RE: Renewal of Contract No. 21-T00047B/TPR Medical Supplies

Dear Ms. Boggan:

Please be advised that Contract No. 21-T00047B/TPR Medical Supplies, paragraph 11.3 Renewal Option (Unilateral) allows Hernando County to unilaterally renew the contract for three (3) additional one (1) year periods at the **current** prices, terms, and conditions.

For your convenience, below is the entire paragraph:

11.3 Renewal Option (Unilateral): At the sole option of the County, through the Board of County Commissioners or Chief Procurement Officer or Designee, this Contract may be unilaterally renewed, for three (3) additional one (1) year periods at the current prices, terms and conditions. The County alone will determine whether or not this renewal option will be exercised based on its convenience and its best interest. The County will notify the Vendor/Contractor, in writing, no later than thirty (30) days prior to expiration of its decision to exercise this Contract renewal option and/or options.

Therefore, it is the desire of Hernando County to renew the above referenced Contract with your firm at the **current** pricing and with the same terms and conditions for the first renewal period. The effective date of the renewal term with the current pricing is from May 11, 2022, through May 10, 2023, with two (2) additional one (1) year renewals remaining. The current price sheets are attached to this renewal.

If you have any further questions, please contact Rich Russell, Logistics Manager, Hernando County Fire and Emergency Services at (352) 540-4353.
