John,

I need confirmation email from you on the above project before I send you the Intent to Award Notification.

The clarification is relating to the conflicting number of sheds referenced in the Statement of Work which was attached to the Request for Quote. The quote sheet, and the quote received by you, was for one (1) shed. The Statement of Work referenced 5 sheds (page 3 of the Request for quote). I need clarification from you that you are aware this quote and project is for one (1) shed. Future sheds would be quoted individually.

Please confirm by email this clarification.

Thanks,

Diane Kafrissen
