Commendation Memorandum

Date: April 19, 2022
To: Renee Thomas, Crew Leader
Larry Elwin, Equipment Operator
From: Stephen Stack, Assistant Director of Public Works
Subject: Customer Commendation- Georgette Marston / Hope Hill Rd.

Dear Renee and Larry,

Hernando County Department of Public Works received a call from a customer pleased with your work. Ms. Marston called on the fourth of April to report a deceased deer in the right of way on Hope Hill Rd. and was very happy, when she called again on the eighth, to no longer be attacked by vultures when she went outside. She said not only did you remove the deer, but also cleaned the area very well of any remaining debris.

It is always an honor to express my sincere appreciation for a job well done, and I am additionally thankful when customers also recognize staff member's diligence and thoroughness in completing a task.

Thank you again for handling the situation quickly and thoroughly and for all your hard work, contributions, and efforts to assist our customers. A copy of this memorandum will be placed in your personnel files for future reference.

With sincere appreciation,

Assistant Director
Hernando County Department of Public Works
