

RESOLUTION NO. 2024 - 219

WHEREAS, Hernando County has adopted zoning regulations pursuant to Section 125.01(1) and Chapter 163, *Florida Statutes*, which authorize the County to regulate the use of land in the unincorporated areas of Hernando County, Florida, and take action on the request herein; and

WHEREAS, the Hernando County Board of County Commissioners (BOCC) conducted a duly advertised public hearing to consider the requested changes in zoning on the specified parcels in Hernando County, Florida, as more fully described below;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF HERNANDO COUNTY, FLORIDA, AS FOLLOWS:

APPLICANT: Raysor Ventures, LLC

FILE NUMBER: H-24-27

REQUEST: Rezoning from AG (Agricultural) to PDP(MF)/ Planned Development Project (Multi-Family) with deviations

GENERAL LOCATION: South side of Osowaw Boulevard, approximately 980' northeast of its intersection with Buccaneer Boulevard

PARCEL KEY NUMBERS: 1695419

REQUEST: Rezoning from AG (Agricultural) to PDP(MF)/ Planned Development Project (Multi-Family) with deviations as enumerated in the BOCC Action, which is incorporated herein by reference and made a part hereof. The representations contained in the rezoning application are incorporated herein by reference and made a part hereof and are relied upon by the County to be true and correct. For purposes herein, it is presumed that all notice and advertising requirements have been satisfied.

FINDINGS OF FACT: ALL of the facts and conditions set forth in the County's staff memoranda and presented to the BOCC in connection with the public hearing in this matter are incorporated herein by reference and made a material part of this Resolution as integral to the BOCC's Action. The BOCC finds that the testimony and record supporting DENIAL of the applicant's request for rezoning with deviations to be credible and to constitute competent substantial evidence. In further support thereof, the BOCC makes the following specific findings of fact:

1. The application is **NOT** compatible with the surrounding residential area due to the intensity and density of the proposed use.
2. The proposed request is too intense for the subject site due to the site's limited developable area.

**CONCLUSIONS
OF LAW:**

The BOCC is authorized to act on this matter pursuant to Chapters 125 and 163, *Florida Statutes*. Accordingly, after public hearing and testimony, being fully advised in the record, and based upon competent substantial evidence, the BOCC makes the following specific conclusions of law:

1. There is a legitimate public purpose in protecting the existing and future residential areas from encroachment of incompatible uses that are too destructive to the character and integrity of the surrounding residential area to protect the health, safety and welfare of the public, and to attain compatibility with surrounding residential uses.

ACTION:

After notice and public hearing, based upon the record in this matter and ALL of the findings of fact and conclusions of law above, the BOCC hereby DENIES the rezoning from AG (Agricultural) to PDP(MF)/ Planned Development Project (Multi-Family) with deviations as set forth in the BOCC Action, which is incorporated herein by reference and made a part hereof. Any requests, uses, variances or exceptions that were requested in connection with this rezoning application but not specifically approved herein are hereby deemed DENIED.

ADOPTED IN REGULAR SESSION THE 12th DAY OF October 2024.
