Lisa,

Thank you for the information. The interest accrued through the January 24th date on a "one lump-sum" payment is **\$7,966.34**. This is based on the daily rate of .000130137 which was set by the State for the quarter of October through December 2011. In addition to the \$15,000.00, Mr. Gotts will need to remit a **\$10.00** recording fee payment so that the Satisfaction can be recorded. We will pass the recording fee information on to him, if approved. Let us know if you need anything further.

Thank you.

Karen,

Please find attached a corrected Satisfaction as Anthony's name was misspelled and the signature date was updated to 2023. Additionally, I was reminded that the Clerk's Finance Department will need to issue Mr. Gotts a 1099 and for purposes of preparing the agenda item, we will need you to please provide the amount of interest being forgiven calculated from the date the lien was issued on November 22, 2011 thru January 24, 2023, the proposed BCC agenda date.

Thanks again!

Kind regards,

Lisa Morgan

Hi Karen,

As discussed, Anthony Gotts contacted our office on November 18, 2022 expressing an interest in paying off the attached Civil Restitution Lien Order dated November 22, 2011 (ORB 2865, PG 1201) in exchange for the County waiving any accrued interest. Consequently, our office has prepared the attached Satisfaction for the Board of County Commission's consideration which will be scheduled on the January 24th BCC agenda. If approved, the Finance Department will need to contact Mr. Gotts to coordinate his lump-sum payment in the amount of \$15,000.00. Once our office has been notified by Finance that the payment has been received, we will arrange to have the original Satisfaction recorded in Official Records.

Should you have any questions or require additional information, please let us know.

Thanks Karen, we really appreciate your assistance in this matter.

Kind regards,

Lisa Morgan

Good Evening,

I am writing this email in hopes to settle my outstanding debt. These fees incurred from being detained in Hernando county on July 13th, 2011 (Case No. 09-001295-CFMA) I did receive one invoice when I was young and failed to realize that it would gain over eight thousand dollars in interest. I would be willing to put this behind me if the county would be open to negotiate. Thank you for your time and effort in this matter!
