Hi Darryl,

Todd plans on having a sliding gate with this automatic opener <https://www.vikingaccess.com/k2-slide-gate-operator>. Todd said that you needed this information for the fence variance. Thanks!

Subject: Gate Variance

Jackie,

Based on recent emails from Kandi McCorkel who is copied on this email, it is my understanding that the only remaining concern of engineering was related to stacking of cars at the entrance to the Mooney's property. I have confirmed that gate will be an automatic gate and that problem should also be eliminated. No portion of the gate or fence will be on County right-of-way. Please let me know if anything else is required to get this variance approved.

Sincerely,

Darryl
