INSTRUCTIONS

To Tax Collectors:

1. Use this for the last sheet on your report of discounts, errors, double assessments, and insolvencies.
2. Do not list any item without showing the reason for reduction in the right-hand column.
3. As much as possible, group together all items coming under one heading. For instance, place all errors under one heading, all double assessments under another, exemptions under another, etc.
4. For exemptions, specify whether widow, veteran, homestead, disability, etc.

Tax Collector Recapitulation

I, Sally L. Daniel, Tax Collector of Hernando County, Florida, certify this is a report of all discounts, errors, double assessments, insolvencies, and federal bankruptcies on the assessment roll for 2021; that the discounts were actually earned for the month as shown; that the attached list shows all errors and double assessments as the property appraiser certified; that I have allowed no exemptions, other than those the attached list shows as certified by the property appraiser; that each item marked insolvent on the attached list is in fact insolvent and, although I have made a diligent search, I have been unable to find the tangible personal property to levy on to enforce the payment of the tax; and that I have not collected any of the items on the attached list.

I am entitled to credit against the 2021 assessment roll on the following amounts:

Discounts	431657.08CR
Errors	17268
Double Assessments	
Insolvencies	
Federal Bankruptcies	
Total	414388.43CR

197.492 Errors and insolvencies report.—On or before the 60th day after the tax certificate sale is adjourned, the tax collector shall certify to the board of county commissioners a report showing the discounts, errors, double assessments, and insolvencies relating to tax collections for which credit is to be given, including in every case except discounts, the names of the parties on whose account the credit is to be allowed. The report may be submitted in an electronic format.

History.—s. 186, ch. 85-342; s. 48, ch. 2011-151.

12D-13.008 Discounts, Errors, Double Assessments, and Insolvencies Report.

(1) By the 60th day after the tax certificate sale is completed, the tax collector must provide a report to the Board of County Commissioners on Discounts, Errors, Double Assessments, and Insolvencies, Form DR-505, Report of Discounts, Errors, Double Assessments, and Insolvencies, incorporated by reference in rule 12D-16.002, F.A.C. For each tax roll, the report must show the name to whom credit was allowed, the property identification number, amount of taxes reduced from the roll, and the reason for the reduction. This detailed information is not required for payment discounts that were allowed. The report may be submitted in an electronic format.

(2) It is not necessary for the tax collector to have a certificate of correction from the property appraiser on each item that appears on the report.

(3) When the tax collector has proof an error has occurred, the tax collector must place this error or correction on the report. A certificate of correction is only one method of offering proof to the tax collector that an error has occurred. (See rule 12D-13.006, F.A.C.)
