Accordingly, by submitting your Bid/Proposal, Consultant/Firm represents and warrants (a) that the Consultant/Firm is in compliance with all applicable federal, state and local laws, including, but not limited to, the laws related to the requirement of an employer to verify an employee's eligibility to work in the United States, (b) that all of the Consultant/Firm employees are legally eligible to work in the United States, and (c) that the Consultant/Firm has actively and affirmatively verified such eligibility utilizing the Federal Government's Employment Verification Eligibility Form (I-9 Form).
- B. A mere allegation of Consultant/Firm's intent to use and/or current use of unauthorized workers may not be a basis to delay the County's award of a Contract to the Consultant/Firm unless such an allegation has been determined to be factual by ICE pursuant to an investigation conducted by ICE prior to the date the Contract is scheduled to be awarded by the County.
- C. Legitimate claims of the Consultant/Firm's use of unauthorized workers must be reported to both of the following agencies:
 - 1. The County's Procurement Department at (352) 754-4020: and

- E. Consultant/Firm is required to incorporate the following IMAGE Best Practices into its business and, when practicable, incorporate verification requirements into its agreements with Sub-Contractors:

 - 5. Require the Form I-9 and E-Verify process to be conducted only by individuals who received appropriate training and include secondary review as of each employee's verification to minimize the potential for a single individual to subvert the process.
 - 6. Arrange for annual Form I-9 audits by an external auditing firm or a trained employee not otherwise involved in the Form I-9 process.
 - 7. Establish a procedure to report to ICE credible information of suspected criminal misconduct in the employment eligibility verification process
 - 8. Establish a program to assess Sub-Contractors' compliance with employment eligibility verification requirements. Encourage Consultant/Firms to incorporate the IMAGE Best Practices contained in this Article and, when practicable, incorporate the verification requirements in Sub-Contractor agreements.
 - 9. Establish a protocol for responding to letters received from Federal and State government agencies indicating that there is a discrepancy between the agency's information and the information provided by the employer or employee; for example, "no match" letters received from the Social Security Administration.

10. Establish a tip line mechanism (inbox, e-mail, etc.) for employees to report activity relating to the employment of unauthorized workers, and a protocol for responding to employee tips.

Therefore, the County Commission has determined that it is in the best interest of the County to give a preference to local businesses in making such purchases whenever the application of such a preference is reasonable in light of the dollar-value of Bids and quotes received in relation to such expenditures.

 - b. Three (3%) percent if the cost differential does not exceed \$1,000.00 for procurement activities in amounts more than \$10,000.00, but less than \$35,000.
 2. The total Bid price shall include not only the base Bid price, but also all alterations to the base Bid price resulting from alternates which were both part of the Bid and actually purchased or awarded by the Board of County Commissioners.
 3. In the case of requests for Proposals or qualification, letters of interest, or other solicitations and competitive negotiations and selections in which objective factors are used to evaluate

the responses, local businesses shall be assigned five (5%) percent of the total evaluation points.

E. Exemptions:

1. Purchases resulting from exigent emergency conditions where any delay in completion or performance would jeopardize public health, safety, or welfare of the citizens of the County, or where in the judgment of the County the operational effectiveness or a significant County function would be seriously threatened if a purchase was not made expeditiously.
2. Purchases with any sole source supplier for supplies, materials, or other equipment.
