the Knights of Columbus. I did my time in jail, learned my lesson, and I have paid my debt to society.

I have accomplished one major thing here that I am very proud of the Hernando County Commission now has a plan in place to help former inmates trying to get their lives back the chance to request working off their CRLO balance with community service hours which allows them to get this off back if they are unable to come out of pocket for their balance.

I was not disabled back in 2012 but I am now. I can't work doing any kind of labor due to my physical and mental conditions. I have Stage 3 kidney Failure, PTSD, and I also suffer from bipolar disorder.

I have been found by the Hernando County Courts to be INDIGENT on many occasions am I still am today. I can provide the paperwork to show you I'm indigent and disabled.

I am requesting the Hernando County Board of Commissioners to please Forgive my CRLO Total Balance and to issue me a Satisfaction of Lien today due to disability and medical reasons please.

Thank you for your time and consideration Board Members, Administration Staff, Legal Team, and anyone else involved in my proposal and Request

Mrs .Tartaglia,

\$7.25 is very low per hour for community service hours. I have no legal counsel or do I intend on getting one. I just thought that it would be \$10.00 an hour at minimum per community service hours.

Good afternoon, Mr. Martin:

BE ADVISED: If you are represented by legal counsel in this matter, please refer this correspondence to your legal counsel. This correspondence is not intended to offer you legal advice.

You are referred to sections 318.18(8)(b) and 938.30(2), Fla. Stat. (2023), and to 29 USC s. 206(a)(1). The proposed agreement is to convert your Civil Restitution Lien Order amount to a specified hourly credit rate, not wages, for your participation in community service. Florida law does not permit your lien to be converted to wages.

It is recommended that you consult with your legal counsel, at your expense, if you need advice regarding the proposed agreement.

Sincerely,
Melissa A. Tartaglia, Esq.

Good morning.

Ideally, outside parties are asked to sign agreements before presentation to the Board, but it is not required. The decision to handle your request this way was made by the County Administrator's office (Admin). Please confirm whether or not you'll be able to make the meeting on Tuesday so Admin can be informed.

I believe the \$7.25 rate stems from the CRLO being a civil lien – not criminal – hence the title "Civil Restitution Lien Order." The attorney who prepared the agreement is copied here and can chime in if this is incorrect.

Mrs. Hare I'm going to try to make it but 10.00 an hour is what you get if you do community service hours in Criminal Court right? I just want to do the hours closer to my house if possible at Narcotics Anonymous or Home of Foam. I'm not trying to be a problem at all. I thought they wanted me to sign before the hearing.

Thanks, Timothy D. Martin

The proposed agreement addressing your request to perform community service in lieu of paying your Civil Restitution Lien Order will be considered by the Board of County Commissioners on Tuesday, February 13. The meeting starts at 9AM. The Board will be made aware that you oppose certain aspects of the agreement, so please be prepared to discuss those.

Hello, Mr. Martin.

The way I understood their discussion is that the County Administrator was tasked to bring them ideas on how to calculate the community service hours. Once that gets worked out, they will have to take a formal vote on your request. They did not establish a date certain for that to happen, so I can let you know when it comes back on the agenda if you'd like, or you can monitor the agendas on your own at this website:

Your assumption is correct. If the Board of County Commissioners votes to approve your request, the discharge form would be signed and recorded as proof that the CRLO is no longer a lien against you.

What date will my case be presented to the board? I want to make sure that I am there if the board has any questions for me?

I just want the Hernando County Board of County Commissioners to know that when I plead nolo contendere on my case on July 17, 2012 and was sentenced to six months in the Hernando County Jail

"I was not informed by the public defender's office that the Judge was going to come after I plead out and was sentenced and sign a civil restitution lien order for cost of incarceration on me on August 22, 2012. If I would have known that the civil lien was going to be put on me, I could have taken this case to trial and won and not had to pay anything for cost of incarceration. The Hernando County Public Defender's office failed me by not informing me of these civil restitution lien orders for cost of incarceration. I did not know that this lien was going to be put on me".

I don't think this is fair of the Public Defender's Office to not inform me of this major lien that would be put on me before I plead out. I was assigned to Ray Shaw he got sick and then came in David Bauer on the day of court. I did not even have any legal counsel until 5 minutes before I was due to see Judge Merritt.

The fact of the matter is I was not informed of the civil restitution lien order for cost of incarceration. If I would have known of this, I would have taken this case to trial and won. This would have impacted the way I would have gone with the outcome of my case. You can look at my court case 2011 CF 1793 and see that I was never made aware of this civil restitution lien until August 22, 2012. I resolved this

case on July 17, 2012.

I am asking that the board please forgive this balance of \$9,000 plus interest and give me the satisfaction of lien paperwork, reduce this balance, and/or let me work it off with community service hours to the board of county commissioners or the Hernando County Government please so I can move on with my life. Just because I am labeled a Felon does not mean that I am a bad person and don't deserve to be informed in my own legal case.

Thank you and Best Regards,
Timothy D. Martin

I have a financial hardship and am not able to pay at all on this Civil Restitution Lien order. I get Social Security Disability each month (914.00) and after my monthly bills I am not able to pay on this restitution order. I also help care for a good friend of mine on a daily basis that has intellectual disabilities.

I recently applied for Clemency to restore my civil rights and for the third time was denied because of this restitution lien order for cost of incarceration. Will the board please allow me to do Community Service to Hernando County or to The Board to satisfy this lien or forgive this lien balance in full. I have not had any legal trouble since 2012 and am now a productive citizen here in Hernando County.

Since 2013 I have had great encounters with John Allocco, Jeff Holcomb, and Steve Champion all throughout Hernando County with events such as Operation backpack and American Pawn etc.. I love and cherish living in beautiful Hernando County and need my civil rights restored so I can put this behind me but my financial hardship will not allow me to pay on this restitution lien order. Is there anyway the County Attorney and The Hernando County Board of Commissioners can help me.

Thanks for your time and consideration on this matter
