TECHNICAL EVALUATION FOR BID AWARD

RFQ# 23-RFQ00422/AP
Continuing Professional Engineering Services

VENDOR: INFRASTRUCTURE CONSULTING & ENGINEERING, PLLC

This document has been developed to facilitate your evaluation. Your evaluation should be limited to the attached. **Procurement will ensure that all documents required by the solicitation are contained for evaluation. This documentation will be included with the bid submitted for evaluation. Bids that are determined non-responsive by the Procurement Department will not be submitted to you for evaluation.** Please note that you should focus your attention on the areas contained within this document. Your evaluation will be a major consideration as to the responsiveness and/or responsibility of a bidder.

- A. Is the amount of the bid reasonable and realistic for the services to be performed or the item or equipment to be purchased?

NO BID REQUIRED, BASED ON SKILL AND REFERENCES

If the bid is considered reasonable/realistic, provide justification for your conclusion.

If you consider the bid to be unreasonable and/or unrealistic, please explain in detail.

- B. Was an independent County estimate developed prior to soliciting for the procurement?

NO

If affirmative, submit this estimate with your evaluation in the same format as the bid schedule and describe the extent the estimate was used in the analysis of the bid.

- C. Do the resources (manpower, equipment, supplies, etc.) proposed by the bidder meet the minimum requirements, if any, established by the solicitation?

YES

If minimums were not identified in the solicitation, you may request information on proposed resources from the bidder **through Procurement.**
