#### **3.4. MODIFICATION/AMENDMENT/CHANGE ORDER**

It is understood that the County is not obligated to purchase any specific amount of services/supplies under this agreement.
- B. The period of the Contract shall extend for 3 years effective from date of execution.
- C. **Renewal Option (Unilateral):** At the sole option of the County, through the Board of County Commissioners or Chief Procurement Officer or Designee, this Contract may be unilaterally renewed, for two additional one-year renewal periods at the same prices, terms, and conditions. The County alone will determine whether or not this renewal option will be exercised based on its convenience and its best interest. The County will notify the Vendor/Contractor, in writing, no later than thirty (30) days prior to expiration of its decision to exercise this Contract renewal option and/or options. Any request by the Vendor/Contractor for consideration of a price adjustment must be submitted in writing to the County at the time of County notice of its decision to exercise Contract renewal (this provision), and the Vendor/Contractor must provide written evidence based on increased costs to the Vendor/Contractor. Documentation of these increases must be furnished to the County upon request. Any price adjustment (increase or decrease) approved by the County shall impose upon the Vendor/Contractor the requirement to advise and extend to the County price reductions when costs similarly decrease.
- D. Either party may cancel this Contract, in whole or in part, by giving ninety (90) days prior notice in writing. However, the Vendor/Contractor shall not be authorized to exercise this cancellation option during the first one-hundred eighty (180) days of the Contract. Such exception(s) must be approved in writing by the County at least one (1) day in advance. Services will not be permitted when operations would cause a traffic or safety hazard.

- C. Unless otherwise specified, services shall be performed as described in these contract documents.
- D. Vendor/Contractor(s) shall not commence work prior to the County's receipt and acceptance of the certification of insurance, and any other required documents/certificates as specified by these contract documents.

A Vendor/Contractor shall not be qualified to bid when an investigation by the Chief Procurement Officer finds the Vendor/Contractor delinquent on a previously awarded contract or in litigation concerning a Hernando County previously awarded contract.

### 5.6. MINOR INFORMALITIES AND IRREGULARITIES

Hernando County has the right to waive minor defects or variations of a bid from the exact requirements of the specifications that do not affect price, quality, quantity, delivery, or performance time of the services being procured. If insufficient information is submitted by a Bidder with the bid for Hernando County to properly evaluate the bid, Hernando County has the sole right to require such additional information as it may deem necessary after the time set for receipt of bids, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured. The Board of County Commissioners reserves the sole right to reject any or all bids in whole or in part; to award by any item, group(s) of items or in the aggregate whichever is most advantageous to the County.

### 5.7. NON-EXCLUSIVE CONTRACT

Award of a contract resulting from this bid imposes no obligation on the County to utilize the Vendor/Contractor for all work of this type, which may develop during the contract period. This is not an exclusive contract. The County specifically reserves the right to contract with another company for similar work if it deems such action to be in the County's best interest.

### 5.8. NON-PERFORMANCE

- B. In case of default, the County may procure the services from other sources and hold the Vendor/Contractor responsible for all costs occasioned thereby and may immediately cancel the

contract. The Chief Procurement Officer reserves the sole right to impose and debar Vendor/Contractors, as a direct result of Vendor/Contractor default and termination for a period of twelve (12) months to twenty-four (24) months depending upon the severity of the default resulting in contract termination. The Vendor/Contractor and its sureties (if any) shall be liable for any damage to the County resulting from the Vendor/Contractor's default of the contract. This liability includes any increased costs incurred by the County in completing contract performance.

#### **5.9. ASSIGNMENT**

The successful Bidder is required to perform this contract and may not assign, transfer, convey, sublet, or otherwise dispose of any award or any or all of its rights, title, or interest therein, or the resulting contractual agreement in whole or in part without prior written authorization given at the sole discretion of Hernando County.

#### **5.13. MODIFICATIONS/AMENDMENTS AND CHANGE ORDERS**

Without invalidating the contract, the County may, at any time or from time to time, through its Chief Procurement Officer or designee, order additions, deletions, or revisions in the work, the same being authorized by change order or contract modification/amendment. The cumulative total of change orders and/or modifications/amendments to this contract under \$35,000.00 (cap) will be approved by the Chief Procurement Officer or its designee. Once the \$35,000.00 cap is reached, all other additions, or revisions to this contract that exceed the "cap" are subject to approval by the Hernando County

#### 5.15. MANUFACTURERS' NAME AND APPROVED EQUIVALENTS

Manufacturers' names, trade names, brand names, information and/or catalog number listed in a specification are for informational purposes only and are not intended to limit competition. Said listing is for the purpose of item identification and to establish standards for quality, style and features. Bids on equivalent items will be considered unless items are noted as no substitutes. The Bidder may offer any brand for which they are an authorized representative, which meets or exceeds the specifications for any item(s). If bids are based on equivalent products, indicate on the Bid Form the manufacturers' name and catalog number. Bidder shall submit with their bid, cuts, sketches, and descriptive literature and/or specifications. The Bidder should also explain in detail the reasons(s) why and submit proof that the proposed equivalent will meet the specifications and not be considered an exception thereto. Bids which do not comply with these requirements may be found non-responsive and subject to rejection. If Bidder fails to name a substitute, it will be assumed that they are bidding on and will be required to furnish goods identical to the bid standard as specified.

#### 5.16. LITIGATION/WAIVER OF JURY TRIAL

This agreement shall be governed by and construed according to Florida law. Venue for any dispute or formal litigation concerning this agreement shall be in the appropriate court with territorial jurisdiction

### 5.17. TERMINATION

#### A. Termination for Default:

1. The County may, by written notice to the Vendor/Contractor, terminate this contract for default in whole or in part (delivery orders, if applicable) if the Vendor/Contractor fails to:

Failure to adequately cure the deficiency shall result in termination action and possible debarment. Such termination may also result in suspension or debarment of the Vendor/Contractor for a period of twelve (12) to twenty-four (24) months depending upon the severity of the Vendor/Contractor's action that caused the default in accordance with the County's Procurement Ordinance. The Vendor/Contractor and its sureties (if any) shall be liable for any damage to the County resulting from the Vendor/Contractor's default of the contract. This liability includes any increased costs incurred by the County in completing contract performance.

  - c. Transfer all work in process, completed work, and other materials related to the terminated work as directed by the County.
  - d. Continue and complete all parts of that work that have not been terminated.
4. If the Vendor/Contractor's failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Vendor/Contractor, the contract shall not be terminated for default. Examples of such causes include (1) acts of God or the public enemy, (2) acts of a government in its sovereign capacity, (3) fires, (4) floods, (5) epidemics, (6) strikes and (7) unusually severe weather.
- B. Termination for Convenience: The County, by written notice, may terminate this contract, in whole or in part, when it is in the County's interest. #### 5.20. INTERIM EXTENSION OF PERFORMANCE

If it is determined that interim performance is required to allow for the solicitation and award of a new contract, the County may unilaterally extend the contract for a maximum period of up to six (6) months. Current pricing, delivery and all other terms and conditions of the contract shall apply during this interim period.

### 5.21. COMPETENCY OF BIDDERS

The County reserves the right to make such investigations as they may deem necessary to establish the competency and financial ability of any Bidder to perform the work; and if after investigation, the evidence of their competency or financial ability is not satisfactory, the County reserves the right to reject their bid.

### 5.22. MAINTENANCE OF RECORDS

  - 5. Require the Form I-9 and E-Verify process to be conducted only by individuals who received appropriate training and include secondary review as of each employee's verification to minimize the potential for a single individual to subvert the process.
  - 6. Arrange for annual Form I-9 audits by an external auditing firm or a trained employee not otherwise involved in the Form I-9 process.

7. Establish a procedure to report to ICE credible information of suspected criminal misconduct in the employment eligibility verification process.
8. Establish a program to assess subcontractors' compliance with employment eligibility verification requirements. Encourage Vendor/Contractors to incorporate the IMAGE best practices contained in this article and, when practicable, incorporate the verification requirements in subcontractor agreements.

Establish a protocol for responding to letters received from Federal and State government agencies indicating that there is a discrepancy between the agency's information and the information provided by the employer or employee; for example, "no match" letters received from the Social Security Administration.
10. Establish a tip line mechanism (inbox, e-mail, etc.) for employees to report activity relating to the employment of unauthorized workers, and a protocol for responding to employee tips.
11. Establish and maintain appropriate policies, practices, and safeguards against use of the verification process for unlawful discrimination, and to ensure that U.S. citizens and authorized workers do not face discrimination with respect to hiring, firing, recruitment or referral for a fee because of citizenship status or national origin.
