SECTION 3 FINANCIAL PROVISIONS

3.1 The PARTIES recognize and accept the funding restrictions set forth in Section 339.135 (6)(a), and Section 129.07, Florida Statutes, which may affect each of the parties' obligations.

(a) The Department, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the Comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding one (1) year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years; and this paragraph shall be incorporated verbatim in all contracts of the Department which are for an amount in excess of \$25,000 and which have a term for a period of more than 1 year. Section 339.135 (6)(a), Florida Statutes.

(b) The PARTIES agree that in the event funds are not appropriated to the DEPARTMENT or the COUNTY for the PROJECT, this Agreement may be terminated, which shall be effective upon either party giving notice to the other to that effect.

3.2 The COUNTY shall furnish the DEPARTMENT with a deposit in the amount of \$146,007.00 (*one hundred forty-six thousand seven dollars and zero cents*) by April 8, 2024, to be used for the estimated project cost for Locally Funded project number 447536 3 32 01. The DEPARTMENT may utilize this deposit for payment of the costs of the PROJECT.

3.3 If the actual cost of the project is less than the funds provided the excess will be refunded to the COUNTY if requested in writing.
