To ensure acceptance of your bid, please follow these instructions:

- A. Interested firms are required to register via the County's [eProcurement Portal](#) . Once registered, to submit a response please click on the "DRAFT RESPONSE" button and provide an answer to all of the prompts/questions. You must respond to all required questions, and, if any, acknowledge addenda so that your response will be considered complete by the County. Bidders submitting more than one (1) bid with different pricing shall cause the Bidder to be rejected. All bids are subject to the conditions specified herein. Those, which do not comply with these conditions, may be subject to rejection.
- B. Submit Bids via the Hernando County's [eProcurement Portal](#). The responsibility for delivering the bid to the County on or before the stated time and date will be solely and strictly the responsibility of the Bidder. No pleas of ignorance by the Bidder of conditions that exist or may hereafter exist as a result of failure or omission on the part of the Bidder to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis of varying the requirements of the County or the compensation of the Bidder. Bidder agrees that submittal of a bid for the work is prima facie evidence they have conducted such examinations.

4.6. COMMUNICATION

There shall be no communication between the Vendor/Contractor, their employees or subcontractors and County employees and elected officials (hereafter referred to as "County Representative"), except through the Procurement Department. Any attempt to communicate with any County Representative outside the Procurement Department will be considered a violation of the Procurement Policy and may result in the rejection of your bid.

4.7. WITHDRAWAL OF BIDS:

Bids may be withdrawn via the County's [eProcurement Portal](#) prior to the time fixed for opening. Negligence on the part of the Bidder in preparing the bid confers no right for the withdrawal of the bid after it has been opened. Faxed or electronically mailed withdrawals will not be recognized.

Failure to file a protest within the time prescribed by, or failure to post the bond or other security in strict accordance with, the Hernando County Procurement Manual, Section 22, shall constitute a waiver of protest proceedings.

5. GENERAL CONDITIONS

5.1. CONTRACT PERIOD:

- A. The Contract resulting from this solicitation shall be a term contract for the time period specified herein. During the specified time period, the County may order services/supplies as the requirements generate and the Vendor/Contractor will deliver the services/supplies ordered. It is understood that the County is not obligated to purchase any specific amount of services/supplies under this agreement.
- B. The period of the Contract shall extend for three (3) years from contract effective date.
- C. **Renewal Option (Unilateral):** At the sole option of the County, through the Board of County Commissioners or Chief Procurement Officer or Designee, this Contract may be unilaterally renewed, for two (2) additional one (1) year periods at the same prices, terms, and conditions. The County alone will determine whether or not this renewal option will be exercised based on its convenience and its best interest. The County will notify the Vendor/Contractor, in writing, no later than thirty (30) days prior to expiration of its decision to exercise this Contract renewal option and/or options. Any request by the Vendor/Contractor for consideration of a price adjustment must be submitted in writing to the County at the time of County notice of its decision to exercise Contract renewal (this provision), and the Vendor/Contractor must provide written evidence based on increased costs to the Vendor/Contractor. Documentation of these increases must be furnished to the County upon request. Any price adjustment (increase or decrease) approved by the County shall impose upon the Vendor/Contractor the requirement to advise and extend to the County price reductions when costs similarly decrease.
- D. Either party may cancel this Contract, in whole or in part, by giving ninety (90) days prior notice in writing. However, the Vendor/Contractor shall not be authorized to exercise this cancellation option during the first one-hundred eighty (180) days of the Contract. The number of days within which, or the dates by which, the work is to be substantially completed and ready for final payment are set forth in the agreement.

5.2. BID PRICE/SUBMITTAL REQUIREMENTS:

- A. The prices bid shall remain firm during the period of the Contract. The prices bid shall be inclusive of all labor, equipment, and materials as specified within this solicitation. The price bid constitutes the total compensation payable to the Vendor/Contractor for performing the work.
- B. Unless otherwise stated, the prices bid shall include all costs of packing, transporting, delivery, and services to the designated point within Hernando County.
- C. The Bidder hereby certifies that this bid is made without prior understanding, agreement, or connection with any corporation, firm, or person submitting a bid for the same materials, supplies, services, or equipment and is in all respects fair and without collusion or fraud.

Further, the Bidder hereby agrees to abide by all terms and conditions of this bid and certifies that the person executing the Bid Form is authorized to sign this bid for the Bidder.

- D. The Bidder warrants that the prices of the items set forth herein do not exceed those charged by the Bidder under a contract with the State of Florida or any of its agencies.
- E. **Bidder must submit the solicitation document in its entirety, including the Solicitation-Offer-Award cover sheet, Bid Specifications, Bid Form, and all required forms/certifications. Failure to submit these forms may render its bid as non-responsive.**

5.3. QUALIFICATION OF BIDDERS:

- A. This bid shall be awarded to a responsive, responsible bidder, qualified by experience to provide the work specified. The Bidder will submit the following information with their bid:
 - 1. List and brief description of substantially **similar work (size and scope)** for at least three (3) references of firms, and/or governmental agencies/entities satisfactorily completed with location, dates of contract, names, addresses, telephone numbers and email addresses of owners (see Questionnaire). These references must be for work performed within the past three (3) years.
 - 2. List of equipment and facilities available to do work.
 - 3. List of personnel, by name and title, contemplated to perform the work.
- B. **Failure to submit this information may be cause for rejection of your bid.**

5.4. BID EVALUATION AND AWARD:

Bid evaluation will be based on price, conformance with specifications and the Bidder's ability and resources to perform the contract in accordance with the terms and conditions required. Bidders must submit all data necessary to evaluate and determine the quality of the item(s) and/or services they are bidding. A Vendor/Contractor shall not be qualified to bid when investigation by the Chief Procurement Officer of that Vendor/Contractor is either delinquent on a previously awarded contract or in litigation with Hernando County on a previously awarded contract.

5.5. BID EVALUATION AND AWARD (continued) "All-or-None"

- A. Award shall be made on an "All-or-None Total Offer" basis to the lowest, responsive, and responsible Bidder. However, the County reserves the sole right to reject any and all bids in accordance with the Hernando County Procurement Ordinance. Failure to provide a price for all areas upon the Bid Form may deem the Bidder's response/submission as non-responsive.

5.6. BID EVALUATION AND AWARD (continued)

- A. If two (2) or more fully responsive, responsible bids are received for the same total amount or unit price, quality and service being equal, the County reserves the right to award the contract to the Bidder whose place of business is located within the boundaries of Hernando County,

Florida. Should tie bids, as described above, be received from either two (2) or more Hernando County Bidders or from non-local Bidders when no Hernando County Bidder has submitted a tie bid, then the Board of County Commissioners shall award the contract to one (1) Vendor/Contractor by drawing lots in a public meeting.

- B. The County shall be the sole judge as to the relative merits of the bids received.
- C. If a separate written contract is not required by the County; a written letter of award, mailed or otherwise furnished to the successful Bidder, shall result in a binding contract without further action by either party.
- D. Discounts for payments within less than twenty (20) days will not be considered in evaluation of bids, however, offered discounts will be taken for less than twenty (20) days if payment is made within the discount period.

5.7. LOCAL PREFERENCE:

- A. Purpose and Findings: These provisions apply to purchases using Formal Bids, Request for Proposals or Quotes. The County annually spends significant dollars on purchasing personal property, materials, and services, and in constructing improvements to real property or existing structures. The dollars used in making those purchases are derived, in large part, from taxes, fees and utility revenues paid by businesses located within Hernando County, and the County Commission has determined that funds generated in the community should, to the extent possible, be placed back into the local economy. Therefore, the County Commission has determined that it is in the best interest of the County to give a preference to local businesses in making such purchases whenever the application of such a preference is reasonable in light of the dollar-value of bids and quotes received in relation to such expenditures.
- B. Application:
 - 1. In bidding for or letting contracts for procurement of supplies, materials, equipment, and services, as described in the procurement policies of the County, the Board of County Commissioners may give a preference to local businesses in making purchases or awarding contracts in an amount not to exceed:
 - a. Five percent (5%) of the local business' total bid price if the cost differential does not exceed \$10,000.00 for procurement activities in amounts over \$35,000.00, or
 - b. Three percent (3%) if the cost differential does not exceed \$1,000.00 for procurement activities in amounts more than \$10,000.00, but less than \$35,000.00.
 - 2. The total bid price shall include not only the base bid price, but also all alterations to the base bid price resulting from alternates which were both part of the bid and actually purchased or awarded by the Board of County Commissioners.

3. In the case of requests for proposals or qualification, letters of interest, or other solicitations and competitive negotiations and selections in which objective factors are used to evaluate the responses, local businesses shall be assigned five percent (5%) of the total points of the total evaluation points.

C. Definitions:

1. Local vendor means a person or business entity which has maintained a permanent place of business with full-time employees within Hernando County for a minimum of twelve (12) months prior to the date bids or quotes were received for the purchase or contract at issue, and which generally provides from such permanent place of business the kinds of goods or services solicited, and which at the time of the solicitation fully complies with the local vendor eligibility identified below.
2. Local Vendor Affidavit of Eligibility shall accompany the quotation or bid submittal in order to be considered valid and shall include, but not be limited to, the following current information:
 - a. A physical business and location address.
 - b. Proof of payment of real property tax due to Hernando County.
 - c. A copy of the firm's most recent annual corporation report to the Florida Division of Corporations.
 - d. Any additional information necessary to verify local vendor status.

- D. Competitive Bids/Quotes: The County reserves the exclusive right to compare, contrast and otherwise evaluate the qualifications, character, responsibility and financial qualifications of all persons, firms, partnerships, companies, or corporations submitting formal bids or formal quotes in any procurement for goods and services when making an award in the best interests of the County.

E. Exemptions:

1. Purchases resulting from exigent emergency conditions where any delay in completion or performance would jeopardize public health, safety, or welfare of the citizens of the County, or where in the judgment of the County the operational effectiveness or a significant County function would be seriously threatened if a purchase was not made expeditiously.
2. Purchases with any sole source supplier for supplies, materials, or other equipment.
3. Purchases made through cooperative purchasing arrangements utilized by the Procurement Department as identified in the Only electronic submittals through the eProcurement portal shall be accepted by the County. Policy.

4. Purchases that are funded in whole or in part by assistance from any Federal, State, or local agency where the program guidelines do not permit local preference.
5. Purchases with an estimated cost of less than \$10,000.00 or less.
6. Appeal: If an application for a "local vendor/contractor" designation is denied, the applicant may appeal such decision to the County Administrator for review and further consideration.

5.8. HOURS:

Work may be performed between the hours of 7:00 a.m. to 3:30 p.m., Monday through Friday, excluding County holidays (See attached 2024 and 2025 Holiday Schedule). The County may, on certain occasions, approve work outside of these times. Such exception(s) must be approved in writing by the County at least one (1) day in advance. Services will not be permitted when operations would cause a traffic or safety hazard.

5.9. WARRANTIES:

The Bidder agrees that the supplies and services furnished under this award shall be covered by the most favorable commercial warranties the Bidder gives to any customer for comparable quantities of such supplies or services and that the rights and remedies provided herein are in addition to and do not limit any rights afforded to the County by any other provision of this award.

5.10. DELIVERY AND ACCEPTANCE:

- A. The County will order services by issuance of a Hernando County numbered purchase order (PO). Each purchase order will specify the scope of work, location and date(s) for service required.
- B. Receipt of services/supplies shall not constitute acceptance. Final acceptance and authorization of payment shall be given only after thorough inspection indicates that the services/supplies delivered meet bid specifications and conditions. Should the services/supplies differ in any respect from the specifications, payment will be withheld until such time as the Vendor/Contractor takes necessary corrective action. If the proposed corrective action is not acceptable to the County, final acceptance of the services may be refused, in which case the services shall remain the property of the Vendor/Contractor and the County shall not be liable for payment for any portion thereof.
- C. Unless otherwise specified, services shall be performed as described in these contract documents.
- D. Vendor/Contractor(s) shall not commence work prior to the County's receipt and acceptance of the certification of insurance, and any other required documents/certificates as specified by these contract documents.

5.11. REJECTION OF BID:

The County reserves the sole right to reject any and all bid submissions. Bids which are incomplete, unbalanced, conditional, obscure or which contain additions not required, or irregularities of any kind, or which do not comply with every aspect of this solicitation, may be rejected at the option of the County. A Vendor/Contractor shall not be qualified to bid when an investigation by the Chief Procurement Officer finds the Vendor/Contractor delinquent on a previously awarded contract or in litigation with a Hernando County previously awarded contract.

5.12. MINOR INFORMALITIES AND IRREGULARITIES:

Hernando County has the right to waive minor defects or variations of a bid from the exact requirements of the specifications that do not affect price, quality, quantity, delivery, or performance time of the services being procured. If insufficient information is submitted by a Bidder with the bid for Hernando County to properly evaluate the bid, Hernando County has the sole right to require such additional information as it may deem necessary after the time set for receipt of bids, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured. The Board of County Commissioners reserves the sole right to reject any or all bids in whole or in part; to award by any item, group(s) of items or in the aggregate whichever is most advantageous to the County.

5.13. NON-EXCLUSIVE CONTRACT:

Award of a contract resulting from this bid imposes no obligation on the County to utilize the Vendor/Contractor for all work of this type, which may develop during the contract period. This is not an exclusive contract. The County specifically reserves the right to contract with another company for similar work if it deems such action to be in the County's best interest.

5.14. NON-PERFORMANCE:

Time is of the essence in this Contract and failure to deliver the services specified within the time period required shall be considered a default.

- A. In case of default, the County may procure the services from other sources and hold the Vendor/Contractor responsible for all costs occasioned thereby and may immediately cancel the contract. The Chief Procurement Officer reserves the sole right to impose and debar Vendor/Contractors, as a direct result of Vendor/Contractor default and termination for a period of twelve (12) months to twenty-four (24) months depending upon the severity of the default resulting in contract termination. The Vendor/Contractor and its sureties (if any) shall be liable for any damage to the County resulting from the Vendor/Contractor's default of the contract. This liability includes any increased costs incurred by the County in completing contract performance.

5.15. ASSIGNMENT:

The successful Bidder is required to perform this contract and may not assign, transfer, convey, sublet, or otherwise dispose of any award or any or all of its rights, title, or interest therein, or the resulting

contractual agreement in whole or in part without prior written authorization given at the sole discretion of Hernando County.

5.16. PUBLIC ENTITY CRIMES:

Any person submitting a bid or proposal in response to this Invitation to Bid certifies that they are aware of, and in compliance with, all requirements under Section 287.133, Florida Statutes, on public entity crimes. Bidders must provide a response to the section titled VENDOR QUESTIONNAIRE, Sworn Statement to Public Entity Crimes included in these bid documents.

5.17. LICENSES AND PERMITS:

Prior to furnishing the requested product(s) or service(s), it shall be the responsibility of the awarded Vendor/Contractor to obtain, at no additional cost to Hernando County, any and all licenses and permits required to complete this contractual service. These licenses and permits shall be readily available for review by the Chief Procurement Officer or their designee.

5.18. LAWS, REGULATIONS, PERMITS AND TAXES:

5.41. CONE OF SILENCE

- A. This Solicitation falls under the Hernando County Procurement Ordinance 93-16. All Vendors and Bidders, and representatives of same, are hereby placed on formal notice that a lobbying cone of silence period shall commence upon issuance of this Solicitation until the Board selects the successful Bidder. If Board is not involved in selecting the successful Bidder, the cone of silence period commences upon issuance of Solicitation and concludes upon award of Contract. During the cone of silence period, no Vendor/Bidder, or representative of the Vendor/Bidder, to this Solicitation may seek information or clarification or in any way contact any official or employee of the County concerning this Solicitation with the exception of the Chief Procurement Officer, County Attorney, or an individual specifically designated in this document

for dissemination of information. A copy of any written communication concerning this Solicitation shall be filed with the Procurement Department and shall be made available to the public upon request. A violation of the cone of silence renders any award voidable at the discretion of the Chief Procurement Officer with approval from the Board and may subject the Vendor/Bidder who violated it to debarment. Nothing in the Ordinance prevents a Vendor/Bidder or representative from taking part in a public meeting concerning the Solicitation. B. Neither the members of the Board nor candidates for County Commission, nor any employees from the Hernando County Government, Hernando County staff members, nor any members of the evaluation team are to be lobbied, either individually or collectively, before or during the cone of silence concerning this project. Vendors/Bidders, or representatives of same, who intend to submit bids, or have submitted bids, for this project are hereby placed on formal notice that they are not to contact County personnel for such purposes as holding meetings of introduction, meals, or meetings relating to the selection process outside of those specifically scheduled by the County. Any such lobbying activities may cause immediate disqualification of this project.

5.42. CLAIMS

- A. Chief Procurement Officer's Decision Required: All claims, except those waived, shall be referred to the Chief Procurement Officer for decision.
- B. Notice: Written notice stating the general nature of each claim shall be delivered by the claimant to the Chief Procurement Officer and the other party to the contract promptly but in no event later than thirty (30) days after the start of the event giving rise thereto. The responsibility to substantiate a claim shall rest with the party making the claim. Notice of the amount or extent of the claim, with supporting data, shall be delivered to the Chief Procurement Officer and the other party to the contract within sixty (60) days after the start of such event (unless the Chief Procurement Officer allows additional time for claimant to submit additional or more accurate data in support of such claim). A claim for an adjustment in contract price shall be prepared in accordance with the provisions of Section titled "PRICE ADJUSTMENT". Each claim shall be accompanied by claimant's written statement that the adjustment claimed is the entire adjustment to which the claimant believes it is entitled as a result of said event. The opposing party shall submit any response to the Chief Procurement Officer and the claimant within thirty (30) days after receipt of the claimant's last submittal (unless the Chief Procurement Officer allows additional time).
- C. Chief Procurement Officer's Action: Chief Procurement Officer will review each claim and, within thirty (30) days after receipt of the last submittal of the claimant or the last submittal of the opposing party, if any, take one (1) of the following actions in writing:
 1. Deny the claim in whole or in part,
 2. Approve the claim, or

3. Notify the parties that the Chief Procurement Officer is unable to resolve the claim if, in the Chief Procurement Officer's sole discretion, it would be inappropriate for the Chief Procurement Officer to do so. For purposes of further resolution of the claim, such notice shall be deemed a denial.
- D. In the event that Chief Procurement Officer does not take action on a claim within said thirty (30) days, the claim shall be deemed denied.
- E. Chief Procurement Officer's written action or denial will be final and binding upon Owner and Vendor/Contractor, unless Owner or Vendor/Contractor invoke the dispute resolution procedure set forth in Section titled "DISPUTE RESOLUTION" within thirty (30) days of such action or denial.

5.43. DISPUTE RESOLUTION:

- A. Owner and Vendor/Contractor may mutually request mediation of any claim submitted to the Owner for a decision before such decision becomes final and binding. The mediation will be governed by the Construction Industry Mediation Rules of the American Arbitration Association in effect as of the effective date of the agreement. The request for mediation shall be submitted in writing to the American Arbitration Association. Timely submission of the request shall stay the effect.
- B. Owner and Vendor/Contractor shall participate in the mediation process in good faith. The process shall be concluded within sixty (60) days of filing of the request. The date of termination of the mediation shall be determined by application of the mediation rules referenced above.
- C. If the claim is not resolved by mediation, Chief Procurement Officer's action or denial pursuant to Section titled "CLAIMS" shall become final and binding thirty (30) days after termination of the mediation unless, within that time period, Owner or Vendor/Contractor:
 1. Agrees with the other party to submit the claim to another dispute resolution process, or
 2. Gives written notice to the other party of their intent to submit the claim to a court of competent jurisdiction.

6. SPECIAL CONDITIONS

6.1. INSPECTION OF FACILITIES/AREAS:

It is the Bidder's responsibility to become fully informed as to the nature and extent of the work required, local site conditions, and any other factors that may impact performance of the contract. The responsibility to inspect the worksite is the sole responsibility of the Bidder. Arrangement for Bidder's inspection of facilities and/or activity schedule may be secured by calling 352-754-4020. Failure to visually inspect the facilities may be cause for disqualification of your bid. After contract award, no additional compensation will be made as a result of the differences between actual labor and materials required to complete the project and the contract amount.

6.2. LICENSES AND PERMITS:

- A. Prior to furnishing the requested product(s) or service(s), it shall be the responsibility of the awarded Vendor/Contractor to obtain, at no additional cost to the County, any and all licenses and permits required to complete this contractual service. These licenses and permits shall be readily available for review by the Chief Procurement Officer or their designee.
- B. Said licenses shall be in the Bidder's name as it appears on the official Bid Form. Bidder shall supply appropriate license numbers, with expiration dates, as part of their bid. Failure to hold and provide proof of a proper active license, certification and registration may be grounds for rejection of the bid.
- C. Upon notification, Bidder shall provide copies of all applicable active and current licenses.

6.3. PRE-WORK MEETING

Within fourteen (14) days after the effective date of the contract, Vendor/Contractor shall meet with the County's representative(s) to discuss job procedures and scheduling.

6.4. PERFORMANCE

- A. Timely performance is of the essence in the award of this Invitation for Bids. Performance shall be no later than twenty-one (21) calendar days from receipt of the purchase order. Bids which fail to meet this requirement shall be rejected.
- B. Failure of the awarded Vendor/Contractor to meet this performance requirement may result in default, immediate cancellation of the order or contract, and all other applicable remedies available to the County under State law.
- C. It is hereby understood and mutually agreed to by and between parties hereto that the time of performance is an essential condition of this contract.
- D. If said Vendor/Contractor shall neglect, fail or refuse to provide the services within the time herein specified, then said Vendor/Contractor does hereby agree as part of the consideration for the awarding of this contract, to pay the County the sum extended by the County to contract

for like services approved by the Procurement Department for the period from the required scheduled commencement date until performance of services covered in the Invitation to Bid is completed.

- E. The Vendor/Contractor shall, within five (5) calendar days from the beginning of such delay, notify the Chief Procurement Officer in writing of the cause(s) of the delay.

6.5. LIQUIDATED DAMAGES:

Should the awarded Vendor/Contractor fail to complete the required services or make delivery of the commodities or equipment within the time(s) specified in the contract, or within such additional time(s) as may be granted by the County, the County will suffer damage, the amount of which is difficult, if not impossible to ascertain. Therefore, the Vendor/Contractor shall pay to the County, as liquidated damages, the sum of \$50.00 for each calendar day of delay that actual completion extends beyond the time limit specified until such reasonable time as may be required for final completion of the work. Such sum is mutually agreed upon as a reasonable and proper amount of damages the County will sustain per diem by failure of the Vendor/Contractor to complete the services or make delivery within the specified time. The costs for liquidated damages shall not be construed as a penalty on the Vendor/Contractor.

6.6. CODES AND REGULATIONS:

The awarded Vendor/Contractor must strictly comply with all Federal, State, and local building and safety codes.

6.7. MEASUREMENTS

The measurements noted are only estimates. Bidders will be responsible for their own measurements and must submit a firm price accordingly. There will be no adjustments, for increase or decrease, of footage required for the job; therefore, the total offer must be based on accurate measurements by Bidders during inspection. Failure to do so will be at Bidder's risk. Any request for unit price on the Bid Form is for information only. Award shall be based solely on "Total Offer", with no adjustments made for increased/decreased quantities after award.

6.8. DEBRIS

Awarded Vendor/Contractor shall be responsible for the prompt removal of all debris which is a result of this contractual service.

6.9. PROTECTION OF PROPERTY/SECURITY:

- A. The Vendor/Contractor shall provide barricades if necessary and take all necessary precautions to protect buildings and personnel. All work shall be completed in every respect and accomplished in a professional manner and the Vendor/Contractor shall provide for removal of all debris from County property.
- B. The Vendor/Contractor shall at all times, guard against damage or loss to property of Hernando County, or of other Vendor/Contractors, and shall be held responsible for replacing or repairing any such loss or damage. The County may withhold payment or make such deductions as

deemed necessary to insure reimbursement or replacement for loss of damage to property through negligence of the Vendor/Contractor or their agent.

- C. The Vendor/Contractor will not hold Hernando County responsible and releases Hernando County from any liability costs and expenses in connection with, resulting from or arising out of damage, loss, or theft of any machinery, equipment, tools, supplies and/or materials owned by the Vendor/Contractor and stored on County property.

6.10. PRICING-FFP

The County requires a firm fixed price for the entire contract period. Invoices will be reviewed to confirm compliance with bid pricing. Failure to hold prices firm shall be grounds for immediate termination of the contract.

6.11. PRICE ADJUSTMENT:

Written request for price adjustments may be made every twelve (12) months at time of renewal and no less than thirty (30) days prior to the requested effective date. Any increased price adjustment(s) must be accompanied by written justification attesting that the request is a bonafide cost increase to the Vendor/Contractor. The base period for any requested adjustment shall be the beginning of the latest period during which an adjustment may have been made. All requests for price adjustment(s) shall be supported by Consumer Price Index and/or Producer Price Index documentation supporting the requested increase. All price adjustments must be accepted by the Chief Procurement Officer and shall be accomplished by written amendment to this contract.

6.12. MARKET CONDITIONS:

The County reserves the right to purchase on the open market should lower market prices prevail, at which time the Vendor/Contractor shall have the option of meeting the lower price or relieving the County of any obligation previously understood.

6.13. CHANGES - SERVICE CONTRACTS:

- A. The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas:
 - 1. Description of services to be performed.
 - 2. Time of performance (i.e., hours of the day, days of the week, etc.).
 - 3. Place of performance of the services.
- B. If additional work or other changes are required in the areas described above, a price proposal will be required from the Vendor/Contractor. Upon negotiation of the proposal, execution and receipt of the change order, the Vendor/Contractor shall commence performance of the work as specified.
- C. The Vendor/Contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the

Procurement Department. If the Vendor/Contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at their own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

6.14. METHOD OF ORDERING:

The County will issue purchase orders against the contract on an as-needed-basis for the supplies or services listed on the Bid Form.

It is vital and imperative that the majority of citizens are protected from any emergency situation which threatens public health and safety, as determined by the County. Vendor/Contractor agrees to rent/sell/lease all goods and services to the County or other governmental entities as opposed to a private citizen, on a first priority basis. The County expects to pay contractual prices for all products or services required during an emergency situation. **Vendor/Contractor shall furnish a twenty-four (24) hour phone number and email address in the event of such an emergency.**

The current Federal clauses and forms related to an emergency/hurricane or disaster will be provided for review and signature as needed. Current versions may be viewed at www.fema.gov under Contract Provisions Templates.

6.16. REQUIREMENTS CONTRACT:

This is a requirements contract and the County shall order from the Vendor/Contractor all of the supplies and/or services specified in the contract’s price schedule that are required to be purchased by the County, except as otherwise provided herein. If the County urgently requires delivery of goods or services before the earliest date that delivery may be required under this contract, and if the Vendor/Contractor will not accept an order providing for accelerated delivery, the County may acquire the goods or services from another source. Except as this contract may otherwise provide, if the County’s requirements do not result in orders in the quantities described as “estimated” in the contract’s price schedule, that fact shall not constitute the basis for an equitable adjustment.

6.17. ESTIMATED QUANTITIES:

Hernando County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the Bid Form attached to these bid documents. It is understood by all Bidder’s that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract. The contract resulting from this solicitation shall be non-exclusive and the County may procure the goods or services covered by the contract from other sources at its discretion.

6.18. ADDITIONAL ITEMS:

The award of the bid shall be based on the fixed price submitted for the items on the Bid Form attached to these bid documents. Additional items not on the current Bid Form may be added from time to time. However, the County will obtain quotes from at least three Vendor/Contractors who have already submitted bids and these items will be added to the low responsive and responsible Bidder's contract.

6.19. SITE DAMAGE:

The Vendor/Contractor shall be held responsible for damage to any site feature including, but not limited to: irrigation equipment, trees, shrubs, signs, vehicles, etc. caused by the Vendor/Contractor. It shall be the Vendor/Contractor's responsibility to clean-up and/or rectify, to the County's satisfaction, any damage to County property caused by any individual(s) connected with the Vendor/Contractor. The Vendor/Contractor shall be notified of the specific nature of the damage and cost of repair. The County shall, at its option, invoice the Bidder for payment or reduce the next regular payment to the Vendor/Contractor, for the cost of repairs, materials, and labor.

6.20. EQUIPMENT LIST:

Bidders shall submit with the bid a listing of all equipment which Bidders will use in the performance of this contract, including (as applicable) rolling stock, loaders, tractors, mowers, and any other specified equipment. The Vendor/Contractor is also required to indicate which equipment is company-owned. Failure to submit said equipment list may render Bidder's response non-responsive.

6.21. FINAL SITE INSPECTOR:

Final inspection will be performed by County staff upon completion of the services. The site must meet all requirements as stated in the scope of work issued prior to payment processing.

6.22. MATERIAL SAFETY DATA SHEETS:

In accordance with Florida Emergency Planning and Community Right-to-Know Act, Chapter 252, Part II, Florida Statutes, it is the seller's duty to advise Hernando County if a product is a listed toxic substance and to provide a Material Safety Data Sheet (MSDS) at the time of delivery. Vendor/Contractors must comply with this procedure along with the Federal Emergency Planning and Community Right-to-Know Act (42 U.S.C. Ch 116) and the Federal Hazard Communications Standards (29CFR sec.1910.1200) all other applicable laws.

7. SCOPE AND SPECIFICATIONS

7.1. Project Background Information

Project Background Information:

The intent of these specifications is to outline the requirements for the removal and disposal of grit, sand, rags, and sludge from two (2) basins each year of the six (6) total aeration/oxic basins, at the Airport Water Reclamation Facility (WRF), 1400 Downwind Way, Brooksville, Florida 34604, located in Hernando County Florida.

Location of the Work:

Hernando County Airport Water Reclamation Facility (WRF), 1400 Downwind Way, Brooksville, Florida 34604. The County Project Manager or Designee will identify project areas, storage area and parking to be utilized by the Vendor/Contractor.

7.2. Problem, challenge or issue, and desired outcome(s).

The Airport Water Reclamation Facility (WRF) has six basins that are approximately 69' long, 24' wide and 20' high. The basins have fine air diffusers that are fixed to the concrete floors (See Attachment A - Appendix A). There are drains at the end of each basin. Access is only acceptable by an extension ladder to each basin. The contractor will NOT be required to clean the aeration diffusers. PLEASE NOTE: the vendor shall exercise care and caution during the cleaning of the surrounding areas of diffusers or the manifold piping systems and would be held responsible for any damages.

There is an accumulation of grit/sand/rags/sludge that must be removed from the basins. The estimated quantity of grit/sand/rags/sludge in each basin is approximately 60 - 125 Wet Cubic Yards of material. This accumulation of material is calculated at approximately 1' deep, 69' Long, 24' wide across the entire bottom of the basin. Reuse water (Two 2-inch lines @ 70 psi) is available, at no charge, for the cleaning process.

7.3. Performance Requirements

A Cleaning Event is defined as the annual removal of grit/sand/rags/sludge from two basins in the same mobilization event. The Cleaning Event shall be completed within a three (3) week period.

The Contractor will request the Project Manager or Designee to conduct a site inspection after each part of the project, i.e. basin, is complete. During the inspection the Project Manager or Designee will prepare a list of any deficiencies that need to be corrected and will forward a copy of the list to the Contractor. After the deficiencies have been corrected, the Contractor will request a final inspection with the Project Manager or Designee. Final project approval is contingent upon the Project Manager or Designee.

The Contractor shall keep the premises clean of all rubbish and debris generated by the work involved and shall leave the premises neat and clean on a daily basis. The Contractor, at the Contractor's expense, shall dispose of all surplus material, rubbish, and debris. The work area shall be cleaned at the end of each workday. All materials, tools, equipment, etc., shall be removed or safely stored. The County is not responsible for theft or damage to the Contractor's property. All possible safety hazards to

workers or the public shall be corrected immediately and left in a safe condition at the end of each workday. If there is a question in this area, the Project Manager or Designee will be consulted.

The Contractor shall furnish all necessary labor, tools, equipment, and supplies to perform the required services at the Airport WRF. Upon Award of Bid & Issuance of Purchase Order/Notice to Proceed; the Project Manager or Designee will respond to all questions which may arise as to the quality and acceptability of any work performed under the contract. If, in the opinion of the Designee, performance becomes unsatisfactory, the County (Owner) shall notify the Contractor. The Contractor will have one (1) day from that time to correct any specific instances of unsatisfactory performance. In the event the unsatisfactory performance is not corrected within the time specified above, the County shall have the immediate right to complete the work to its satisfaction and shall deduct the cost to cover from any balances due or to become due to the Contractor. Repeated incidences of unsatisfactory performance may result in cancellation of the agreement for default.

7.4. Technical Requirements

The Contractor shall extract the grit/sand/rags/sludge and return the liquid to the plant's sanitary sewer system. The flow shall not exceed 500 gpm, must not contain sand, and shall not exceed 2.5% total solids. The grit/sand/rags/sludge shall be removed by the Contractor and disposed of at an approved sanitary landfill. The landfill must be permitted for the type of material being disposed.

The contractor will be removing the grit/sand/rags/sludge and cleaning the base of the basins. The contractor will not be cleaning the diffusers themselves. Work must be done using a vacuum system, or equivalent, that will not damage the aeration diffusers. Removal of materials with shovels WILL NOT be allowed. The contractor will be responsible for any damage to any of the diffusers or the manifold piping system.

Work on this project shall be conducted Monday through Friday, from 0700 to 1530 hours, excluding County Holidays (See Attachment B - 2024 Holiday Schedule and Attachment C - 2025 Holiday Schedule).

Each truckload removed must be inspected by the Hernando County Project Manager or Designee and the Contractor before leaving the Airport WRF to determine actual quantities. A staging area is available in the roadway beside the aeration tank. Electric power is available, 110 VAC, 20 AMP service, in the aeration tank area. Copies of disposal tickets must be furnished to the Hernando County Project Manager or Designee for accounting and invoice processing purposes. The disposal tickets should be emailed to the County Project Manager with two (2) business days of disposal of materials at the landfill.

Any permits required must be obtained prior to the start of work. If a fee is levied, the Contractor may add the cost of it to his invoice. Any additional fees to the contracted amount must be pre-authorized by the Project Manager or Designee.

The specifications associated with this project are intended to generally describe a complete installation. Any additional materials or labor required for the complete project, as intended, shall be provided by the Contractor, whether or not it has been detailed in these documents.

ADDENDUM # ONE (1)

TO
THE CONTRACT DOCUMENTS FOR THE

**Airport Water Reclamation Facility
(WRF) – Grit Removal**

IN
HERNANDO COUNTY, FLORIDA

SOLICITATION NO. 24-T00872/JC

Bidders are required to acknowledge receipt of this Addendum via OpenGov prior to the time of the Bid Opening.

The following changes, additions and/or deletions are hereby made a part of the Contract Documents for the above-referenced Solicitation as fully and completely as if the same were fully set forth therein:

A. QUESTIONS AND ANSWERS

1.Q. Do the aeration diffusers need to stay wet during the cleaning process?

1.A. No, the diffusers are not required to remain wet.

2.Q. Is there a drying bed accessible to use?

2.A. No, dewatering will be done into a collection system manhole. A drying bed is not available.

3.Q. Have the basins been cleaned previously?

3.A. No, this is the first time they will be cleaned. The WRF has been in operations for approximately two and one-half (2-1/2) years.

4.Q. Is there currently an estimate value for this project?

4.A. The value of the project will be determined by the bid received from the lowest, responsive, and responsible bidder.

5.Q. Please explain how the 21-day performance period in Special Condition (SC) 6.4 applies to this scope of work which is to be performed over 3 years. Is this supposed to mirror the Performance Requirements in Section 7.3? Is the three week performance period in 7.3 inclusive of weekend days on which no work is permitted (7.4)? If so, that would mean two basins must be cleaned (including mob and demob) in 15 working days (assuming no holiday). Is that the County's intent? (Please note that, as a matter of law, the damage formulation in 6.4.D is unenforceable. County is limited to recovering cover damages.)

- 5.A. Performance shall be the cleaning of two (2) of the six (6) basins per year. Mobilization for the cleaning event shall occur no later than one (1) week after receipt of the purchase order. Performance of the cleaning event shall be completed within three (3) weeks of initiation of work.
- 6.Q. **Since measurements are only estimates (SC 6.7), please confirm that there is no cap on unit-priced payments. In other words, if the estimated volume in a basin is 60-125 cubic yards, does Vendor/Contractor need to stop work and obtain a change order if there remains material in a basin after 125 cubic yards have been removed? Similarly, the last sentence of SC 6.7 needs to be removed since this is a unit-priced contract. Please also confirm that additional time for performance will be allowed without LDs or other penalty to remove amounts (if any) exceeding the estimated volumes.**
- 6.A. Cubic yard measurements are estimated, and the vendor will submit invoices based on actual cubic yards disposed.
- 7.Q. **Please add the following provisions to the General Conditions:**
- A. Waiver of Consequential Damages** Neither party shall be liable for consequential or punitive damages on any claims arising out of the performance or non-performance of obligations under the Contract.
- B. Relief for Force Majeure/Uncontrollable Circumstances; Change in Law** (replaces 5.23.A.4) Neither party shall be liable to the other party for breach or for failure or delay in the performance of its obligations hereunder caused by any act or occurrence beyond its reasonable control, including, but not limited to: fires; floods; strikes (except any strikes involving a party's personnel); a change in Federal, State, or local law or ordinance; orders or judgments of any Federal, State or local court, administrative agency or governmental body; change in permit conditions or requirements; accidents; extreme weather conditions including, for example, hurricanes, tornadoes, unusually high amounts of precipitation, unusual extremes of temperature or wind, or unusually extended periods of adverse weather conditions; acts of war, aggression or terrorism (foreign or domestic); equipment failure (other than due to the inadequate maintenance thereof); and acts of God. It is specifically understood that, without limitation, none of the following acts, events or circumstances shall constitute an act or occurrence beyond a party's reasonable control: (i) reasonably anticipated weather conditions normal for the region in which the work is performed or (ii) any failure to pay any sums in accordance with the terms of this Contract. Whenever the provisions of this section are believed to apply, the party relying thereon shall give prompt notice to the other party of the circumstances, the basis for applicability of this section and the time required to cure such breach or delay. Vendor/ Contractor shall promptly provide notice of the need, if any, for additional compensation or for renegotiation of terms in order to mitigate the effects of such event or to comply with a change in law or regulation or interpretation thereof. Vendor/Contractor shall be entitled to additional time and compensation if such event delays performance into a season different from that assumed when this Contract was

executed. Vendor/Contractor and County shall use reasonable best efforts to agree on appropriate mitigating actions under the circumstances.

C. Payment Terms (modifies 5.30.D) [Note to team: Spec is 45 days. Anything over 30 days requires CFO approval] County shall pay to Vendor/Contractor the full amount due under said invoice within thirty (30) days of the date of said invoice. Any invoice amount not paid in full within thirty (30) days after the date of said invoice shall bear interest at the rate of one and one-half percent (1.5%) per month on the unpaid balance thereof computed from the date of the invoice. If there are disputes regarding the contract, Customer agrees to timely pay any undisputed amounts.

D. Compensation for Early Termination (modifies 5.23.A.3) County and Vendor/Contractor agree in advance that if the County exercises its right to terminate without cause, the County will pay Vendor/Contractor for expenses incurred because of early termination. These expenses include, but are not limited to, recovery of capital costs, demobilization, employee severance payments and costs to terminate subcontractors and equipment leases.

7.A. This question will be addressed in upcoming Addendum # Two (2).
