Re: Hernando County  
Economic Development Technical Advisory Committee

Dear Jeff:

Enclosed is my application for a full member position on the Hernando County Economic Development Technical Advisory Committee. The County has long needed to move vigorously for economic, and, in particular, industrial, development, and I am happy to see that, in the last several years, significantly greater attention has been given to the issue.

As a fifth (5<sup>th</sup>) generation Hernando County resident, it is long been my goal to see a balanced mix of development in the County, and the industrial base of our business community can certainly use assistance in expanding its profile. As an attorney with over 40 years of land development experience, I hope to be able to provide relevant input to that effort, if the Board sees fit to appoint me to the Committee.

In the meantime, if you have any questions regarding this matter, or if you need any further information from me regarding my application, please let me know.

Very sincerely yours,

  
JOSEPH M. MASON, JR.
