HERNANDO COUNTY, FLORIDA**

RESOLUTION 2025 – 158

WHEREAS, the state of Florida is committed to ensuring the safety and security of all those living in and visiting our state; and

WHEREAS, fire remains a serious public safety concern both locally and nationally, and the presence of lithium-ion batteries in many household devices introduces unique fire risks; and

WHEREAS, most of the electronics used in homes daily including smartphones, tablets, laptops, power tools, e-bikes, e-scooters, and toys are powered by lithium-ion batteries, which is misused, damaged, or improperly charged, can overheat, start a fire, or explode; and

WHEREAS, the National Fire Protection Association (NFPA) reports an increase in battery-related fires, underscoring the need for public education on the safe use of lithium-ion batteries; and

WHEREAS, residents should follow three key calls to action: buy only listed products, charge batteries safely, and recycle them responsibly to prevent battery-related fires; and

WHEREAS, smoke alarms sense smoke well before you can, alerting you to danger in the event of fire in which you may have as little as 2 minutes to escape safely; and

WHEREAS, lithium-ion batteries store a large amount of energy in a small space, and improper use such as overcharging, using off-brand chargers without safety certification, or exposing batteries to damage can result in fire or explosion; and

WHEREAS, the proper disposal and recycling of lithium-ion batteries help prevent environmental hazards and reduce fire risks in the home and community; and

WHEREAS, Florida's first responders are dedicated to reducing the occurrence of fires through prevention, safety education, and community outreach; and

WHEREAS, the 2025 **FIRE PREVENTION WEEK** theme, "Charge into Fire Safety: Lithium-Ion Batteries in Your Home," serves to remind us of the importance of using, charging, and recycling lithium-ion batteries safely to reduce the risk of fires in homes and communities.

NOW, THEREFORE, BE IT RESOLVED BY THE HERNANDO COUNTY BOARD OF COUNTY COMMISSIONERS AS FOLLOWS:

SECTION 1. The Board of County Commissioners hereby proclaim October 5-11, 2025, as **FIRE PREVENTION WEEK** in Hernando County.
