NARRATIVE STATEMENT

Flammer Ford of Spring Hill, Inc. (“**Flammer Ford**”), operates an automobile dealership at 3335 Commercial Way, Spring Hill, Florida 34606-2618 (the “**Dealership**”). The property is assigned Key N^o 183571, and Parcel ID N^o R1622317381000200031, by the Hernando County Property Appraiser, and is legally described as:

Lots 3~7 and 17~22, of Block 2, Weeki Wachee Acres Unit One, a subdivision recorded in Plat Book 6, at Page 39, of the Public Records of Hernando County, Florida (the “**Flammer Property**”).

The Hernando County Code currently supports automobile dealerships in the C-2 zoning category, but not in the C-1 zoning category. Flammer Ford recently discovered that, while Lots 3~7 and 19~21, of the Flammer Property, are appropriately zoned C-2, Lots 17, 18, and 22 thereof (the “**Subject Lots**”) are in the C-1 zoning district. Historically, the Dealership has been operated on all eleven (11) lots of the Flammer Property, as an integrated whole. A significant portion of the main structure on the Flammer Property, as shown on the enclosed Site/Master Plan, is on Lot 18, one of the C-1 zoned Subject Lots.

It is unknown when, how, or why the C-1 zoned Subject Lots were so zoned. Since as recently as 1974, and perhaps through a more recent date, the Land Development Regulations (the “**LDRs**”) supported automobile dealerships in the C-1 zoning district, they may have been so zoned at such a time, and never changed.

This Zoning Amendment Application is submitted for the purpose of bringing the C-1 Subject Lots into conformance with the LDRs. There will be no change in the actual uses of those lots, as the entire Flammer Property will continue to be used, as an integrated whole, to operate the Dealership.

Included herewith is an aerial photograph from the Hernando County Property Appraiser’s GIS Mapping System, outlining the Flammer Property as a whole. Further, the same aerial photograph, with the “split zoning” layer activated, is attached. Lots 17 and 18 are the northerly two (2) lots in the westerly bank of lots, fronting on Middlesex Drive, and Lot 22 is the southern-most lot fronting on Middlesex Drive. The Dealership itself fronts, by Lots 3~7, on Commercial Way (US-19). The aerial photographs are adopted by Flammer Ford as its Site/Master Plan. Each of the aerial photographs is submitted in both 8.5" x 11" and 11" x 17" formats.

No deviations from requirements of the County’s LDRs are requested. Since no change in the use of the Subject Lots is contemplated, there are no applicable environmental considerations to be addressed. Further, since the existing long-term established uses of each of the Subject Lots will be continued unchanged, there will be no additional impact on public facilities.
