An allowance for satisfactory work in progress but not yet completed shall be made.
- c) If the Agreement is terminated before performance is completed, the PROFESSIONAL shall be paid for work satisfactorily performed. Payment is to be on the basis of substantiated costs, not to exceed the percentage of work performed.

SECTION 13. SECTION 24. E-VERIFY- Contractor must have legally Authorized Workforce.

CONTRACTOR/CONSULTANT is advised that the COUNTY has entered into an agreement with U.S. Immigration and Customs Enforcement (ICE) wherein the COUNTY will, in part, seek to promote the principles of ethical business conduct, prevent the knowing hiring of unauthorized workers through self-governance, and encourage voluntary reporting of the discovery of unauthorized workers to ICE (the IMAGE Agreement). Accordingly, by submitting your Bid/Proposal, CONTRACTOR/CONSULTANT represents and warrants (a) that the CONTRACTOR/CONSULTANT is in compliance with all applicable federal, state and local laws, including, but not limited to, the laws related to the requirement of an employer to verify an employee's eligibility to work in the United States, (b) that all of the CONTRACTOR/CONSULTANT employees are legally eligible to work in the United States, and (c) that the CONTRACTOR/CONSULTANT has actively and affirmatively verified such eligibility utilizing the Federal Government's Employment Verification Eligibility Form (I-9 Form).

A mere allegation of CONTRACTOR/CONSULTANT's intent to use and/or current use of unauthorized workers may not be a basis to delay the COUNTY'S award of a contract to the CONTRACTOR/CONSULTANT unless such an allegation has been determined to be factual by ICE pursuant to an investigation conducted by ICE prior to the date the contract is scheduled to be awarded by the COUNTY.

Legitimate claims of the CONTRACTOR/CONSULTANT's use of unauthorized workers must be reported to both of the following agencies:

- (i) The COUNTY'S Purchasing Contracts Department at (352) 754-4020: and
- (ii) ICE (Immigration and Customs Enforcement) at 1-866-DHS-2-ICE

In the event it is discovered that the CONTRACTOR/CONSULTANT's employees are not legally eligible to work in the United States, then the COUNTY may, in its sole discretion, demand that the CONTRACTOR/CONSULTANT cure this deficiency within a specified time frame, and/or immediately terminate the contract without any cost or penalty to the COUNTY, and/or debar the CONTRACTOR/CONSULTANT from bidding on all COUNTY contracts for a period up to twenty-four (24) months, and/or take any and all legal action deemed necessary and appropriate.

CONTRACTOR/CONSULTANT is required to incorporate the following IMAGE Best Practices into its business and, when practicable, incorporate verification requirements into its agreements with subcontractors:

1. Use the Department of Homeland Security employment eligibility verification program (E-Verify) to verify the employment eligibility of all new hires.
2. Use the Social Security Number Verification Service and make good faith effort to correct and verify the names and Social SECURITY numbers of the current workforce.
3. Establish a written hiring and employment eligibility verification policy.
4. Establish an internal compliance and training program related to the hiring and employment verification process, to include, but not limited to, completion of Form I-9, how to detect fraudulent use of documents in the verification process, and how to use E-Verify and the Social Security Number Verification Service.
5. Require the Form I-9 and E-Verify process to be conducted only by individuals who received appropriate training and include secondary review as to each employee's verification to minimize the potential for a single individual to subvert the process.
6. Arrange for annual Form I-9 audits by an external auditing firm or a trained employee not otherwise involved in the Form I-9 process.
7. Establish a procedure to report to ICE credible information of suspected criminal misconduct in the employment eligibility verification process.
8. Establish a program to assess subcontractors' compliance with employment eligibility verification requirements. Encourage contractors to incorporate the IMAGE Best Practices contained in this Article and, when practicable, incorporate the verification requirements in subcontractor agreements.
9. Establish a protocol for responding to letters received from Federal and State government agencies indicating that there is a discrepancy between the agency's information and the information provided by the employer or employee; for example, "no match" letters received from the Social Security Administration.
10. Establish a tip line mechanism (inbox, e-mail, etc.) for employees to report activity relating to the employment of unauthorized workers, and a protocol for responding to employee tips.
11. Establish and maintain appropriate policies, practices, and safeguards against use of the verification process for unlawful discrimination, and to ensure that U.S. Citizens and authorized workers do not face discrimination with respect to hiring, firing, recruitment or referral for a fee because of citizenship status or national origin.
12. Maintain copies of any documents accepted as proof of identify and/or employment authorization for all new hires.
