8. GENERAL CONDITIONS

8.1. CONTRACT PERIOD:

- A. The Contract resulting from this solicitation shall be a term contract for the time period specified herein. During the specified time period, the County may order services/supplies as the requirements generate and the Vendor/Contractor will deliver the services/supplies ordered. It is understood that the County is not obligated to purchase any specific amount of services/supplies under this agreement.
- B. The period of the Contract shall extend for three (3) years effective from upon award.
- C. **Renewal Option (Unilateral):** At the sole option of the County, through the Board of County Commissioners or Chief Procurement Officer or Designee, this Contract may be unilaterally renewed, for 2 (two) additional one (1) year periods at the same prices, terms, and conditions. The County alone will determine whether or not this renewal option will be exercised based on its convenience and its best interest. The County will notify the Vendor/Contractor, in writing, no later than thirty (30) days prior to expiration of its decision to exercise this Contract renewal option and/or options. Any request by the Vendor/Contractor for consideration of a price adjustment must be submitted in writing to the County at the time of County notice of its decision to exercise Contract renewal (this provision), and the Vendor/Contractor must provide written evidence based on increased costs to the Vendor/Contractor. Documentation of these increases must be furnished to the County upon request. Any price adjustment (increase or decrease) approved by the County shall impose upon the Vendor/Contractor the requirement to advise and extend to the County price reductions when costs similarly decrease.
- D. Either party may cancel this Contract, in whole or in part, by giving ninety (90) days prior notice in writing. However, the Vendor/Contractor shall not be authorized to exercise this cancellation option during the first one-hundred eighty (180) days of the Contract. The number of days within which, or the dates by which, the work is to be substantially completed and ready for final payment are set forth in the agreement.

8.2. QUALIFICATION OF BIDDERS:

- A. This bid shall be awarded to responsive, responsible bidders, qualified by experience to provide the work specified. The Bidder will submit the following information with their bid:
 - 1. List and brief description of substantially similar work (size and scope) for at least three (3) references of firms, and/or governmental agencies/entities satisfactorily completed with location, dates of contract, names, addresses, telephone numbers and email addresses of

owners (see Questionnaire). These references must be for work performed within the past three (3) years.

2. List of equipment and facilities available to do work.
3. List of personnel including experience and licenses, by name and title, contemplated to perform the work.

B. Failure to submit this information may be cause for rejection of your bid.

8.3. PRE-QUALIFICATION EVALUATION/AWARD OF CONTRACT:

The Pre-Qualification Evaluation will be based on conformance with the specifications, and the Vendor/Contractor's ability to perform the Contract in accordance with the terms and conditions required.

- A. Prior to each work order, pre-qualified Vendor/Contractors under this contract will be asked for a **QUOTE**. Depending on the scope of work to be performed, all or a portion of the pre-qualified Vendor/Contractors will be invited to provide a quote utilizing a rotational basis. The work order will be awarded to the lowest, responsive, and responsible Vendor/Contractor. However, the County reserves the sole right to reject any and all quotes in accordance with the Hernando County Procurement Ordinance.
- B. Per Hernando County Purchasing Policies and Procedures Section No. 030, if a specific project is anticipated to be less than \$2,500.00, only one (1) Vendor/Contractor will be contacted to provide a quote. In these cases, the Vendor/Contractors will be utilized on a rotational basis.
- C. Pre-qualified Vendor/Contractors shall submit quotes on projects as requested by Hernando County departments. Failure to respond to three (3) consecutive quotes may result in the pre-qualified Vendor/Contractor being removed from the pre-qualification list.
- D. If two (2) or more fully responsive, responsible quotes are received for the same total amount or unit price, quality and service being equal, the County reserves the right to award the project to the Vendor/Contractor whose place of business is located within the boundaries of Hernando County, Florida. Should tie quotes, as described above, be received for either two (2) or more Hernando County Vendor/Contractors or from non-local Vendor/Contractors when no Hernando County Vendor/Contractor has submitted a tie quote, then the Chief Procurement Officer shall award the contract to one (1) Vendor/Contractor by drawing lots in a public meeting.

Note: It is the intention of the County to award multiple pre-qualified Vendor/Contractors.

8.4. HOURS:

Work may be performed between the hours of 7:00 am to 7:00 pm Monday through Friday, except County holidays. The County may, on certain occasions, approve work outside of these times. Such

exception(s) must be approved in writing by the County at least one (1) day in advance. Services will not be permitted when operations would cause a traffic or safety hazard.

8.5. WARRANTIES:

The Bidder agrees that the supplies and services furnished under this award shall be covered by the most favorable commercial warranties the Bidder gives to any customer for comparable quantities of such supplies or services and that the rights and remedies provided herein are in addition to and do not limit any rights afforded to the County by any other provision of this award.

8.6. DELIVERY AND ACCEPTANCE:

- A. The County will order services by issuance of a Hernando County numbered purchase order (PO). Each purchase order will specify the scope of work, location and date(s) for service required.
- B. Receipt of services/supplies shall not constitute acceptance. Final acceptance and authorization of payment shall be given only after thorough inspection indicates that the services/supplies delivered meet bid specifications and conditions. Should the services/supplies differ in any respect from the specifications, payment will be withheld until such time as the Vendor/Contractor takes necessary corrective action. If the proposed corrective action is not acceptable to the County, final acceptance of the services may be refused, in which case the services shall remain the property of the Vendor/Contractor and the County shall not be liable for payment for any portion thereof.
- C. Unless otherwise specified, services shall be performed as described in these contract documents.
- D. Vendor/Contractor(s) shall not commence work prior to the County's receipt and acceptance of the certification of insurance, and any other required documents/certificates as specified by these contract documents.

8.7. REJECTION OF BID:

The County reserves the sole right to reject any and all bid submissions. Bids which are incomplete, unbalanced, conditional, obscure or which contain additions not required, or irregularities of any kind, or which do not comply with every aspect of this solicitation, may be rejected at the option of the County. A Vendor/Contractor shall not be qualified to bid when an investigation by the Chief Procurement Officer finds the Vendor/Contractor delinquent on a previously awarded contract or in litigation concerning a Hernando County previously awarded contract.

8.8. MINOR INFORMALITIES AND IRREGULARITIES:

Hernando County has the right to waive minor defects or variations of a bid from the exact requirements of the specifications that do not affect price, quality, quantity, delivery, or performance time of the services being procured. If insufficient information is submitted by a Bidder with the bid for Hernando County to properly evaluate the bid, Hernando County has the sole right to require such additional information as it may deem necessary after the time set for receipt of bids, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured. The Board of County Commissioners reserves the sole right to reject any or all bids in whole or in part; to award by any item, group(s) of items or in the aggregate whichever is most advantageous to the County.

8.9. NON-EXCLUSIVE CONTRACT:

Award of a contract resulting from this bid imposes no obligation on the County to utilize the Vendor/Contractor for all work of this type, which may develop during the contract period. This is not an exclusive contract. The County specifically reserves the right to contract with another company for similar work if it deems such action to be in the County's best interest.

8.10. NON-PERFORMANCE:

Time is of the essence in this Contract and failure to deliver the services specified within the time period required shall be considered a default.

- A. In case of default, the County may procure the services from other sources and hold the Vendor/Contractor responsible for all costs occasioned thereby and may immediately cancel the contract. The Chief Procurement Officer reserves the sole right to impose and debar Vendor/Contractors, as a direct result of Vendor/Contractor default and termination for a period of twelve (12) months to twenty-four (24) months depending upon the severity of the default resulting in contract termination. The Vendor/Contractor and its sureties (if any) shall be liable for any damage to the County resulting from the Vendor/Contractor's default of the contract. This liability includes any increased costs incurred by the County in completing contract performance.

8.11. ASSIGNMENT:

The successful Bidder is required to perform this contract and may not assign, transfer, convey, sublet, or otherwise dispose of any award or any or all of its rights, title, or interest therein, or the resulting contractual agreement in whole or in part without prior written authorization given at the sole discretion of Hernando County.

8.12. PUBLIC ENTITY CRIMES:

Any person submitting a bid or proposal in response to this Invitation to Bid certifies that they are aware of, and in compliance with, all requirements under Section 287.133, Florida Statutes (Current Edition), on public entity crimes. Bidders must provide a response to the section titled VENDOR QUESTIONNAIRE, Sworn Statement to Public Entity Crimes included in these bid documents.

8.13. LICENSES AND PERMITS:

Prior to furnishing the requested product(s) or service(s), it shall be the responsibility of the awarded Vendor/Contractor to obtain, at no additional cost to Hernando County, any and all licenses and permits required to complete this contractual service. These licenses and permits shall be readily available for review by the Chief Procurement Officer or their designee.

8.14. LAWS, REGULATIONS, PERMITS AND TAXES:

Vendor/Contractor shall comply with County's jobsite procedures and regulations and with all applicable local, State, and Federal laws, rules and regulations and shall obtain all permits required for any of the work performed hereunder. Vendor/Contractor shall procure and pay for all permits and inspections required for any of the work performed hereunder and shall furnish any bonds, security or deposits required to permit performance of the work. Vendor/Contractor shall, to the extent permissible under applicable law, comply with the jobsite provisions which validly and lawfully apply to work on the specific jobsite being performed under this contract. The County of Hernando is exempt from Federal excise taxes and all sales taxes.

8.15. MODIFICATIONS/AMENDMENTS AND CHANGE ORDERS:

Without invalidating the contract, the County may, at any time or from time to time, through its Chief Procurement Officer or designee, order additions, deletions, or revisions in the work, the same being authorized by change order or contract modification/amendment. The cumulative total of change orders and/or modifications/amendments to this contract under \$35,000.00 (cap) will be approved by the Chief Procurement Officer or its designee. Once the \$35,000.00 cap is reached, all other additions, or revisions to this contract that exceed the "cap" are subject to approval by the Hernando County Board of County Commissioners through Board agenda item. Only upon receipt of a change order, or modification/amendment executed by the Vendor/Contractor and County (subject to approval by the Chief Procurement Officer and/or Board of County Commissioners – as applicable) shall the Vendor/Contractor be authorized to proceed with the work involved. All such work shall be executed under the applicable terms and conditions contained in the contract documents. In addition:

- A. The County will execute an appropriate modification/amendment to the contract if such modification/amendment to the contract is approved by the Chief Procurement Officer or Board of County Commissioners (as approvable) and,

- A. The Board of County Commissioners, Hernando County, Florida, has the following Tax Exemption Certificates assigned:
 - 1. **Florida Sales and Use Tax Exemption Certificate No. 85-8012556945C-8, effective 1/31/2019 – expiring on 1/31/2024.**

- B. This exemption does not apply to purchases of tangible personal property made by Vendor/Contractor(s) who use the tangible personal property in the performance of contracts for improvements of County owned real property (Chapters 192 and 212, F.S. (Current Edition) and applicable rules of the Department of Revenue).

8.17. MANUFACTURERS' NAME AND APPROVED EQUIVALENTS:

Manufacturers' names, trade names, brand names, information and/or catalog number listed in a specification are for informational purposes only and are not intended to limit competition. Said listing is for the purpose of item identification and to establish standards for quality, style and features. Bids on equivalent items will be considered unless items are noted as no substitutes. The Bidder may offer any brand for which they are an authorized representative, which meets or exceeds the specifications for any item(s). If bids are based on equivalent products, indicate on the Bid Form the manufacturers' name and catalog number. Bidder shall submit with their bid, cuts, sketches, and descriptive literature and/or specifications. The Bidder should also explain in detail the reasons(s) why and submit proof that the proposed equivalent will meet the specifications and not be considered an exception thereto. Hernando County Board of County Commissioners reserves the sole right to be the sole judge of what is equal and acceptable. Bids which do not comply with these requirements may be found non-responsive and subject to rejection. If Bidder fails to name a substitute, it will be assumed that they are bidding on and will be required to furnish goods identical to the bid standard as specified.
