Good Afternoon,

I am writing this email in request to speak in front of the Hernando county board of county commissioners to ask for forgiveness for a judgment against me November 26, 2014 In the amount of \$9000 plus interest. Many years have passed by and I have been unaware of this judgment. We are in the process of purchasing a new home, And this judgment is holding us from the start of building our new home. I'd love to request to speak in front of the county commissioners at the next meeting regarding this.

Thank you very much.
