SUBJECT: Authorization for the use of toll revenue credits as FTA “soft match” for Hernando County BOCC for FTA FFY18, 19, and 20, Section 5339 grant application 2854-2022-1, FM 439255-7

This is in response to the correspondence dated February 11, 2022 requesting the Department’s authority to grant a request by Hernando County BOCC to use state toll revenue credits in the amount of \$116,250.00 as soft match for the capital portion of their Section 5339 grant application for FTA FFY18, 19, and 20. In accordance with Title 23 United States Code Section 120(i)(1) and the State of Florida’s adopted policy regarding the use of toll revenue credits for public transit capital and planning projects, we concur with your determination of eligibility and hereby authorize for Hernando County BOCC to use \$116,250.00 in State of Florida toll revenue credits as soft match for this FTA project.

Use of the toll revenue credits as soft match will effectively allow for FTA funding of capital projects at a 100% federal share. When providing a copy of this authorization to Hernando County BOCC, please ask them to reference the use of this credit in their project budget sheets of their FTA application and send a copy of this authorization letter to their FTA Project Manager. **Also include the item number reference where these projects are included in the STIP.** FDOT will work with the Federal Highway Administration to ensure that the use of the toll revenue credits is properly accounted for and recorded.

If you have any questions, please contact Gabe Matthews, Transit Research, Planning and Commuter Assistance Administrator, at 850-414-4803.

Hernando County Board of County Commissioners (TheBus)

RE: Project FPN: 439255 7 _____ (Funding Assigned by FDOT)
Federal Program Section 5339
FTA Federal/TRAMs Grant Number (For State Use Only): 2854-2022-1

This agency is making an application for funding application to the Federal Transit Administration for its public transit system as described below and is requesting the District's review and assistance for transportation development credits also known as state toll revenue credit as eligible matching funds.

Project Description (briefly summarized):

Hernando County is applying for a Section 5339 federal award for eligible capital funds for the purchase of a fixed-route bus for its transit system, TheBus. The County is requesting State toll-revenue/transportation development credits for the required 20% match (\$116,250) as calculated below for the purchase. The County is requesting the use of apportioned funding from Fiscal Years 2018, 2019, and 2020 identified in the attached letters from FDOT.

SECTION 5339 FUNDING REQUEST

Total Estimated Capital Cost = \$465,000

Federal Funds = \$465,000

\$465,000 / .80 = \$581,250

\$581,250 X .20 (Local Match Requirement) = \$116,250 (State)
