To: The Honorable Commissioners of Hernando County, Florida

Dear Commissioners,

Maya Developers would like to change the zoning of our site, located at the SWQ of Spring Hill Drive and Suncoast Parkway, in order to accommodate the increasing hotel demand in the area.

We have developed the majority of the hotels in Hernando County over the last 20 years. We own the Fairfield Inn & Suites and Holiday Inn Express & Suites in Brooksville. Our research indicates the lack of hotel inventory within a 5-mile radius of the site. Additional hotel rooms would help support the increased demand driven by the growth in both population and at the airport. The acquisition of Bravera Health by Tampa General Hospital and the existing demand from the Anderson Snow Sports Complex also support the need for additional hotel rooms. In addition, there is no purpose-built extended-stay hotel in the County.

The proposed 100-room extended-stay hotel would not only meet the increasing demand but also provide a unique accommodation option in the County, thereby enhancing the overall hospitality landscape.

Best Regards,

Paresh Desai

President, Maya Developers
