

How can you get involved?

You can help any child showing an animal by either giving them an add-on or purchasing their animal at the livestock auction.

What is an Add-On?

An add-on is a donation in any amount you choose. This donation is tax deductible and will help with any expenses incurred with the project.

How to Purchase an Animal?

To purchase an animal project, you must go to the Florida Ag Expo on the days of the auctions. You will enter through the main gate. Once inside you will need to register as a buyer in the livestock office. The expo will issue you a bidder number so you may bid on the animal projects.
