MASTER AGREEMENT

THIS MASTER AGREEMENT ("**Agreement**"), made and entered into this 9th day of January 202~~3~~⁴, by and between the Hernando County Board of County Commission, an independent special district, ("**Hernando**"), and THE UNIVERSITY OF SOUTH FLORIDA BOARD OF TRUSTEES, ("**USF**"), with Hernando and USF being also referred to herein collectively as "**Parties**" and individually as "**Party**."

WITNESSETH:

WHEREAS, Hernando desires to engage USF to perform certain services as described in a specific, separate Work Order ("WO") to be issued subsequent to the execution of this Agreement that describes the general terms and conditions; and

WHEREAS, USF does not desire to compete with the engineering and business consultant industry within Hernando County, but to provide Hernando technical assistance services in the form of research and developmental studies, within the scope of work performed within the Center for Urban Transportation Research ("CUTR") which may include as mutually agreed the fields of architecture, business, civil and environmental engineering, funding and financing, land use and urban design, mobility solutions, planning, project development, public engagement technology advancements, and geographic information systems ("**Professional Services**"), as may be needed by Hernando during the term of this Agreement; and

WHEREAS, USF desires to provide such services in furtherance of its mission of education, research, and service.

NOW THEREFORE, in consideration of the premises and the mutual benefits that will accrue to the Parties hereto in carrying out the terms and provisions of this Agreement, the Parties hereto agree as follows:
