CAPACITY ANALYSIS

The Hernando County School District Level of Service (LOS) is 100% of school capacity.

At the elementary and high school levels, sufficient capacity is not currently available in the assigned Concurrency Service Areas (CSAs) of Moton ES and Nature Coast Tech HS. However, sufficient capacity is available in the adjacent CSAs of JD Floyd ES and Hernando HS.

At the middle school level, sufficient capacity is available in the assigned CSA of DS Parrott MS.

COMMENTS

This analysis represents a non-binding determination of capacity.

A formal application for School Concurrency requesting a *Finding of Available School Capacity* should be submitted to the School District no less than thirty (30) days prior to submission for approval of a site plan, conditional plat, or functional equivalent. The administrative fee for this application is \$500.00.

We appreciate the opportunity to provide comments on the zoning amendment petition for this proposed residential development. Please let me know if you have any questions or comments.
