**LAND USE REVIEW**

Minimum Building Setbacks Required in the AG (Agricultural) District:

- Front: 75'
- Side: 35'
- Rear: 50'

A conditional use permit is intended to be used as a special permit which temporarily allows uses not otherwise permitted by the ordinance. The Commission can grant a conditional use permit for a period up to two years if they determine that a hardship exists.

**NOTICE OF APPLICANT RESPONSIBILITY**

*The conditional use permit process is a land use determination and does not constitute a permit for either construction, or use of, the property, or a Certificate of Concurrency. Prior to use of, or construction on, the property, the petitioner must receive approval from the appropriate County department(s) for the proposed use.*

*The granting of this land use determination does not protect the owner from civil liability for recorded deed restrictions which may exceed any county land use ordinances. Homeowner associations or architectural review committees require submission of plans for review and approval. The applicant for this land use request should contact the local association or the Public Records for all restrictions applicable to this property.*

**STAFF RECOMMENDATION:**

It is recommended that the Planning and Zoning Commission determine whether a hardship exists; if such a determination is made, the Planning & Zoning Commission may approve the request for a Conditional Use Permit for a Second Residence Due to Medical Hardship with the following performance conditions:

1. The petitioner shall obtain all permits from Hernando County and other applicable agencies and meet all applicable land development regulations, for either construction or use of the property, and complete all applicable development review processes.
2. The petitioner shall remove the second residence upon expiration of the permit, or when the hardship no longer exists.
3. The conditional use permit shall expire on November 10, 2027
4. The applicant shall coordinate with the City of Brooksville for any utility upgrades.

**PLANNING AND ZONING COMMISSION ACTION**

On November 10, 2025, the Planning and Zoning Commission voted 5-0 to postpone the petitioner's request for a Conditional Use Permit for a Second Residence Due to Medical Hardship to a future hearing date to be determined. As the application was postponed due to the application being insufficient, the applicant will not be required to pay for any readvertising costs.
