Regarding:

1. Rezoning of Lot 7 (key# 89727) from current zoning C3 to CM1
2. Expansion of permitted uses for Lot 8 (lots 8,9 and 10 merged; key# 89736) currently zoned C3

Narrative Description of the Request/Project:

I am the owner of the following properties:

- Lot 7 (key# 89727)
- Lot 8 (lots 8,9 and 10 merged; key# 89736)

Lot 7 (key#89727) is currently zoned C3. I am leasing this property to a tenant who would like to operate his boat rental business at this site. I have been informed that a zoning of CM1 would be required to allow for this type of business to operate. Next to this property are several properties (lot 5: key 1804685, lot 4:key 1804676, lot 2: key 89709) that are all zoned CM1 and allow for a boat rental business to be present. I would like to have the same zoning and opportunity to utilize as my neighbor has. In other words: I would like to change the zoning from C3 to CM1. There are no changes being made to this lot (building, land development etc).

Lot 8 is the site where a restaurant/lounge building has been located since 1960. Throughout the years many restaurant businesses operated from this location (Pecks Old Seafood House, Lacys, The Green Door, Backwaters, Cross Eyed Grouper, Waters Edge) as businesses changed ownership. I have owned this building and property since 2013 and it has been my goal to bring back a restaurant business for the surrounding community. Currently the zoning is C3 which limits permitted uses for a restaurant to: "Delicatessens and restaurants with a forty (40) or less seating capacity".

I would like for the restaurant at this location to offer a larger permitted seating capacity, preferably a one hundred and twenty (120) or less seating capacity (for indoor and outdoor seating) with 50 parking spots available. The restaurant will be a family restaurant and will follow noise ordinances according to

the laws of Hernando county. No changes (building, land development etc..) to the building are planned at this point in time. The focus will be on repair and restoration to make it suitable for its intended use.

Sincerely,

A handwritten signature in blue ink that reads "Thomas P. Kellner". The signature is written in a cursive style with a long horizontal stroke extending to the left.
