Terms and Conditions of the Amendment

Upon execution of the Settlement Agreement, the County and the Developer Owner shall draft an Amendment to the Development Agreement for approval by the Owner and for the Board of County Commissioner's consideration based on the following terms and conditions:

1. **School Site Reservation.** For the "School Site Reservation Period" set forth below, the Owner has agreed to reserve a school site located on Kettering Road adjacent to the Development, containing approximately 49 gross acres of land, as more particularly described by Exhibit 1 attached hereto ("School Site").
 - a. Accept School Site. Should the School Board elect to proceed with the conveyance of the School Site, the School Site will be conveyed at fair market value as mutually agreed by the School Board and the Owner (the "School Site Value"). The Amendment shall also provide for an expedited third-party dispute resolution process to resolve any disagreement over the School Site Value, based upon independent MAI appraisals. Pursuant to the Owner and the School Board successfully negotiating a Letter of Intent and corresponding Purchase and Sale Agreement, except as otherwise provided in Paragraph 2 below, at Closing the Owner shall accept dollar-for-dollar school impact/surcharge fee credits in the full amount of the School Site Value, which credits shall be fully assignable to any developer/builder for use in any school concurrency service area, in any Hernando County project, pursuant to the Florida Impact Fee Act. Credits issued will be non-refundable. Notwithstanding any other terms or conditions of the Purchase and Sale Agreement, the School Board must close on the School Site on or before December 31, 2026 (the "School Site Reservation Period").
 - b. Decline School Site. Should the School Board decline to proceed with the conveyance of the School Site, the Developer Owner will make a cash payment, or credit from escrow to the extent credits are available, to the School Board in an amount equal to ten percent (10%) of the total amount of the Educational Impact Fee Surcharges for the Phase One Conditional Plat, not later than prior to the issuance of the first building permit in the Phase One Conditional Plat in the amount of \$102,945.30 (the "Mitigation Payment"). The Mitigation Payment obligation may be satisfied by utilizing Escrowed Impact Fees. The entirety of the Sunrise development shall be vested for purposes of school concurrency, subject to The Developer Owner or its successors interest paying an amount equal to ten percent (10%) of the total amount of the Educational Impact Fee Surcharges for each subsequent phase of the Development, prior to the issuance of the first (1st) building permit for each approved subsequent conditional plat for the Development. The Developer Owner shall be awarded and will accept dollar-for-dollar school impact/surcharge fee credits in exchange for the cash payment, which credits shall be fully assignable to any developer/builder for use in any school concurrency service area, in any Hernando County project, pursuant to the Florida Impact Fee Act. Credits issued will be non-refundable.
2. **Impact Fee Credit Escrow Account.** The School Board will establish an impact fee credit escrow account for all Educational Facilities Impact Fees and Educational Facilities Impact Fee Surcharges paid by the Developer Owner for any of its affiliated or related developments located in Hernando County from December 1, 2024, (the "Escrowed Impact Fees") until such time that the School Board decides whether to accept or reject the School Site. The Developer Owner shall provide written notice to the County and the School Board of any "affiliated or related developments" impact fees which are to be attributed towards the Escrowed Impact Fees. The Escrowed Impact Fees will be held for the benefit of this Development. If the District accepts the School Site, at

closing the District shall utilize the Escrowed Impact Fees to pay the Owner for such portion of the School Site Value in cash, with the remainder to be paid in school impact and surcharge fee credits as set forth above, and subject to the terms and conditions of the Purchase and Sale Agreement between the District and the Owner. If the District elects to reject the School Site, the Escrowed Impact Fees will be released to the District for their use provided that they have established an Impact Fee Credit account for the benefit of each development in an amount equal to the Escrowed Impact Fees as of the date of the rejection received associated with each development. Any such school fee credits awarded for the School Site Value shall be immediately assignable by the Owner to Developer Owner, pursuant to separate agreement, at the time of closing on the School Site.

3. **Credits.** Impact Fee credits issued, regardless of whether the School Board elects to accept or decline the School Site donation, shall be issued by the School Board to the Developer Owner/Owner at a rate of dollar-for-dollar. Impact Fee Credits will be assignable and transferable pursuant to Section 163.3180I(10), Florida Statutes. All credits issued will be non-refundable.
4. **1.5 Multiplier Does Not Apply.** The Amendment shall include the following language:
 - a. “Pursuant to Section 23-157(a)(1)(e) of the Hernando County Code, the Development Agreement, as amended, is intended to provide for the full mitigation of impacts as to Schools by the enforcement of the amended Development Agreement and the multiplier set forth in Section 23-157 (b) shall not apply.”
5. **Capacity Reservation; School Concurrency.** The entire Sunrise Development will remain vested as to school concurrency, subject to the payment of school impact fees and school impact fee surcharges, as set forth by the executed Amendment to the Development Agreement, which was approved by the School Board prior to execution. The School Board agrees to reserve school students’ stations for the Development, subject to the Developer Owner complying with the terms and conditions of the Amendment. Once the Developer Owner has made the Mitigation Payment, the Developer Owner shall be entitled to rely on the School Concurrency Determination and the capacity reservation for the Development, as set forth in the Amendment, and such right of reliance shall survive the expiration of the Development Agreement, as amended.
6. **Impact Fees and Impact Surcharges.** Notwithstanding anything contained herein, the Development shall pay all applicable countywide educational facilities impact fees and educational facilities impact fee surcharges at the then current rate, without offset or exemption, except as provided for in the Amendment.
