Let's try this again... my sincere apologies Michelle!

Hello again Cayce & Michelle,

Thanks again for your time earlier today.

Per our discussion, please consider this a formal request to postpone item H-22-74 on the January 9, 2023 Planning and Zoning meeting agenda. We understand that the item will need to be opened at the meeting since public notice has been completed at this time. We will be in attendance at the meeting on Monday to confirm the postponement request.

The applicant is requesting the postponement so that they can reevaluate the request and determine which zoning district is most appropriate for the actual product type and development program proposed.

Again, we greatly appreciate your time this morning and look forward to meeting with you again after the January 9<sup>th</sup> meeting to further discuss the project.
