THIS SUBRECIPIENT AGREEMENT (hereinafter referred to as “Agreement”) is entered into by and between the **GULF CONSORTIUM**, a legal entity and public body organized and created pursuant to section 163.01, Florida Statutes, (hereinafter referred to as the “Consortium”) and **HERNANDO COUNTY**, a political subdivision of the State of Florida, whose address is 20 N Main St # 460, Brooksville, FL 34601 (hereinafter referred to as “Subrecipient”), to provide for the sub-award of funds to Subrecipient made available through Financial Assistance Award FAIN No. GNSSP24FL0057-01-00 between the Consortium and the Gulf Coast Ecosystem Restoration Council (hereinafter referred to as the “RESTORE Council”). Collectively, the Consortium and the Subrecipient shall be referred to as “Parties” or individually as a “Party.”

WHEREAS, in July 2012, the *Resources and Ecosystems Sustainability, Tourist Opportunities, and Revived Economies of the Gulf Coast States Act of 2012*, Public Law 112-141, codified at 33 U.S.C. 1321(t) (hereinafter referred to as the “RESTORE Act”) established the Gulf Coast Ecosystem Restoration Council (hereinafter referred to as the “RESTORE Council”) and made funds available for the restoration and protection of the Gulf Coast Region through a trust fund in the Treasury of the United States known as the Gulf Coast Restoration Trust Fund (hereinafter referred to as the “Trust Fund”); and

WHEREAS, pursuant to the RESTORE Act, thirty percent (30%) of the funds available in the Trust Fund are allocated to the Spill Impact Component, under which such funds are made available to the five Gulf Coast states, including Florida, pursuant to an approved State Expenditure Plan that meets the criteria set out in the RESTORE Act at 33 U.S.C. 1321(t)(3)(B)(i), including consistency with the goals and objectives of the RESTORE Council's Comprehensive Plan; and

WHEREAS, the State of Florida State Expenditure Plan (“FSEP”) was approved by the RESTORE Council on October 1, 2018; and

WHEREAS, FSEP Project No. 14-5 provides for completion of drainage infrastructure improvements and the construction of a stormwater treatment system along Calienta Street adjacent to the Hernando Beach canal system; and

WHEREAS, on June 24, 2024, the Consortium and the RESTORE Council entered into Financial Assistance Award FAIN No. GNSSP24FL0057-01-00 governing the award of funds from the Trust Fund for the purpose of funding all or a portion of FSEP Project No. 14-5, as further described in such Financial Assistance Award and the attachments thereto (the “Project”); and

WHEREAS, the purpose of this Agreement is to provide for the sub-award of funds awarded to the Consortium pursuant to Financial Assistance Award FAIN No. GNSSP24FL0057-01-00 to Subrecipient such that Subrecipient may complete the Project, subject to the terms and conditions set forth herein; and

WHEREAS, the Subrecipient represents that they possess the requisite skills, knowledge, financial capability and experience to perform the Project and other activities as provided herein.

NOW, THEREFORE, in consideration of the promises and the mutual benefits to be derived therefrom, the Consortium and the Subrecipient do hereby agree as follows:

SECTION 1. RECITALS.

The above recitals are true and correct and are hereby incorporated herein by reference and made a part of this Agreement.

SECTION 2. GENERAL.

The Subrecipient does hereby agree to perform the Project in accordance with the terms and conditions set forth in this Agreement, Financial Assistance Award FAIN No. GNSSP24FL0057-01-00, attached hereto as **Attachment A** (hereinafter the “Financial Assistance Award” or “Award”), including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards set out at 2 CFR part 200 and the RESTORE Council’s Financial Assistance Standard Terms and Conditions; any Special Award Conditions contained in **Attachment B** hereto (hereinafter “Special Award Conditions”); the Gulf Consortium Subrecipient Policy and Grant Manual (available at <https://www.gulfconsortium.org/>); and all other attachments and exhibits hereto.

SECTION 3. TERM.

A. This Agreement shall begin upon execution by both Parties (the “Effective Date”) and shall remain in effect until October 31, 2026 (the “Project Completion Date”), except that the provisions contained within Sections 7, 10, 11, 12, 26, and 29 shall survive the termination of this Agreement.

B. The Subrecipient shall be eligible for reimbursement for work performed on or after the Effective Date through the Project Completion Date. While certain pre-award costs incurred by Subrecipient may be eligible for reimbursement if so indicated within the Financial Assistance Award and approved by the RESTORE Council, Subrecipient assumes the risk for any costs incurred prior to the Effective Date and acknowledges that such costs may not be eligible for reimbursement under this Agreement.

C. All references to days herein shall refer to calendar days unless otherwise indicated.

SECTION 4. CONSIDERATION, COST REIMBURSEMENT, SUPPORTING DOCUMENTATION.

A. As consideration for the satisfactory completion of services rendered by the Subrecipient and subject to the terms and conditions of this Agreement, the Consortium shall pay the Subrecipient, on a cost reimbursement basis, up to a maximum of \$2,996,345.00 for completion of the Project. It is understood and agreed that any additional funds necessary for the completion of this Project above and beyond this award amount are the sole responsibility of the Subrecipient.

B. The Subrecipient shall be reimbursed on a cost reimbursement basis for eligible and allowable Project costs as such costs are incurred. Reimbursement shall be requested through the Consortium's Grants Management System Portal located at <https://www.gulfconsortium.org/grant-resources> ("Grant Management Portal"), as further described in Section 5 hereof. To be eligible for reimbursement under this Agreement, Subrecipient shall submit sufficient documentation to the satisfaction of the Consortium demonstrating that Subrecipient is legally obligated to pay the costs for which reimbursement is sought. Additionally, all costs for which reimbursement is sought must be in compliance with laws, rules and regulations applicable to expenditures of Federal grant funds, including, but not limited to, 31 C.F.R. Part 34, 2 C.F.R. Part 200, and the RESTORE Council Financial Assistance Standard Terms and Conditions. Advance payment of funds to the Subrecipient under this Agreement shall not be permitted unless expressly approved through a special award condition.

C. All requests for reimbursement under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. A final payment request should be submitted to the Consortium no later than thirty (30) days following the Project Completion Date, to assure the availability of funds for payment. All work must be performed on or before the Project Completion Date, and the subsequent thirty (30) day period merely allows the Subrecipient to finalize invoices and backup documentation to support the final payment request.

D. The Consortium requires detailed documentation of all costs for which reimbursement is sought under this Agreement ("Supporting Documentation"). The minimum requirements regarding such Supporting Documentation are set forth in **Attachment C, Supporting Documentation Requirements**. Each payment request submitted by the Subrecipient shall be accompanied by sufficient Supporting Documentation substantiating all costs incurred and for which reimbursement is sought, to the satisfaction of the Consortium. In the event the Consortium determines the Supporting Documentation submitted by the Subrecipient is insufficient to enable it to evaluate the allowability and eligibility of costs, the Subrecipient shall furnish additional Supporting Documentation to the satisfaction of the Consortium.

E. Eligible and allowable costs for reimbursement under this Agreement shall be determined in accordance with 31 C.F.R. Part 34, 2 C.F.R. Part 200, the RESTORE Council Financial Assistance Standard Terms and Conditions, and other applicable laws, rules, and regulations.

F. Accounting. Subrecipient's accounting and financial management system shall comply with 2 C.F.R. Part 200, including but not limited to 2 C.F.R. § 200.302 pertaining to financial management. Subrecipient's accounting and financial management system shall be sufficient to permit the preparation of reports required in connection with this Agreement and the tracing of funds to a level of expenditures adequate to establish that such funds have been used pursuant to the terms of this Agreement. Payments to Subrecipient may be contingent upon certification of the Subrecipient's financial management system in accordance with the standards specified in 2 C.F.R. Part 200, including but not limited to 2 C.F.R. § 200.302. Subrecipient must ensure that all sub-subrecipients comply with the provisions of this paragraph.

G. In the event that the Subrecipient recovers costs incurred under this Agreement and reimbursed by the Consortium from another source, the Subrecipient shall reimburse the Consortium for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the Subrecipient to the date repayment is made to the Consortium by the Subrecipient.

H. Retainage. Five percent (5%) of the total amount of RESTORE Act funds obligated to Subrecipient under the Award shall be retained at the end of the Project until the Grant Administrator verifies that all required work provided for under the Award is complete.

SECTION 5. PROCESSING OF REIMBURSEMENT REQUESTS.

A. No more frequently than on a monthly basis, the Subrecipient may request reimbursement from the Consortium for costs incurred under this Agreement for which the Subrecipient is legally obligated to pay. All payment requests shall be submitted using the Payment Request Form made available through the Grant Management Portal located at <https://www.gulfconsortium.org/grant-resources>, and shall be accompanied with sufficient Supporting Documentation (collectively the Payment Request Form and any Supporting Documentation shall hereinafter be referred to as the "Payment Request"). Additionally, at the time of each Payment Request, Subrecipient shall submit a "Progress Report" utilizing a form for same made available through the Grant Management Portal, which shall describe the work performed for which reimbursement is being requested.

B. Within ten (10) days after receipt of the Payment Request, the Consortium shall, in its sole discretion, determine if the Payment Request, or any portion thereof, is acceptable and in strict compliance with the terms of this Agreement. If it is determined there are any errors in the Payment Request or if additional Supporting Documentation is required, the Consortium shall notify the Subrecipient within fifteen (15) days of receipt of such Payment Request. The Subrecipient shall submit a revised Payment Request within ten (10) days of receipt of notice from the Consortium. The Consortium reserves the right to delay or deny any Payment Request containing errors or lacking sufficient Supporting Documentation until such deficiencies are corrected to the satisfaction of the Consortium.

C. Upon determination by the Consortium that the Payment Request is sufficient, the Consortium shall initiate the reimbursement process through the RESTORE Council in accordance with the RESTORE Council Financial Assistance Standard Terms and Conditions and the Consortium's applicable policies and procedures. Within ten (10) days of the Consortium's receipt of the funds subject to the Payment Request from the RESTORE Council, the Consortium shall remit such funds to the Subrecipient.

D. If applicable, program income must be disbursed before the Subrecipient requests funds from the Consortium.

SECTION 6. PAYMENTS TO SUBRECIPIENT SUBJECT TO AVAILABILITY OF FUNDS.

The Consortium's performance and obligation to pay Subrecipient under this Agreement is expressly contingent upon the Consortium's actual receipt of applicable funding from the RESTORE Council. Authorization for continuation and completion of work and payment associated therewith may be rescinded by the Consortium at its discretion, upon proper notice to Subrecipient, if RESTORE Council funds are reduced or eliminated.

SECTION 7. REPORTING REQUIREMENTS.

A. **Financial and Performance Reports.** Subrecipient shall submit biannual financial and performance reports related to the Project on forms provided by the Consortium and made available through the Grant Management Portal, unless a different reporting period is included as a special award condition. Each such financial and performance report shall be submitted no later than twenty (20) days following the completion of the applicable reporting period. If the work to be performed under this Agreement involves construction, restoration, or otherwise consists of tangible improvements to the physical environment, Subrecipient shall include with each performance report project photographs in jpg format and brief explanations of same depicting the current status of the project, which photographs shall be suitable for posting to a project-related website.

B. **Final Project Report.** Within 45 days of the completion of all required work contemplated under the Award, Subrecipient shall submit a "Final Project Report," on a form made available through the Grant Management Portal, in which the Subrecipient shall affirm that to the best of its knowledge and belief the Project has been satisfactorily completed. The Final Project Report shall further include an accounting of all Project expenses and such other information as the Consortium deems necessary to facilitate close out of the Award and permit the Consortium to meet all of its obligations and requirements under such Award.

C. Every publication of material based on, developed under, or otherwise produced under a RESTORE Council financial assistance award, except scientific articles or papers appearing in scientific, technical or professional journals must contain the following disclaimer:

"This [publication/video/etc.] was prepared by [Subrecipient] using Federal funds under award [Federal Award Identification Number] from the RESTORE Council. The statements, findings, conclusions, and recommendations are those of the author(s) and do not necessarily reflect the views of the RESTORE Council.

D. The Subrecipient agrees to provide a copy of any draft report or presentation to the Consortium before making, or allowing to be made, a press release, publication, or other public announcement concerning the final outcome of the FSEP Project that is the subject of this Agreement.

E. Any signage produced with funds from the Award or informing the public about the activities funded in whole or in part by the Award, must first be approved in writing by the Grant Administrator.

F. If the direct and/or indirect purchase of equipment is authorized under section 19 of this Agreement, then the Subrecipient shall comply with the property management requirements set forth in 2 C.F.R. § 200.313. An inventory of all personal property/equipment purchased under this Agreement shall be completed at least once every two (2) years and submitted via the Grant Management Portal no later than January 31st for each year this Agreement is in effect. A final inventory report shall be submitted at the end of the Agreement.

G. Reporting on Real Property. In accordance with 2 C.F.R. § 200.329, The Subrecipient shall complete and submit to the Consortium a report on the status of the real property or interest in real property in which the federal government retains an interest, using a SF-429 Real Property Status Report form annually for the first three years of the Award and thereafter at successive five year intervals until the end of the Estimated Useful Life of the property or time of disposition, whichever is less. All reports shall be submitted within 30 days of the end of the year for which the report is made.

H. Funding Accountability and Transparency Act. Because of the federal funds awarded under this Agreement, the Consortium must comply with the Funding Accountability and Transparency Act of 2006 ("FFATA"). FFATA requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, www.USASpending.gov. Grant recipients awarded a new Federal grant greater than or equal to \$25,000 awarded on or after October 1, 2010, are subject to FFATA. The Subrecipient agrees to assist the Consortium in providing the information necessary, over the life of this Agreement, for the Consortium to comply with its reporting obligations under FFATA.

I. Nonconsumable and/or nonexpendable personal property or equipment that costs \$1,000 or more purchased for the Project by Subrecipient is subject to the requirements set forth in Chapter 274, F.S., Chapter 69I-73, F.A.C., and , 2 C.F.R. Part 200 (for equipment in excess of \$5,000), as applicable. The Subrecipient shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Subrecipient shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

SECTION 8. INDEMNIFICATION.

Each Party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents, within the limits prescribed by law. However, nothing contained herein shall constitute a waiver by either Party of its sovereign immunity or the provisions of section 768.28, F.S.

SECTION 9. DEFAULT; TERMINATION; FORCE MAJEURE.

A. Termination for Cause.

1. By Consortium. The Consortium may terminate this Agreement for cause at any time if any covenant, warranty, or representation made by Subrecipient in this Agreement

or in its application for funding submitted to the Consortium shall at any time be false or misleading in any respect, or in the event of the failure of the Subrecipient to comply with the terms and conditions of this Agreement. Prior to termination, the Consortium shall provide fifteen (15) days written notice of its intent to terminate and shall provide the Subrecipient an opportunity to consult with the Consortium regarding the reason(s) for termination.

2. By Subrecipient. Subrecipient may terminate this Agreement for cause at any time if the Consortium fails to fulfil any of its responsibilities or obligations under this Agreement. Prior to termination, Subrecipient shall provide fifteen (15) days written notice of its intent to terminate setting forth the reasons for such termination, and shall provide the Consortium an opportunity to consult with the Subrecipient regarding the reasons for termination.

B. Termination for Convenience. This Agreement may be terminated for convenience upon mutual agreement of the Parties. In such event, both Parties shall enter into a separate agreement governing the termination conditions, including, but not limited to, the effective date thereof.

C. Force Majeure. If a force majeure event occurs that causes delays or the reasonable likelihood of delay in the fulfillment of the requirements of this Agreement, the Subrecipient shall promptly notify the Grant Administrator in writing of the anticipated length and cause of the delay, the measures taken or to be taken to minimize the delay and the Subrecipient's intended timetable for implementation of such measures. If the Parties agree that the delay or anticipated delay was caused, or will be caused by a force majeure, the Consortium may, at its discretion, extend the time for performance under this Agreement for a period of time equal to the delay resulting from the force majeure upon execution of an amendment to this Agreement. Such agreement shall be evidenced by an Amendment to the Agreement in accordance with Section 27 hereof. For purposes of this Agreement, "force majeure event" shall be defined as shall be an act of God, strike, lockout, or other industrial disturbance, act of the public enemy, war, blockade, public riot, lightning, fire, flood, explosion, failure to receive timely necessary third party approvals through no fault of the Subrecipient, and any other cause, whether of the kind specifically enumerated herein or otherwise, that is not reasonably within the control of the Subrecipient and/or the Consortium. Failure to perform by the Subrecipient's consultant(s) or subcontractor(s) shall not constitute a force majeure event.

D. Effect of Termination. Costs incurred by the Subrecipient after termination of this Agreement shall not be reimbursable unless expressly authorized by the Consortium prior to the effective date of termination, or otherwise allowable pursuant to 2 C.F.R. §200.342.

SECTION 10. REMEDIES; FINANCIAL CONSEQUENCES.

A. In the event that a deliverable or milestone to be performed under this Agreement is deemed unsatisfactory by the Consortium, the Subrecipient shall re-perform the services needed for submittal of a satisfactory deliverable, at no additional cost to the Consortium, within twenty (20) days of being notified of the unsatisfactory deliverable, or within such other timeframe as is specified in writing by the Grant Administrator. If a satisfactory deliverable is not submitted within the specified timeframe, the Consortium may, in its sole discretion, either: 1) terminate this

Agreement for failure to perform, or 2) the Consortium Grant Administrator may, by written notice specifying the failure of performance under this Agreement, request that a proposed Corrective Action Plan (CAP) be submitted by the Subrecipient to the Consortium. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days from the Consortium's approval of the CAP.

1. A CAP shall be submitted within ten (10) days of the date of the letter request from the Consortium. The CAP shall be sent to the Consortium Grant Administrator for review and approval. Within ten (10) calendar days of receipt of a CAP, the Consortium shall notify the Subrecipient in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the Subrecipient shall have ten (10) days from receipt of the Consortium letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the Consortium approval of a CAP as specified above may result in the Consortium's termination of this Agreement for cause as authorized in this Agreement.

2. Upon the Consortium's notice of acceptance of a proposed CAP, the Subrecipient shall have ten (10) days to commence implementation of the accepted plan. Acceptance of the proposed CAP by the Consortium does not relieve the Subrecipient of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Subrecipient, the Consortium shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by the Consortium or steps taken by the Subrecipient shall preclude the Consortium from subsequently asserting any deficiencies in performance. The Subrecipient shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the Consortium as requested by the Consortium Grant Administrator.

3. Failure to respond to a Consortium request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by the Consortium may result in termination of the Agreement.

The remedies set forth above are not exclusive and the Consortium reserves the right to exercise other remedies in addition to or in lieu of those set forth above, as permitted by this Agreement or as otherwise available at law or in equity.

B. If the Subrecipient materially fails to comply with the terms and conditions of this Agreement, including any federal or state statutes, rules, policies, or regulations, applicable to this Agreement, the Consortium may, in its sole discretion, take one or more of the following actions:

1. Temporarily withhold cash payments to the Subrecipient pending correction of the deficiency by the Subrecipient or more severe enforcement action by the RESTORE Council or the Consortium.

2. Disallow (i.e. deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

3. Wholly or partly suspend or terminate this Agreement.

4. Initiate suspension or debarment proceedings as authorized under 2 C.F.R. Part 180 and RESTORE Council regulations (or in the case of the Consortium, recommend such a proceeding be initiated by the RESTORE Council).

5. Withhold future requests for reimbursement to Subrecipient under any other Agreement between the Parties providing for the subaward of funds from the Trust Fund for the implementation of an FSEP project or withhold future FSEP project implementation sub-awards to the Subrecipient.

6. Demand a refund, either in whole or in part, of the funds provided to the Subrecipient under this Agreement for non-compliance with the material terms of this Agreement. The Subrecipient, upon such written notification from the Consortium shall refund, and shall forthwith pay to the Consortium, the amount of money demanded by the Consortium. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the Consortium by the Subrecipient to the date repayment is made by the Subrecipient to the Consortium.

7. Take other remedies that may be legally available.

8. Costs of the Subrecipient resulting from obligations incurred by the Subrecipient during a suspension or after termination of the Agreement are not allowable unless the Consortium expressly authorizes them in the notice of suspension or termination. Other Subrecipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if the following apply:

a. The costs result from obligations which were properly incurred by the Subrecipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of termination, are non-cancellable; and

b. The cost would be allowable if the Agreement were not suspended or expired normally at the end of the funding period in which the termination takes place.

C. RESTORE Act-Specific Remedy for Noncompliance. In addition to the remedies available in the paragraphs above, the Subrecipient is subject to the RESTORE Act-specific remedies for noncompliance outlined in the RESTORE Council Financial Assistance Standard Terms and Conditions, incorporated into the Financial Assistance Award and made a part hereof.

D. Federal Clawbacks. In the event RESTORE Council, Department of the Treasury, or such other Federal entity having jurisdiction demands the return of funds paid to Subrecipient pursuant to this Agreement following a Federal audit or otherwise for any reason, including but not limited to situations where costs paid with such funds were determined to be ineligible or unallowable under the Award, Subrecipient shall be solely liable for any such amounts and shall return the full amount of the funds in question to the Consortium promptly upon demand. If Subrecipient fails to comply with its obligation to return funds pursuant to this paragraph, the

Consortium may pursue any or all of the following remedies: (1) withhold future requests for reimbursement to Subrecipient under this Agreement or any other Agreement between the Parties providing for the subaward of funds from the Trust Fund; (2) deduct funds allocated to the Subrecipient for use on future FSEP implementation projects; (3) pursue any other remedy described in paragraph (B) above or available at law or in equity.

E. The Parties acknowledge and agree that the remedies provided in this Section 10 are separate and apart from the indemnification provisions set forth in Section 8 hereof and that sovereign immunity shall not be a defense to any of the contractual obligations imposed on the Parties in this Section.

SECTION 11. AUDITS.

A. In the event that the Subrecipient expends Seven Hundred Fifty Thousand Dollars (\$750,000.00) or more in Federal awards in its fiscal year, the Subrecipient must have a single or program-specific audit conducted within nine (9) months of the end of the Subrecipient's audit period, in accordance with the provisions of 2 C.F.R. Part 200. In determining the Federal awards expended in its fiscal year, the Subrecipient shall consider all sources of Federal awards, including Federal resources received from the Consortium. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by 2 C.F.R. Part 200. An audit of the Subrecipient conducted by the Auditor General in accordance with the provision of 2 C.F.R. Part 200 will meet the requirements of this part.

B. If the Subrecipient expends less than Seven Hundred Fifty Thousand Dollars (\$750,000.00) in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of 2 C.F.R. Part 200, as revised, is not required for that year, except as noted in 2 C.F.R. § 200.503. In the event that the Subrecipient expends less than Seven Hundred Fifty Thousand Dollars (\$750,000.00) in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 C.F.R. Part 200, as revised, the cost of the audit must be paid from non-Federal resources. In accordance with 2 C.F.R. § 200.501(d), records must be available for review or audit by appropriate officials of the RESTORE Council, Consortium, and Government Accountability Office (GAO).

C. The Consortium may issue a decision on any audit findings contained within the Subrecipient's audit report including direction to Subrecipient on any corrective action that must be taken in response to same. Subrecipient's failure to have an audit conducted in accordance with this Section or failure to implement corrective action in response to any audit findings may result in the Consortium's imposition of remedies as provided in Section 10 hereof.

D. In addition to reviews of audits conducted in accordance with 2 C.F.R. Part 200, monitoring procedures under this Agreement may include, but not be limited to, on-site visits by the Consortium; limited-scope audits as defined by 2 C.F.R. Part 200; submittal and review of financial management statements; and/or other procedures. By entering into this Agreement, the Subrecipient agrees to comply and cooperate with any reasonable monitoring procedures/processes deemed appropriate by the Consortium. In the event the Consortium determines that a limited-scope audit of the Subrecipient is appropriate, the Subrecipient agrees to

comply with any additional instructions provided by the Consortium to the Subrecipient regarding such audit. The Subrecipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Consortium.

SECTION 12. SUBCONTRACTS; PROCUREMENT; SUBAWARDS.

A. All procurements of property (as defined in 2 C.F.R. § 200.81) and services, including the procurement of subcontractors, by Subrecipient under this Agreement shall comply with 2 C.F.R. §§ 200.318-326, Appendix II to 2 C.F.R. Part 200 pertaining to contract provisions for non-federal entity contracts under federal awards, the Florida Competitive Consultant Negotiation Act, Section 287.055, Florida Statutes (as applicable), the Gulf Consortium Subrecipient Policy (available at <https://www.gulfconsortium.org/>), and all other applicable provisions of state and federal law.

B. In procuring goods and services under this Agreement, the Subrecipient shall use its own documented procurement procedures, provided that such procurements conform to applicable state and federal law. Subrecipient shall provide the Consortium with drafts of all procurement documents (i.e. legal advertisement, solicitation package, specifications/scope of services, etc.) for review prior to release of the procurement.

C. Consistent with 2 C.F.R. §200.308(c)(6), unless described in the Award, the subcontracting of any work to be performed in connection with the Project requires prior written approval by the Consortium. All proposed procurement and solicitation documents for the subcontracting of any work to be performed in connection with the Project shall be submitted to the Consortium for review. The Subrecipient shall submit a copy of the executed subcontract and documentation of the competitive procurement process pursuant to which the subcontractor was selected (e.g. invitation to bid, request for proposal, etc.) to the Consortium prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Subrecipient is ultimately responsible for all work performed under this Agreement. The Subrecipient agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the Subrecipient that the Consortium shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Subrecipient shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

D. Required Notice in Procurements. The Subrecipient shall include the following notice in each request for applications, proposals, or bids for a subaward, contract, or subcontract, as applicable, under this Agreement:

Applicants or bidders for a lower tier covered transaction (except procurement contracts for goods and services under \$25,000 not requiring the consent of a Council official) are subject to 2 C.F.R. Part 180, "OMB Guidelines to Agencies on Government-wide Debarment and Suspension (Nonprocurement)." In addition, applicants or bidders for a lower tier covered transaction for a subaward, contract, or subcontract greater than \$100,000 of Federal

funds at any tier are subject to relevant statutes, including among others, the provisions of 31 U.S.C. 1352, as well as the common rule, "New Restrictions on Lobbying," published at 55 FR 6736 (February 26, 1990), including definitions, and the Office of Management and Budget "Governmentwide Guidance for New Restrictions on Lobbying," and notices published at 54 FR 52306 (December 20, 1989), 55 FR 24540 (June 15, 1990), 57 FR 1772 (January 15, 1992), and 61 FR 1412 (January 19, 1996)

E. Subcontract Monitoring. The Subrecipient shall monitor all subcontracted services on a regular basis to assure contract compliance. Results of monitoring efforts shall be summarized in written reports maintained by the Subrecipient and supported with documented evidence of follow-up actions taken to correct areas of noncompliance, where applicable. Such summaries and documents shall be submitted to the Consortium upon request.

F. Recused Entities. Subrecipient acknowledges and represents that it is aware that certain persons and/or entities (the "Recused Entities") are expressly prohibited by contract and under the express terms of Section III. C., of the FSEP from participating in the implementation of any FSEP project, program, or activity, including the Project that is the subject of this Agreement. Subrecipient acknowledges and agrees that to the extent it contracts, whether directly or indirectly, with any such Recused Entity for the performance of work under this Agreement, the Subrecipient does so solely at its own risk and any costs incurred by the Subrecipient related to work performed by a Recused Entity shall be ineligible for cost reimbursement.

G. The Subrecipient and/or the subcontractor shall not sub-grant or sub-contract any part of the approved Project to any agency or employee of the RESTORE Council and/or any other Federal department, agency, or instrumentality without the Consortium's prior written approval.

H. Affirmative Action. The Consortium supports diversity in its procurement program and requires that all subcontracting opportunities afforded by this Agreement embrace and encourage diversity. The Subrecipient's award of subcontracts should reflect the diversity of the citizens of the State of Florida. In accordance with 2 C.F.R. § 200.321, the Subrecipient and its subcontractors must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. The Subrecipient agrees to use affirmative steps, and to require its subcontractors and sub-subrecipients to utilize affirmative steps, to ensure that minority businesses and women's business enterprises are used when possible. Such affirmative steps shall at a minimum include:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses and women's business enterprises;

4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, or women's business enterprises;

5. Utilizing services and assistance, as appropriate, of such organizations as the Small Business Administration, the Minority Business Development Agency of the Department of the Commerce, the Florida Department of Management Services (Office of Supplier Diversity), the Florida Department of Transportation, Minority Business Development Center, and Local Government M/DBE programs; and

6. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed above in (1) through (5).

7. As used herein, the term "minority and women business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. Prior to award of any subcontract under this Agreement, Subrecipient shall document its efforts made to comply with the requirements of this paragraph. The Subrecipient shall state that it is an Equal Opportunity or Affirmative-Action employer in all solicitations or advertisements for subcontractors or employees who shall perform work under this Agreement.

I. Equal Opportunity. During the performance of this Agreement, the Subrecipient agrees as follows:

1. The Subrecipient will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Subrecipient will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Subrecipient agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

2. The Subrecipient will, in all solicitations or advertisements for employees placed by or on behalf of the Subrecipient, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3. The Subrecipient will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has

access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Subrecipient's legal duty to furnish information.

4. The Subrecipient will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the Subrecipient's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5. The Subrecipient will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6. The Subrecipient will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7. In the event of the Subrecipient's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the Subrecipient may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8. The Subrecipient shall include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each sub-subrecipient or vendor. The Subrecipient will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event the Subrecipient becomes involved in, or is threatened with, litigation with a sub-subrecipient or vendor as a result of such direction, the Subrecipient may request the United States to enter into such litigation to protect the interests of the United States.

J. Sub-Awards. The Subrecipient shall not make sub-awards under this Agreement unless expressly contemplated and approved in the Award (including identification of the sub-awardee) or without the prior express written approval of the Consortium. In making sub-awards under this Agreement, Subrecipients shall comply with all applicable rules,

regulations, policies, and requirements applicable to sub-awards made by subrecipients, including but not limited to those contained in 31 C.F.R. Part 34, 2 C.F.R. Part 200, the RESTORE Council's Financial Assistance Standard Terms and Conditions, and the Consortium's Subrecipient Policy. All sub-awardees under this Agreement shall be subject to the same performance, financial, and reporting requirements as the Subrecipient.

K. Prompt Payment Act. As described in Sections 4 and 5 hereof, Subrecipient agrees and acknowledges that payments made under this Agreement are from federal funds and contingent upon prior approval as to the allowability and eligibility of the costs for which payment is requested by both the Consortium and the RESTORE Council. Where applicable, Subrecipient is encouraged to include appropriate provisions regarding its obligations under chapter 218, Part VII, Florida Statutes, the Local Government Prompt Payment Act, stating that payment to subcontractors is contingent on receipt of federal funds or federal approval.

L. Scrutinized Companies. Subrecipient agrees to observe the requirements of Section 287.135, F.S., for applicable subcontracts and subgrants entered into for the performance of work under this Agreement.

SECTION 13. CLOSEOUT.

A. The Consortium will close out the Award when it determines that all applicable administrative actions and all required work for this Award have been completed. Unless an extension is approved by the Consortium, within 45 days after the end of the Project Completion Date, the Subrecipient must submit any outstanding reports, including the Final Project Report, as well as any required reporting on sub-awards, and must refund to the Consortium any balances of unobligated cash that the Consortium paid in advance or paid and that is not authorized to be retained by the Subrecipient entity for use in other projects. Within 30 days after receipt of all outstanding reports, the Consortium will make upward or downward adjustments to the allowable costs, and then make prompt payments to Subrecipient for remaining allowable reimbursable costs. The closeout of this award does not affect any of the following:

1. The right of the Consortium or RESTORE Council to disallow costs and recover funds on the basis of a later audit or other review;
2. The obligation of the Subrecipient to return any funds due as a result of later refunds, corrections, or other transactions including final indirect cost rate adjustments; or
3. The Subrecipient's obligations regarding audits, property management and disposition (if applicable), and records retention.

B. Unless an extension is approved by the Consortium, within 90 days after the end of the Project Completion Date, the Subrecipient must liquidate all obligations incurred under this Award.

SECTION 14. LOBBYING PROHIBITION; CONFLICTS OF INTEREST.

The Subrecipient agrees to comply with, and include in subcontracts and subawards, the following provisions:

A. The Subrecipient certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the Subrecipient, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

B. The Subrecipient certifies that no funds provided under this Agreement have been used or will be used to engage in the lobbying of the Federal Government or in litigation against the United States unless authorized under existing law.

C. Pursuant to 2 C.F.R. §200.450 and 2 C.F.R. §200.454(e), the Subrecipient is hereby prohibited from using funds provided by this Agreement for membership dues to any entity or organization engaged in lobbying activities.

D. If this Agreement is for more than \$100,000, and if any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities."

E. Hatch Act. In accordance with the provisions of the Hatch Act (5 U.S.C. 1501-1508 and 7324-7328), no funds provided, nor personnel employed under this Agreement, shall be in any way or any extent engaged in the conduct of political activities.

F. Conflict of Interest.

1. The Subrecipient shall comply with Section III. C., of the FSEP entitled "Conflict of Interest" in its performance of this Agreement.

2. The Subrecipient shall not employ or retain any person or entity with a financial interest in the Project. The Subrecipient shall not employ, retain, or otherwise grant any financial interest in the Project to any person employee, agent, consultant, officer, or elected or appointed official of the Subrecipient who may exercise or have exercised any functions or responsibilities with respect to the Project, or who are in a position to participate in a decision-making process or gain inside knowledge to the Project, either for themselves or anyone with whom they have business or immediate family ties. The Subrecipient must disclose in writing any potential conflict of interest to the Consortium immediately upon becoming aware of same.

SECTION 15. COMPLIANCE WITH LAWS.

The Subrecipient shall comply with all applicable federal, state and local laws, rules, and regulations, and Consortium policies and regulations in performing under this Agreement, including but not limited to the federal laws, regulations rules, policies, and executive orders described in **Attachments D-1, D-2, and D-3** hereto. The failure of this Agreement to specifically reference a particular federal or state law or regulation, or policy or regulation of the Gulf Consortium, shall not excuse Subrecipient from compliance with same to the extent such law, regulation, or policy is applicable to Subrecipient's performance of the Project. The Subrecipient further agrees to include this provision in all subcontracts entered into under this Agreement.

SECTION 16. NOTICE.

All notices and written communication between the Parties shall be sent by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered two (2) days after transmission by electronic mail (or when receipt is otherwise acknowledged), on the date specified in a courier service delivery receipt or other mail service delivery receipt, or when receipt is acknowledged by recipient. Any and all notices required by this Agreement shall be delivered to the Parties at the addresses identified under paragraph 17. This Section shall not preclude routine communication by the Parties by other means.

SECTION 18. INSURANCE.

A. Providing and maintaining adequate insurance coverage is a material obligation of the Subrecipient. This insurance must provide coverage for all reasonably foreseeable claims that

may arise from the performance of the work specified under this Agreement, whether such work is performed by the Subrecipient, any sub-subrecipient, or Subrecipient's contractors. The Subrecipient shall be responsible for determining the specific kinds and limits of coverage to be carried by the Subrecipient, subject to the provisions of this Agreement including any special conditions attached hereto, and all applicable state and Federal laws and regulations.

B. Subrecipient shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired or improved with Federal funds pursuant to this Agreement as provided to property owned by the non-Federal entity. Federally-owned property need not be insured unless expressly required by the terms and conditions of the Financial Assistance Award.

SECTION 19. REAL PROPERTY; EQUIPMENT.

A. Real property or an interest in real property may not be acquired under this Agreement unless expressly authorized in the Award or otherwise approved in writing by the Consortium and the RESTORE Council.

B. The Subrecipient shall not mortgage or otherwise encumber title to the property of the Project by utilizing it as collateral for any type of lien, note, mortgage, debt obligation, or security agreement without prior written approval by the Consortium. The Subrecipient shall not subject the title to such property to any liens or grants; the making of any federal loan; the entering into of any cooperative agreement; or to the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement without prior written approval from the Consortium.

C. For projects involving acquisition of an interest in real property, Subrecipient acknowledges and shall comply with 2 C.F.R. § 200.311 and the RESTORE Council Financial Assistance Standard Terms and Conditions related to Real Property, including, but not limited to the section entitled "Property Standards." Pursuant to same, except as otherwise expressly authorized by the Consortium, real property acquired under this Agreement must be used for the originally authorized purpose as long as needed for that purpose, during which time the Subrecipient entity must not dispose of or encumber its title or any other interest therein.

D. Subrecipient's acquisition, use, management, and disposition of equipment under this Agreement shall be in compliance with 2 C.F.R. §§ 200.313 and 200.439 and RESTORE Council Financial Assistance Standard Terms and Conditions related to Real Property, including, but not limited to the section entitled "Property Standards."

SECTION 20. UNAUTHORIZED EMPLOYMENT.

The employment of unauthorized aliens by any Subrecipient/subcontractor is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the Subrecipient/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Subrecipient shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

SECTION 21. NON-DISCRIMINATION.

A. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in, be denied the proceeds or benefits of, or be otherwise subjected to discrimination in performance of this Agreement. Subrecipient and its subcontractors shall comply with the all federal and state laws, rules, regulations, policies and executive orders relating to non-discrimination, including but not limited to those contained in **Attachment D-2, Federal Non-Discrimination Provisions.**

B. An entity or affiliate who has been placed on the State of Florida's discriminatory vendor list may not submit a bid on a contract to provide goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a contractor, supplier, subcontractor, or consultant under contract with any public entity, and may not transact business with any public entity. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and posts the list on its website, https://www.dms.myflorida.com/business_operations/state_purchasing/vendor_information/convicted_suspended_discriminatory_complaints_vendor_lists.

SECTION 22. DEBARMENT/SUSPENSION.

In accordance with Presidential Executive Order 12549, Debarment and Suspension (2 C.F.R. Part 180), the Subrecipient agrees and certifies that neither it, nor its principals, is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency; and, that the Subrecipient shall not enter into any lower tier contract, or other covered transaction, with a person who is similarly debarred or suspended from participating in this covered transaction, unless authorized in writing by the RESTORE Council to the Consortium. The Subrecipient is responsible for reviewing the status of all proposed subcontractors and sub-awardees in the System for Award Management (SAM) at <https://sam.gov/SAM/> before entering into any subcontract or sub-award under this Agreement. The Subrecipient shall include language incorporating the requirements of this section in all subcontracts or lower tier agreements executed to support the Subrecipient's work under this Agreement.

SECTION 23. COPYRIGHT, PATENT, AND TRADEMARK.

The RESTORE Council and the Consortium reserve a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for federal and Consortium purposes:

A. The copyright in any work developed under this Award, including pursuant to any sub-award or subcontract.

B. Any right or copyright to which a Subrecipient, sub-subrecipient, or a contractor purchases ownership with funds pursuant to this Award.

C. All patent rights, copyrights and data rights must be in accordance with 2 C.F.R. §200.315 and 37 C.F.R. Part 401, as applicable.

SECTION 24. SPECIAL CONDITIONS.

In accordance with 2 C.F.R. §§ 200.205 and 200.207, the Consortium may impose certain special award conditions on Subrecipient where warranted. Subrecipient shall comply with all special conditions applicable to this Agreement as set forth in **Attachment B, Special Award Conditions**.

SECTION 25. ENVIRONMENTAL COMPLIANCE.

Subrecipient shall comply with the Federal environmental statutes, regulations, and executive orders described in **Attachment D-3, Environmental Compliance**, as applicable, in its performance of this Agreement. Additionally, if the Subrecipient becomes aware of any impact on the environment that was not noted in the Subrecipient's approved application package, Subrecipient must promptly notify the Consortium.

SECTION 26. PHYSICAL ACCESS AND INSPECTION.

As applicable, Consortium agents and personnel shall be given access to and may observe and inspect work being performed under this Agreement, including by any of the following methods:

A. Subrecipient shall provide access to any location or facility on which Subrecipient or any of its subcontractors are performing work, or storing or staging equipment, materials or documents;

B. Subrecipient shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and

C. Subrecipient shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

SECTION 27. AMENDMENTS/MODIFICATIONS.

A. Change Orders. A Change Order to this Agreement is required when the cumulative transfer of funds from approved budget categories, as described in the approved Project budget contained within the Financial Assistance Award, is less than ten percent (10%) of the total budget. All Change Orders are subject to the mutual agreement of both Parties as evidenced in writing. The Grant Administrator shall be authorized to approve Change Orders on behalf of the Consortium.

B. Amendment. Amendment of this Agreement is required for changes which cause any of the following: an increase or decrease in the Agreement funding amount; a change in the Project Completion Date; changes to the cumulative amount of funding transfers between approved budget categories contained within the Financial Assistance Award exceeds or is expected to exceed ten percent (10%) of the total budget; or any other modification to this Agreement not otherwise described in paragraph A. above for which a Change Order would be appropriate. All Amendments are subject to the mutual agreement of both Parties as evidenced in writing. The Parties further acknowledge and agree that Amendments to this Agreement impacting the Award may also require prior written approval of the RESTORE Council.

SECTION 28. PERMITS.

The Subrecipient expressly acknowledges that receipt of this grant does not imply or guarantee that a federal, state or local permit will be issued for a particular activity. Further, the Subrecipient agrees to ensure that all necessary permits are obtained prior to implementation of any grant funded activity that may fall under applicable federal, state or local laws.

SECTION 29. RECORDS; ACCESS TO RECORDS AND PERSONNEL.

A. Subrecipient shall retain all records generated under this Agreement in accordance with 2 C.F.R. § 200.333.

B. Subrecipient shall comply with the Florida Public Records Law, codified at Chapter 119, F.S. Records made or received in conjunction with this Agreement are public records under Florida law. Subrecipient shall keep and maintain public records generated by the Subrecipient in association with its performance of this Agreement.

C. This Agreement may be unilaterally canceled by the Consortium for refusal by the Subrecipient to either provide to the Consortium upon request, or to allow inspection and copying of, all public records made or received by the Subrecipient in conjunction with this Agreement and subject to disclosure under Chapter 119, F.S.

D. IF THE SUBRECIPIENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE SUBRECIPIENT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CONSORTIUM'S CUSTODIAN OF PUBLIC RECORDS by telephone at (407) 629-2185, by email at Gulf.Consortium@balmoralgroup.us, or at the mailing address below.

E. The Subrecipient acknowledges and agrees that the Consortium, the RESTORE Council, the U.S. Department of Treasury, the Treasury Office of Inspector General, the Comptroller General of the United States (Government Accountability Office (GAO)), or their authorized representatives, shall have timely and unrestricted access to any pertinent books, documents, papers, and records, whether written, printed, recorded, produced, or reproduced by any electronic, mechanical, magnetic, or other process or medium, in order to make audits, inspections, investigations, excerpts, transcripts, or other examinations as authorized by law. This also includes timely and reasonable access to the Subrecipient's personnel for the purpose of interview and discussion related to such documents. In the event any work is subgranted or subcontracted, the Subrecipient shall similarly require each sub-subrecipient and subcontractor to maintain and allow access to such records for audit purposes.

F. The Consortium, RESTORE Council, the U.S. Department of Treasury, the Treasury Office of Inspector General, the Comptroller General of the United States (GAO), or their authorized representatives shall have the right during normal business hours to conduct announced and unannounced onsite and offsite physical visits of the Subrecipient and their subcontractors corresponding to the duration of their records retention obligation for this award.

G. The rights of access in this Section are not limited to the required retention period for the applicable records but last as long as the records are retained.

^S
H. The Subrecipient agrees that if any litigation, claim, or audit is started before the expiration of the record retention period established above, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

SECTION 30. MISCELLANEOUS.

A. Assignment. No assignment, delegation, transfer, or novation of this Agreement, or any part hereof, may be made unless in writing and signed by both Parties.

B. Execution in Counterparts. This Agreement, and any Amendments or Change Orders thereto, may be executed in multiple counterparts, each of which together shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by email delivery of a “.pdf” format data file, such signature shall create a valid and binding obligation of the Party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or “.pdf” signature page were an original thereof.

C. Interpretation; Severability. This Agreement shall be construed in accordance with the laws of the State of Florida. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

D. Entire Agreement; Joint Preparation. This Agreement represents the entire agreement of the Parties. Any alterations, variations, changes, modifications or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, duly signed by each of the Parties hereto, and attached to the original of this Agreement, unless otherwise provided herein. The Parties represent and agree that they have jointly negotiated this Agreement and have had the opportunity to consult with and be represented by their own competent counsel. This Agreement is therefore deemed to have been jointly prepared by the Parties and no part hereof shall be construed more severely against one of the Parties than the other.

E. Venue. Venue for any litigation arising from this Agreement shall be in Leon County, Florida or if an action is brought in Federal Court, the United States District Court for the Northern District of Florida, Tallahassee Division.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be duly executed, the day and year last written below.

Special Award Conditions

1. Non-Duplicative Use of RESTORE Act Funds

The Recipient will not seek any compensation for the approved project from any other funding source, including without limitation the Oil Spill Liability Trust Fund. Should such funding be received, the recipient will immediately notify the Grants Officer in writing. If the Recipient is authorized to make subawards, the Recipient will not use RESTORE Act funds to make subawards to fund any activities for which claims were filed with the Oil Spill Liability Trust Fund after July 6, 2012.

2. Grant Project Performance and Financial Reporting

The Recipient must submit project performance reports through the Council's Program Information Platform for Ecological Restoration (PIPER) or any successor system on an annual basis during the period of performance. Financial reports must be submitted through GrantSolutions or any successor system also on an annual basis. Performance and financial reports covering the annual reporting period will be due 60 calendar days after the end of the annual reporting period specified in the Award. Final performance and financial reports that summarize the activities and findings of the Award are due 120 calendar days after the end of the period of performance. This special award condition (SAC) supersedes section C.01.a of the RESTORE Council Financial Assistance Standard Terms and Conditions dated August 2015, which states that financial reports are due on a semi-annual basis. Please see the Reporting Schedule located on a following page for the reporting period and due dates of performance and financial reports to be submitted as part of this Award.

3. Observational Data Management and Delivery

A. Data Sharing:

All data compiled, collected, or created under this Award must be reported to the Council on a yearly basis and be publicly visible and accessible in a timely manner, free of charge or at minimal cost to the user that is no more than the actual cost of distribution to the user, except where limited by law, regulation, policy, or national security requirements. Data are to be made available in a form that would permit further analysis or reuse, i.e., data must be encoded in a machine-readable format, using existing open format standards; and data must be sufficiently documented, using open metadata standards, to enable users to independently read and understand the data (for example, a PDF version of observational data is not a valid data delivery format). The public-facing, anonymously accessible data location (internet URL address) of the data should support a service-oriented architecture to maximize sharing and reuse of structured data and be included in the Performance Report. Data should undergo quality control (QC) and a description of the QC process and results should be referenced in the metadata. Publicly available ISO-compliant metadata record(s) of the project data must be provided and approved prior to closeout of the Award.

B. Timeliness:

NOTICE OF AWARD (Continuation Sheet)

PAGE 3 of 11	DATE ISSUED 06/24/2024
GRANT NO. GNSSP24FL0057-01-00	

Data must be provided to the Council on a yearly basis, and the public must be given access to data no later than two years after the data are first collected and verified, or no later than six months after the end date of the period of performance set out in the Award, whichever first occurs.

C. Author statement:

Data produced under this Award and made available to the public must be accompanied by the following statement: "The [report, presentation, video, etc.] and all associated data and related items of information were prepared by [recipient name] under Award No. [number] from the Gulf Coast Ecosystem Restoration Council (RESTORE Council). The data, statements, findings, conclusions, and recommendations are those of the author[s] and do not necessarily reflect any determinations, views, or policies of the RESTORE Council."

D. Failure to Share Data:

Failing or delaying to make data accessible in accordance with the submitted data management information and the terms hereof may lead to enforcement actions and be considered by the Council when making future award decisions. Funding recipients are responsible for ensuring that these conditions are also met by subrecipients and subcontractors.

E. Data Citation:

Publications based on data, and new products derived from source data, must cite the data used according to the conventions of the Publisher and use Digital Object Identifiers (DOIs), if available. All data and derived products that are used to support the conclusions of a publication must be made available in a form that permits verification and reproducibility of the results.

F. Final Project Geographic Information System (GIS) files:

As appropriate to project deliverables, final updated project boundaries, footprints, and features must be provided to the Grants Office no later than the submission of the final Performance Outcome Report. Where more detailed project features are developed (for example, during the engineering and design phase if additional features are identified within the project boundary), or project boundaries change during project planning or implementation, these updated boundaries and the appropriate feature attributes must be provided. These files must be geospatial in nature (acceptable formats are SHP, GDB, or DGN) and contain projection information and complete ISO-compliant metadata.

4. Updates to the Observational Data Plan

The Recipient will update the Data Management Plan to include any plan details listed as “Not available (N/A)” or “To be determined (TBD),” or that are in other ways left unspecified in the current version of the Data Management Plan. Updated plan details will include specific start and end dates that accurately reflect the period of observational data collection. The recipient must deliver updated plans to the Council at least annually until all “N/A,” “TBD” and unspecified items are provided, and must correct any inaccuracies until all information is final. The first updated plan must include time-frames for providing any missing information. Updated plans provided to the Council must conform to the structure of the template provided on the Council website. If the template instructs the recipient to incorporate data management information into an electronic Observational Data Plan (eODP), the eODP will act as both the Observational Data Plan and Data Management Plan for award purposes.

5. Pre-Award Costs

This Award contains pre-award costs in accordance with 2 CFR 200.458, in the amount of \$10,250, as described in the Budget Narrative below, for expenditures related to the preparation of the grant application during the period May 25, 2022 through the date of issuance of the Award.

6. Documentation Requirements for Pre-Award Costs

This Award contains pre-award costs in accordance with 2 CFR 200.458, in the amount of \$10,250, as described in the Budget Narrative below, beginning on May 25, 2022 through the date of the issuance of this Award. Pre-award costs are to be used for application preparation. The Recipient is not authorized to draw down funds for reimbursement of pre-award costs without written approval from the Grants Office. To obtain written approval, the recipient must submit documentation which supports the pre-award costs incurred. At a minimum, the following documentation, as applicable, must be provided:

- Summary of pre-award costs for which approval is requested, including amount in each applicable budget object class; and
- Invoice – for a pre-award cost item procured by the Recipient or billed by a subrecipient or contractor; or
- Other supporting documentation – for a pre-award cost item that the Recipient incurred directly (for example, time sheets to support personnel costs).

Documentation must clearly designate each item of cost for which approval is requested and show a clear relationship to the approved scope of work and budget of the Award.

GRANT NO. GNSSP24FL0057-01-00	

Supplemental Construction And Improvements To Real Property Terms

A. Estimated Useful Life and Federal Interest in Project Property

Property that is acquired or improved, in whole or in part, with federal assistance is held in trust by the recipient or subrecipient, as specified in the award, for the purpose(s) for which the award was made for the estimated useful life. See 2 CFR § 200.316. The estimated useful life of the program or individual project or activity is defined as the period of years that constitutes the expected useful lifespan of the program, project or activity, as estimated by the recipient and agreed to by the Council, during which the Council anticipates obtaining the benefits pursuant to award purposes authorized by the RESTORE Act. If the estimated useful life is provided in the recipient's application, the Grants Office's issuance of the award represents its concurrence with the recipient's proposed estimated useful life.

The recipient's obligation to the Council continues for the estimated useful life. At its discretion, the Council Grants Office may waive the requirements to establish an estimated useful life for an ecosystem restoration project.

The recipient or subrecipient shall not engage in any of the following "Unauthorized Transactions" without the prior written approval of the Council's Grants Officer:

- 1) Sell, lease, transfer, assign, convey, hypothecate, mortgage, dispose of, or otherwise convey or encumber any interest in the property;
- 2) Use project property for purposes other than award purposes; or
- 3) Fail to comply with the terms and conditions of this award or any of the federal laws and regulations, Council policies, Executive Orders, or OMB Circulars that are incorporated into the terms and conditions of this Award.

Throughout the estimated useful life, the Council retains an undivided equitable interest in the property, sometimes referred to as the "federal interest." See 2 CFR § 200.1. If the Council determines that an Unauthorized Transaction has occurred, the Council shall have the right, exercisable at any time by written notice to the recipient, to issue disposition instructions in accordance with 2 CFR § 200.311(c), which may include requiring the recipient repay to the Council the full cash value of the federal interest in the property, computed as the percentage of the fair market value of the property attributable to the Council's funding of the project; such percentage calculated at the time of the funding and such cash value calculated at the time of the Council's exercise of this right (see 2 CFR § 200.1). The Council may also take any other action or remedy that may be legally available. The Council's forbearance in exercising any right or remedy in connection with the federal interest does not constitute a waiver thereof.

When the estimated useful life of the project has ended, the Federal interest will thereupon be extinguished and the Federal Government will have no further interest in the property.

B. Reporting on Real Property Acquired or Improved

In accordance with 2 CFR 200.330, the recipient must complete and submit to the Council a report on the status of all properties acquired or improved, using Form SF-429 "Real Property Status Report" or any equivalent or successor form. All reports must be for the period ending December 31, or any portion thereof, and are due no later than 60 days following the end of the reporting period. The recipient must continue to submit these reports to the Council or a successor agency:

- 1) Until acquired property is disposed of in accordance with 2 CFR § 200.311(c); or
- 2) Throughout the estimated useful life of the project and associated improvements.

NOTICE OF AWARD (Continuation Sheet)

PAGE 6 of 11	DATE ISSUED 06/24/2024
GRANT NO. GNSSP24FL0057-01-00	

Reports will be submitted according to the following schedule, unless otherwise indicated in a special award condition:

- 1) For real property in which the Council retains an interest for 14 years or less, reports must be submitted annually for the first three years beginning in the year the first property is acquired or improved under the award and thereafter every three years.
- 2) For real property in which the Council retains an interest for 15 years or more, reports must be submitted annually for the first three years beginning in the year the first property is acquired or improved under the award and every five years thereafter.

At the end of the period of performance, the recipient must complete and submit Form SF-429 or any equivalent or successor form to the Grants Office with the final performance and financial reports.

C. Authorized Award Purpose

Recipient will, or will cause subrecipient to, hold and maintain the property/properties or easement(s) as pursuant to Authorized Award Purposes for the duration of the federal interest (as defined at 2 CFR § 200.1) in the property/properties. The Authorized Award Purposes are defined in the approved scope of work for the award stored within the electronic Grants Management System.

Before commencing any constructions other improvements not approved in the award, recipient will, or will cause subrecipient to, ensure that any alterations to or development on the property/properties are consistent with and will advance the Authorized Award Purposes. Existing structures on any property tract may be removed to achieve the Authorized Award Purposes. In all cases, any development on the property/properties, including removal of existing structures, must conform to federal, state, and local ordinances and standards, and shall remain subject to the requirements of any special award conditions.

D. Pre-Construction Requirements

Federal funds for construction costs for any project will not be released by the Council until the following information and documentation is received from the Recipient and accepted in writing by the Grants Office. If construction is commenced prior to the Council's acceptance, the Recipient and any Subrecipient proceeds at its own risk.

1) *Title to real property improved under this award.* In accordance with 2 CFR § 200.311, title to real property improved under this award will vest with the recipient or subrecipient, as specified in the application, and must be used only for authorized award purposes.

a. Before solicitation of bids for construction of a given project, the recipient will furnish the legal description of each tract of project real property, the type of ownership, including but not limited to fee-simple, long-term leasehold, easements and rights-of-way, needed for completion and maintenance of the project and an indication of what project element is to be built thereon.

b. When the project involves linear construction or improvements, such as installation of water or wastewater main lines, road improvements, or other less common types of construction requiring access across multiple tracts, recipients should contact the Council Grants Office for guidance on the types of evidence of title required.

The recipient shall certify that the recipient and/or subrecipient, if applicable, holds clear title to or otherwise has, as applicable, control of and/or access to all project real property and are not aware of any material restrictions or encumbrances that could interfere with any award purpose. In all cases, the recipient and subrecipient if applicable must disclose any ongoing litigation concerning the project property prior to requesting the release of federal funds for construction.

2) *Engineering and design plans.* The Recipient must provide to the Council Grants Office the cover sheet and such pages as necessary to demonstrate that 100% design and engineering plans and specifications for all construction activities funded under this award have been stamped/signed by a professional engineer currently licensed in accordance with State requirements.

a. For ecosystem restoration projects, or as otherwise directed by the Council Program Office, the recipient must provide a full and complete set of plans and specifications.

NOTICE OF AWARD (Continuation Sheet)

PAGE 7 of 11	DATE ISSUED 06/24/2024
GRANT NO. GNSSP24FL0057-01-00	

b. For projects activities not directly involving restoration of ecological systems (e.g., traditional “brick and mortar” construction, wastewater treatment system renovation), the recipient must provide to the Council Grants Office, at a minimum the cover sheet and such pages as necessary demonstrating that 100% plans and specifications for all construction activities funded under the award are complete and stamped/signed by a qualified, registered professional engineer.

The Council’s review is to ensure compliance with the terms and conditions of the award; the Council will not be responsible for the accuracy or completeness of design, dimensions, details, proper selection of materials, or compliance with required codes or ordinances. As between the Council and the recipient, these responsibilities rest solely with the recipient. For clarity, nothing in the foregoing is intended to limit or otherwise affect any of the recipient’s rights or remedies in connection with any third party, including any of the recipient’s subrecipients or contractors.

3) *Notice of Federal Interest.* Throughout the estimated useful life of a property acquired or improved under an award, the Council retains an undivided equitable interest in the property, sometimes referred to as the “federal interest.” See 2 CFR §§ 200.1 and 200.316. The recipient and subrecipient acknowledge the federal interest when accepting the award or subaward. When a notice of federal interest is required, the recipient must provide written confirmation that a notice of federal interest or covenant of purpose and use has been filed in the relevant real property records prior to the commencement of construction. In submitting this information, the recipient and subrecipient represent and certify to the Council that neither are aware of any material restrictions or encumbrances that could interfere with any award purpose. The Council has relied upon and will continue to rely upon the Recipient’s due diligence in protecting title to property needed for award purposes.

a. To document the federal interest for all properties or property interests acquired under an award, the Council’s federal interest will be recorded through a restriction in the property deed and the filing of a notice of federal interest or covenant of purpose and use, unless otherwise specified in a special award condition. See Terms and Conditions for Land Acquisition.

b. To document the federal interest for properties improved under an award for which acquisition is not required, the recipient will, or as appropriate will cause subrecipient to, execute and record a notice of federal interest or covenant of purpose and use acceptable in form and substance to the Council, which must be perfected and placed of record in accordance with local law, with continuances re-filed as appropriate. A notice of federal interest or covenant is not required to be recorded when the following conditions apply, unless specified in a special award condition:

i. The costs of improvements to a single property are less than the Simplified Acquisition Threshold;

ii. The project is comprised of linear construction or improvements, such as installation of water or wastewater main lines or road improvements, requiring access across numerous properties; or

iii. The property is owned by a third party, such as a private landowner, and improved under an agreement between the third party and the recipient or subrecipient as applicable. When a third party is involved, the landowner’s acknowledgement of the federal investment and responsibility to either maintain or, at a minimum not intentionally interfere with, the authorized purpose identified in the award must be included in the agreement between the parties under which the improvements will be conducted.

c. At a minimum, the Notice of Federal Interest will include the following items:

i. A statement that the award was made by the RESTORE Council to the specific recipient, including the Federal Award Identification Number, award title, and date of award;

ii. The location of the Project, including physical address;

iii. A reference to any agreement between the recipient, subrecipient and property owner, as applicable.

iv. A minimum length of time the Project will be in operation (which time must equal or exceed the estimated useful life); and

v. Language equivalent to the following:

NOTICE OF AWARD (Continuation Sheet)

PAGE 8 of 11	DATE ISSUED 06/24/2024
GRANT NO. GNSSP24FL0057-01-00	

“The Notice of Award for this grant includes conditions on use of the aforementioned Project Property and provides for a continuing Federal Interest in Project Property. Specifically, Project Property may not be used for any purpose inconsistent with the Award, RESTORE Act, and any program regulations governing the Award. In addition, the Property owner may not:

- v.1. Enter into any mortgage, lien, assignment or any other similar legal or equitable instrument in connection to Project Property or any right therein;
- v.2. Otherwise encumber Property or any right therein;
- v.3. Sell, transfer, assign, donate, or otherwise dispose of Project Property or any right therein; or
- v.4. Take any action that would prevent or hinder Project Property from being used for Award purposes for 30 consecutive calendar days without the prior written approval of the Executive Director, Gulf Coast Ecosystem Restoration Council (or any successor agency).

In addition, Project Property may not be used in violation of Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d, the Americans with Disabilities Act (42 U.S.C. 12204), and with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), which laws prohibit discrimination on the basis of race, religion, national origin, or disability. These conditions are in accordance with the statutory provisions set forth in the Resources and Ecosystems Sustainability, Tourist Opportunities and Revived Economies of the Gulf Coast States Act of 2012 (RESTORE Act) (33 U.S.C. § 1321(t), Pub. L. No. 112-141), 2 CFR § 200 as applicable, the Notice of Funding Availability for Spill Impact Component Project Grants published by the Gulf Coast Ecosystem Restoration Council, and other terms and conditions of the grant award.

These grant conditions and requirements cannot be nullified or voided through a transfer of ownership. Therefore, any proposed change in usage or ownership must be approved in writing by the Executive Director, Gulf Coast Ecosystem Restoration Council.”

The recipient will also provide the Grants Office with a written statement from a licensed attorney in the jurisdiction where the property is located certifying that the federal interest has been protected, as required under the award and in accordance with local law. Such a statement is required unless a waiver is provided in writing by the Grants Officer.

4) *Environmental compliance requirements.* The recipient must provide documentation demonstrating that the applicable environmental laws have been addressed prior to the release of construction funding. Accordingly, the recipient must furnish evidence, satisfactory to the Council, that the recipient or subrecipient has received all federal, state, and local permits and other documentation of compliance with applicable environmental requirements necessary for construction, completion and operation of the Project. In cases where a permit may be addressed under the construction contract, construction funds may be released with the condition that the recipient provides a copy of that permit to the Council prior to initiation of construction activities subject to that permit.

5) *Floodplain requirements.* If the property is located within the 100-year floodplain or other flooding risks have been identified by the recipient or the Council, the recipient must furnish evidence, satisfactory to the Council Grants Office, that all applicable floodplain requirements have been met. As appropriate to the project, this may include the following:

a. Floodplain Notice. That the 30-day period established for receipt of comments from the public in response to public notice published regarding the potential for project impact on the values and functions of a designated 100-year floodplain has expired and that identified concerns (if any) have been addressed to the Council’s satisfaction. This notice may be satisfied through an environmental assessment or permitting process used as the vehicle for public notice, involvement and explanation per 44 CFR 9.8(b)(2).

b. Floodplain Protection. Certification by the project engineer or architect that the project facility will be adequately protected from damage by flood, or written confirmation from the State/local Floodplain Manager that the proposed project and any associated design and engineering plans are in accordance with all applicable floodplain ordinances/regulations.

c. **Flood Insurance.** In accordance with the Flood Disaster Protection Act (42 U.S.C. § 4002 et seq), that the community is participating in the National Flood Insurance Program, and that as required, the recipient has or will purchase and maintain, or as appropriate, will cause the subrecipient to have or purchase and maintain, flood insurance.

6) **Americans with Disabilities Act (ADA) Compliance.** For any projects where funding will be used to provide, create or facilitate public access to project property, the recipient must furnish evidence satisfactory to the Council Grants Office, that the recipient or subrecipient will be in compliance with ADA requirements related to improvements to be constructed or operated under the project.

7) **Contingency.** If contingency funds are included in the approved award budget in accordance with 2 CFR 200.433, such funds will be described in the Budget Narrative for expenditures related to construction activities. Contingency funds may not be utilized for project scope changes, unforeseen risks or extraordinary events. Federal funds equal to the amount of contingency funds approved will not be released until documentation verifying that proposed contingency expenditures comply with 2 CFR 200.300 and 200.403, are necessary and reasonable for accomplishment of the award scope, and will be verifiable from the recipient's or subrecipient's financial records is submitted by the recipient and accepted in writing by the Grants Office.

8) **Updated construction schedules and cost estimates.** The Recipient must furnish the most recent construction schedules and cost estimates based upon the completed engineering and design plans and/or other information that has become available since the last update.

E. Administration, Operation and Maintenance

The recipient agrees to, or to cause the subrecipient to, administer, operate and maintain any property improved with federal funds for the project's estimated useful life in the same manner in which it operates and maintains similar facilities and equipment owned by it, and in accordance with state and local standards, laws and regulations. The recipient must not be in breach of its obligations under this award except to the extent the failure to fulfill any obligation is due to an Uncontrollable Force.

"Uncontrollable Force" means an event beyond the reasonable control of, and without the fault or negligence of, the party claiming the Uncontrollable Force that prevents the recipient from honoring its contractual obligations under this Agreement and which, by exercise of the recipient's reasonable care, diligence and foresight, such recipient was unable to avoid. Uncontrollable Forces include, but are not limited to:

- 1) Strikes or work stoppage;
- 2) Floods, earthquakes, or other natural disasters;
- 3) Terrorist acts; and
- 4) Final orders or injunctions issued by a court or regulatory body having competent subject matter jurisdiction which the recipient, claiming the Uncontrollable Force, after diligent efforts, was unable to have stayed, suspended, or set aside pending review by a court of competent subject matter jurisdiction.

Neither the unavailability of funds or financing, nor conditions of national or local economies or markets must be considered an Uncontrollable Force.

The recipient will provide documentation of the Administration, Operation and Maintenance Plan.

F. Acquisition of Real Property

Unless specifically described in an award scope of work, the acquisition of real property is not an allowable expense. In the event that acquisition of real property or an interest in real property is identified as necessary to achieve the objectives of an award, the recipient shall contact the Council Grants Office for instructions prior to expending any funds related to the acquisition of real property.

prime construction contracts in excess of \$2,000 must include a provision for compliance with the Davis-Bacon Act as supplemented by Department of Labor regulations (29 CFR part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specific in a wage determination made by the Secretary of Labor. In addition, contracts must be required to pay wages not less than once a week. A copy of the current prevailing wage determination issued by the Department of Labor must be included in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The recipient or subrecipient, as applicable, must report all suspected or reported violations to the Council.

2) The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act, as supplemented by Department of Labor regulations (29 CFR part 3, "Contracts and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). This Act provides that the recipient, subrecipient, contractor, or subcontractor must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation or which he or she is otherwise entitled. The recipient or subrecipient, as applicable, must report all suspected or reported violations to the Council.

3) Finally, the Contract Work Hours and Safety Standards Act provides work hour standards for every laborer and mechanic employed by any contractor or subcontractor in the performance of a Federal public works project. All contracts awarded in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR part 5). Under 40 U.S.C. § 3702, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic be required to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

J. Inspection and As-Built Drawings

The final five percent (5%) of the contract amount for construction costs will not be drawn down by the recipient or subrecipient until final approval of construction associated with that contract. The recipient or subrecipient will schedule a final inspection when all construction has been completed, the architect/engineer has conducted their inspection, and any deficiencies have been corrected. Representatives of the recipient or subrecipient, if applicable, the architect/engineer, the contractor(s), and the Council, if they so desire, will make the final inspection. The Council Program Officer must be given ten (10) business days advance notice of the final inspection so that their representative may participate.

The recipient must provide the Notice of Final Acceptance signed by the recipient or subrecipient, as applicable, and stamped/signed as-built drawings from the project engineer and Council staff must advise of their acceptance prior to the drawdown of the final five percent (5%) of construction contract funds. If required in a special award condition, the Electronic copy of the "Notice of Federal Interest" filed in the relevant real property records must also be provided prior to drawdown of these funds.

SUPPORTING DOCUMENTATION REQUIREMENTS

Supporting documentation must be provided for each amount for which reimbursement is being claimed. Each piece of documentation should clearly reflect the dates on which the service and/or goods were provided. Only expenditures for categories in the approved Project budget will be reimbursed. Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.).

Listed below are examples of the types of documentation representing the minimum requirements for various categories of costs:

1. Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.

2. Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.

3. Travel: Reimbursement for travel expenses must be in accordance with Section 112.061, Florida Statutes, and include sufficient documentation as to expenses for which reimbursement is sought and also the purpose of the travel.

4. Other direct costs: Reimbursement will be made based on paid invoices/receipts.

5. Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

6. Contractual Services (Subcontractors): Reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from the Subrecipient. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours/time spent on the Project. All multipliers used (i.e., fringe benefits, overhead, and/or general and administrative rates) shall be supported by audit. If the Consortium determines that multipliers charged by any subcontractor exceeded the rates supported by audit, the Subrecipient shall be required to reimburse such funds to the Consortium within thirty (30) days of written notification. Interest on the excessive charges shall be calculated based on the prevailing rate used by the State Board of Administration.

FEDERAL PROVISIONS APPLICABLE TO SUBRECIPIENT

The Project subject to this Agreement is fully or partially funded by Federal grants and therefore, the Subrecipient will be required to comply with the following provisions:

1. **Drug Free Workplace Requirements:** All Subrecipients and contractors entering into Federal funded contracts over the simplified acquisition threshold (as defined at 41 U.S.C. § 134) must comply with the Drug Free Workplace Act of 1988 (41 U.S.C. 8102), which requires the Subrecipient to take certain actions to provide a drug-free workplace.

2. **Davis-Bacon Act:** If applicable, the Subrecipient agrees to comply with all provisions of the Davis Bacon Act as amended (40 U.S.C. §§ 3141-3144 and 3136-3148), and to require all of its contractors performing work under this Agreement to adhere to same. The Subrecipient and its contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, the Subrecipient and its contractors are required to pay wages not less than once a week. If the grant award contains Davis Bacon provisions, the Subrecipient shall place a copy of the current prevailing wage determination issued by the Department of Labor in the solicitation documents. The decision to award a contract shall be conditioned upon the acceptance of the wage determination. The Subrecipient shall report all suspected or reported violations of the Davis-Bacon Act to the Consortium.

3. **Copeland Anti Kick Back Act:** Subrecipient and its contractors shall comply with all the requirements of the Copeland Anti-Kickback Act (18 U.S.C. § 874 and 40 U.S.C. § 3145, as supplemented by Department of Labor regulations at 29 CFR Part 3), which are incorporated by reference to this Agreement. Subrecipient and its contractors are prohibited from inducing by any means any person employed in the construction, completion or repair of public work to give up any part of the compensation to which he or she is otherwise entitled.

4. **Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 3701–3708):** Where applicable, all contracts awarded in excess of \$100,000 that involve the employment of mechanics or laborers must be in compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. § 3702 of the Act, each contractor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

The contractor shall certify compliance. The Subrecipient further agrees to include a provision requiring such compliance in its lower tier covered transactions and subcontracts, which shall read as follows:

Applicants or bidders for a lower tier covered transaction (except procurement contracts for goods and services under \$25,000 not requiring the consent of a Council official) are subject to 2 C.F.R. Part 180, "OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement)." In addition, applicants or bidders for a lower tier covered transaction for a subaward, contract, or subcontract greater than \$100,000 of Federal funds at any tier are subject to relevant statutes, including among others, the provisions of 31 U.S.C. 1352, as well as the common rule, "New Restrictions on Lobbying," published at 55 FR 6736 (February 26, 1990), including definitions, and the Office of Management and Budget "Governmentwide Guidance for New Restrictions on Lobbying," and notices published at 54 FR 52306 (December 20, 1989), 55 FR 24540 (June 15, 1990), 57 FR 1772 (January 15, 1992), and 61 FR 1412 (January 19, 1996)

Subrecipient shall ensure that its contractors and sub-awardees comply with this requirement.

8. **Federal Changes:** Subrecipient shall comply with all applicable Federal agency regulations, policies, procedures and directives, including without limitation those listed directly

The term "Subrecipient," as used herein, shall also apply to all of Subrecipient's contractors and subcontractors performing work on the Project.

The Subrecipient will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a Subrecipient becomes involved in, or is threatened with, litigation with a contractor or sub-contractor or vendor as a result of such direction by the administering agency, the Subrecipient may request the United States to enter into such litigation to protect the interests of the United States.
