NOW THEREFORE, in consideration of the mutual promises and covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Licensor and Licensee do hereby agree as follows:

SECTION 1. RECITALS.

The above Recitals are true and correct and are incorporated herein and made a part hereof by this reference.

SECTION 2. PREMISES.

The Licensor hereby grants to the Licensee the right to use, consistent with all the terms and conditions of this Agreement, that portion of the Airport property described and shown on Exhibit "A" attached hereto and made a part hereof by this reference, (hereinafter the Premises). The license shall include a limited right of ingress and egress to the Premises, at such times as are specified herein, using only the access roads specified in Section 8.B. below.

SECTION 3. DURATION OF LICENSE.

A. This License Agreement shall commence on September 1, 2023 and shall terminate at 11:59 p.m. 365 days after the date of commencement, unless earlier terminated as set forth herein. The Licensee shall not be privileged to enter or utilize the Premises prior to complete execution and approval of this License Agreement, including acknowledged receipt and sufficiency of Required Insurance.

SECTION 4. NONEXCLUSIVE USE OF PREMISES.

The Licensor and the Licensee further agree that other Airport uses may take place concurrently with Licensee's permitted use of the Premises.

SECTION 5. PERMITTED USE OF PREMISES.

A. The Licensee may use the Premises ONLY for the following purposes, which are fully described as follows: dirt and concrete stockpiling (stockpile height limited to surrounding treetops), concrete crushing, tree burning, and storage of equipment and associated materials related to Airport construction projects. Licensee shall be solely responsible for the proposed use, including doing all things necessary to ensure the Premises is made safe for the Licensee's proposed use by employees and contractors.

B. The Licensee shall not use or permit the use of the Premises for any other purpose, other than that stated above, without a prior written amendment to this Agreement. All activities in connection with proposed use shall be coordinated in advance with the County.

SECTION 6. REQUIRED PERMITS.

A. The Licensee, in its own name and at its own expense, shall obtain all permits and/or licenses required or needed in connection with any use or this License Agreement. All such permits/licenses shall be obtained prior to the first use and copies shall be provided to the Airport

Manager. Failure to obtain said approvals and permits will render the license granted herein null and void.

B. The failure of this Agreement to address a particular permit, condition, term or restriction shall not relieve the Licensee of the necessity of complying with the law governing said permitting requirements, conditions, terms or restrictions. No rights to obtain a temporary conditional use approval nor any other rights to the proposed use have been granted or implied simply by the County's approval of this Revocable License Agreement. Licensee may not attempt to force or coerce County approval authorities to approve any temporary conditional use or other land use approval, by asserting that the County has committed to such approvals based on the theory of vested rights or equitable estoppel or any other legal theory based on the County's approval of this Agreement. Approval of a development order requires strict compliance with applicable approval criterion for the requested use.

C. Licensee shall be solely responsible for obtaining all approvals, permits, licenses, insurance, and authorizations from the responsible Federal, State, and local authorities, or other entities, necessary to use the Premises in the manner contemplated. Further, it is expressly agreed and understood that Hernando County has no duty, responsibility, or liability for requesting, obtaining, ensuring, or verifying Licensee's compliance with the applicable state and federal agency permit or approval requirements. Any permit or authorization granted by the County, including any development order under County land use regulations shall not in any way be interpreted as a waiver, modification, or grant of any state or Federal or State agency permits or authorizations or permission to violate any state or federal law or regulation. Licensee shall be held strictly liable, and shall hold Licensor Hernando County, its officers, employees and agents harmless for administrative, civil and criminal penalties for any violation of Federal and State statutes or regulations, including but not limited to environmental laws and regulations. Nothing herein shall be interpreted as restricting or limiting Hernando County from bringing an enforcement action under the Hernando County Code of Ordinances.

#### SECTION 7. LICENSE FEE; OTHER COSTS.

The Licensee agrees that the annual License Fee for temporary use of the Premises shall be:

Year 1	\$33,116.44	(\$0.14 psf)

Further, the Licensee is strictly obligated to pay the full cost of repair, including administrative costs, for any damage to the Premises caused by the Licensee, its agents, contractors, invitees, patrons and/or guests arising from each use. Licensee acknowledges that said repair may only be performed by County personnel or other authorized and qualified contractors of the County. In addition, Licensee acknowledges that said repair shall be in accordance with all federal, state, and local public improvement standards, rules, and regulations, including but not limited to public improvement standards, and when triggered, public bidding and contracting rules. If the property is returned with damages necessitating repair, unless otherwise agreed by the parties, the Licenser shall conduct the repair to the premises and bill the Licensee. Any such bill shall be fully paid within thirty days of receipt. Failure to any bill under this section shall disqualify Lessee or its members from any future use of the Premises. In addition, the Licenser may pursue any legal action to recover the debt.
