Hardship letter

To whom this letter may concern I am requesting a variance on the rear of my property to place a prefabricated shed. Per referenced Article 6, section 1, subsection K (i). the normal easement is 10 ft. off the rear of the property line. At this time I'm requesting a minimum in reduction of the setback from the current 10 ft. to 6 ft. The said 10 ft. setback on the rear of my property encroaches on my available space to place my shed. It is only a 4 ft. variance that I need to place a 15 ft. x 25 ft. shed that will suit my needs, and will prevent the shed from being too close to my back porch.

Thank you for your time in this matter, and I would be grateful for the granting of my request.

Sincerely,

Walter Moore
