Brian, nothing has changed and it should have been submitted in 2022 with the correct name.

Good morning, Kimberly.

I am working with Hernando County's Attorney's office on getting the name changed on the COPCN. The County Attorney is asking me if something changed at the state because the previous Hernando County COPCN dated January 11, 2022 has Patent Care EMS Solutions d/b/a Medfleet, LLC. Is there any documentation I can use or an email from your office to assist me. Thank you for your help.

Good afternoon Brian, we are in the process of updating for your license. The attached COPCN has the name PatientCare EMS Solutions dba Medfleet, LLC. This is not the same name associated with your license #10020. Please advise.

Good morning,

Here is a copy of our Hernando County COPCN renewal. We still haven't received the original copy I had the County send me a copy so we can get our State License processed. If you need a copy of the original, I can send that to you once it arrives. Thank you for your assistance.
