The Board of County Commissioners'  
Names Selection Committee  
15470 Flight Path Drive  
Brooksville, FL 34604

Ladies<sup>and</sup> Gentlemen:

I propose that the Names Selection Committee rename the Brooksville-Tampa Bay Regional Airport's Air Traffic Control Tower in honor of Gerard F. Calhoun, Jr. who recently passed away on September 13, 2023.

Jerry was a respected member of our Hernando County Sheriff's Office for many years as a decorated deputy and experienced helicopter pilot. He was a devoted husband and father and a wonderful, kind and caring neighbor.

For documentation for this outstanding man please contact our Hernando County Sheriff's Office and also refer to his obituary at [northbrevardfuneralhome.com](http://northbrevardfuneralhome.com).

Jerry and his family lived in Spring Hill at 8491 Dorsey Street, and his son Carter still lives in Spring Hill but at a different address.

I cannot think of anyone  
more deserving than  
Gerard F. Calhoun, Jr. for  
whom to rename the  
airport tower.

Thank you for your  
thoughtful consideration.

Very truly yours,

Geri Anderson
